INT. NIGHTHAWK'S SALES COUNTER - DAY

SLOWLY PAN past the array of designer coffees to a shelf filled with truffles, cordials, caramels, noogats, pralines, ganaches and creams. Lifting a cream to her mouth is

HAYLEY STARK, bright-eyed, fresh-scrubbed. Her athletic, slender frame is all of fourteen years old, but there's an intelligence and a daring in her eyes that feels much older.

She's dressed for fun, in low-slung sweats with a belly chain, a faux-Woodstock-era top from Limited Too, and backpack. She tastes the cream, looks to the STORE CLERK in rapture.

HAYLEY
Oh. So good. I want more.

JEFF (O.C.)
Don't get greedy.

She whirls to see

JEFF KOHLVER, early 30s passing for late 20s, handsome, hip, a radiant smile. Not the kind of guy you imagine trolling adolescents on the internet: he looks like a walking ad for the Gap. Hayley can't believe her eyes, and blushes that her mouth's still full of cream --

HAYLEY
Jeff?

JEFF
Hayley.

HAYLEY
Ohmigod --
(wipes her mouth)
This is like -- I was going to be so sophisticated when we met --

JEFF
A little hard to do that with your mouth full of whatever-that-is --

HAYLEY
It's great, you should try it --

JEFF
I will.

He dabs off a little cream from her lip and tastes it.

Yum.

HAYLEY

(staring; a little blush)
That's what I was thinking.

GEOFF

Pardon?

HAYLEY

Well. You know. You don't look like the kind of guy who has to meet girls over the internet.

GEOFF

I think it's better to talk to people online first. You get to know what they're like inside. You work as a photographer, you find out real quick: people's faces lie.

HAYLEY

Does my face lie?

GEOFF

(mock-studies her)

I look at those eyes and see -- a girl who reads Zadie Smith -- who listens to John Mayer and Coldplay -- who loves old Monty Python episodes -- and who desperately -- deeply -- madly -- wants -- needs -- longs for -- more -- chocolate.

HAYLEY

(laughing)

Excellent judge of character!

Handwritten notes on the right side of the page, including a large bracket and the words "less eye contact" written vertically.

The clerk rolls her eyes in the b.g., but flashes on a helpful smile as Hayley turns to order.

HAYLEY (CONT'D)

Um! Two raspberry truffles, two lemon ganaches, two milk creams --

GEOFF

What's a ganache?

HAYLEY

You don't know ganaches? You're lucky you're with a woman of the world to introduce you to such things.

Handwritten notes on the left side of the page, including "B /" and "C /" with arrows pointing to the dialogue.

The back of the coffeeshop is filled with old, densely padded secondhand furniture. Against one wall, bulletin board with flyers advertising massage therapists, yoga classes, and a sad photo-flyer in search of missing teenager Costa Mauer -- like Hayley, a fresh-scrubbed and attractive girl -- whose face we will see again.

Hayley and Geoff settle in with their treats on a cozy, overstuffed sofa, her huge knapsack providing an effective safety zone between them -- for the moment.

 GEOFF
What's in the bag?

"B

 HAYLEY
Oh, you know, books. If you stood me up, I wanted to have stuff to read. And I couldn't decide. There's this new Donna Tartt novel, and I'm reading about Jean Seberg, she was this actress who slept with the wrong people and ended up killing herself --

 GEOFF
 (mock-warning)
Don't you do that.

 HAYLEY
-- no, I intend to sleep with only the RIGHT people -- plus, I want to finish Romeo and Juliet, it's a ninth grade book but I'm gonna have it done before school starts again --

Geoff pokes at a medical textbook bulging out of the knapsack. *

HAYLEY

You thought because we've been chatting for three weeks, you know everything there is to know about me? Besides, these guys wouldn't hit on a fourteen-year-old, they're old enough to be my dad.

Geoff nods, thinking that over. She picks up on it --

No, they're really older. Not like, good-older like you. They're --

HAYLEY
Cool shirt.

