## IN THE NAME OF LOVE

written by Jennifer Maisel CLOSE ON

The shining face of a YOUNG IRISH WOMAN

YOUNG IRISH WOMAN I, Bridget, take you Sam -

Her GROOM, an All-American farm-boy type -

ALL AMERICAN FARMBOY - take you, Bridget, as my lawfully wedded wife -

And so begins a series of shots of BRIDES and GROOMS vowing til death do we part, some glowing with love, some just wanting to get it over with.

All the brides and grooms have one thing in common with each other: one of them is American, the other is definitely not.

BRIDES AND GROOMS
"I, Aly, take you, Nancy, as my
lawfully wedded wife?" "To love,
honor..." "To comfort, to cherish"
"I, Susan take you, Hakim -" "In
sickness and in health" "I, Igor,
take -" "I, Ermine, take you,
Kenny, forsaking all others..."

Where are we? PHILADELPHIA. CITY HALL. An uncommonly beautiful courtroom in an uncommonly majestic building. This is where America began, after all. A sharp contrast to:

EXT. DEPARTMENT OF HOMELAND SECURITY. ESTABLISHING Not so majestic. Basic generic.

INT. DEPT. OF HOMELAND SECURITY. CUSTOMS AND IMMIGRATION (CIS) MARRIAGE FRAUD UNIT. INTERVIEW ROOM 1 - DAY

Government decorating budget. Pretty dismal.

All the light in the room comes from MAGGIE WHELAN, 30s, intense, passionate — if you get her to laugh you're rewarded with a smile that will knock you out.

A Department of Homeland Security Marriage Fraud Unit investigator ID hangs from a lanyard around her neck.

MAGGIE
Where did you first meet your spouse?

CLOSE on an American man - MAX HARRISON.

MAX
It was in the park. I was sitting on my bench and she sat down with (MORE)

MAX (CONT'D)
me. She had a blister. It was love
at first sit.

INTERVIEW ROOM 2 slides in from right, takes over the screen.

INT. INTERVIEW ROOM 2 - DAY

In this equally dismal room Maggie interviews URSULA, Max's wife, a late 30s Eastern European bombshell.

URSULA (thick accent)
Love at first sit. That's what he tells everyone. It not so funny but I laugh because it's makes him happy. And it's true.

INTERVIEW ROOM 1 slides back in until they are SPLIT SCREEN

MAX URSULA Love at first sit.

This couple is a trip. And the real thing. Maggie smiles - There you go. You're knocked out.

A RED STAMP appears across their screens: APPROVED

INT. INTERVIEW ROOM 1 - ANOTHER DAY

MAGGIE

Does your spouse have any scars or tattoos?

HALSTON, American, soft-spoken, at a loss for the answer.

HALSTON

Uh...

INTERVIEW ROOM 2 slides in from right, takes over the screen.

INT. INTERVIEW ROOM 2 - DAY

MAGDA, Norwegian, bored, confrontational, lifts up her shirt to show Maggie her X-rated wallpaper skin.

INTERVIEW ROOM 1 slides back in until they are SPLIT SCREEN.

HALSTON

No?

No smile. A RED STAMP: REFER TO FRAUD UNIT.

INT. INTERVIEW ROOM 1 - ANOTHER DAY

JASON GWYNN, 30s, another investigator. No one would kick him out of bed for eating crackers, but then again he doesn't eat crackers. A no saturated fat, no white flour guy but worth

it. Hot, smart and a good man. He interviews HUMBERTO, 20's, Latino, wears a suit well.

JASON

Who cleans your house?

HUMBERTO

She'll say she does, but really she hired a cleaning service. She doesn't know I know. That's OK. She's a...how do you say?...Slob.

INTERVIEW ROOM 2 slides in from right.

INT. INTERVIEW ROOM 2 - DAY

Jason shrewdly assesses MEREDITH, American, ketchup-stain-on-the-boob kind of gal.

MEREDITH

Me.

INTERVIEW ROOM 1 slides in to become SPLIT SCREEN

RED STAMP: APPROVED.

INT. INTERVIEW ROOM 1 AND 2 - ANOTHER DAY - SPLIT SCREEN

Maggie interviews HARRY, American, 20's, pale-white of the internet-obsessed and LING, Chinese, 40s, obvious wealth.

MAGGIE

Which side of the bed do you sleep on?

HARRY

LING

The left.

The left.

No smile. RED STAMP: REFER TO FRAUD UNIT

INT. INTERVIEW ROOM 1 - ANOTHER DAY

Jason interviews LISA KANTER-FRAYNE, American, 30s, lushly drop-dead gorgeous, open, friendly.

JASON

Do you have proof of your joint bank account?

LISA

Cam has all the financial stuff.

INTERVIEW ROOM 2 slides in from the right.

INT. INTERVIEW ROOM 2 - DAY

Jason interviews Lisa's husband, CAMERON "CAM" FRAYNE, Australian, earnest in an awkwardly charming way - and nervous as all hell. Cam rifles through a folder of papers.

I do. I do. I have it. Right here. I know I do. I made sure Í -

He fumbles the folder. Papers fly. He dives after them.

CAM (CONT'D)

I'll be buggered. Sorry...sorry. When I'm nervous I drop things. Not that I have anything to be nervous about, but anyone or anything uniform-like just sets me -

He SLAMS his head badly on the underside of the table.

CAM (CONT'D)

Fuck. Sorry -

Blood drips onto his paperwork.

CAM (CONT'D)

Fuckity fuck - sorry. Shhh. Watch the language in the presence of people who can deport you.

He wipes the blood off with his new shirt. Looks at shirt.

CAM (CONT'D)
Well that's all gone to shit, now hasn't it? You Seppos - I mean Americans - don't really relish the curse words like we do Down Under, do you?

**JASON** 

Not so much.

CAM

The satisfaction of the hard K at the end - Aussies just eat it up.
Fuck-k-k- Must be our penitential
background. I don't know if I can
really explain to you what a relief
it will be to be a citizen here away from all that foul language...

Cam hands the bloody papers to Jason.

CAM (CONT'D)
Here's what you're looking for.
Joint checking account for me and my wife. Yeah mate, opened that sucker up yesterday.

Off Jason - the last red flag he needed.

RED STAMP: REFER TO FRAUD UNIT.

EXT. HAPPY FINGERS NAIL SALON, PHILADELPHIA - ESTABLISHING

It's so hot the air shimmers. Maggie, heat-bedraggled, enters

INT. HAPPY FINGERS NAIL SALON - DAY

- greeted by a arctic blast of air conditioning. BEAUTICIANS wearing surgical masks look up as one from polishing.

MAGGIE

I'm looking for Joo-Eun?

The beauticians look as one to the ELDEST BEAUTICIAN.

**BEAUTICIAN** 

You have an appointment?

MAGGIE

A "consultation". Joo-Eun?

The beautician indicates a chair. As Maggie sits she notices a steaming plate of Korean pancakes next to the Beautician.

MAGGIE (CONT'D)

That smells amazing.

The Beautician grabs Maggie's hands.

**BEAUTICIAN** 

You bite your nails.

MAGGIE

Is that bindaetteok?

BEAUTICIAN
Hangnails. You must drink more.
Water. Not Frappucino.

MAGGIE

I really just came here to consult. With Joo-Eun.

The Beautician pushes her hands into a bowl of soapy water.

MAGGIE (CONT'D)

OK - but I - oooh, that feels nice.

The Beautician slowly savors her bindaetteok as Maggie sits there awkwardly with her hands stuck in the water.

MAGGIE (CONT'D) Where did you get that from?

The Beautician just eats, slowly, enjoying.

MAGGIE (CONT'D)
I get it. You don't want the masses to ruin your favorite place to eat. I hate it when everyone else discovers the place I discovered and I have to wait on line for the thing no-one else wanted until I told them about it. We're soul sisters that way, I can tell.

The Beautician isn't giving up the info. She takes Maggie's hands from the water, attacks with her emery board.

MAGGIE (CONT'D)
Oh, I'm kind of ticklish - don't -

BEAUTICIAN You ever been married?

MAGGIE

No.

BEAUTICIAN
You in trouble? You need money?

MAGGIE Doesn't everyone?

The Beautician grabs Maggie's hands tightly. Too tightly. Stares into her eyes.

MAGGIE (CONT'D)

Ummm...ow. Owwww.

**BEAUTICIAN** 

Acupressure points. Why are you looking for Joo-Eun?

MAGGIE

Things are slow.

**BEAUTICIAN** 

Joo-Eun is code word.

Maggie knows it's a code word. They lock eyes. The beautician intensifies the acupressure. Ow. Maggie doesn't back down.

BEAUTICIAN (CONT'D)

You get paid one-third on the big day. The rest on green card delivery.

MAGGIE

Half and half. And the address of the bindaetteok place.

They stare each other down. Maggie is determined.

BEAUTICIAN

Deal. You will make your husband a very happy man.

Maggie looks down to see her formerly ragged nails are now beautifully manicured. And there's a RING on her left hand -

BEAUTICIAN (CONT'D) Looks like the real thing, huh?

MAGGIE

That's the point - isn't it?

**BEAUTICIAN** 

You come meet your fiance next week. We practice.

MAGGIE

Practice what?

**BEAUTICIAN** 

Love. Look fulfilled.

The beautician pulls out a camera. Maggie gives it a go.

BEAUTICIAN (CONT'D)

Really?

Maggie tries harder.

BEAUTICIAN (CONT'D)

Whatever. (snaps shot)
I will email it to you, fiance included. Use as your screen-saver.

MAGGIE

The address?

The Beautician scribbles on a piece of paper. Maggie pockets it, gets up to go.

BEAUTICIAN

That will be seventeen dollars. Plus tip.

MATCH CUT TO:

INT. UNITED STATES CUSTOMS AND IMMIGRATION OFFICES - DAY

The Beautician on Maggie's computer screen - REWIND. PLAY.

BEAUTICIAN (ON SCREEN)

...Plus tip.

Laughter roars from MAGGIE'S CO-WORKERS watching hidden camera video of her "manicure" and snacking on take-out containers of bindaetteok and other Korean delicacies.

Maggie pins her "fulfilled" photo with her "fiance" expertly photo-shopped in next to her to on the cork wall of photos of couples tagged for fraud alert.

Meet my man. Holding my breath til our big day.

RUBY - Maggie's co-worker/friend with a lust for good food and hot men -

RUBY

You tipped her?

MAGGIE

Twenty per cent. So worth it. Try this jajangmyeon -

She forks some incredible noodles into Ruby's mouth.

RUBY

Oh my god. Heaven. (grabs Maggie's hands)
And your nails have never looked this good. I bet you can expense this.

MAGGIE

Jason, can I expense this?

She waves her hands at JASON. He waves his back. Also manicured.

JASON

If you can, I can.

RUBY

She gave you french tips?

JASON

Check out my feet. She practically blow-torched off my calluses.

He's got neon-green mani-pedi flip-flops on. The office asshole - LIAM CARAFANO - records on his phone, as always.

CARAFANO

So manly man.

RUBY

You know uploading everyone else's life is not really like having a life of your own.

**JASON** 

Hey Maggie - Let me see -

Jason grabs Maggie's left hand and examines it.

JASON (CONT'D)

Hmmmm, something isn't right here.

MAGGTE

Don't like the color?

JASON Don't like the ring.

Jason slides the Beautician's ring off of Maggie's finger - and slides a beautiful classic Tiffany ring on in its place.

Holy shit!

The whole office goes dead quiet. Maggie is stunned.

**JASON** 

Enough with the fake weddings already - how about a real one?

CARAFANO

Maggie Whelan, speechless, posting this moment on YouTube!

He gets in her face with the phone. She pushes him away.

MAGGIE

Don't you dare hijack my moment, Carafaño.

**JASON** 

Umm...our moment.

MAGGIE

Our moment.

The diamond sparkles, Maggie is distracted momentarily by it – and everything it signifies.

Hello? He's waiting for an answer -

**JASON** 

At least Ruby has my back.

I just need to know if I'm wearing peach or fuchsia.

MAGGIE

(quietly, to Jason)
You're really asking me this?

I'm really asking you this -

Maggie looks around at the expectant faces - overwhelmed -

JASON (CONT'D)
I know what you're going to say.
This is too much and I put you on
the spot in front of everyone -

MAGGIE

-- umm, yeah.

JASON

-but you want a winter wedding so your honeymoon will seem less summer-touristy and more jet-set traveler - and so you won't melt because you hate the way you look when you melt even though I think it's cute and I know you've been waiting to start travelling and having adventures until you had the right person to do that with and you know I've never been anywhere either and I'd want to go everywhere as long as it was with you. -- and I was trying for some element of romance - and surprise.

MAGGIE

Well you certainly got the surprise thing right.

JASON

So you want a little more romance?

Jason gets down on one knee. Carafano leads a chant.

CARAFANO/COWORKERS

(chanting)
Maggie. Maggie. Maggie.

MAGGIE

(to co-workers. Laughing.)
Oh my god - Shut up shutupshutup!
(to Jason)
Do I still get to get fake-engaged
to other guys?

**JASON** 

If I still get to get fake-engaged to other girls. Which, if we're going to take down this marriage-fraud ring will be like one a week. Which will put us both in better positions for promotions which means more vacation time which -

MAGGIE (deep breath)

Yes.

Jason kisses her. Co-workers cheer. Then the happy moment turns awkward as people drift away to answer phones, check email. He kisses her again, lightly.

MAGGIE (CONT'D)
You want to celebrate with some jeon?

JASON
I ate already. Tonight, I promise.

One more kiss. Maggie watches as everyone gets back to work. Just a moment as life goes on. She looks at her hand. Back to Jason as he goes about his business. Back to her hand.

RUBY

Just please, no teal. I look like shit in teal.

MAGGIE

I haven't even asked you yet.

RUBY

Not yellow.

MAGGIE

I haven't asked you yet...I need a fix.

Maggie heads for the door.

RUBY

Wait - I'm coming with.

INT. COURTROOM - DAY

Maggie and Ruby watch from the back as a group of IMMIGRANTS and their FAMILIES participate in a naturalization ceremony.

GROUP ely renounce and Not aqua.

...and entirely renounce and abjure all allegiance and fidelity to any foreign prince, potentate, state, or sovereignty of whom -

MAGGIE

Shhh - and you said that already -

RUBY

I said teal. Don't you know the difference between aqua and teal? What kind of bride are you?

MAGGIE

Shhh.

GROUP
-or which I have heretofore been a subject or citizen; that I will support and defend the Constitution and laws of the United States of America against all enemies-

RUBY
Nothing in the beige-ish
family. No color that's the
same name as a fish.

Maggie whacks her. Ruby shuts up.

JUDGE

I hereby declare you citizens of the United States of America. Congratulations. MAGGIE (misty-eyed)

Kleenex.

Ruby hands her a crumpled up candy bar wrapper.

RUBY

Best I can do.

Maggie wipes her eyes, smearing chocolate on her face. ABBY, American, and her newly-citizened husband, AMIR, approach.

ABBY (O.S.)

