A SERIES OF GREEN/GOLD VERTICAL STREAKS
Moving across the screen from right to left. We hear a happy and informative man's voice... We will come to know this voice as MARK WHITACRE'S...

WHITACRE (V-0-)
You know that orange juice you have every morning? You know what's in that?
FREEZE on one of the green/gold streaks as it racks into to focus. We have been dollying through...

And we are off again, dollying past the green/gold streaks of

HARVEST HIGH SEPTEMBER CORN.

WHITACRE (V.0.)
r And you know what's in the maple syrup you put on your pancakes?
You know what makes it taste so good?

FREEZE AGAIN ON A SINGLE STALK OF CORN

WHITACRE (V.O.)
Corn.
Again, the dolly is on the move-- the corn plants strobe past.

WHITACRE (V.O.)
When you get grass stains on your good pants, you know why the detergent mom uses can get them clean again?

FREEZE ON CORN STALK

WHITACRE (V.O.)
That's right. Corn.
A HUGE COMBINE enters frame and turns down a row. The camera follows it. We are in the middle of a massive corn field in SOUTHERN ILLINOIS. The wind creates swells in the corn like a great green and gold sea. The farm equipment accelerates as does Whitacre...

Draft: 1/15/03 2.

WHITACRE (V.O.)
There's corn syrup in the capsules you take for your allergies, corn starch in my beer, even corn oil in the paint we're putting on the barn...
Corn flies through the air and into the collecting bin.

WHITACRE (V.O.)
Bacon and eggs is really just corn and corn when you think about what they feed the chickens and the pigs. And when you're good and help with the trash, you know what makes the big green bags biodegradeable?
We reach the end of a row. The combine turns to harvest another row REVEALING...
A PORSCHE 911 speeding down US HIGHWAY 36...

2 INTERIOR PORSCHE 911- CONTINUOUS 2
WHITACRE, 33, drives his young son ALEXANDER, 6, to school. Whitacre is as happy as God makes creatures. Alexander sips his half-pint carton of ORANGE JUICE.

WHITACRE
Do you?
Alexander hazards a guess.

ALEXANDER
Uh-huh. Corn.

WHITACRE
Corn starch. But, Daddy's company didn't come up with that one--DuPont did...
Whitacre tussles his hair. They drive by a GAS STATION in the middle of the cornfields. He continues his ode to corn in his head...

WHITACRE (V.O.)
Ethanol is made of corn; that's ADM. Car corn. Like gasoline. But they also use it for scotch, gin and vodka... Corn and tonic... corn gimlet... corn on the rocks.

Draft: 1/15/03 3.
The car accelerates to pass a tanker truck with ADM: SUPERMARKET TO THE WORLD emblazoned on the side. The 911 is warped in the reflection...

WHITACRE (V.O.)
Porsche or Porsh-a. I've heard it both ways. Three years in Germany, I should know that. What's the German word for corn? The word I really like saying is "kugelschreiber." That's "pen"--all those syllables just for "pen."
Whitacre signs in with the security gate at ARCHER DANIELS MIDLAND headquarters in Decatur. A sprawling industrial facility that makes most of what America eats. Grain elevators, cooling towers, processing plants, loading docks and a six story concrete bunker of an office building. He parks his car in a monogrammed space.

Whitacre walks across the open trading floor where soy and corn futures from around the world are displayed on a tote board and into his glass walled office. He has a kind word for everyone. Smile flashing like a casino sign. He sees his pal Kirk Schmidt from accounting...

WHITACRE
Hey there, howdy. Hey, Kirk, we got to get out and hit some balls ...Morning...Guten Tag...
Whitacre scans the room full of busy co-workers. His secretary, LIZ TAYLOR, 35, wears earrings that are EARS OF CORN made of gold.

WHITACRE (V.O.)
What do they pay Kirk. . .What does a guy like that get...100K...I bet he gets a 100. He's just going to sit behind that desk and ride it into the future...

LIZ TAYLOR
Morning Mark...They have lysine results...
She hands him a folder. He opens it and scans the data. He nods.