GEOFF

HAYLEY
Didn't bring enough bucks.

GEOFF
And yet, not actually what I was
asking.

HAYLEY
Sure, I want it.

Geoff leans over to the cashier --

GEOFF
Let's have one of these in her size.

HAYLEY

Was it great? It was great, of course it was great.

GEOFF

You could judge for yourself.

HAYLEY

Oh, you gonna fly me out to their next date?

GEOFF

No, I'm just gonna send you the bootleg MP3.

HAYLEY

You have the concert?!

GEOFF

Just one song. And a little louder, please, so the authorities know.

HAYLEY

I have to hear this!

GEOFF

What I'm saying! I'll send it to you!

HAYLEY

And I have to wait until you get home and get around to it?

GEOFF

Good things are worth the wait.

HAYLEY

Oh, yeah? What have you waited for, recently?

GEOFF

(lightly)

I'm going to have to wait four years for you.

HAYLEY

(smiles)

You're bad.

GEOFF

I've been told I'm very good. You said I appear good. But maybe you were just leading me on.

HAYLEY

You're trying to distract me from the MP3.

GEOFF

Look, I have to send it, it's not like I can bring you over to my place to hear it. Considering we just met, this would be a little insane.

HAYLEY

True.

As she thinks about it for a moment --

HAYLEY (O.S.)

Now don't peek.

GEOFF

(mock-bored)

You know, I shoot models for a living, it's not like you've got anything I haven't seen before.

HAYLEY (O.S.)

Oh, you're so sure.

GEOFF

I'm thinking: yeah.

HAYLEY (O.S.)

Maybe you SHOULD peek, then. Make the clerk wonder what's going on here.

Geoff smiles: this is going well.

GEOFF

In your dreams, little girl.

HAYLEY (O.S.)

Now I'm a little girl? What happened to how mature I was?

She opens the door to flash herself quickly in just bra and pants --

HAYLEY (CONT'D)
Is this mature enough?

-- and slams the door playfully.

GEOFF
Keep teasing me like that, you'll make
me crazy.

Silence. Geoff waits a moment. Finally comes Hayley's voice,
trying to be casual --

HAYLEY (O.S.)
Is that so?

Geoff smiles: yes, it's going VERY well.

Back on the sofa, Geoff with Hayley in her new T-shirt, tied to
show her midriff --

HAYLEY
There are three points I have to make.
First, you wouldn't take advantage
because you've been seen with me here
today, this clerk could testify if I
needed. Second, what can I say, it's
Goldfrapp.

GEOFF
And third?

HAYLEY
You said I'd be insane to come over to
your place. But! Four out of five
doctors agree that I am, actually,
insane. So in a way, I really HAVE to
come over, just to be true to myself.

Geoff makes a show of considering it --

MUSIC CONTINUES UNDER. One of the bedrooms functions as Geoff's photo studio. An Aeron chair sits against a light table for inspecting slides. On one wall, an array of cameras with lenses, mostly Hasselblads. On the sides, racks of lights and props. And against the back wall, a set of colored photo tarps, with the ~~white~~ currently unrolled. Holding the screwdrivers, Hayley inspects it all, definitely impressed.

How did you know that?

HAYLEY

I'm a goon. I just read constantly. You saw all those books in my bag.

GEOFF

You're not reading now.

Here's where you're supposed to make it easier for me and read my mind.

GEOFF

You're wondering how many of these models I've done it with.

HAYLEY

(laughing)

No!

(but now that you mention it)

How many?

GEOFF

None of them.

HAYLEY

Get out.

GEOFF

They're underage, most of them. I'd be arrested.

HAYLEY

You're not arrested for photographing them like this? Aren't there laws?

GEOFF

I'm very aware of the legal boundaries; I have to be.

HAYLEY

Because secretly you WOULD like to do them.

Geoff stares at her in mock-reproach; she lifts her glass.