Miss Whelan?

AMIR

You didn't come to ask us more questions? Because the judge already said I'm one of you now.

MAGGIE

Of course not -

AMIR

We want to thank you -

MAGGIE

For what? I was just doing my job.

**ABBY** 

So was the guy who thought we weren't in love.

INT. INTERVIEW ROOMS 1 AND 2 - SPLIT SCREEN - FLASHBACK

**JASON** 

You got married 17 days after meeting speed-dating?

AMIR/ABBY

Sixteen.

Amir in Room 1; Abby in Room 2 dorky I'm-so-lucky-in-love grins on their faces.

RED STAMP: REFER TO FRAUD UNIT

INT. COURTROOM - PRESENT DAY

AMIR

Thank you for seeing we are not frauds. The real deal. (to Abby)
Let's go make some really truly American babies.

Abby laughs - and kisses Amir. She motions to the chocolate on Maggie's face, hands her a tissue.

ABBY

You have a little...

(Maggie wipes)
I would be so lost without him.

AMIR

Now you can't get rid of me.

They leave. Maggie and Ruby are sentimentally teary.

MAGGIE

I thought it was bride-zilla, not maid-of-honor-zilla.

RUBY

Are you asking me?

MAGGIE

I'm asking you.

INT. THE DEEP - DAY

An old diner - old grease, old cobwebs. This property should be condemned feeling. Cam enters -

Hello? Lisa?

Lisa pops up from behind the counter - rubber gloved, head to toe covered in filth.

LISA

You know how you have something pictured in your head and you think it's pretty awful but then you go see it and you realize it's not as bad as you remembered? This is not one of those moments.

CAM

You know how you can wait and wait for something to come in the mail and when it comes you can't remember what thin envelope or thick envelope means and then again you really don't know if that applies in this situation?

Lisa stares at him - obviously not. He holds up a letter.

CAM (CONT'D)

LISA

We got the loan.

We got the loan?

CAM (CONT'D) Yes, Mrs. Kanter-Frayne - I just need to show proof of my green card.

(off Lisa's look)

I promise not to curse in front of the interviewer again.

LISA Or bleed on him?

CAM

Formalities. - Hey! We're finally doing this.

They hug each other tight.

CAM (CONT'D) Blimey, you're totally disgusting.

They hug each other tighter.

I can't believe it.

I know, everything we've planned.

Finally. I love you.

I love you too.

He kisses her briefly on the lips.

CAM (CONT'D)
Holy shit this crap-hole of a place is really ours.

She pulls her rubber glove off strip-tease style and dangles it in his face.

LISA

Get to work.

EXT. ALLEY BEHIND BAR - NIGHT

Muted BAR NOISE through the heavy outside door is interrupted by the sounds of PANTING AND GROPING. Jason has Maggie up against the wall behind the dumpster, kissing her.

JASON

...And after the wedding -

MAGGIE

Do we really have to do the actual wedding part of the wedding, because it's not the wedding, it's the experience of us together ... We could do City Hall.

JASON

I am not doing City Hall.

You know how much money people waste on wedding crap? We do city (MORE)

MAGGIE (CONT'D) hall and we could add whole 'nother country on what some folks spend on Jordan almonds.

**JASON** 

I'm not getting married where half the marriages that get married there are fake.

MAGGIE

It's not half.

JASON

You know what I mean. I don't want to look around the room reliving the memory of busting up marriage fraud - do you know how many women I've been engaged to in that room? The place smells like deception and desperation.

MAGGIE

It smells more like love and commitment to me.

JASON

I want real - real officiant, real dress, real guests, real you.

MAGGIE

Whatever you want -

JASON

As long as I plan it?

MAGGIE

Bingo. You know to me it's not how we get married, it's how we "be" married. That's the real thing.

**JASON** 

I'll give you the real thing -

He unzips her pants. He pushes her pants down.

MAGGIE

Oh...was that a metaphor?

JASON I promised you a life of adventures and we're starting now.

MAGGIE

Maybe you should have told me that would mean I would need to wear a skirt tonight.

Pants around her knees, underwear down. He unzips, kissing her. Tries to maneuver between her legs -

**JASON** 

Can you make some room here?

MAGGIE

I'm kind of stuck -

**JASON** 

Here, pull your leg this way -

MAGGIE

Wait wait wait -

Her security badge lanyard is somehow wrapped around his arm and now stuck in her hair. She pulls her leg out of her pants and hikes it up around her waist.

**JASON** 

OK. OK. Here we go. Here we go.

He repositions himself.

MAGGIE

Um. Um...Jason - Jason -

JASON

Mmmm...you feel -Mmmm. Really, really good. This is so different...

MAGGIE

Jason! That's the inside pocket of my jacket...it's fleece.

She starts to laugh and can't stop. Jason looks disappointed.

**JASON** 

Let me just re-configure.

MAGGIE

Come on. It's funny. This is ridiculous. This isn't us.

JASON

I just wanted to start our engagement off with a bang.

And BANG - there it is. Jason and Maggie jump apart. A BUSBOY has thrown open the dumpster to throw in the trash.

BUSBOY

I'm taking five.

Maggie keeps laughing. Jason finally cracks a grin. She pulls him to her, they laugh together as they zip up.

Maybe we can do it with our feet at the head of the bed when we get home.

INT. BAR - NIGHT

Maggie and Jason - redressed - waved down by Ruby, Carafano, and fellow co-worker, HARRY HWANG. They sit.

RUBY

Maggie! Jason - tell them to stop talking about work and start drinking. Please!

CARAFANO

I'm telling you - you'll love this one. This bride wore a cubic zirconium tiara and carried a bouquet of silk roses.

He slaps down a photo of a BRIDE AND GROOM posed next to a wedding cake in front of a glittery silver curtain. The groom feeds the bride cake, eyes on the camera.

CARAFANO (CONT'D)
And this bride wore a cubic
zirconium tiara and carried a
bouquet of silk roses -

New photo: DIFFERENT BRIDE AND GROOM, same set-up. Same cake.

CARAFANO (CONT'D)
Experiencing a little deja vu,
possibly? How about some deja deja
vu?

Another photo: DIFFERENT BRIDE AND GROOM, same cake.

MAGGIE

That cake is looking awfully stale.

CARAFANO

These are so going up on the wall. And I do believe this trifecta of wedding fraud porn means you guys are buying the next round. And that perhaps you'll be calling me boss before I'm calling you boss -

MAGGIE

Not so fast with the calling you boss thing. That promotion - and its extra two weeks of vacay - just may be mine.

SLAM CUT TO:

MAGGIE (0.S.) (CONT'D) Do you have any photos of your ceremony or reception?

INT. FRAUD UNIT INTERVIEW ROOM - DAY - FLASHBACK

A MAN hands Maggie a PHOTO taken in the corner of a room of a bride and groom dancing, two guests. Staged? Not Staged?

MAN

And after Doreen said I do here is us dancing. We are happy.

MAGGIE

I can see that.

MAN

And here is us - how do you say consummating?

He hands Maggie some very posed, very porn-like pictures.

INT. BAR - NIGHT - PRESENT DAY

Maggie slaps the Consummating Photos down on the table covering Carafano's like a card game.

ALL

Ewwww.

MAGGIE

They made 2 for 1 prints - just so I could have them. He also offered to send them digitally.

CARAFANO

(re photos)
Yeah, I can see that.

CUT TO:

INT. FRAUD UNIT INTERVIEW ROOM 2 - FLASHBACK

DOREEN holds up more of the honeymoon porn.

DOREEN

Proof of Love.

She smiles hopefully. No smile back. RED STAMP: REJECTED

INT. BAR - NIGHT - PRESENT DAY

MAGGIE

Who does that?

RUBY

Uh...

Ruby and Hwang raise their hands. A grin at each other.

That wasn't a real question.

HWANG/RUBY

Oh.

MAGGIE

Who brings someone else into their bedroom to take pictures on their wedding night?

JASON

Are you inferring that's a red flag of some sort?

He picks up his Blackberry.

MAGGIE

What are you doing?

**JASON** 

Cancelling the photographer.

She hits him.

RUBY

Maybe it was on a self timer - because, you know, some people like this kind of stuff -

Once again, the knowing look shared with Hwang.

MAGGIE

There's a reflection in the mirror. Of two extra people. That's definitely not love. That's commerce. Green card commerce, baby.

CARAFANO

Who are we to say what love is? When a consenting man and a consenting flexible woman -

MAGGIE

Your friends are disgusting.

**JASON** 

They're your friends too.

MAGGIE

As of now, groom side only.

Carafano reaches for the photos - she slaps his hand away.

MAGGIE (CONT'D)

And those cannot go up on your wall of fakes.

CARAFANO

No fun at all. All right we deviant losers are grabbing the next round.

He, Ruby and Hwang head to the bar. Maggie grins at Jason and puts his hand on her stomach.

MAGGIE

Let's order something -

JASON

It's late.

MAGGIE

Feel this, I have the growls. Come on, celebrate and break your I don't eat at night rule for once. I wouldn't mind love handles to handle. And don't just order a salad no dressing.

**JASON** 

The dressing is -

MAGGIE

- the best part, I know!

She grins at him.

MAGGIE (CONT'D)

Look, when we start writing wedding vows I'm making you promise to indulge with me once a week. And I want you to start now - so we're getting calamari. Their calamari kicks ass. And don't tell me food is fuel because I will just tell is fuel because I will just tell you that all the oil it's fried in will make me go faster

JASON And I will just tell you I'm just trying to make sure you're around as long as possible.

MAGGIE

Then share it with me and we'll both kick off at approximately the same time. Please?

She kisses him - but they are distracted by Carafano, at the bar. A happy couple, ALEX and ALEXA, stand next to him.

CARAFANO

People, people! I want you to meet Alex and Alexa. Alex and Alexa are getting married next weekend and they tell me that they know everything about each other.

MAGGIE

I hate when he does this.

**JASON** 

Oh, come on - It's not so bad -

MAGGIE

He makes a bet with unsuspecting young couples, we do all the work and he gets all the money. Where's the fire exit?

CARAFANO

In fact they claim that with their years of wedded bliss just about to begin they can beat the champagne out of some just-engaged newbies. Alex and Alexa - the gauntlet has been dropped. Meet your match.

He points to Maggie pulling Jason to the fire exit.

CARAFANO (CONT'D)

Match match match -

It catches on slightly with the crowd -

CROWD

Match match match!

JASON

(happily)
The growls will have to wait

INT. BAR - NIGHT - LATER

A make-shift game show. Carafano moderates. Alex and Alexa's love sheen fades as they compete against Maggie and Jason.

CARAFANO

Name of childhood pet?

**ALEXA** 

Oh, oh, I know this one. I know this one. Beau!

ALEX

Joe.

CARAFANO

Breed?

**ALEXA** 

Beagle.

ALEX

Hamster.

Carafano turns to Maggie and Jason -

MAGGIE

Heidi, Dalmation, Misty, Boxer. Cleo, Lab.

**JASON** 

14 goldfish in order - sally, sally the 2nd, sally the 3rd, halfpint, sally the 4th-8th, skywalker, anakin, r2d2, c3po, sally the 9th, sally the 10th and a cat named Bad Luck.

MAGGIE

For the fish.

CARAFANO

What does your significant other listen to on the radio?

ALEXA

Lite-FM!

Alex shoots her a look - that's his secret.

**ALEX** 

(sniping)

Dr. Laura.

ALEXA

For research. I'm doing my PhD.

CARAFANO

What does your significant other order at Starbucks?

ALEX

(baffled)

Coffee?

ALEXA

(sadly)
Decaf no foam extra whip mocha latte.

MAGGIE

Green tea.

JASON

French press. Won't drink it out. Needs to make it at home from her own beans she orders on-line from a commune in Costa Rica.

CARAFANO

Ding. And the winner is -

INT. BAR - NIGHT - LATER

Maggie, Ruby, Jason, Carafano and Hwang sipping champagne, Alex and Alexa off in a corner, unhappy with each other.

RUBY

It's really never a fair fight when you put those newbies up against the perfect couple over here.

MAGGIE

I feel bad -

**JASON** 

I don't -

CARAFANO

Yeah, if they don't know each other, how are they going to love each other forever? This was an opportunity for them to really see who they're marrying. Which is why we're toasting you two - to Maggie and Jason - who know AND love each other.

He raises his glass. No one joins him.

CARAFANO (CONT'D)

Ummm...hello?

**JASON** 

We were waiting for the punch-line.

CARAFANO

You're my best friend, dude. No punch-line.

Clink. Drink. Ruby's phone buzzes with a text. She grabs it.

RUBY

Score. Who's hungry?

CARAFANO/HWANG/RUBY/JASON

Maggie.

MAGGIE

You got it? Seriously?

JASON

Got what?

MAGGIE

I can't believe you got it. Give it to me. I'm going to put it in my phone right now.

**JASON** 

RUBY

Got what?

No way.

RUBY I had to be vetted.

MAGGIE

Vetted?

RUBY

It's a big clandestine delicious deal.

JASON

You're going on a food run now? It's 11 o'clock.

RUBY

I just got the number for the Lobsterman.

JASON

Lobster is insanely high in cholesterol. Maggie's family genetics are -

MAGGIE

You can boot-camp me tomorrow.

CARAFANO

Is that a code word for something I don't know the code word for?

JASON
You're not going to pull the covers over your head and refuse?

MAGGIE

I have the growls. You don't want me around you with the growls. Risk the covers.

Ruby texts with the Lobsterman.

MAGGIE (CONT'D)

Two two make it two.

RUBY

Cash only.

Maggie looks at Jason. He gives her cash. She kisses him.

MAGGIE

I'll meet you at my place, Fiance. Wow - fiance!

EXT. DOWNTOWN PHILADELPHIA STREET CORNER - NIGHT

Maggie and Ruby wait, shivering. Maggie spots an ELDERLY MAN.

MAGGIE

Is that him?

RUBY

No.

ANOTHER MAN, other end of the block, walking his dogs.

What about him?

RUBY

Oh yeah, that's him, he's handing over poop bags for a wad of cash.

MAGGIE

I'm cold I'm cold I'm cold. Are you sure he's coming?

RUBY

OK - you go home. More for me.

MAGGIE

No way. I'm standing on this corner til I die of the cold or starvation. Whichever comes first. (a beat)
Starvation. No, cold. Maybe starvation. No...cold.

A GUY IN A SUIT walking down the block, briefcase in hand.

 $\begin{array}{c} \text{MAGGIE (CONT'D)} \\ \text{What about him?} \end{array}$ 

And from behind them - an AUSSIE VOICE.

CAM (O.S.) What about me?

Cam - on a bike - hoodie obscuring most of his face - bike messenger bag slung across his shoulder.

CAM (CONT'D)

Jewel?

RUBY

That's me.

MAGGIE

Jewel?

RUBY

It's my foodie code name.

MAGGIE

You need a code name?

Ruby palms some cash to Cam. Cam lifts the flap of his bike bag. Inside are two brown paper bags.

MAGGIE (CONT'D)

Wow, that smells...amazing.