Whitacre walks among the giant fermenters-- he's joined by a DISCOURAGED FOREMAN. They check various gauges and dials showing proof of failure.
DISCOURAGED FOREMAN

We adjusted the dextrose again, but the virus keeps showing up—thought we had it surrounded this time. We're starting a new set of cultures...

WHITACRE

We'll vet it. We just gotta stay after it. The things eat sugar and that's what we're giving them—a warm place filled with sugar. They walk into a clean room full of flasks mechanically shaken like paint cans—it's too loud to speak. Each flask is connected to a feed tube—the cultures are administered to by a half dozen bio tech workers. Whitacre watches. He focuses on one worker—she's Asian. She adds some nutrients to the feed line.

WHITACRE (V.O.)

A positive mental attitude is a real important thing. They've done studies where heart patients who have people praying for them actually do better than ones who don't. There's science for you. The cheerleaders might make a difference in the game after all...How do you know what the electrical energy of a thought actually does when it's out there in the world? It's gotta go somewhere...so you might as well smile. Takes less muscles than frowning...

Whitacre closes the door on the very loud room.

5 INTERIOR ADM BOARDROOM—LATER 5

Whitacre sits with Mick Andreas, Vice Chairman, 45, and Terry Wilson, 55, President. An overhead projector displays the desultory performance of Whitacre's division.

ANDREAS

The fucking thing is supposed to produce 113 thousand tons annually.

ANDREAS (CONT'D)
We're not gonna get anywhere near that. We got 150 million dollars in costs over there guys. I can see the fucking thing from my swimming pool and it makes me want to drown myself every morning.

WILSON
Did the Japanese have these kind of problems with lysine?

ANDREAS

(TO WHITACRE)
I don't give a shit about the Japanese. You just gotta get the Goddamn lysine bugs to eat the dextrose and shit us out some money.

WHITACRE
We're still having problems with this virus.

ANDREAS
I don't want to hear about the damn virus anymore. Terry, what are we losing a month?

WILSON
We're off like seven million per.

ANDREAS
That's not gonna fly much longer. You want to go in there next quarter and tell the board that we're sucking hind tit on this...cuz' I sure don't. He gives Whitacre a cold, hard, we're--done-fucking-around-glare.

ANDREAS
Fix the Goddamn plant, or we're gonna shut it down.
The last light goes out.

AN EAR OF CORN ON A DINNER PLATE
A pad of butter melts.

6 INTERIOR WHITACRE MANSION KITCHEN– EVENING 6
Whitacre stares at the EAR. His wife GINGER, 33, and Alexander dine with him.

Draft: 1/15/03 6.
Ginger and Mark have known each other since High School. She was Homecoming Queen then. Either would be hard pressed to envision a life without each other.

GINGER
You're not hungry, Corky.
Whitacre is distracted. Ginger cuts up Alexander's food.

WHITACRE (V.O.)
The pilgrims loved the corn-- they came for the religious freedom but they stayed for the corn-- but its missing three of your eight essential amino acids-- especially lysine. That's why the Indians ate it with beans or lime. You feed a chicken corn and it gets sick. You feed it corn and lysine and it goes from egg to supermarket fryer in six months instead of eight...
Whitacre gazes over at a plate of fried chicken, and then at his wife. She has gotten dressed up for dinner. She looks pretty.

WHITACRE (V.O.)
Breasts and thighs in six months...

WHITACRE
You look great.

GINGER
They got the first wall of the stables up today. You see that?
They're doing this thing in hydroponics where they're feeding lysine to jumbo shrimp... Imagine you're a shrimp and one day some corn goes floating by, what do you think about that? Alexander smiles.

GINGER
I don't know what I'd think about that.

WHITACRE
There's an opening in Mexico-- they might need me to go down there and get things set up... Alex, what do you think about Mexico?

Draft: 1/15/03 7.

ALEXANDER
I thought we were getting horses.