Sleek, simple as the rest. Geoff follows Hayley in; she's gazing at nearly a dozen 90s-vintage shots of a remarkably striking teenage beauty, fully clothed -- in the woods, at LACMA, on the beach, and looking particularly vulnerable in just a long man's T-shirt on a bed with stark white sheets.

HAYLEY
What's her name?

Geoff shrugs, doesn't answer. Hayley pulls off the bedroom photo and looks behind it --

You've been stalking me. I went into

Look. I've been lonely. And that makes me stupid --

HAYLEY

You can save yourself so much time by just dropping that word from your vocabulary. I'm gonna do what I want, Geoff.

BILL Serenely she sets about inspecting his things -- odds and ends anyone might have. A postcard, playing cards, old receipts. A little vial of K-Y jelly raises her eyebrow, but she drops it and moves on. In the drawers are clothes, a couple of old photography magazines, a Dodgers program, still nothing suspicious. Hayley speaks casually throughout --

HAYLEY (CONT'D)

See, a guy as smooth at seducing adolescents as you are, who takes this kind of photographs, he's gotta have something around the house that he doesn't want seen, right? And when I find it, I'll maybe know what I'm dealing with here.

GEOFF

(baffled)

What you're dealing with.

HAYLEY

I mean, what kind of pedophile are you? Just a voyeur?

GEOFF

She looks at the shots of Janelle and snickers despite herself.

Go into the ~~middle~~. The drawers along the right wall, pull out the third drawer, you'll see prints of my work for all kinds of environmental groups. Shots of the Utah wilderness, the Yukon Territory, Inuit villages in Alaska.

HAYLEY

What does that mean, you love nature so you must be a nice guy?

GEOFF

I'm saying the modeling shots are just part of my portfolio, I've shot lots of subjects. Some of it's been important work.

HAYLEY

And that work was *soon* important to you that you decided? I can't possibly hang it on the walls of my own home. I have to plaster my home with pictures of underage nymphs, and hide the nature shots where nobody can see them.

GEOFF

My Utah landscapes helped convince Clinton to place huge new regions under federal protection.

HAYLEY

Bill Clinton? Not the character reference you want to use right now, Geoff.

So, a voyeur AND a conservationist!

GEOFF

I am NOT a voyeur.

HAYLEY

Not JUST a voyeur. Maybe you kick it up a notch into actual molestation.

Geoff straightens up, speaking strongly and convincingly, realizing he may be in real danger.

GEOFF

Geoff pushes himself down the hallway, gun in hand, toward --

41 THE FOYER, 41

Where the photos and papers lie on the floor -- but Hayley's gone.

Frantically he looks about! Shadows from the trees in the backyard cast a shadow through the living room -- he whirls with the gun. Silence.

HAYLEY? GEOFF

Searching furiously, he pushes himself slowly, painfully into the

DINING ROOM -- 42

THE KITCHEN -- 43

THE UTILITY ROOM -- 44

Where he peers at the side door. Does it look like it's been opened? Could she have gone?

Suddenly, Saran Wrap covers his face --

Hayley, bruised at her hairline by the fall, holds the Saran Wrap over his nose and mouth -- she'd been inside the storage cabinet by the door -- and she's gradually suffocating him --

Geoff uses his foot to propel them into the wall, trying to smash her off him --

HE FIRES A SHOT into the closet in his struggle, unwilling to drop the gun but unable to do anything else --

He twists his neck, fighting to get free as his eyes bulge --

still Hayley holds the Saran Wrap tightly until he finally slows his struggles --

And his head sinks, unconscious.

She works a moment to catch her breath; we can practically see her heart beating through her chest. She pulls the gun out of his hand and tosses it away. She checks his pulse -- still active.

She nods, reassuring herself that it's all okay -- then she SUDDENLY, ANGRILY kicks the cabinets with her foot, once, twice, three times. This wasn't supposed to happen. She touches her bruise -- it's tender.

HAYLEY
Damn it. DAMN IT.