He hands the bags to Ruby.

Nice doing business with you.

He bikes off. Maggie reaches for a bag - Ruby holds it away.

RUBY

Wait for it.

MAGGIE

I have the growls!

RUBY

Your place is closer.

MAGGIE

Can't I hold the bag? For warmth?

RUBY

You can't be trusted.

MAGGIE

I can't feel my toes.

RUB

Here Maggie, come on Maggie...

Ruby holds up the bags. Maggie follows.

INT. MAGGIE'S APARTMENT - NIGHT

Maggie and Ruby each at one end of the couch, feet in the middle. They bite into the lobster rolls.

MAGGIE

(mouth full)

RUBY

(mouth full) Ahhh.

MAGGIE

Mmmmmm. Oh my -

She takes another bite -

MAGGIE (CONT'D)

- god. Proof there is a god.

RUBY

Told you.

MAGGIE

I can feel my toes again.

She squishes her feet against Ruby's as they eat with orgasmic delight.

RUBY

Stop, I'm concentrating.

Why didn't we get more?

RUBY

We got three. Oh. Each.

MAGGIE

We should have gotten more.

RUBY

You're still on your first one.

MAGGIE

But soon it will be the last one.

RUBY

Mmmmm.

MAGGIE

Mmmmmmmmm.

They finish the first rolls, start on the second. Jason stumbles out of the bedroom.

MAGGIE (CONT'D)
We woke you up - I'm sorry honey.

She takes a bite. Closes her eyes.

**JASON** 

You don't seem sorry.

MAGGIE Oh I am. Mmmmm. I'm just -

**JASON** 

- eating.

MAGGIE

Savoring. Mmmmm.

RUBY

Mmmm.

They're in ecstasy. He watches them.

**JASON** 

I like this dream.

RUBY

Seriously you have to taste this.

**JASON** 

Pass -

RUBY

Dude, man up, isn't that why you're so careful all the freaking time? So you can indulge sometimes? Mmmm.

Mmmm.

He sees her point. Jason leans in for a bite of Ruby's.

No not mine. Your girlfr-fiance's.

Jason puts his hand out for Maggie's. She stares at him.

**JASON** 

Can I have a taste?

MAGGIE

Really?

RUBY

Maggie!

MAGGIE

It's wasted on him.

 $$\operatorname{\mathtt{JASON}}$$  Maybe I'll see the light.

MAGGIE

This may be the most delicious thing I've ever eaten and I'm supposed to give some of it up to a man who constantly thinks calories in/calories out? Not that I don't love the man who thinks calories in/calories out but really what in/calories out but really, what have you done for me lately?

**JASON** 

I gave you a ring.

MAGGIE

Oh that.

Jason grabs Maggie's bag with her last lobster roll in it.

MAGGIE (CONT'D)

Jason.

**JASON** 

Can't give a bite for a ring?

MAGGIE

Ruby help!

She follows him around the room – He plays keep away, jumps over the couch. Ruby clutches her bag –  $\,$ 

RUBY

Every man for herself.

Jason pulls out the lobster roll -

**JASON** Offer me a bite.

MAGGIE

You're not going to like it.

**JASON** 

Doesn't matter, I'm your fiance, offer me a bite.

MAGGIE

Honey, let me fix you a tofurkey sandwich.

Jason stuffs the entire lobster roll into his mouth. Maggie sinks to the ground. Sad.

He tries to chew, swallow. Mouth too full to talk.

RUBY

Maybe this is an opportunity, Mags. Maybe he'll suddenly appreciate fine dining and take you out to four star restaurants where they believe in butter and -

Jason rushes to the sink and spits.

MAGGIE

Ahhhhhh!

**JASON** 

(slightly chagrined) It's still just a mouth full of cholesterol laden bottom feeder to me. Sorry - I'll make it up to you.

MAGGIE

You'll go and get more?

JASON

I'm going back to bed. But tomorrow morning, before bootcamp? Superdelicious smoothie.

MAGGIE

The one with the kale?

**JASON** 

Yes! The one with the kale. That you love.

MAGGIE

Like. (they kiss) Sleep tight.

**JASON** 

I love you.

Love you too.

Jason goes. Ruby gives half of her last lobster roll to Maggie.

MAGGIE (CONT'D)

I think I may actually love you

INT. HAPPY FINGERS NAIL SALON - BACK ROOM

A mix of English-Speaking-Americans and Barely-English-Speaking-Want-to-be-Americans mill around awkwardly, like a bad cocktail party. The Beautician drags KIM, a fifty year old Asian man, over to Maggie.

BEAUTICIAN

This is your husband, Kim. Get to know him. Til death do you part or two years.

MAGGIE

Hi.

Kim looks up "Hi" in his Korean-American dictionary, nods at her, nervous. The Beautician hands them each a binder.

**BEAUTICIAN** 

This is your love story. How you met, first kiss, first shtup. I should be a novelist.

Maggie looks at the story. It's written in Korean. She Kim exchange papers. Now she can read "the story of us."

BEAUTICIAN (CONT'D)

Engaged couples! Attention!

The room quiets. Maggie spies Jason, sitting with his very NORWEGIAN BRIDE. He blatantly ignores her, into the charade.

BEAUTICIAN (CONT'D)

Learn your spouse. Learn your love. Test next month. Now, line up for photos please. Couple by couple.

The Beautician has a green screen set up with a computer. She gestures to Maggie and Kim, throws them hats, gloves, parkas.

BEAUTICIAN (CONT'D)
You two look like you like to ski.

MAGGIE

Um - it's like 110 degrees outside. And more inside.

BEAUTICIAN

Suit up. Step up. Squat.

They step up to the green screen. Squat.

BEAUTICIAN (CONT'D)

Lower. Higher. Lower.

The hot lights make Maggie drippy with sweat.

BEAUTICIAN (CONT'D)

No sweat in zero degree weather.

MAGGIE

I'm melting.

Beautician glares. Maggie wipes the sweat off with her scarf.

**BEAUTICIAN** 

Hold hands. Gaze at the beautiful sky. Visualize swooooshing down the slopes.

Beautician clicks the photo and it integrates into a shot on her screen.

BEAUTICIAN (CONT'D)

Your first trip away with each other. When you sprained your ankle and Kim had to carry you to the lodge.

MAGGIE

You should be writing novels.

**BEAUTICIAN** 

I know, right? Strip down.

MAGGIE

Excuse me?

**BEAUTICIAN** 

Drunken hot tub after-ski sex.

Maggie and Kim take off their clothes. Shirts, pants...Jason's eyes widen as Maggie reaches for her bra.

BEAUTICIAN (CONT'D)
Ha ha! Stop! You pass my test. Now you just have to pass their test.

EXT. PHILADELPHIA PARK - DAY

Jason runs Maggie through the park. He's thriving, she's not.

MAGGIE

(panting)

I'm just saying - she's a pro. You've got to respect her for that.

They arrive at a children's playground. He grabs the bars and pulls himself up. Maggie grabs the bars and hangs feebly.

JASON

She's breaking the law. Conspiracy to commit marriage fraud, making false statements, inducing foreign nationals to remain in the U.S.

MAGGIE

I don't like it as much as you don't like it, I just like her style. She should be working for us.

**JASON** 

Give me one.

MAGGIE

Really?

**JASON** 

Just one.

Maggie pulls herself up, painfully.

JASON (CONT'D)

See you can do it. Now one more.

MAGGIE

Why why why are you making me do this?

JASON

Because, I want you to be asking me that for the next fifty years...

She softens. Does another pull-up.

JASON (CONT'D)

That's my girl. Six miles more to go. Let's run.

He runs in a circle around her, ready to spring.

MAGGIE

You're kidding.

**JASON** 

Yup.

She collapses.

EXT. WHELAN HOME - ESTABLISHING - NIGHT

A nice house in Balacynwyd, a Philadelphia suburb, where Maggie grew up.

INT. WHELAN HOME - KITCHEN - NIGHT

Maggie - ass in the air - rifles in the back of a cabinet, pulling out stuff that's been stowed that really should be earmarked for a yard sale.

I don't know why you would put it in here with all the crap you say you're going to throw out.

Maggie's mother, LINDA - late 50s, has aged beautifully without the help of a scalpel - and Jason look on.

LINDA

Where else would I keep it?

MAGGIE

Out, out where people can see it?

LINDA

It was a long time ago honey.

MAGGIE

I think I see it. Here, hold this.

Maggie pulls out her parents' enormous wedding album and hands it to Jason. He leafs through it.

**JASON** 

Look at this...

LINDA

Be careful, those things are called prints and the only way we can make more is with the negatives which the wedding photographer held for ransom - then he went bankrupt. I think they ended up in a swap meet.

**JASON** 

Prints? Negatives?

LINDA

They took them with this thing called film.

JASON

Film...I'll have to Google that.

Maggie hauls out another album - the honeymoon one.

MAGGIE

Got it.

(to Jason)
Trip of a lifetime - that's what
they always said about their
honeymoon.

WILLIAM - Maggie's father, a lean crossword-obsessed hardware store owner, lets himself in through the back door.

MAGGIE (CONT'D)

Dad - where have you been? You missed dinner -

WILLIAM

I didn't know we were having dinner.

MAGGIE

Isn't dinner kind of an every night thing?

WILLIAM

With you, honey, with you.

LINDA

I sent you a text.

WILLIAM

And when I got the text I headed over here from - from where I was.

MAGGIE

There's plenty left-over.

WILLIAM

Oh, I already -

LINDA

I set you a place.

WILLIAM

You did? You did.

**JASON** 

I love this photo. It is so you

A photograph of William dipping Linda at their wedding. Beautiful - love flowing between the two of them.

MAGGIE

That's always been my favorite of your wedding pictures. Oh my god, Mom, do you still have your dress?

LINDA

It's in one of those preserve—it boxes in the attic. Why?

MAGGIE

Well, because I need something borrowed.

She raises her left hand with the ring on it.

LINDA

WILLIAM

Maggie!

Baby!

Linda hugs and kisses her. Then William hugs and kisses her.

WILLIAM

(to Jason)

You sure about this?

Dad!

WILLIAM

Are you sure about this?

MAGGIE

Dad!

WILLIAM

I'm...joking.

MAGGIE

You're not funny.

LINDA

Will! Of course she's sure. Why wouldn't she be sure?

A moment flashes between William and Linda.

WILLIAM

(backing off)

No reason. But don't you want your own dress?

MAGGIE

No, I want Mom's.

LINDA

Oh honey, it's old.

MAGGIE

Vintage. And special. It would mean so much to wear your dress.

**JASON** 

She means it means we can add Prague.

MAGGIE

It does mean we can add Prague. But really, this photo has always made me feel like I was right there at your wedding - I want to be the real thing just like you two.

A moment as they all gaze at the photo.

MAGGIE (CONT'D)

So, Mom?

LINDA

What?

MAGGIE

The dress - can I borrow the dress? Please, Mom.

Maggie doesn't catch the look between Linda and William.

INT. CAR - NIGHT -

Jason drives - A huge box-o-wedding dress in the back seat.

MAGGIE (CONT'D)

(laughing)
No, you didn't tell me and you know you didn't tell me so don't even start.

**JASON** 

Carafano's in crisis.

MAGGIE

What, did he sprain his right hand?

**JASON** 

Deep down he has feelings.

MAGGIE

Which can only be mended by watching porn and getting shit-faced with the boys?

**JASON** 

You'd do it for Ruby.

MAGGIE

Ruby doesn't get heart-broken. She gets even. I just wish I had known, I would have made girl-plans. Now I'm stuck all by myself.

**JASON** 

How come you never want alone time and a bubble bath like other women?

MAGGIE

Do you really want me to be like other women?

Jason pulls up to their place.

**JASON** 

No. Well not much. Just sometimes.

MAGGIE

I'm hungry.

JASON

We just had dinner. (off her look) I stocked your fridge.

MAGGIE

You did? That's great.

JASON

Meaning you're calling Ruby and going to the Deep-Fried-Bacon(MORE)

JASON (CONT'D)

Wrapped-Mac-and-Cheese truck, doesn't it?

MAGGIE

Do you always have to be right about me?

JASON

I bet you'll find something in the fridge that's really good.

MAGGIE

Oh thank god, you're not always right. Have fun helping your friend numb his pain, Fiance.

**JASON** 

I will, Fiance.

She gets out of the car.

JASON (CONT'D)

Hey, was that our first engaged couple fight?

MAGGIE

Yeah, not bad, huh?

INT. MAGGIE'S APARTMENT - NIGHT

Maggie at the fridge - on the cell phone - calling Ruby.

MAGGIE

I can't believe you're not picking up...I'm desperate here. Jason did the shopping - I think he's trying to starve me out. Ruby!! Call me!

Inside the fridge. Organic vegetables. Greek Yogurt. Tofu.

MAGGIE (CONT'D)

No. No. No. No!!!!

Flaxseed. Maggie dials Ruby again.

MAGGIE (CONT'D)

Pick up - Damnit.

INT. RUBY'S APARTMENT - NIGHT

Ruby is in the middle of having great, gymnastic, head-banging sex with a GUY we can't see. Her phone RINGS.

RUBY

Again? Oh my god.

She picks up.

RUBY (CONT'D) Are you near death?

INTERCUT AS NECESSARY

MAGGIE

Starving to death.

RUBY

Stop calling.

Ruby hangs up on Maggie. And starts to orgasm.

RUBY (CONT'D)

Oh oh...

The phone RINGS -

RUBY (CONT'D)

Shit!

She picks up the phone.

RUBY (CONT'D)

You're throwing off my rhythm!

MAGGIE

I need the number.

RUBY

I'm busy.

MAGGIE

I need it.

RUBY

You're not vetted.

MAGGIE

It's a lobster roll for Christ's sake, not an FBI file. I need the numbér.

RUBY

I'm...mmmm...busy.

MAGGIE

You can't be that busy, you picked up the phone.

It was distracting me.

GUY

And me!

MAGGIE

Give it to me and I'll leave you alone. Otherwise -

GUY

Give it to her.

RUBY

Give it to me.

**GUY** 

Oh I am baby. I am.

They go at it - the phone slips to the floor. Suddenly they hear Maggie singing to them. LMFAO's SEXY AND I KNOW IT.

MAGGIE

(singing)
When I walk in the spot, this is
what I see, Everybody stops and
they staring at me, I got passion
in my pants and I ain't afraid to
show it. I'm sexy and I know it -

RUBY

Maggie -

MAGGIE

Singing or ringing baby? (singing) wiggle, wiggle, wiggle

He joins in.

MAGGIE/GUY

(singing)
-wiggle wiggle yeah, wiggle,
wiggle, wiggle, wiggle wiggle yeah,
wiggle, wiggle, wiggle
wiggle yeah, Do the wiggle yeah.
I'm sexy and I know it.

RUBY

599-9342!!!!!

MAGGIE

Enjoy your evening.

RUBY

Bring me one.

GUY

 ${\tt Two}\, .$ 

RUBY

Bring me two. Hello? Maggie hello?