7 INTERIOR ADM- WEEKS LATER- EVENING 7
Whitacre is working late-- pouring over the failing lysine numbers.

WHITACRE (V.O.)
I would rather take a lot of pain killers in a hotel room than jump off a bridge... Or use a gun. A gun on your temple-- why do that? what does that say? Pain killers, definitely... Lie down in a great big hotel bed-- What's, that place in Hong Kong on the Kowloon side? The Regent? What a bed! If you think about it, that doesn't mean anything-- it's normal to think thoughts...
His secretary, LIZ TAYLOR, buzzes him on the intercom.

WHITACRE
r-- Yeah?
LIZ TAYLOR
(on the intercom)
There's a call, I can't pronounce
his name, he said he works for
Ajinomoto Corporation.
Whitacre picks up.

WHITACRE
Mark Whitacre.

FUJIWARA (O.S.)
Hello, Dr. Whitacre? My name is
Fujiwara from Ajinomoto Corp...I
want to discuss with you lysine if
you have a moment.
Liz pokes her head into the office and mouths the words
"Good Night" to her boss and leaves him alone with Fujiwara.

WHITACRE
Hey, sure. . .How you guys making out
over there?

9 INTERIOR MICK ANDREAS' OFFICE ADM- MORNING 9
At 6:30 the next morning Whitacre walks across the ADM
trading floor and straight into Mick Andreas' office looking
flustered.

WHITACRE
Mick you're not going to believe
what the hell's happened. I think
I know the reason why we've been
having all these problems at the
plant.

ANDREAS
Well, I've only been asking you to
come up with one for the past eight
weeks. I'm all ears.
Whitacre paces. His story comes out in a rush of words.
Andreas listens silently.

WHITACRE
It's not start-up problems like we
thought. It's the Japanese. This
guy Fujiwara from Ajinomoto, he's
been calling me-- sometimes at
work, sometimes at home cuz of the
time difference-- you met him, he
was here a couple of weeks ago.

WHITACRE (CONT'D)
Well last night he calls me at home
just after 8, and Mick, he knew
everything. He says to me, `You
remember the total nightmare you
had during May, June and July?'
And before I can ask him what he
means he says, `Those months when
ADM was losing about seven million
dollars a month in the lysine
Whitacre stares at Andreas in shock—no one outside the company should know that. Andreas is still stone faced.

**WHITACRE**

I couldn't believe it. But, Mick before I can even ask him how he got those numbers, he starts making little comments about us having microbe problems. Jokes, like he's toying with me.

Whitacre is fuming now—his voice unnaturally high.

**WHITACRE**

And then he tells me that one of our highest paid employees is actually an employee of Ajinomoto and is sabotaging the plant. They're injecting some kind of virus into the dextrose and contaminating the whole deal. That's the problem. I'll tell you Mick, it's like Rising Sun, that Crichton book, it's just like it. Fujiwara even said that his boss, Ikeda, would have him killed if he knew he was calling. So I asked him why he was talking to me and he said—he said—he wants 10 million dollars. 10 million and he'll tell us who the saboteur is and give us a new lysine bug that's immune to the virus. We could be up and running in three days...

Andreas pauses, takes it all in, and then...

**ANDREAS**

How well do you know this guy?

**WHITACRE**

Uh, um, well I met him a few weeks ago when he came over. And then, he called a couple of times...

**ANDREAS**

So, not very well?
R

WHITACRE
Very well? No, I can't really say that. Andreas ponders the situation.

ANDREAS
Okay, if you hear from him again--talk him down on the price. I want you to find out the least amount of money he'd settle for. If we can get a bug that's resistant to the virus, it might be worth it...But, I want you to keep this quiet, if there is a mole, we don't want him to know we're onto him.

10 EXTERIOR WHITACRE MANSION- EVENING
Whitacre stands with a cocktail in the fading light, looking at the foundation for the NEW HORSE STABLES being built across the road from the main house. There is not another home anywhere nearby.

WHITACRE (V.O.)
This'd be a great place for some outlet stores... People would come from all over Southern Illinois and probably Missouri, too. Famous name brand labels and appliances at savings of up to fifty per cent every day. Maybe a food court with a Mexican place. . .After the stables, maybe a tennis court or a little pitch and putt by the pool--that adds to resale value like nobody's business...
Whitacre looks at the swarm of insects around a street light...