She leans back against the wall, looks to Geoff -- helpless on ~~the floor.~~

HAYLEY (CONT'D)
I'm sorry to expose you like this.
It's not about sex. Although, I have
to admit it: you are built.

GEOFF
I never touched you.

HAYLEY
Not if you don't count kicking me so
hard that I passed out for a moment.

GEOFF
I was trying to get free. I wouldn't
have touched you.

HAYLEY

Because that alcohol you were drinking doesn't lower your inhibitions for a second. What about that gun you had?

GEOFF

I was trying to keep you off me while I called the police.

HAYLEY

Would you have shown the cops this?

She pulls out the photo of Donna Mauer.

HAYLEY (CONT'D)

You know her?

GEOFF

Of course I know her. Her picture was in my safe, you expect me to say I don't know her?

HAYLEY

So why's there a photo of Donna Mauer in your safe? Do you know where she is? Because nobody else does.

GEOFF

You've been all through the damn house. Do you see her anywhere?

HAYLEY

(like Geoff in coffeeshop)
"And yet, not actually what I was asking."

GEOFF

No. No. I don't know where she is.

HAYLEY

That's one question. The other was, why do you have a pic of this disappeared girl in your safe? A girl who was last seen at the Nighthawks coffeeshop. Let's see, whose favorite hangout is that?

GEOFF

Listen. I did meet Donna for coffee. Took a shot of her to make her happy.

GEOFF

HAYLEY
 Could've thrown the photo away.
 Didn't. NEEDED to hang onto it.

GEOFF
 She was missing. It felt important.

HAYLEY
 But if you'd talked to the police,
 maybe you could've given them some
 sort of clue. A lead on what happened
 to Donna.

GEOFF

Hayley goes to the fridge, pours herself some milk.

HAYLEY

And then the cute pedophile pleads guilty, but ohhhh, it's not his fault. He's sick. He has an addiction.

GEOFF

I'll go jail. Isn't that what should happen?

HAYLEY

You might get jail. You might get therapy. Drugs, group discussions, notifying people when you move to a new house. How bad is that really?

GEOFF

It'll ruin my career.

HAYLEY

Maybe. Didn't Roman Polanski just win an Oscar?

(and)

And I can see how well calling the cops would work. Officer, I drugged this guy, assaulted him and tied him up, he's ready to talk.

She smiles, drinks, as Geoff tries to flex.

Not much in either place. But then I looked at the CD from your safe, "Stuff." More of Geoff's home entertainment. Burned a little CD for yourself so it wouldn't be on your system, huh?

We do not see the photos, but the light changes on Geoff's face as Bayley clicks the keyboard and moves from one photo to another.

HAYLEY (CONT'D)

(sarcastically)

Didn't sleep with any of these girls, though.

GEOFF

HAYLEY (O.S.) (CONT'D)
I've read the psych profiles of the
man who took Donna Mauer. Somebody
who's a loner. Who thinks he's pretty

HAYLEY
I've been using the medical library at
my dad's school. You said I was

I'm just bright enough to perform a

Geoff loses his breath -- then YELPS as Hayley pulls away the scissors.

GEOFF

Aaaa!

HAYLEY

Whoops! Guess you're not numb enough yet!

She puts back the icebag, sits beside him.

HAYLEY (CONT'D)

She smiles sweetly. Geoff slowly realizes she's not kidding --

INT. MEDIA ROOM - LATER

Hayley types away on the keyboard, an e-mail form open on the screen before her:

HAYLEY

Okay, how does this sound? "Dear Janeile. My name is Hayley Stark, I hope you don't mind my writing you out of the blue like this! I met this guy that I think you know, Geoff Culver. He's so cute, and he seems to really like me -- he even asked me over to his place to do some photography! I am sooooo excited about this because, well, for a fourteen-year-old like me, this could be a huge break, y'know?" And here I put in a little smiley-face icon!

She looks to Geoff, still on the table in the living room. Silence.