INT. MAGGIE'S APARTMENT - NIGHT

Maggie texts. Waits. She paces back and forth, jittery. Opens the fridge. Closes it. Talks to her phone.

MAGGIE

Buzz. Buzzbuzzbuzz.

She leafs through Jason's file from The Beautician about his Norwegian bride. She rips out a photo of Norway. Sticks it up on the wall. Pulls out a magazine.

INT. INTERVIEW ROOM ONE - DAY - FLASHBACK

JADA, American, granola backpacking type.

JADA

I mean I was loving Greece but I couldn't get the Blue Mosque out of my head. Blue Mosque, Blue Mosque. So I went to Turkey and I went to the Blue Mosque and I sat there, waiting, because I knew something big was going to happen. And that was Mahir.

INTERVIEW ROOM ONE slides off left and INTERVIEW ROOM TWO slides in from the right.

INT. INTERVIEW ROOM TWO - DAY

MAHIR, Turkish, with a MALE INTERPRETER. Mahir speaks and the Interpreter interprets.

INTERPRETER

She looked like she was waiting for someone. So I thought that someone could be me. And it was. I have been looking all my life for someone like her.

MAGGIE

Do you speak each other's languages?

INTERVIEW ROOM ONE slides in until they are SPLIT SCREEN

INTERPRETER/JADA

We speak the language of love.

Maggie sees Mahir and his Interpreter's fingers almost touching under the table. Maggie, a little sad.

MAGGIE

Before we finish up here...tell me a little more about Turkey. Petra? A can't miss?

RED STAMP: REFER TO FRAUD UNIT

INT. MAGGIE'S LIVING ROOM - NIGHT

Maggie - facial bleaching cream above her upper lip - pastes magazine photos onto the wall in what's become a Honeymoon Vision Board and eats lentil chips. The bleach tastes better than them. Her phone BUZZES. Finally.

EXT. MAGGIE'S APARTMENT BUILDING - NIGHT

Maggie exits. Two TEENAGERS pass her by. They stare.

TEENAGER

You got milk, mama.

Maggie touches her lip - crap. She wipes the bleach off with her sleeve.

EXT. STREET CORNER - NIGHT

Maggie approaches the corner. It's drizzling a little bit.

She flips up her hood - no umbrella. She stands, waits. Then the downpour begins.

She looks for an awning to stand under - none. She's drenched. Does she stay - does she go?

She leans out into the street to look for him. A car HONKS loudly as it splashes her and soaks her more.

MAGGIE

Great.

She looks the other way and sees Lobsterman on his bike. In the downpour he doesn't see another car coming  ${\mathord{\text{--}}}$ 

MAGGIE (CONT'D) Watch out!

Cam looks behind him - as Maggie tries to pull him - or is the bag of lobster rolls? - out of the way of the car.

Thrown off-balance Cam goes flying - Maggie with him - in one direction, bike in the other.

The Messenger bag opens, the brown paper bag full of lobster goodness flies out - and lands in a puddle.

MAGGIE/CAM

Fuck.

The car swerves to avoid them, soaking them more.

MAGGIE/CAM (CONT'D)

Fuck!

They sit up.

MAGGIE

Are you OK?

I think I may have drowned but other than that - Thanks.

You're welcome.

CAM

Jewel's friend, right?

MAGGIE

Just call me Emerald. Maybe they're still OK?

Maggie picks up the soaked brown paper bag. The bottom falls out of the bag and the lobster rolls plop into the puddle.

MAGGIE (CONT'D)

Sigh.

He pulls her to her feet.

CAM

Looked like you weren't sure who to save for a second there.

MAGGIE

Seriously it was a hard call. But I figured with you gone the world would be a much sadder-lobster-roll-free place.

She gazes at the lobster rolls in the puddle.

MAGGIE (CONT'D)

Obviously tonight was not meant to be.

CAM

I owe you one. You saved my life.

MAGGIE

You're totally exaggerating -

CAM

Well, you saved my ass. Come on then.

MAGGIE

Come where?

CAM

I'll take you to my kitchen -

MAGGIE

I thought no one gets to know your name, where you come from, where you work. I thought you were all undercover chef.

CAM

I'll swear you to secrecy. Let's go. It's wet.

(hesitates)
I'll just wait.

CAM

You're going to stand here another half an hour?

MAGGIE

Sure.

CAM

Oh, you're one of those whackers who really really really loves walks in the rain.

MAGGIE

I don't know -

CAM

What?

MAGGIE

Well, I don't know you.

CAM

Oh, don't take lobster from a stranger and all that? I don't bite. Much.

MAGGIE

It's just -

CAM

I get it.

MAGGIE

No offense.

CAM

None at all. I'll be back in half an hour.

He picks up his bike - its frame is twisted.

CAM (CONT'D)

Maybe 45. Ish.

He walks away. The rain comes down harder. And harder.

MAGGIE

Lobsterman! Wait!

INT. LISA AND CAM'S APARTMENT - NIGHT

Cam enters, hangs his bike on a hook on the wall. Maggie hesitates at the door.

When you said take me back to your kitchen I thought you meant like a restaurant kitchen kitchen -

CAM

That is a work-in-progress - funded by obsessive cravers like yourself.

He throws his hood back. She sees his face for the first time. It's a nice face.

CAM (CONT'D)

How hungry are you?

MAGGIE

Hungry hungry. The growls hungry.

CAM

Love customers with the growls. Lucky for you I have just enough lobster left for one more roll.

He pats the stool at the edge of the kitchen counter.

CAM (CONT'D)

Park it here.

She hovers at the door.

CAM (CONT'D) - or stand in the doorway.

He opens the fridge and starts taking out ingredients.

CAM (CONT'D)

I should make you turn around trade secrets, you know?

MAGGIE

Oh, I can't cook. I can eat - but I can't cook.

CAM

Everyone can cook -

MAGGIE

Oh, I can do the minimum - boil water, I can make a mean grilled cheese. But cook like you? No. Even when I follow the recipes exactly - it's missing something.

Cam heats a pan, throws ingredients in.

CAM

It's missing someone having done all the work for you?

(grinning)
Possibly. But without people like
me who appreciate amazing food what
would people like you who make the
amazing food do?

CAM

Best excuse for laziness I've ever heard.

Cameron starts expertly chopping -

MAGGIE

Besides - I'd be seasoning every dish with my fingertips -

CAM

No you wouldn't.

MAGGIE

Yes I would.

CAM

No, you wouldn't, because, you'd learn.

Things are starting to sizzle.

MAGGIE

Mmmm, that smells heavenly. That's butter isn't it? Real butter.

Without even realizing she drifts into the apartment a few steps. Cam throws a few more ingredients into the pan.

Maggie takes a deep breath. Sighs. A few more steps in. Cam shakes the pan as the ingredients begin to meld together.

Maggie, entranced, a few steps closer - eyes on the pan as Cam scoops the delectable lobster meat into a perfectly done roll and presents it to her. She takes a bite.

MAGGIE (CONT'D)

Ahhhh.

She closes her eyes and takes another bite. Mmmmm.

She opens her eyes. Wide. Cam brandishes a knife at her.

Maggie gasps - and drops the lobster roll.

MAGGIE (CONT'D) What the hell are you doing?

CAM

Giving you a fair go at chopping for your supper.

He reverses the knife, blade to himself, handle to her and offers it to her. They look at the lobster-roll on the floor.

5 second rule?

She bends to pick it up. He gets to it first, throws it out.

MAGGIE (CONT'D)

But there's not any more -

CAM

Not in my kitchen. C'mon. I'll make you something better.

MAGGIE

There's nothing better.

CAM

You ain't seen nothing yet. Take the knife.

MAGGIE

You're making a mistake.

CAM

I'm doing you a service. Give it a burl.

MAGGIE

Whatever the hell that is. En garde!

She takes the knife. Waves it like she's fencing.

CAM

Over here.

He indicates the cutting board. She hesitates.

CAM (CONT'D)
You're the one with the knife.

He pulls some more ingredients out of the fridge - starts to put them together to  $\operatorname{cook}$ .

MAGGIE

How did you learn to cook?

CAM

I followed a lobsterman home in the middle of the night.

MAGGIE

Seriously.

CAM

I'm from Australia -

MAGGIE

Not South Philly? I couldn't place the accent.

CAM

And I travelled a lot from the time I was 16 and when I ran low on money I'd hang around the back of restaurants, offer to wash dishes, chop, whatever for meals. Sometimes I stayed a while, sometimes they paid me a bit. There isn't a chef in the world who doesn't fall for someone who loves their food and wants to know how they do it - Like you.

MAGGIE

Oh, I just want the food.

CAM

Yeah, you do.

He puts down a plate of sauteed prawns over pasta.

MAGGIE

Oh.

CAM

Learned this one in Venice. Bog in. (off her look)

She takes a bite. Sighs. Happy sigh.

MAGGIE

This is what Venice tastes like?

CAM

You've never been?

MAGGIE

I'm going soon - it's the first on my list. And I want to go to Herculaneum and Pompeii - numbers three and four.

CAM

How long is the list?

MAGGIE

Long. And keeps getting longer.

CAM

What have you crossed off?

MAGGIE

Nothing - I've been waiting to make it perfect. Perfect itinerary, perfect person to go with -

CAM

I'm more of the what's-perfectit's-never-perfect, just go, kind of person.

Don't you get lonely travelling by yourself?

CAM

You meet people.

(a beat)

Well come on. I'm going to show you how to cook like you've been somewhere you've always dreamed of going. How bad can you be?

He hands her a pepper. She holds it up and talks to it.

MAGGIE

Don't blame me. I promise this won't hurt too much.

She proceeds to try to chop the pepper -

CAM

Blimey - you weren't kidding. That's not chopping, that's torturing.

MAGGIE

Told you -

Watch and learn.

He takes the knife and goes to work.

MAGGIE

Wow.

CAM

Don't let the knife tip leave the cutting board, move it like this. Come here.

He puts his hands over his to show her how to chop.

CAM (CONT'D) Feel that?

MAGGIE

Um...yeah.

CAM

Great - you finish up and I'm going to get ready for us to go -

MAGGIE

Go where?

CAM

I'm taking you around the world.

INT. CAM'S APARTMENT - LATER

Cam works. Maggie sits on the kitchen stool, watching.

MAGGIE

I'm just saying I can't imagine leaving here for that long and never going back - don't you miss your family? Where you grew up?

CAM

Not much to miss actually.

MAGGIE

But don't they miss you?

He shrugs.

MAGGIE (CONT'D)

Two brothers - their wives, three nephews, a niece you've never met - and your dad and you're telling me there's no love lost at all.

CAM

I miss my mom, but it's not as if I go back, she'll suddenly be there again.

MAGGIE

I know but everybody else in your family, they're part of her too. People who knew her, who you knew her with, that how she's kept alive. Through everyone who loved her -

CAM

My dad didn't love her.

MAGGIE

He stuck around the whole time she was sick - so maybe he didn't love her the way you think he should have, but he must have loved her in whatever way he could -

He sets some plates down on the table -

CAM

First stop - the Philippines - this is lumpia, a kind of spring roll -

MAGGIE

Or in other words Maggie, shut up and eat?

CAM

CAM (CONT'D)
Tuscany. Churrasco con
Chimichurri...Argentina.

She takes a bite of the lumpia.

CAM (CONT'D) Well, what do you think?

MAGGIE Shut up, I'm eating.

She takes another bite.

Cam leans across the table and kisses Maggie.

It's just for a moment but it's intense. She catches herself in it - pulls back.

MAGGIE (CONT'D)

(mouth full)
I can't do this.

CAM

Oh. Umm...I beg to disagree, you definitely can.

He kisses her again. With his lips against hers -

MAGGIE

(muffled)
Cam, I'm engaged.

CAM

What?

Maggie pulls back -

MAGGIE

I'm engaged.

CAM

Engaged women wear -

She holds up her left hand.

CAM (CONT'D)

- rings. You weren't wearing that before.

MAGGIE

I turned it around when I was waiting for you on the corner. I should have waved it at you or something. I'm not used to it yet. That's what I meant when I said I was starting to go places on my list.

CAM

With the right person.

On our honeymoon. Sorry.

CAM

I don't tend to crack on women with fiances. But then again I'm not so sure it was my responsibility to look for the ring if you're the one who is actually ring-ed.

Maggie gets up - She grabs her jacket, puts on her shoes.

CAM (CONT'D)
You don't have to go. There's all this food.

MAGGIE

Yeah, I do. You were delicious - I mean the food was delicious. I am so going.

She grabs a couple of dosas off the table.

MAGGIE (CONT'D)

You mind?

CAM

You want a doggie bag?

MAGGIE

I have pockets.

She starts for the door. Stops.

MAGGIE (CONT'D)

I didn't pay you.

CAM

Pay me?!

MAGGIE

Bad?

CAM

Excruciatingly bad.

She goes. He sinks onto a chair. Baffled.

EXT. STREET - NIGHT

Maggie opens herself up to the rain. Pulls a dosa out of her počket and eats as she walks.

INT. MAGGIE'S APARTMENT - NIGHT

Maggie throws off her wet clothes, pulls one last sodden lumpia out of a pocket, and walks into the bedroom.

INT. MAGGIE'S BEDROOM - NIGHT

A lump in her bed sits up, it's Jason. Maggie startles.

MAGGIE

Oh shit!

**JASON** 

Hi is usually a better greeting.

MAGGIE

I thought you were off consoling Carafano with testosterone guy-things.

**JASON** 

I felt bad about it.

MAGGIE

You didn't need to feel bad.

**JASON** 

Well, four scotches and really boring porn might have had something to do with the overflow of emotion.

MAGGIE

(smiling)

Something.

**JASON** 

I set the alarm for five so I can sweat it off. You in?

MAGGIE

Ummmm -

**JASON** 

Yeah, I know you're not in. But I love that look on your face when you think I don't know you're not in. Did you tame the growls?

MAGGIE

I..I did.

He lies back down and takes her hand.

JASON

Nice ring, lady. I'm glad you and Ruby had a good time.

MAGGIE

Yeah...Jason?...

A moment. She's going to tell him all about her night.

MAGGIE (CONT'D)

Jason?

He's asleep. She lies down and cuddles into him. He pulls her close. They sleep.

EXT. ANTONY THE TAILOR'S STOREFRONT. ESTABLISHING. DAY

INT. ANTONY THE TAILOR'S - DAY

In a teeny curtained-off corner, Ruby awkwardly helps Maggie pull her mom's wedding dress over her head.

RUBY

You say nothing -

MAGGIE

I don't know -

RUBY

Nothing -

Maggie is stuck in the dress.

MAGGIE

Isn't that like lying -

RUBY

That's nothing. Because nothing happened. Really. Did it? Suck in.

Maggie sucks in her breath. And tries to answer.

MAGGIE

I told you. He kissed me.

RUBY

He kissed you. Suck in more.

MAGGIE

(sucking in)

Yes.

Under the mistaken notion that you were single. - More.

MAGGIE

(sucking)

RUBY

And when you were single, if I recall, you were kissed by a fuck-load of men.