11 INTERIOR ADM- MICK ANDREAS' OFFICE 11
Whitacre shakes his head in disbelief. He paces nervously.
Stunned by the news.

WHITACRE
The FBI! God, no.
Andreas and MARK CHEVIRON, 38, tell Whitacre of his upcoming FBI interview. Cheviron is a barrel chested, linebacker of a man. A former Decatur cop who is now Private Industry's version of a bouncer.

WHITACRE
I thought I was supposed to be getting him down on the price.
That's what you told me to do and I was doing it.

ANDREAS
We're not gonna sit back and let the Japs fuck us sideways.

WHITACRE

(OFF CHEVIRON)
I just don't understand, we weren't going to mention it and now he's in on it?

ANDREAS
Of course he's in. If we got a mole then it's a security issue...

CHEVIRON
I'll be sitting in with the FBI.
WHITACRE
But, I already told you guys everything I know. What's the point?
Chevron is annoyed by Whitacre's histrionics.

CHEVIRON
We don't like the idea of talking to the FBI anymore than you do.
Look, they're just going to tape the guy's calls-- and ask you a few
questions. No big deal.
Whitacre shakes his head, even more upset.

WHITACRE
Questions, Jesus.

Draft: 1/15/03 12.

ANDREAS
We know how the FBI works... We can control this.
Whitacre has his doubts.

12 INTERIOR WHITACRE MANSION- DAY 12
GINGER is putting away groceries when the phone rings.

GINGER
(ANSWERING PHONE)
Hello, Whitacres.

13 INTERIOR WHITACRE'S OFFICE 13
Whitacre is on the phone-- pacing like a caged animal.

WHITACRE
Now, they've got the FBI in on it.
First they tell me they're going to pay and be done with it, now they
want me to talk to the FBI.

14 INTERIOR KITCHEN-CONTINUOUS 14
She sits down-- uneasy. This isn't like him to be so upset.

GINGER
The FBI? Why do you need to talk to the FBI? It's their factory. Let them talk to the FBI.

WHITACRE (O.S.)
I'm really uncomfortable about this, baby. There are a lot of things going on here.

GINGER
What does that mean, "things?"

WHITACRE
I just mean we have to be careful.

GINGER
Whatever you do, Corky, no matter what's going on, just be honest with them and tell the truth. Tell the truth no matter what the truth is.

Draft: 1/15/03 13.
He considers her advice and hangs up the phone. Whitacre looks out the window at the cold, gray Autumn day and weighs his options. Leaves blow across the ADM parking lot.

WHITACRE (V.O.)
(he seems angry)
It's spring time in Nigeria-- you can bet they're loving that. Sitting around watching the days get longer; watching the afternoon go by on their Rolexes and Cartiers. Everyone's just waiting on the mailman... while the poachers make the elephants extinct.

ANGLE ON FBI FORM 302
The name "Mark Whitacre" is written across the top.

15 INTERIOR ADM CONFERENCE ROOM- EVENING 15
SPECIAL AGENT BRIAN SHEPARD, 43, sits with Cheviron and a very anxious Mark Whitacre. Shepard wears a rumpled dark suit and tie from the day Jay Edgar Hoover set a dress code.
He has been stationed in Decatur where the odd dead body in a river and a convenience store robbery that traversed state lines have made up the last fifteen years of his life. Whitacre shifts restlessly in his seat. Cheviron on the other hand is an old hand at this. He watches Whitacre and says nothing. Shepard writes down everything.

**WHITACRE**
He told me he wanted his payments deposited by wire transfer to numbered bank accounts in Switzerland and the Caribbean.

**SHEPARD**
And when was your last contact with him?

**WHITACRE**
Two days ago. But I think he's getting suspicious. I've dragged this out as long as I can. If we don't get back to him soon he may back out?

**SHEPARD**
And these calls, they've been coming in on your home line? Whitacre looks at Cheviron-- there's clearly a right and wrong answer here.