HAYLEY (CONT'D)

"Thing is, and I have tried to pretend this isn't the case, but he talks about you an awful lot. I have this icky feeling he's still in love with you, if you want to know the truth. And I'm pretty sweet on him too, but I don't want to go crazy over him if there's still some chance that you two might get back together. So so so so!

(MORE)

HAYLEY (CONT'D)

I found your e-mail address in his PDA, and I thought I'd just ask. Is this insane? Am I insane? Is Geoff? PLEASE PLEASE forgive me if I'm out of line, but I hope you can write me ASAP. And and and, this other girl he talks about all the time, her name is Donna Mauer, do you know anything about her? I found these photos on his computer, silly me, I can't figure out how to open them, but I'm attaching them to this note? Are they pictures of you or Donna? Anywho, thanks a mil -- your complete honesty will be mucho appreciated. Love and peace, Hayley."

(turns to him again)

I tried to make it sound as innocent and acronic as possible. How do you think I did?

(off his silence)

Fine. Then all I have to do is click Send.

Geoff looks at her steadily, tries a new tack --

GEOFF

You're getting yourself in terrible trouble.

HAYLEY

Oh? How's that?

GEOFF

You cut me in any way, you won't forget it. It changes you when you hurt somebody.

HAYLEY

And you speak from experience?

GEOFF

I've just lived. Unlike you. And the things you do wrong, they haunt you.

HAYLEY

Tell me what you're haunted by.

GEOFF

You want to remember this day whenever you're with a guy? Do a date? On your wedding night? I promise you will. Don't do that to yourself.

*
*

HAYLEY

Now that is really thoughtful. You're speaking totally selflessly, there's nothing in this for you, you just want me to stop castrating you for my own benefit. I'm touched.

She turns the computer monitor, so Geoff can see the screen --

HAYLEY (CONT'D)

Let's imagine somebody saying the same thing to you at some random moment.

CLOSE on Hayley's face as we hear the CLICKING of the mouse, the light on her face changing as new pics rise on the monitor.

HAYLEY (CONT'D)

CLOSE on Geoff, sweating as Hayley starts shaving his groin.

GEOFF

This is like a prank. You're not serious.

HAYLEY

Would I go to the trouble of getting surgical scrubs for a prank? Turns out castration is one of the easiest surgical procedures around. There's thousands of farmboys across the country gelding their livestock. If they can do it, I think I can pull it off. If you know what I mean.

GEOFF

I'm not fucking livestock.

HAYLEY

You keep telling yourself that, stud.

Geoff watches her silently for a moment -- then SHOUTS --

GEOFF

HELLLLLP! HELLLLLPPP! HELLLLLPPP!

She drops the razor, shoots bleach down his mouth. He GAGS. *

HAYLEY

Now look what you made me do. ~~That wasn't necessary.~~ That wasn't necessary.

GEOFF

(gagging)
Bitch -- you bitch --

HAYLEY

No more wiggling.

She resumes her work, shaving him. Geoff works to clear his throat -- from now on his voice is raspy, pained.

GEOFF

Your mother know you cut off men's balls?

HAYLEY

Not yet. Never done it before today. Maybe I'll tell her about it when I get home, see what she says.

(mock-Mom voice)

(MORE)

HAYLEY (CONT'D)
"Hayley, I know you needed a project

GEOFF
So you and your mom are both whacked.

She lifts her little pink safety razor in the air, tut-tutting
him with it, her eyes warning: is now really the time to provoke
me? Then she resumes calmly --

HAYLEY
That's the whole nature versus nurture
question, isn't it? Was I born a cute
vindictive little bitch, or did
society help make me this way? I go
back and forth on that.

She climbs upon the table and sits cross-legged between his
spread thighs, concentrating on shaving him --

HAYLEY (CONT'D)
Almost done.

GEOFF
There's money in that safe, too.

HAYLEY
Um ... so?

GEOFF
So you can take it. Take the
computer, too.

HAYLEY
Then I'd be the one in possession of
kiddie porn, Geoff. Do I want to
incriminate myself?
(knocks on his head)
Hello? Start thinking.