MAGGIE

(letting her breath go)

RUBY

A fuckload. (re dress)
You and your mom were not exactly the same size, she said, diplomatically.

MAGGIE

Sizes weren't the same in the seventies.

RUBY

Yeah, I think I read that somewhere. I believe, Ms. Scarlett, we're going to have to find you some white curtains.

MAGGIE

You ever price wedding dresses?

RUBY

Perish the thought.

MAGGIE

Yeah, well, there was this woman from Prague who married that guy who owns the Italian ice place on Smith and everything she told me, castles, the old cemeteries, the square. And meat, really good meat. I am getting into this dress and not missing the Czech republic.

RUBY

OK - let's try stepping you into this thing.

They pull it off. Maggie steps in. Ruby pulls up.

MAGGIE

And it wasn't a fuckload.

RUBY

It was too. But you were single, so it was OK. You could kiss whoever the hell you wanted to kiss. You could anything whoever the hell you wanted to anything with. You were single.

MAGGIE

And you know this because you're a professional at being single.

RUBY

I am. And Lobsterman thought you were single. Ergo - It's all about perception baby.

MAGGIE

But -

RUBY

You love Jason.

MAGGIE

I do.

RUBY

You're marrying Jason.

Maggie's in the dress. Ruby starts to button.

RUBY (CONT'D)
The way I see it, that kiss
happened when you were single.
Don't fuck it up. You're not going
to let it happen again, are you?

MAGGIE

No.

RUBY

You're not even going to ever get another lobster roll from him again.

MAGGIE

...right.

RUBY

Maggie.

MAGGIE

Well, couldn't you get it for me?

RUBY

Penance.

MAGGIE

OK - I won't see him again. I won't eat his food again.

Maggie exits to the mirror where the tailor, ANTONY, an older Italian man, waits. The dress is in dire need of alterations.

MAGGIE (CONT'D)

Antony, it's a little big. Here.

ANTONY

I can work with that.

MAGGIE

And a little tight here.

ANTONY

I can work with that.

MAGGIE

And a little short here.

ANTONY

Short is in.

Maggie looks at herself in the mirror.

ANTONY (CONT'D)

You need tissues?

MAGGIE

No.

ANTONY

On all the TV shows the brides they need tissues so I stocked up.

He starts to pin. Maggie looks at Ruby in the mirror.

MAGGIE

What do you think?

RUBY

What do you think?

MAGGTE

I think I was having a panic attack there. It's all good. I'm not going to fuck it up.

ANTONY

I did it.

MAGGIE

Did what?

ANTONY

Kissed a girl who was engaged.

MAGGIE

What happened?

ANTONY

I married her.

Maggie looks at him.

ANTONY (CONT'D)

Joking?

MAGGIE

No, you're not, are you?

ANTONY

This happens all the time when people get engaged. It's the pheromones - a woman goes off the market and the men they can sniff that out. It makes their competitive instincts go wild. He kissed you - no worries.

He steps back from pinning.

ANTONY (CONT'D) Don't move too much - getting the little bloodstains out is a nightmare. But look at you -

Maggie looks at herself in the mirror. Much better.

MAGGIE

I'm going to Prague!!!

INT. FRAUD UNIT INTERVIEW ROOM - DAY

Slightly more upscale than the initial interview rooms, which means there's a wilting potted plant in the corner.

MAGGIE

Do you have any pets?

We know the woman she's interviewing - it's Lisa.

LISA

No. Well, would you count the mouse we can't trap as a pet? We've named him Butch.

MAGGIE

I think we can discount Butch.

LISA

I just don't want him to say we do have a pet when we don't have a pet but we do joke that we have a pet. Butch. The un-trappable mouse.

MAGGIE

Relax.

LISA

I'm relaxed.

MAGGIE

You seem really nervous.

LISA

I'm not nervous.

MAGGIE

Then maybe you're hungry because I've watched you eat off all your lipstick in the last twenty minutes.

Lisa digs in her bag for a mirror. Gives up – takes a cell phone self portrait. Looks at it.

Yeah, I did. AND on the teeth. Good.

Do you have anything to be nervous about?

LISA

Is that a trick question? That's a trick question.

MAGGIE

It's not a trick question - it's a pretty straightforward question.

LISA

I'm nervous because we screwed this up the first time - and now we're here for a second time and it's horrendous. Which has nothing to do with you, just the situation, you seem perfectly lovely. I just, I don't know what I'd do without him? We've been together every day for six years -

MAGGIE

Where did you meet?

LISA

Culinary school. Second day there he made an impassioned plea for the school to donate the food we made in class to a local homeless shelter and somehow it went from donating to us cooking for the shelter once a week. On the school's dime. That charming accent - sucks them in every time. I could listen to that man talk all day.

MAGGIE

Do you know your husband's family?

TITSA

Well, that's complicated.

MAGGIE

Complicated?

Maggie writes in Lisa's folder, making Lisa jittery.

LISA

We're supposed to be coordinated on our answers, right? But we're not - the truth is everything went to hell between them after his mom died and no matter how much I tried to persuade him he wouldn't make the first move to get things back on track. So I did - which is where the complicated comes in - his dad and I have been emailing, we've talked, despite myself I like the old guy, and I see how sad he is (MORE)

LISA (CONT'D) about how he let things get, but my husband, he doesn't know I'm talking to his dad, so he's going to say we're not talking to his family when I am, and if you tell him that, he'll kill me so...

MAGGIE Electric toothbrush or regular?

LISA Seriously?

MAGGIE

Seriously.

LISA

Me electric. Him - I can't get to stop flossing in front of the TV in the living room.

MAGGIE

Ick.

LISA

Right?

They share a moment.

LISA (CONT'D)

Look, have you ever met someone and you just know that you're destined to be part of each other's lives? Forever?

Maggie gives her the smile. All is good.

LISA (CONT'D)

Nauseating?

MAGGIE

Extremely. OK - Now I'm going to go check in on your husband.

LISA

You can't tell me how I did, can you?

MAGGIE

Technically - no. But you can reapply your lipstick now.

She packs up her file and leaves the room.

INT. HALLWAY - DAY

Maggie passes Ruby in the hall.

RUBY

Lunch?

Can you give me a few minutes? Got an interview, but I don't think it's going to be complicated.

She opens the door to the other interview room.

INT. FRAUD UNIT INTERVIEW ROOM 2 - DAY

Maggie in the doorway - stunned. Cam is sitting at the table.

MAGGIE/CAM

What are you doing here?

Maggie looks at her folder. Then at Cam. She slams the door.

INT. HALLWAY - DAY

Ruby has barely made it 10 feet. She turns.

RUBY

That was

MAGGIE

Fuck.

RUBY

What?

MAGGIE Complicated. Very very complicated.

She grabs Ruby and pulls her into the

INT. INTERVIEW ROOM 2 - DAY

Maggie shuts the door behind them.

CAM

Maggie -

MAGGIE

You're married.

I - I - you work here?

MAGGIE

You're married.

(to Ruby)
You work here too?

Do I know you?

Listen to the voice.

(to Cam)

Say something. Say something!

CAM

Hi Jewel. Butter or mayo?

RUBY

Lobsterman! Oh my god. Without the hoodie, you're really really...hot.

MAGGIE

And married. Married lobsterman.

RUBY

You're married?

CAM

You work here?

MAGGIE/RUBY

Yes!

CAM

...yes...married...yes I am.

MAGGIE/RUBY

Oh.

CAM

It's not what you think.

MAGGIE/RUBY

You're not married?

He looks at them and their Homeland Security CIS lanyards.

MAGGIE

Because I just interviewed your wife.

CAM

Right. Fuck.

MAGGIE

And you kissed me. And you're married.

CAM

Well, you're engaged.

MAGGIE

That's not...that's not...that's not the same thing.

CAM

It's not a totally different thing.

But I'm not married. And...and I stopped the kiss.

**RUBY** 

Yeah, she stopped the kiss.

CAM

You might have stopped the kiss, but before you stopped the kiss you kissed back. It was quite a pash.

Maggie stares at him, flabbergasted.

RUBY

Pash?? You didn't say you kissed back. Maggie. Maggie!

MAGGIE

What?

RUBY

Did you kiss him back? Pash?

MAGGIE

What?

RUBY

Passionately - pash means passionately.

MAGGIE

What are you, the Australian-American dictionary?

Off their looks -

MAGGIE (CONT'D)

It was a reflex.

CAM/RUBY

A reflex?!

MAGGIE

We need to reschedule.

CAM

What?

MAGGIE

This interview. We need to reschedule this interview.

CAM

You're fucking with me.

A light KNOCK on the door.

MAGGIE/RUBY/CAM

What?!

Jason pokes his head in -

JASON

Honey, you good to go soon?

MAGGIE

Go?

**JASON** 

Marriage class.

MAGGIE

Right.

**JASON** 

You forgot.

MAGGIE

I...I got busy -

**JASON** 

We don't want to be late.

MAGGIE

Just give me one minute and we'll wrap this up.

**JASON** 

(to Cam)

Oh hey. Hard K guy.

CAM

Hey...

**JASON** 

Hope you can work it out. (to Maggie)

It was a paperwork thing.

MAGGIE

Yeah, I saw the file.

Jason closes the door.

CAM

You're marrying him.

MAGGIE

We'll be in touch. Ruby? Coming?

Ruby follows her out the door.

CAN

Fuckity, fuck fuck.

Bangs his head on the table.

INT. HALLWAY - DAY

RUBY

You kissed him back?

MAGGIE

I didn't mean to -

Jason catches up with them.

(to Maggie) Great, you ready?

RUBY

Yeah, we are.

Off their looks.

RUBY (CONT'D)

My nails are a mess.

INT. HAPPY FINGERS NAIL SALON - BACK ROOM

Maggie and Ruby enter together. The Beautician stops them.

**BEAUTICIAN** 

You brought friend?

MAGGIE

Maid of Honor.

**BEAUTICIAN** 

I like your style.

(to Ruby) I have the perfect guy for you.

RUBY

Oh, no, I don't do marriage. (off Maggie's look)

But I might consider it, for cash.

Beautician grabs Ruby's hands.

**BEAUTICIAN** 

Square better than oval. We'll

tālk.

(to Maggie)

Your flance is waiting.

Maggie goes to Kim, sitting with his dictionary. Jason's on the other side of the room with his bride. Other folks greet their "spouses".

BEAUTICIAN (CONT'D) We do not want you to seem like strangers. We want you to seem like people newly in love. Take your fiance's hand. She repeats her instructions in several other languages as Ruby sits down in the empty seat on Kim's other side.

RUBY

(to Kim) Excuse me. (to Maggie) Stop thinking about it.

MAGGIE

If I could stop thinking about it I've had stopped thinking about it by now.

RUBY

He kissed you. You kissed him back - you're engaged, he's married.

MAGGIE

That's it -

RUBY

What?

MAGGIE He didn't kiss like a married man.

Kim takes Maggie's hand.

MAGGIE (CONT'D)

What are you doing?

He gestures to Beautician.

MAGGIE (CONT'D)

Oh.

BEAUTICIAN

Now - tell each other how you like your coffee in the morning.

She repeats in other languages. Kim flips through dictionary.

RUBY

Married men kiss differently?

MAGGIE

Shouldn't they?

RUBY

I guess.

MAGGIE

He didn't kiss like someone who hadn't kissed someone new in a long time.

KIM

Black.

Excuse me?

KIM Coffee. Black.

MAGGIE

Great - I'll keep that in mind.

**BEAUTICIAN** 

Now decide what your favorite sexual position is.

She repeats in other languages as Kim hits the dictionary.

RUBY

Maybe he's a serial kisser. Maybe he does this a lot.

MAGGIE

I don't think so. Something isn't right. It doesn't feel right.

RUBY

Maggie -

MAGGIE

Ruby this is my job, I like my job.

KIM

I like you on top.

RUBY

This is all about your job? Right. Let's try that. You didn't have any suspicions when you interviewed the wife?

MAGGIE

Not until I knew she was his wife.

RIIRY

Maybe you should try kissing her.

MAGGIE

Maybe.

KTM

You like girls?

MAGGIE

Yes. No. Yes. OK -

RUBY

Well you can't just summarily deport him. You have to bring him back for the rest of the interview.

MAGGIE

Yeah, but the man can obviously talk a good game. And she's got his (MORE)

MAGGIE (CONT'D) story down pat too. All that crap about Australia and his family and moving around the world -

RUBY

Was it crap or was it real?

MAGGIE

Exactly.

**RUBY** 

Oy.

I'm really good at this stuff you know. People. What they're about. Marriage. It's not just work. And I really believe that any two people who love each other enough they want to move across the world to be with each other should have a way to do that. Nothing makes me happier than to see those swearing in ceremonies. Nothing makes me happier than making sure a married couple gain lawful permanent residency and get to stay and raise their families here. And there are ways to do that. There are rules. (to Kim)
I grind it myself.

He leafs through the dictionary.

KIM

Sorry, dirty words don't...you like missionaries?

MAGGIE

What?

KIM

Doggies?

MAGGIE

My coffee, I grind my own coffee. (to Ruby)
I would have said she was married.

**RUBY** 

But -

MAGGIE

I would have said he was not.

BEAUTICIAN

(to Kim)

You, over there. You - tell me about your wife-to-be.

KIM

Likes to grind girls on top. Loves dogs.

Across the room Jason looks at her. Really?

MAGGIE

He's a fast learner.

The room applauds.

**BEAUTICIAN** 

September 14th. 10:45 A.M. You wear white. I provide bouquet and veil. See you there.

RUBY

Do you want me to interview Cam?

MAGGIE

I think I have a better idea.

INT. LISA AND CAM'S APARTMENT - NIGHT

Lisa and Cam are collapsed on the couch.

CAM

Ow. Unloading cases and cases into the deep-freeze ow. Other people hire other people to do this stuff.

LISA

They do.

CAM

And we don't because?

LISA

They insist that we pay them.

CAM

Ratbags.

LISA

Yeah. I'm going to bed.

CAM

Me too.

LISA

Have I gone to bed yet?

They both sigh. They snuggle in to each other.

CAM LISA

If we can get through this - When we get through this -

CAM

It's going to be bloody amazing.

LISA

Hmmm mmmm.

She dozes off. He dozes off. Ahhhh.

INT. LISA AND CAM'S APARTMENT - NIGHT - LATER

Cam is alone, sleeping on the couch. Drooling. The apartment buzzer BUZZES. He mutters in his sleep.

CAM Turn it off.

It BUZZES again.

CAM (CONT'D) Lisa turn it off.

BUZZ! Cam stumbles to the door, hits the speaker lever.

CAM (CONT'D)

Who the fuck is it?

VOICE (O.S.)

(staticy) Zzzz-IS -

CAM

Who?

VOICE (O.S.)

Department of Homeland Security Immigration and Customs Enforcement.

CAM

What?

VOICE (O.S.)

Home check. Buzz us up.

CAM

Fuck fuck fuck.

VOICE

Buzz us up.

Cam buzzes them in. He surveys the room.