No problem. Thanks for your time.

16 INTERIOR WHITACRE MANSION ENTRY WAY-- NIGHT

Whitacre comes in from a long day at work. Ginger walks in
from the kitchen. She gives him a welcome home hug-- but he
doesn't let go-- holding on like a man caught in the
current.

GINGER

You told them the truth, Mark.
That's all you can do.

Draft: 1/15/03 15.
WHITACRE
They were watching me the whole time. Cheviron was in the room.
She slips from his arms-- disappointed.

WHITACRE
I never even got a chance.
She doesn't accept his excuse and heads upstairs to bed.

GINGER
Tanya called from school-- she has homework questions for you.
Whitacre stands in the vestibule alone. He walks through the big house shutting off lights-- he sits in a chair in the huge living room and leafs through an issue of NATIONAL GEOGRAPHIC.

WHITACRE (V.O.)
I go to Cornell and get a Ph. D. and then to Northwestern and get an MBA-- Mick Andreas gets born with the vice president of the United States as his Godfather. He goes-- to the Nixon's for Thanksgiving-- my parents died in a car accident when I was three. I wound up in an orphanage. That was my Thanksgiving...These photographers must wait forever to get these shots... Although I heard a story that sometimes they'll throw a sandwich on the ground to get the panther to come down out of the tree... They're just trying to do their jobs... Where's the harm-- the panther gets to eat.

17 INTERIOR CHEVIRON HOUSE- NIGHT 17
Cheviron sits in bed with his wife watching TV. The phone rings.

CHEVIRON
Jesus, it's late... Hello?

18 INTERIOR WHITACRE MANSION LIVING ROOM- SIMULTANEOUSLY 18
Whitacre paces while on the phone-- frantic and rambling.
WHITACRE
Now my family's being threatened, I can't put up with this.

CHEVIRON (O.S.)
What?

WHITACRE
They're threatening my daughter. She got a call at school. She's fourteen!

CHEVIRON (O.S.)
Slow down, Mark.

WHITACRE
She said the guy sounded Asian. They told her Fujiwara couldn't wait.

CHEVIRON (O.S.)
Did you call the FBI?

WHITACRE
It just happened. He wants an answer. Or, he said she's in trouble.

CHEVIRON (O.S.)
We'll talk about it in the morning.

WHITACRE
I'm thinking about quitting. Moving my family out of here. I can't do this.

CHEVIRON (O.S.)
We'll talk in the morning. Whitacre puts down the phone and walks through the large, dark house. He opens the bedroom door and the wedge of light finds Ginger already half-asleep. He lies down next to her in bed fully clothed.

19 INTERIOR ADM- MICK ANDREAS' OFFICE 19
Cheviron, Whitacre and Mick Andreas. Whitacre is still agitated.
ANDREAS
You ever mention to Fujiwara where your daughter went to school?

Draft: 1/15/03 17.

CHEVIRON
If the guy wants to threaten you-- why not just call you?

WHITACRE
He told her to write down the message.

ANDREAS
I want her to tell the FBI what they said. Andreas moves toward the phone.

WHITACRE
I don't want her talking to the FBI, definitely not.

CHEVIRON
Why not, Mark? Come on, if she's really in danger.

ANDREAS
Then I'll talk to her. Andreas picks up the phone. Whitacre doesn't want that either.

WHITACRE
She's scared enough.

ANDREAS
If someone's threatening her... A beat. Whitacre collapses-- there's more to this.

WHITACRE
Don't call her... No one's threatening. I, uh... A long painful beat.
WHITACRE
I made it up. I lied. There wasn't any threat.
Cheviron shakes his head in disgust.

CHEVIRON
Christ, what a waste of time.
Andreas lowers his gaze at Whitacre-- he wants an explanation.

Draft: 1/15/03 18.

WHITACRE
I'm no good at this. The FBI guy really got to me last night.
He's twisting in the wind.

WHITACRE
I figured if you guys thought my daughter was in danger you'd just
pay Fujiwara and all this FBI stuff would go away. It was a stupid
move on my part.
Whitacre's ashamed.