GEOFF
Take the camera equipment. Take
whatever you want.

HAYLEY
I am.

GEOFF
You think you're not incriminating
yourself in something now?

HAYLEY
You move right along. From denial to
anger to bargaining.

2

1

GEOFF
How much do you want? Take my wallet.
I'll tell you my PIN numbers. Just
leave and you can go clean me out.

2

 HAYLEY
You can't talk me out of this by
bribing me, Geoff.

 GEOFF
How can I?

 HAYLEY
Talk me out of it? Haven't thought
about that. Almost done --

She bites her lip as she works, intent on doing a good job --

 HAYLEY (CONT'D)
Do you have any touching childhood
stories? Anything that'd make me see
you as an actual person, rather than
just a perpetrator?

1

 GEOFF
I don't need to tell you anything more
about me.

 HAYLEY
Suit yourself.

She hops off the table, rests her chin on the surface by his
face --

2

 HAYLEY (CONT'D)
~~I'm thinking we should sterilize the site before we start. Should I use the vodka, or is there any other alcohol you want to offer me?~~
"What do you think I'm doing?"

With an impish grin, she shoots off toward the kitchen, out of
Geoff's sight.

3

 HAYLEY (O.S.) (CONT'D)
I'm thinking we should sterilize the
site before we start. Should I use
the vodka, or is there any other
alcohol you want to offer me?

Geoff remains silent -- overwhelmed --

HAYLEY (O.S.) (CONT'D)
(after a beat)
And after the bargaining phase comes depression.

She returns and pours a few drops from the bottle over his groin, then returns the icebag.

HAYLEY (CONT'D)
After all that scraping I did, the blood's probably rushing back in. Let's numb you out a little more.

1

Setting the icebag firmly in place, she walks away casually --

Geoff hears A DOOR OPEN somewhere -- looks around in astonishment that he could be left alone --

But he can't waste this chance -- he starts squirming on the table, trying to wriggle out of his bonds --

CUT TO L WHICH MOVES TO R

We see only a glimpse of a scrotal sac, but the glow from the screen and Geoff's eyes will say it all.

HAYLEY (CONT'D)
It's so hard to find something really new on TV.

PASS MONITOR DISPLAYING SCROTAL SACK FOCUS ON HAYLEY

She turns to the sound system, looks for a CD --

HAYLEY (CONT'D)

Y'know, those TV surgeons like to play music while they perform operations. What would you like?

(silence)

Supertramp? Nine Inch Nails? "You've Lost That Lovin' Feelin'" -- ?

(silence)

No, I like this.

She drops a CD in the player: a recording of BOLERO begins. As Bayley pulls on the other glove, lifts the scalpel --

HAYLEY (CONT'D)

Now if you try to squirm, you'll really be putting yourself in danger. Wriggle about too much, and I might nick the perineal artery. This would be very, very bad. You'd bleed to death before I could get help here.

GEOFF

You'd get help?

HAYLEY

(a beat)

It wouldn't come in time, that's the point. Hold still! --

She sets the bleach next to his head, taps it lightly.

HAYLEY (CONT'D)

And no screaming, either, or it's back to this. Remember, at this point, you want me to have a steady hand.

She moves in and begins the operation --

HAYLEY (CONT'D)

You don't feel that, right?

GEOFF

Why do you care so much whether I can feel it or not?

HAYLEY
 Be thankful for small favors.
 (an incision)
 That went well. Now.

CUT TO:

56 EXT. GEOFF'S HOUSE - DAY 56

BOLERO plays under, haunting, tense, building in passion. A PASSERBY ambles past, looks for a moment at the ladder leading to the roof, keeps on walking. After a while, a leaf falls.

CUT TO:

57 INT. MEDIA ROOM - MOMENTS LATER 57

BOLERO under. CLOSE on Hayley, sweating as she begins.

HAYLEY
 You told that Aunt Denise story very well. Very very well.
 (silence)
 Was it supposed to make me sorry for you? Was it like the magic key to explain why you are the way you are?
 (silence)
 It doesn't.