CAM

Oh fuck fuck fuck fuck.

He unlocks the front door.

CAM (CONT'D) Fuck fuck fuck fuck.

He pulls off his shirt, pants, underwear. He runs into -

INT. THE BEDROOM - NIGHT

Lisa is buried under the covers. Naked Cam leaps into bed with her. She wakes.

LISA

Cam!

CAM

Home check home check home check.

LISA

What?

CAM

Home check. Immigration. Snuggle

A POUNDING on the apartment's front door.

CAM (CONT'D)

Go to sleep.

Go to sleep?

CAM

Fake it.

LISA Perhaps I'll fake being awake because of the real pounding on the door.

CAM

(shouting)
It's open! We're in the bedroom.

LISA

Cam wait a second -

CAM

(shouting)

- sleeping -

LISA

Cam, there's -

A KNOCK on the bedroom door.

CAM

Come in.

Several uniformed Homeland Security/Fraud Unit EMPLOYEES including Maggie, Hwang, Ruby - enter.

LISA

Ms. Whelan!

Maggie and Cam stare at each other.

CAM MAGGIE Hi.

Hi.

Maggie takes in Cam and Lisa in bed together.

RUBY

Excuse the interruption - this is a regulation home check to ensure your claim of marriage is legitimate.

She looks around, and then to Maggie.

RUBY (CONT'D) It looks...legit.

Great. Well welcome. Sorry we're not inviting you to hang out but -

The sound of the TOILET FLUSHING. Everyone whips around to see the bathroom door open and KAT, 30s, gorgeous, naked, come out.

Oh. Hello. Biiiig booty call night I see.

Cam leaps to cover Kat with a blanket - still naked.

MAGGIE/RUBY

Oh.

CAM

You must be cold, sweetheart.

Maggie and Ruby share a look. Sweetheart? Kat looks at him.

KAT

Not as cold as you.

CAM

Well, you two wore me out last night. As usual.

CARAFANO

Dude, who are you married to?

Lisa raises her left hand -

LISA

Me.

CAM

Right.

CARAFANO

And she is?

CAM/LISA

Our girlfriend.

CARAFANO

Awesome.

He pulls out his camera-phone. Ruby whacks him.

CARAFANO (CONT'D) Right, official business. But no escaping it. Awesome.

Cam ushers Kat back into bed. Covers himself.

Thanks Cam. Love the chivalry.

Yeah, well anything for my girls women.

GUY

But you're married.

LISA

Is there anything in the rules that say we can't have a marriage that includes having a girlfriend? Ms. Whelan?

MAGGIE

No. No there's not.

LISA

We love each other - but both of us have needs that aren't absolutely filled by the other. Kat is part of what we're about.

KAT

Absolutely.

LISA

A mutual loving open relationship.

CAM

Yes yes yes. That's what this is.

He slips in between them.

CARAFANO

Awesome.

MAGGIE

We're sorry to have interrupted you.

The others file out the door. Maggie gives Cam one last glance. Kat drapes over him and Lisa.

KAT

Let's get back to it, shall we?

Maggie turns on her heel.

CAM

Maggie -

She turns back. He doesn't know what to say.

Thanks for dropping by!

Maggie heads out of the living room and into the hallway. Closes the door to the apartment behind her.

INT. STAIRWELL - NIGHT

Everyone trudges down the stairs.

RUBY

(to Maggie)
You O.K.?

MAGGIE

Fine.

RUBY

You're not fine.

MAGGIE

I like it when marriages turn out to be legit. I like it when people in love get to be citizens. It's fine. I'm fine.

HWANG

Never home-checked a three-way before.

INT. CAM AND LISA'S BEDROOM - NIGHT

LISA

Are they gone?

CAM

I think so.

They listen.

LISA

They're gone. Now get that thing away from us.

Lisa and Kat start laughing.

CAM

It's not funny.

(to Kat)

When the hell did you get here?

KAT

You were dead to the world.

LISA

I tried to wake you up so I could at least pull out the couch for you - but then I got distracted.

Kat kisses her.

KAT

The looks on those people's faces.

Cam sits up.

CAM

Fuck.

He grabs his pants and bolts out the door.

LISA

Where are you going? Cam!

INT. STAIRWELL - NIGHT

Cam bolts down the stairs while putting on his pants -

EXT. BUILDING - NIGHT

Cam runs out the door, shirtless, shoeless, buttoning up his pants. He sees cars pulling away.

INT. MAGGIE'S CAR - NIGHT

Maggie and Ruby in Maggie's parked car. Maggie spots Cam.

MAGGIE

Duck.

RUBY

What?

MAGGIE

Down. Now!

They duck down. They peek up.

RUBY

Where is he going?

MAGGIE

Delivery?

RUBY Without a shirt?

Cam runs down the street looking their way -

MAGGIE

Duck again.

RUBY

Why are we ducking?

MAGGIE

Maybe the walking around is evidence of some sort?

Cam goes past them, then turns around and goes back.

RUBY

Evidence of what?

MAGGIE

I don't know, maybe he's waiting for the fourth-way to arrive.

RUBY

Maybe he was hoping the fourth was you. Maggie - maybe he's looking for you.

Cam walks back the other way past them. They duck down more.

MAGGIE

For me? That's ridiculous.

RUBY

No - this is ridiculous. Why do you care if he sees us? We just saw all of him.

Cam goes to the front door. It's locked. Crap. He hits the buzzer. Again. Slams the door, pissed. He's BUZZED in.

Maggie sits up in her car, confused.

MAGGIE

I don't care. That's insane. I'm engaged to Jason. That's who I'm marrying. I don't care about Cameron. I just don't like that this guy is maybe breaking the law. And neither should you.

She starts the car and pulls away. Fast. Ruby pulls on her seat belt quickly.

RUBY

OK.

MAGGIE

Seriously - we took an oath.

Maggie floors it. Ruby holds on for dear life.

EXT. MAGGIE'S APARTMENT BUILDING - NIGHT

Maggie pulls up alone. She can't go in. Drives away.

EXT. MAGGIE'S PARENTS' HOME- NIGHT

Maggie pulls into the driveway.

INT. MAGGIE'S PARENTS' HOME - NIGHT

Maggie lets herself in, makes her way to the kitchen without turning on a light.

INT. MAGGIE'S PARENTS' KITCHEN - NIGHT

Maggie opens the fridge. Its light casts over a HALF-CLOTHED PERSON at the butcher block in the middle of the kitchen. Her mother, a pie, two forks.

MAGGIE LINDA

Mom!

Oh God.

MAGGIE
Mom - what the hell are you doing?

LINDA ...I had the growls -

MAGGIE

In the dark? Why didn't you say anything?

LINDA

Why didn't you say anything?

MAGGIE

I thought you were asleep upstairs - and I...it was late...I was nearby and I didn't want to drive all the way home and - why two forks?

LINDA

What?

MAGGIE

One for each hand? Or did I catch you and Dad in the middle of something that could send me to therapy for years? Ally ally all come free. I can see you, Dad -

She peers over the butcher block. It's not her dad. It's a MIDDLE-AGED MAN, in boxers.

MAGGIE (CONT'D)

Oh. You're -

ED

Not Dad. Ed.

He puts out a hand. Maggie just looks at it.

LINDA

Maggie.

MAGGIE

I don't get it.

LINDA

He moved out. He's living with Joanna Klein...We haven't agreed on much for a long time but we definitely agree that we shouldn't be married anymore.

MAGGIE

You're splitting up? But...

LINDA

Maggie - I was going to tell you the other night but then you and Jason announced you were engaged and I couldn't. So we decided to wait until after the wedding. We didn't want to spoil your day.

MAGGIE

So you thought it would be better if I just looked back on my day and realized the whole day was a crock?

LINDA

I'm sorry. Not the best plan. Do you want some pie?

MAGGIE

No, Mom, I don't want some pie.

ΕD

I should go.

MAGGIE

No...you stay. I'm dressed, you're...not.

She goes.

EXT. MAGGIE'S PARENTS' HOME - NIGHT

Maggie sits on the steps. She doesn't know where to go. Something inside her just broke.

INT. FRAUD UNIT. INTERVIEW ROOM - DAY

A big mirror on the wall. BRIGITTA, Russian, stunner, can barely take her eyes off herself as she answers Maggie.

BRIGITTA

I have never met a man like him.

MAGGIE

And when and how did you exactly meet Austin?

BRIGITTA

In a chat room.

MAGGIE

A chat room. How delightful.

BRIGITTA

Then we private messaged. I came to visit. It was like a honeymoon before the honeymoon. So then we needed to get married so the honeymoon could continue.

MAGGIE

Wow, just like that.

BRIGITTA

Sometimes we are lucky in love.

MAGGIE

Sometimes very lucky. Excuse me.

She leaves the room.

INT. FRAUD UNIT. ANOTHER INTERVIEW ROOM

AUSTIN, Brigitta's husband, looks up as Maggie strides in.

MAGGIE

Tell me about Brigitta's family.

AUSTIN

Oh. Hi.

MAGGIE

Her family.

AUSTIN

She's very close to them.

MAGGIE

What do they look like?

AUSTIN

Well, we haven't met, obviously.
They're back in Russia. But she
talks to her mother every day. For
hours. See, I brought the phone

bills. We share a cell phone family plan. That's good, right?

MAGGIE

Do you chat with Brigitta's mom?

AUSTIN

Me?

MAGGIE

She's your mother-in-law. She's on your family plan as well.

AUSTIN

Yeah, but she only speaks Russian. She's Russian.

MAGGIE

So you never really know what the two of them are talking about for -

She looks at the phone bills -

MAGGIE (CONT'D)

Six hours a day.

AUSTIN

I may not speak the language but I know there's a lot of love going back and forth there.

MAGGIE

Have you ever dialed this number? Just to say pri 'vet, I love your daughter. Mom....

AUSTIN

No.

MAGGIE

Who proposed to who? Did you ask her or did she ask you?

AUSTIN

...It was a...mutual decision.

MAGGIE

Let me guess - Brigitta came here on a tourist visa. From the moment you saw her - tall, beautiful, striking - you couldn't believe anyone in her league could want to be with you. But she wanted you for the whole two weeks she was here and then the day before she was scheduled to leave, she said "I don't want to leave you. Ever. Forever. Til death do us part."

Off Austin - how does she know this?

MAGGIE (CONT'D)

Come with me.

She pulls him out of the interview room and into the

INT. HALLWAY - DAY

Jason, Ruby and other Co-workers stare at the odd sight of Maggie dragging Austin to a door that says USCIS ONLY.

**JASON** 

(to Ruby) What's going on?

INT. VIEWING ROOM - DAY

The small room has the other side of the two-way mirror. Maggie and Austin can see Brigitta on her cell phone, speaking to someone in Russian.

MAGGIE

I don't ever do this.

AUSTIN

Do what?

MAGGIE

Austin, your marriage is legit on paper. I will stamp you two approved right now. You know your stuff, she knows her stuff. You share your credit cards, your bank account -

Jason comes in to hear this - Ruby hot on his heels.

JASON

RUBY

Maggie - what are you doing?

(careful)
Hey, Mags...what's going on?

MAGGIE (CONT'D)
You know her brand of toothpaste
and you've got her favorite
lipstick down pat. She's told me
about your birthmark that I don't
want to see - I'm just taking both
of your words for it.

In the other room, Brigitta laughs throatily...

**JASON** 

Maggie - cut it out.

MAGGIE

But there's a reason why your first inspector flagged your case. We know this game -

JASON Sir - she had a bad night. Her parents just told her they split -

AUSTIN Rough. When my parents split up -

Brigitta brings a hand to her cheek. Flushed.

MAGGIE
Austin, I'm happy to be wrong. But
I've seen this before. Soon the
great sex will stop - if it hasn't
already. She'll be talking on the
phone more, she'll do a lot more
shopping. And one day suddenly, not
so long after the mail comes,
she'll pack her bags with all the
things she's charged to your joint
credit card, she'll clean out your
joint bank account, and she'll move
out to be with whoever it is she's
talking on the phone with right
now, because there is no way
whoever is on the other end of that
call is her mama.

Austin stares at Brigitta, then back at Maggie.

JASON She's out of line.

MAGGIE

Jason, stay out of it! Austin - she will have her green card and you will have less than you started with. I can get a Russian translator in here in 15 minutes.

Austin stares at Brigitta.

MAGGIE (CONT'D) I'm really happy to be wrong.

AUSTIN

You're wrong.

MAGGIE

OK.

AUSTIN

I love her.

MAGGIE

OK.

AUSTIN

And she loves me.

MAGGIE

OK. Do you want me to get a translator?

AUSTIN

I don't need a translator. Can I go now?

MAGGIE

Yes. Your official notification will come in the mail, but I'm stamping you approved.

Austin leaves.

**JASON** 

What the hell was that?

MAGGIE

Don't -

They watch through the glass as Austin enters the room, beckons to Brigitta. Brigitta keeps talking on her phone in Russian as they go.

JASON

You can't do that.

MAGGIE

He's going to get his heart broken.

**JASON** 

I know that. You're totally right. But you can't do what you just did.

MAGGIE

She's getting her green card, he's not going to make waves about it.

JASON

That's not the point.

MAGGIE

The point isn't to give someone fair warning?

JASON

No, the point is to give them a fair hearing. If it's legal, that's all we've got.

MAGGIE

Yeah, well, it's not enough.

She walks out the door.

RED STAMP: APPROVED.

EXT. UNITED STATES CUSTOMS AND IMMIGRATION OFFICES- DAY

Jason runs after Maggie -

**JASON** 

Maggie. Maggie!

She turns to him.

JASON (CONT'D)

You're upset about your parents.

MAGGIE

Of course I am - but that's not what this is. I don't want to see this man get sucked in to something that's going to hurt him in the long run, just because he delusionally believes his mail-order bride is the big love of his life.

JASON

Your job isn't to save someone's feelings from getting hurt.

MAGGIE

Then the job is wrong - because we hurt people's feelings all the time. All the time. They just want to live here - why is that a crime?

JASON

Because it is a crime. That's the law -

Maggie takes a moment.

MAGGIE

But really, Jason, how are we supposed to be able to tell?

He watches her go. Baffled.

INT. TAILOR'S - DAY

Maggie in her mother's wedding dress. It fits her better now.

ANTONY

There. Perfect - don't you think?

Maggie doesn't answer, just stares at herself in the mirror.

INT. INTERVIEW ROOM 1 AND INTERVIEW ROOM 2 - SPLIT SCREEN SHARONA, American, and HENDRA, Balinese.

MAGGIE

When did you know you two were meant to get married?

Sharona and Hendra both shrug in an endearing, head-over-heels way.

SHARONA It seemed inevitable.

HENDRA It seemed inevitable.

RED STAMP: REFER TO FRAUD UNIT.

INT. INTERVIEW ROOM 1 AND INTERVIEW ROOM 2 - SPLIT SCREEN

DEEPTI, East-Indian, and LARRY, American.

MAGGIE

When did you know you two were meant to get married?