PAN to Geoff, face ashen as he watches the bigscreen.

HAYLEY (CONT'D)
 Okay, which testicle should I do first? Right or left?
 (no answer)
 Are you right or left-handed? You'd think with all I know about you, I'd know that by now.
 (no answer)
 Let's say right. Okay. One little slice to free it up. Snip!
 (a beat)
 ... and now I need to suture that up.

Surgical thread flashes across Geoff's line of vision.

HAYLEY (CONT'D)
 This would be easier if I had a nurse. Someone to pat the sweat off my forehead.

Geoff, some men go through life with just one ball and they're perfectly fine. I've read, I wouldn't know from experience. But I don't think you're reeally punished if you've only lost a spare.

Geoff stares at her, streaming sweat, now hyperventilating in shock --

BAYLEY (CONT'D)

Stay with me, Geoff. You're going to get through this.

(a beat)

You're better off without the other one, anyway. Wouldn't want you walking around crooked. Where'd I put those scissors?

(a beat)

Okay. Hold your breath. You're entering a whole new world, Geoff.

(a beat)

Snip!

Geoff sheds one last tear, and Bayley uses the remote to CLICK off the bigscreen. She TURNS OFF BOLERO and goes back to work.

HAYLEY (CONT'D)

Okay, sewing this one up and then the whole package. Those needlepoint lessons in Home Ec paid off after

Hayley reaches for suture and begins sewing

HAYLEY (CONT'D)

This really is one of the simplest operations you could imagine. Makes me wonder why they teach Girl Scouts things like camping and selling cookies when they could teach them something really useful like this.

Geoff starts to laugh helplessly, pathetically, deliriously.

GEOFF

I'd say, "Help! A pathological teenager cut my balls off! Call the police!"

He's crying again, wrestling with shock and grief. Hayley watches dispassionately.

HAYLEY

Based on how sympathetic she was to you last time, I don't know if you should waste your breath

TO HAYLEY

She replaces the icebag on his groin

HAYLEY (CONT'D)

I would cancel any appointments for the next few days. You're going to be sorer than you've ever been.

E

She folds up the textbook --

HAYLEY (CONT'D)

And give it eight or nine days before taking the stitches out. Which I advise you to save yourself some embarrassment and do yourself. Just take a little tweezers and snip snip. Not unlike what we did here today.

She sponges him off and pulls out the ~~white~~ sheet --

HAYLEY (CONT'D)

Oh, and learn this internet address: alt.eunuchs.questions. Eunuchs is spelled e-u-n-u-c-h-s, I had trouble with that. But there really is this newsgroup that will give you advice about how to deal with your castration. Don't try to go through this alone.

She lifts two shot glasses filled with grey, bloody blobs.

HAYLEY (CONT'D)

You want souvenirs?

STALE! AT DOORWAYS

Geoff closes his eyes.

HAYLEY (CONT'D)

No? What should I do with them?

HAYLEY (CONT'D)

We could see how far they bounce.

Then again, some animal might decide they were his afternoon snack. Wouldn't want a little squirrel or coyote to get sick. Especially with you being such a conservationist.

Showed up in school the very next day with his whole thumb. Didn't bend so well, but he could still hitchhike.

She reaches over for the disposal switch, turns it on FOR A MOMENT OF GRINDING, then off again --

HAYLEY
Well. Maybe you did and maybe you didn't. Someone did. If it wasn't you, maybe you'll want to track the guy down yourself. Warn him what's waiting for him. Or kick him in the balls. After all, it's his fault all of this is happening.

Geoff takes in a couple of sips -- then spits them back at her, laughing weakly. Hayley blinks, towels herself off, and resumes trying to get Geoff to drink.

HAYLEY (CONT'D)

You really ought to have this.

Finally Geoff takes another sip, and slowly finishes the glass.

HAYLEY (CONT'D)

That's my boy.

(dabs his lips gently)

Want more?