DEEPTI On our fourth date. He spilled a martini on me and just the look on his face, that he thought he blew everything, that look made me know, this was the guy for me.

LARRY The first day I saw her. When she wouldn't give me her number.

RED STAMP: REFER TO FRAUD UNIT

INT. INTERVIEW ROOM 1 AND INTERVIEW ROOM 2 - SPLIT SCREEN

MORGANA, Wiccan, American, and CHIL, Korean, Wiccan.

MAGGIE

How did you know you two were meant to get married?

MORGANA

CHIL Every time I look at him it's like I'm under his spell. When I'm away from her, I itch.

He scratches his arm.

RED STAMP: REFER TO FRAUD UNIT

INT. DEPARTMENT OF HOMELAND SECURITY. WOMEN'S ROOM

Ruby and Maggie at the mirror.

RUBY

Spill it.

MAGGIE

Spill what?

RUBY

You know there was a complaint, right? That you haven't approved (MORE)

RUBY (CONT'D)

one couple you've interviewed first round this week.

MAGGIE

It was just one of those weeks...

They can't all be frauds, Mags.

MAGGIE

This couple, Tuesday, he's Bosnian, she grew up in New Jersey. Their answers lined up in the good-butnot-too-perfect-way. My instinct said they're good, they're legit. Then something she said about him, I thought, she doesn't know him, not at all, they're faking it. But the way he looked at her, I thought none they're good but thought, nope they're good, but then... Every couple that comes in I flip back and forth - I don't know. I can't trust my gut any more.

INT. THE DEEP - DAY

Cam lays tile. Lisa barges in, waving a letter.

LISA (O.S.)
What the hell did you say in there,
Cam? I thought you said it went
well and then there was the home visit and now we're being called in for even more questioning!

CAM

I said it took no time. I didn't say it went well. I was hoping it might go another way.

Didn't you follow our when-in-doubtsay-something-super-American rule?

I didn't really have a chance to say anything American. She took one look at me and -

 $$\operatorname{LISA}$$  She can't tell by looking at you.

She can - kind of - if she's the sheila I kissed last month.

LISA

Ms. Whelan is your mysterious rain-soaked-lobster-roll sheila?

CAM

Yeah.

LISA

The engaged sheila -

CAM

One and the same.

LISA

Fuck. Fuckity fuck fuck fuck.

CAM

Yeah.

LISA

You kissed our fraud unit inspector.

CAM

Yeah.

LISA

The same one who thinks we've got a very open, very experimental marriage.

CAM

Sorry.

LISA

Sorry doesn't cut it, Cam! The fraud unit is part of Homeland Security. We could lose everything. You'll be deported. I'll be fined for money I don't have. I could go to jail! How could you not tell me!

CAM

I didn't know she was our fraud unit inspector. At the time. And then I thought - I thought -

LISA

You thought not talking about it would make the whole thing go away.

CAM

Lisa -

LISA

I know you. I know how you work.

CAM
You're right, but there's nothing
to do about it now except to go
back in and say what we've said all
along. It'll be fine.

LISA

Fine?

CAM

Super-American fine?

LISA

Well, your little sheila can't be weighing in on our marriage anymore, she's biased.

CAM

Biased?

LISA

Kissed equals biased in my book.

CAM

Awesome. We'll go to her superior. We'll take her down.

LISA

We go to her boss and I say, sorry, my husband hit on your inspector and we think that means she should be taken off the case?

CAM

Absolutely!

LISA

And the reason why my husband, who we are proving is married to me because he loves me so much and knows everything about me, is kissing another woman is -

CAM

I'm looking for another threesome? I'm checking for bad breath? Nervous tic? Very very very sorry.

She slumps down next to him.

LISA

They're going to find out we're not for real.

He takes her hand - kisses it.

CAM

We're for real, love. We're just not their kind of real.

INTERCUT BETWEEN:

INT. USCIS - CAM'S FRAUD UNIT INTERVIEW ROOM

AND

INT. USCIS - LISA'S FRAUD UNIT INTERVIEW ROOM

Lisa and Cam each sit facing a panel that includes Jason, Hwang, and Carafano.

JASON

So we know you're going into the restaurant business together but tell me, who cooks the meals at your house?

LISA

Well, we fight to see who gets to first, since who-ever doesn't cook does the dishes.

HWANG What kind of lingerie does Lisa wear to bed?

CAM

A tank top and sweats.

JASON

What does Cam sleep in?

LISA

Boxers.

**JASON** 

And when was the last time you had sex?

SPLIT SCREEN - CAM and LISA

CAM/LISA

Thursday.

**JASON** 

And what's your favorite sexual position?

CAM/LISA

Oh. Ummm. Oh - American!

**JASON** 

American?

CAM/LISA

American.

**JASON** 

That's a new one.

LISA CAM It was new to me too, mate - Soo soo good.

JASON (CONT'D)

I'll have to look that one up.

HWANG

When did your relationship turn romantic?

INTERCUT between the two rooms.

CAM

For me, the night she showed me how to make s'mores.

**JASON** 

S'mores?

CAM

Very American. Campfire. Mosquitoes. Outhouse.

LISA

After that I never want to camp again.

HWANG

Lisa, what elementary school did Cam go to?

LISA

Elementary school? Oh...ummm...

HWANG

What was Lisa's favorite TV show as a child?

CAM

That one really hasn't come up.

**JASON** 

Why wasn't your family at your wedding?

CAM

Me and my family...we're not much of a family. We don't have much contact. Lisa doesn't even know their names -

LISA

Well, Cam's family lives far away.

JASON

How would you describe your relationship with your inlaws?

CAM/LISA

Non-existent.

**JASON** 

You're sure?

LISA Of course I'm sure.

Jason notes something in the folder.

INT. VIEWING ROOM - DAY

Maggie watches Lisa's interview through the two-way mirror.

MAGGIE

That's not what you told me...

INT. LISA'S INTERVIEW ROOM - DAY

Carafano and Jason exchange looks. Jason writes in her folder.

LISA

What? What are you writing?

JASON

That doesn't align with your earlier answer to Ms. Whelan.

LISA

It's just because Cam doesn't know - you can't tell Cam. Please don't - He'll be so hurt.

JASON

You can wait in the hall. Thank you for your time.

Off Lisa, devastated.

INT. CAM'S INTERVIEW ROOM - DAY

CAM

I don't get it. What do questions about Lisa and my family have to do with Lisa and me?

**JASON** 

They're questions married people have the answers to.

CAM

But they don't have anything to do with us. With what we mean to each other, with how we fit together as people. They're answers anyone could memorize.

INT. VIEWING ROOM -

Maggie watching Cam -

CAM

I don't know the name of Lisa's favorite elementary school teacher because it's not important to her, not because I don't know Lisa. If she hasn't told me it doesn't matter. I know to bring her home ice cream sandwiches when she's sad because she told me they taste like her childhood. I know to trap the spiders at the restaurant and set them free outside because she told me she loves how the webs look with dew on them. I know what counts -

A beat. The members of the panel glance at each other.

CAM (CONT'D) I need the loo.

The members of the panel glance at each other again.

CAM (CONT'D)

The bathroom. I need the bathroom.

INT. MEN'S ROOM - DAY

Cam splashes his face with water. Looks in the mirror.

INT. HALLWAY - DAY

Lisa waits on a chair. Sees Cam.

LISA

Are you done?

Far from it. Why is it they think -

LISA

What?

My family, my dad - they keep asking...

She looks at him. And he knows.

CAM (CONT'D)

Lisa -

LISA
I'm sorry I'm sorry I'm sorry. I
just thought, I thought maybe I
could somehow make it right between you two -

What if I don't want it to be right? It can't be right, ever. How could you do that? And now they think you and me, we don't know each other at all!!!

LISA
I'm sorry - I'm sorry.

CAM
You should be!!!

Suddenly Lisa looks very little vulnerable. He softens.

CAM (CONT'D)
...but I know what you were trying
to do.

LISA This is crazy.

From down the hall Maggie watches as Cam puts his arm around Lisa, kisses her gently on the mouth.

CAM
Don't worry Lis. I love you. I
won't let anything happen to you.

He goes back into his interview room.

INT. PHILADELPHIA CITY HALL - WAITING ROOM

Maggie enters, immediately grabbed by the Beautician.

BEAUTICIAN
You couldn't wear a little white?

She hands her a raggedy bouquet of wilting flowers and sticks a veil on her head — points her at  ${\tt Kim.}$ 

BEAUTICIAN (CONT'D)
There. The most beautiful day of
your life.
(to another person)
You, where's your engagement ring?

Maggie glances down the row: YOUNG AMERICAN WOMEN AND MEN - all with great manicures - paired uncomfortably with foreign SOON-TO-BE-SPOUSES. None of them "match" -

BEAUTICIAN (CONT'D) You, you're next.

She's speaking to JASON and his soon-to-be-fake-wife. Jason and Maggie's eyes meet, look away as he stands with his bride and walks into the courtroom.

Maggie looks after them. Then sits down next to Kim.

Thank you.

MAGGIE

Excuse me?

I study to learn how to say this - Thank you. My life at home was miserable. Here, I know, fresh start. My wife - my wife and I can't wait to be married to each other again.

He gestures to an ASIAN WOMAN in her 50s, sitting next to him. On her other side is an 85 year old AMERICAN MAN. She and Kim surreptitiously touch fingers.

MAGGIE

She's getting married too?

KIM

Next week would have been our 30th wedding anniversary. I promise her when we get married again we'll have another honeymoon.

Maggie looks down at their hands.

 $$\operatorname{KIM}$$  (CONT'D) What we do in the name of love.

MAGGIE

Oh.

The beautician hands them chintzy gold bands.

BEAUTICIAN

One for you and one for you.

Jason and his bride exit the courtroom. The Beautician throws rice at them and takes photos.

BEAUTICIAN (CONT'D)

Get closer together. Good. Good. Mazel Tov.

She slips Jason an envelope.

BEAUTICIAN (CONT'D)
Your next installment and some future instructions. Meet us at your wedding reception at the nail salon in one hour.

The doors to the room BANG open - USCIS officials swarm in.

USCIS OFFICIALS

Homeland Security! United States Customs and Immigration Enforcement!

KIM
What is happening?

He grabs at Maggie.

MAGGIE

I'm sorry.

Chaos. They handcuff the Beautician and Jason's bride. Carafano handcuffs Maggie and Jason to keep them undercover.

Kim and his wife cling to each other - the officials separate them and take them away.

Maggie watches them be taken out. She and Jason are angled out of the room at the same time.

INT. PHILADELPHIA CITY HALL - HALLWAY - DAY

JASON

Dude, you don't have to be rough.

CARAFANO

Making it look real.

He hustles them out a side door to an alleyway.

EXT. ALLEYWAY - DAY

Carafano un-cuffs them.

CARAFANO

We'll catch you guys at the bar.

MAGGIE

I'm not really in the mood.

JASON

We'll see you there.

MAGGIE

Jason - I said -

Hwang tosses Jason a camera as he walks away.

HWANG

Wedding pictures - county clerk gave them to me.

**JASON** 

Thanks - we'll catch you later.

MAGGIE

I said I'm not -

JASON

She'll change her mind.

They walk away to the street behind the City Hall.

MAGGIE

No, no I won't.

JASON

Every time you say you don't want to go out, you're too tired, we still go out. I know you.

MAGGIE

You don't always know everything I'm going to do Jason. I don't always know everything I'm going to do.

They round the corner. There's a cop car making a three point turn and in the back, looking out the window, is Kim and his wife. Kim's eyes widen at the sight of Maggie and Jason walking free.

**JASON** 

Come on.

MAGGIE

Jason -

She nods at the car. He sees.

**JASON** 

Crap - now that cover's blown. Let's go.

MAGGIE

I'll meet up with you later.

**JASON** 

See, I knew you would come.

He walks on. Maggie stares after Kim and his wife.

INT. COURTROOM - DAY

Another swearing in ceremony. Maggie watches as people are made citizens. This time she's brought kleenex.

INT. THE DEEP - DAY

The work is further along now. The door opens - bell CHIMES.

MAN'S VOICE

Can I get some help out here?

Cam comes out from the kitchen -

CAM

We're not open yet -

He stops short.

CAM (CONT'D)

Dad?

It's his father, PETER. A moment when they don't know whether to hug or to stand there. The moment passes. They stand there.

PETER

Good to know you're alive.

CAM

That's not fair Dad, I write.

PETER

Just when you change countries. Not in Bali anymore, I'm in the UK. Emails. No actual address - just something flying off into the ether. Haven't known where you really were, haven't seen you -

CAM

You know why -

PETER

I've asked you time and again to come home, to talk to me.

CAM

It's not home anymore -

PETER

Which is why I came here.

CAM

I know you and Lisa -

PETER

She was kind enough to send me a wedding announcement - after. With a return address. My son gets married and he didn't invite me.

CAM

Dad, it's not what you think.

PETER

How do you know what I think? You never stop long enough to listen.

CAM

Look, things are really complicated for me - this isn't the best time.

PETER

Cam, there's never a best time.
There's only a time - and never
enough of it. What happened to your
mother, there was nothing we could
do about that more than we did.
But what happened between you and
me after - there was more I could

(MORE)

PETER (CONT'D) have done, and I'm sorry I didn't do it then. But I'm doing it now.

He puts a card on the table.

PETER (CONT'D)
This is where you can find me.
I'll be there for a week. If I'm
not gadding about seeing the sites.
My cell's on there too.

CAM It's too late.

PETER
This one I'll fight you to the death on - it's never too late.

INT. MAGGIE'S APARTMENT - BEDROOM

Middle of the night. Jason's asleep, Maggie's awake. He rolls into her. Snuggles against her. She closes her eyes - wills herself to sleep. Not happening.

INT. CAM AND LISA'S BEDROOM - NIGHT

Cam and Lisa lie on the bed on top of the covers.

CAM
It's really too bad we could never
get on board with the sex-with-eachother thing.

LISA Yeah. I just wanted to live and work with my best friend.

CAM Yeah, me too.

He gets up, puts on shoes.

LISA You're going now?

CAM
I need to make one last delivery -

INT. MAGGIE'S APARTMENT - BEDROOM - NIGHT

Maggie's still awake. Her phone BUZZES with a text.

EXT. STREET CORNER - NIGHT

Maggie approaches. Cam waits for her.

CAM

I come to America for culinary school and from the first day we met, we were inseparable, we had the same dreams. So school ends and we're in the middle of putting our dream restaurant together and my student visa runs out and I couldn't leave because I had fallen in love.

MAGGIE

OK. Good to know.

CAM

With this country. With Lisa and my friends. With what I could make happen here. And I needed to stay. So Lisa and I got married. And we do love each other but - we both like girls.

MAGGIE

Oh.

CAM

A lot. And for your information I only like one at a time. There are so many sexless, loveless, unhappy marriages out there I don't see why we just can't count when we have two out of three of the good things. And I don't know why I need for you to know the real story but I do. Here.

He hands her a bag, gets on his bike, rides away. Maggie watches him go. She looks in the bag - lobster rolls.

INT. MAGGIE'S APARTMENT - NIGHT

Maggie lets herself in. She throws down the bag of untouched food and collapses onto the couch. Stares at the ceiling.

INT. MAGGIE'S APARTMENT - DAY

Maggie asleep on the couch. A POUNDING on her door. She goes to open it. It's her parents.

LINDA

Mohammed, here's the mountains.

MAGGIE

What are you doing here?

Maggie stumbles into the kitchen area to make coffee.

WILLIAM

Well, we were giving you the room to come to us and that didn't happen so, here we are.

MAGGIE

What will Ed and Joanna say?

LINDA

OK, get it all out.

MAGGIE

There's nothing to get out.

She GRINDS the coffee loudly. Her mom shouts over the noise.

LINDA

Maggie - Maggie!

MAGGIE

I have a very complicated case at work. I'm getting married. And Jason had the whole wedding planned to be like yours and now I have to re-plan that because we were getting married just like you and you didn't tell me that getting married just like you means not being married at all anymore.

WILLIAM

Maggie, it's your wedding, it's your marriage, it's not ours.

LINDA

And your marriage will be whatever your marriage will be - that's between you and Jason and no one else.

MAGGIE

But those pictures, the albums...it's all not true.

LINDA

Sweetie - it was all true then.

INT. USCIS OFFICES - JASON'S OFFICE.

Jason hands Cam paperwork across his desk.

**JASON** 

Sign this and you're done.

CAM

And Lisa?

JASON No charges will be filed against her as long as you stick to your end of the deal.

Cam signs. Jason offers his hand to Cam.

JASON (CONT'D)
Thanks for coming forward. Safe travels.

They shake.

CAM

You too, mate. You too.

INT. UNITED STATES CUSTOMS AND IMMIGRATION OFFICES -

Ruby catches Maggie as she comes in.

RUBY

Where have you been? I called you, I texted you.

MAGGIE

I just...I needed some time to think.

So you haven't heard about Cam?

MAGGIE

No - what about him?

RUBY

He was here.

## INT. LISA AND CAM'S APARTMENT

Lisa opens the door - Maggie walks right past her into the apartment. Kat's on the couch.

MAGGIE

I need to talk to Cam.

LISA

Come right in, why don't you?

KAT

Haven't you talked to them enough already?

MAGGIE

Is he here? Cam?

LISA

You know, I do love him. But I'm not genetically programmed to fuck (MORE)

LISA (CONT'D) him. And since I'm still not allowed to live where I want to live and marry who I really want to marry in this country -

MAGGIE I know. I'm sorry.

LISA

My mom always told me to marry my best friend, and Cam's mine. But somehow that doesn't count for you.

MAGGIE

It does count for me. That's why I'm handing in my resignation.

LISA

What?

MAGGIE

I used to love my job because I made it possible for real couples to stay together even when they came from places that were worlds apart, but now, I can't define real couple any more. I need to do something else, something I believe in. The hell if I know what that is yet - but if I could just talk to Cam. I need to explain to him -

LISA

He went to straight to the airport from your office. He travels light.

Maggie pulls out her phone to text. The TEXT NOTIFICATION SOUND goes off from a phone on the table.

LISA (CONT'D)
He left it behind. It's not going to work there any way.

INT. MAGGIE'S CAR - DAY

Maggie drives - Lisa in the passenger seat holding on for dear life.

EXT. AIRPORT - DAY

Maggie pulls up to Departures. They bolt out of her car.

AIRPORT GUY

Ladies, you can't leave your car there.

MAGGIE

Department of Homeland Security, Customs and Immigration, official business!

They run inside.

INT. AIRPORT - DAY

Maggie cuts the security line, pulling Lisa with her, flashes her badge.

MAGGIE

We need to get through.

TSA AGENT

You still have to go through the scanner.

Maggie goes through and sets it off.

MAGGIE

Fuck.

TSA AGENT

Empty your pockets.

She does. And sets off the scanner again.

MAGGIE

Just wand me already!

She is pulled aside and wanded.

TSA AGENT 2

You're clean.

Lisa goes through the scanner and sets it off.

MAGGIE

Are you kidding me?

LISA

Go. Go!

Maggie runs.

INT. AIRPORT - BOARDING AREA

Maggie arrives. The seats at the gate are empty. The plane has already departed.

If this was a movie, she would look up now and Cam would be standing there. It is a movie and she does look up - but there's no Cam to be seen.

Lisa catches up to Maggie. The two of them stand there, trying to catch their breath and hold back their tears.

INT. UNITED STATES CUSTOMS AND IMMIGRATION OFFICES

Maggie, much worse for wear, is waylaid by Austin.

AUSTIN

Brigitta left me. Her green card came in the mail this morning and by noon she was gone.

MAGGIE

Austin...I'm so sorry...

AUSTIN

So you have to go after her - you have to deport her.

MAGGIE

Austin, once she has the green card there isn't anything I can do -

AUSTIN

But she was a fake. Our marriage was a fake.

There's nothing Maggie can say to make it better. She puts an arm around him, comforts him.

INT. MAGGIE'S APARTMENT - LIVING ROOM - DAY

**JASON** 

You have a good talk with your parents?

MAGGIE

Yeah.

**JASON** 

I know it's been a rough time,
Maggie. I tried to give you space.
I don't know if space was the right
idea.

MAGGIE

It wasn't the wrong idea.

**JASON** 

Rodriguez wants me to talk you out of resigning. But if that's what you want - I want you to do whatever it is you want to do. And...with you unemployed and me getting a promotion -

MAGGIE

Jason! That's great -

JASON

Two extra weeks of vacation. You and me, where-ever you want to go. And to celebrate -

He holds up a paper bag and pulls out a to-go container.

JASON (CONT'D)

Calamari ceviche.

MAGGIE

No.

**JASON** 

Not deep-fried. Not cooked. But marinated until the proteins became de-natured.

MAGGIE

No.

**JASON** 

I am eating denatured catalyzed raw octopus. Which is a raw bottom-feeder. For you. For us.

MAGGIE

(laughing)

You don't have to -

**JASON** 

And I'm going to enjoy it.

He eats the ceviche. He chews. And he swallows.

MAGGIE

And?

**JASON** 

Not so bad...

She gives him the smile. And steals a bite of the ceviche.

INT. AIRPORT - AUSTRALIA - DAY

Cam walks down to baggage, amidst family reunions. He pushes his way through the crowd and sees...

His dad, Peter, holding the sign "Prodigal Son". Cam cracks a grin at least.

PETER

I'm sorry about the way it all fell out.

CAM

Me too.

PETER

It may not be where you want to be but let's make it home.

CAM

Thanks Dad.

PETER

Don't just thank me, thank the welcoming committee.

He gestures to Cam's BROTHERS and FAMILIES, with a "Welcoming Committee" sign. Cam is folded into them. He is home.

INT. BRIDAL ROOM - A FEW MONTHS LATER - DAY

Maggie, in a robe, with Ruby, in the craziest, hottest maid-of-honor dress you've ever seen.

RUBY

Now you're sure you don't have to pee?

MAGGIE

I just went.

RUBY

I'm just saying.

MAGGIE

And you haven't let me drink anything all day.

RUBY

I just can't handle that maid-of-honor-hold-the-dress-while-the-bride-pees thing. The boundaries of friendship only go so far.

MAGGIE

I really should have made you wear paisley. Suit me up.

Ruby guides the wedding dress over Maggie's head.

RUBY

There. Gorgeous.

She is.

RUBY (CONT'D)

Maggie - are you? -

MAGGIE

Oh, don't do that.

RUBY

It's my maid-of-honor duty to ask.

MAGGIE

I love Jason.

RUBY

I know you do.

A moment.

RUBY (CONT'D) All settled then. Good.

MAGGIE

For that I'm going to need to pee really soon.

Linda, decked out in mother-of-the-bride wear, comes in.

LINDA

Oh, baby, look at you.

MAGGIE

You don't mind that it's Aunt Lynn's dress and not yours?

LINDA

Oh sweetie, it's your dress, your memories, your beginning.

INT. WEDDING VENUE - DAY

Everyone is in place. Jason stands at the head of the aisle with the OFFICIANT, waiting for Maggie. Ruby heads down the aisle, Carafano plays paparazzi, shooting photos.

INT. WEDDING VENUE - WAITING AREA - DAY

Maggie fluffs her dress, straightens her back. The doors open.

INT. WEDDING VENUE - DAY

Maggie walks down the aisle.

FLASHES go off as the photographer and guests snap pictures. She smiles as she walks towards Jason. She arrives. He takes her hand. And the ceremony begins.

OFFICIANT

Dearly beloved, we gather here today to rejoice in the union of Jason and Maggie. If anyone here has any objections, speak now or forever hold your peace.

It's the look that crosses Ruby's face - she glances nervously at the door, at the church windows. Maggie looks steadily at Jason.

The beat passes. No-one is coming to break down the door. The Church Windows remain intact. No wedding interruptus.

OFFICIANT (CONT'D)

Whew! That part always stresses me out.

The guests laugh.

OFFICIANT (CONT'D) Do you Jason, take Maggie to be your lawfully wedded wife?

**JASON** 

I do.

OFFICIANT Do you, Maggie, take Jason to be your lawfully wedded husband?

MAGGIE

I do.

OFFICIANT

By the power invested in me by the state of Pennsylvania, I now pronounce you husband and wife.

The steady flashing of flashbulbs washes Maggie and Jason into a bright white light.

INT. AIRPORT - NIGHT

Maggie and Jason go through security.

INT. AIRPORT - GATE 42 - NIGHT

Maggie and Jason wait at the gate. He hands her a brown paper bag. She peeks inside.

MAGGIE

What is this?

**JASON** 

Airport food is really bad for you.

MAGGIE

You made me tofu salad. That's really sweet.

She means it.

JASON
No - wait. That's mine. BLT right here. With acli and heirloom tomatoes. That's yours.

MAGGIE

That's OK. I can eat this.

**JASON** 

You don't have to.

MAGGIE
I know...but I love the way you watch out for me. For my future.
And for that, a little tofu salad won't kill me.

He checks his phone for his email. She looks at him. This is her husband - they're about to go on great adventures together.

JASON

Hey, Carafano sent photos already.

He pulls them up on the screen. Maggie looks over his shoulder.

A photo of Maggie walking down the aisle.

JASON (CONT'D) Here comes my bride.

She leans against him as they click through photos, at first fast, then slow:

PHOTO: Maggie and Jason's kiss the bride kiss.

PHOTO: Maggie and Jason heading up the aisle

PHOTO: Maggie laughing with Ruby and eating a canape

PHOTO: Jason, Carafano and Hwang doing shots.

PHOTO: Maggie and Jason's first dance

PHOTO: Maggie watching as her father claims her mother for a dance.

PHOTO: Maggie and Jason cutting their cake

Maggie and Jason get quieter and quieter, as they realize the enormity of what they have done, what lies before them, and that maybe...maybe it's not quite...

JASON (CONT'D)

Oh.

MAGGIE

Oh. Jason.

**JASON** 

I know.

MAGGIE

I love you, you know.

**JASON** 

I love you too.

They grab each other's hands...

A boarding announcement comes over the speaker.

ANNOUNCER

Flight 743 to Istanbul will now begin boarding.

That's their flight.

EXT. SYDNEY, AUSTRALIA - NIGHT - ESTABLISHING

It's pouring.

EXT. EVEN DEEPER - ESTABLISHING - NIGHT

A little joint with American flair. There's a torrential downpour outside but the place is packed.

INT. EVEN DEEPER - NIGHT

A WAITER leaves the kitchen with plates of steaming food -Cam stops him -

CAM

Hold on a sec.

He wipes the rim of the plate clean.

CAM (CONT'D)

Now go.

Cam goes into -

INT. KITCHEN - NIGHT

Where Peter is loading lobster rolls and other Cam specialties into take-out containers.

PETER

Everything under control out there?

CAM It's good, it's going really good.

Peter loads the takeout containers into a to-go bag.

PETER

Great. I'm just going to run this over to Land of Oz then. Room 14 called again.

CAM

Same customers?

Can't get enough of your food, I guess.

CAM

Why don't they just come in?

PETER

Beats me... (he flinches)
Fuckity fuck fuck.

CAM

What?

PETER

My knee - this weather, you know - it acts up.

CAM

You take a load off. I'll run that over.

PETER

I'm fine. I'm fine.

CAM

You're not fine.

He throws on a jacket - grabs the bag. Heads out the door.

PETER

Room 14!

He doesn't look like he's in pain any more.

EXT. LAND OF OZ MOTEL - NIGHT

Cam runs up to room #14 - BANGS on the door. BANGS again. It opens - it's Maggie -

MAGGIE

Peter, I - oh.

CAM

Maggie.

A moment.

CAM (CONT'D)
You're the one that's been ordering delivery all week?

MAGGIE

Yeah.

CAM

The one my dad's been delivering to all week -

MAGGIE

He's a really really nice man. He told me you two have been working things out -

CAM Un-fucking-believable.

Silence...

MAGGIE

Look how far I'll come for your lobster rolls...

CAM

OK then -

He pushes the bag into her hands.

MAGGIE

Ummm - OK...

He goes. Maggie stares after him, closes the door.

INT. LAND OF OZ MOTEL - ROOM 14. NIGHT.

Maggie sits on the bed, holding the bag. She opens it. Inhales.

EXT. LAND OF OZ MOTEL - NIGHT

Cam slogs through the parking lot.

EXT. EVEN DEEPER - NIGHT

Cam approaches his restaurant, soaking wet.

Suddenly he is knocked down. He goes flying as does Maggie - as does the bag of lobster rolls.

MAGGIE CAM

OK then?

What the -?

MAGGIE

OK then? I come halfway around the world to see you and all you can say is OK then?

CAM

I thought you came halfway around here for the lobster rolls.

MAGGIE

Seriously? That's what you think? Your food isn't that good.

CAM

Yes it is.

MAGGIE

OK - it is, but that's not the point.

CAM

You could have just come in to the restaurant, you know, instead of making my dad slog over there every night for a week to satisfy some craving of yours.

MAGGIE

I was going to come in - I tried. I wanted to tell you how sorry I was about everything that happened. But I'd get a few feet away from here and see the line out the door and watch you through the window and go back to my motel room and order in...I am sorry Cam. Really sorry.

CAM

You keep saying "I" - Aren't you a "we"?

MAGGIE

Nope. I was always waiting to go around the world with the right person - and it turns out that person was me. But the only site I wanted to see was you.

A beat. He doesn't say anything. That's it then. Maggie grabs the paper bag of food, gets up.

MAGGIE (CONT'D)
I'm really glad things have worked out so well for you here, Cam.

She walks away, trying not to cry.

The bottom falls out of the paper bag. The takeout containers go splat into a puddle. She keeps walking.

CAM (O.S.)

Five second rule?

He turns her around to face him, grabs her left hand and holds it up.

MAGGIE

What are you doing?

CAM

Just making sure -

Then he bends to kiss her.

And she definitely kisses back.