A moment. Then he shakes his head. She nods, understandingly. 6

GEOFF

Why are you being so nice to me now?

HAYLEY

(gently)

Well. You're kind of pitiful now, aren't you? It's going to be tricky for you. Keeping people from finding out. Never going to bed with anyone, never using a public shower. Someday, though, you'll need a physical, your doctor'll see.

(laughs lightly)

Still, he won't tell any nurses, any golf buddies, right? They won't tell their friends, and their friends won't tell their friends. And you won't have to wonder after a couple of years if everyone knows, if your publishers know, if the models know ... if Janalle knows.

She kneels down beside him, eye to eye.

HAYLEY

Is it wise to make threats now, when you're still tied down?

GEOFF

I'm just saying.

HAYLEY

Well, if you're threatening me, what do you expect me to do about it?

GEOFF

I'm just saying.

HAYLEY

The smart thing would actually be to kill you. So you don't come after me. But I've already told you I'm not going to do that. You don't get off that easy, Geoff.

He traces the cable on the videocam -- it disappears behind the computer monitor. He pulls it loose: it's not attached to anything. Now he's really baffled.

On an instinct, he looks at the VCR. A symbol on the front indicates there's a tape inside. He hits the eject button --

HAYLEY

Want one? "Yummy stuff!"

GEOFF
(cuttingly)
A leak. That's all you could come up with. Pathetic.

Angrily she jostles the chair with her foot, threatening to knock him off his perch.

HAYLEY
HEY. I wouldn't piss me off just now, Uncle Geoff.

GEOFF
(venomous now)
She'll be back. She thinks you're a little flaky, you might need help.

Futting it fucking mildly.

HAYLEY

HAYLEY (CONT'D)
Yuh-huh.
(taking a cookie)
Face it, Geoff, you could have gotten away! But somehow I just kinda knew you wouldn't. And now it's simple --

She hops up on the counter, cicer to his eye level, and folds her legs underneath her girlishly.

HAYLEY (CONT'D)
You can wait here after I leave, wait for somebody to find you. Along with the photo of Donna, and your confession that I typed up for you. But here's the special limited-time offer: step off this chair -- end it all -- and I'll take care of the evidence. Destroy the photos. Delete the confession. Nobody will ever know why you had to kill yourself.
(and)
Not even Janelle.

Long pause.

GEOFF

I didn't kill Donna Mauer.

HAYLEY

Hayley sits back, troubled. Geoff studies her, sensing he's gotten through to her.

HAYLEY

How hard do you think they'll look for me?

She lets it sink in, then continues --

GEOFF

One problem with that theory, Uncle Geoff. They never try girls as adults. Sexist but true.

She jumps down with the cookies, turns to the fridge --

HAYLEY (CONT'D)

Can I just take something to wash these down with? These are great, I should've been a Girl Scout --

She opens the refrigerator, takes a swig of milk, wipes her mouth, then turns to say goodbye --

And Geoff JUMPS from the chair, wrapping his legs around her neck --

He's choking as they struggle, his legs scissored around her, squeezing her -- she pulls back, pushing him away --

HE'S ASPHYXIATING -- strangling as the noose pulls tight, his eyes bulging, his legs flailing like wild --

Hayley stands shocked and pale for a moment -- it was one thing to plan this, it's another thing to watch it --

And suddenly Geoff KICKS her to the floor, GASPING and WHEEZING as he uses the momentum from the kick to swing backward and pull his feet onto the kitchen counter --

Hayley looks at him gaining his balance; she looks different than we've ever seen her, virtually sitting in her pants as she scrambles to her feet and bolts away down the hall --

Balancing himself on the counter, Geoff works his bound wrists underneath his legs, so they're in front of him. He wrestles the noose from around his neck --

KNIFE BLOCK

Then he reaches into a ~~drawer~~ and digs out a steak knife to cut his hands loose --

Drenched in sweat, he rises, the knife in one hand as he wipes his forehead with the other hand, unusually calm --