WHITACRE (CONT'D)
I'm sorry. Stupid, stupid move.
He gets up and leaves in humiliation. He wanders through the
lobby of ADM in a daze.

WHITACRE (V.0.)
What am I supposed to do? I didn't get the FBI involved-- I was told
we were paying the money. It's like, 'Whitacre go out for a long
pass,' and then we run the ball.
Look, I admitted I made a mistake, that's more than I can say for most
people. Hey, when they found out that Mick's Dad, Dwayne, wrote a
check to the Watergate Burglars-- did he admit it? Besides these guys
probably own the FBI with the money they have. They probably wanted me
to move into Dwayne's old house--
because they've got it wired like 
in a Crichton novel...
He wanders into his office.

wall. Bow-tied wait staff patrol the diners with pitchers of 
ice water. Sid and Ginger chit-chat-- Mark is distracted.

**WHITACRE (V.O.)**
Someone told me they bugged the

at the club. That's how business

Mark got them abroad.

**SID HULSE**

Whitacre shoots him a look.

**WHITACRE**
Not funny, Sid.

SID HULSE
You're telling me.
Sid laughs. Ginger doesn't get the joke.

GINGER
Mark's never been to Nigeria.

ANGLE ON WHITACRE'S HAND UNDER THE TALE
He covertly slides a business card into Ginger's hand.

WHITACRE (O.S.)
So, where are you off to tomorrow?

GINGER'S POV OF THE CARD
On the back is scribbled, "The FBI is coming at 10 PM."

Draft: 1/15/03 20.

SID HULSE
West coast swing-- I gotta get out there and kick some Japanese butt.

WHITACRE
So, I'll see you in a couple of weeks.
She's still digesting what's on the card-- trying to act natural.

GINGER
Then you guys can maybe have a chance to play some golf.
Whitacre throws an arm around her.

21 INTERIOR WHITACRE'S LINCOLN TOWN CAR- LATER 21
Ginger and Mark drive home in silence.

WHITACRE (V.O.)
There should be a TV show about a guy who calls home one day-- and he's there. He answers-- he's talking to himself only it's someone else. He's somehow divided into two and the second one of him
drives away and the rest of the show is about him trying to find the guy...

GINGER
Should I get Alexander out of the house?

WHITACRE
It's not like that-- it'll be OK.

What do they do in school to the kids who can't keep a secret-- no BMW for those boys.

22 INTERIOR WHITACRE MANSION LIVING ROOM- LATER 22

Mark, ADM is not more powerful than the FBI. You can't tell me that.

WHITACRE
It's more complicated than that.
Her face is a mask of determination.

**GINGER**
Mark, if you don't tell them I will.
Behind him the drapes are illuminated by headlights in the drive. He is desperate— he softly repeats.

**WHITACRE**
I can't, not now.
The door bell rings. She opens the door.

**WHITACRE**
Good evening, Agent Shepard, this is my wife Ginger.
Whitacre knows he has to keep the two of them apart.

**SHEPARD**
I know it's late. I'll be out of your hair in a minute, just show me where the, uh...The line in question...

Shepard has completed his work. A small TAPE RECORDER sits on the desk next to a fax machine. Whitacre wants him gone.

SHEPARD WHITACRE (V.O.)
Simple device here, just make Go ahead open up to your sure you hit the record wife, see what it gets you. button and the play button Spend the rest of your life when he calls and you'll see explaining why your career a red light come on-- don't went out the window, followed hit rewind or you'll record by your wife after the golf over it. pro. And your kids after some angle dust and the police are right back here.

WHITACRE
Hit the record button, right.

24

24 EXTERIOR WHITACRE PORCH- NIGHT
Whitacre walks Shepard to the door where Ginger is waiting.

SHEPARD
I'll give you a call tomorrow and we can test it out.

WHITACRE
Great. Hey, thanks for coming by, Brian. Have a good night.

SHEPARD
Good night. Good night, Mrs. Whitacre. Shepard walks toward his car. Ginger and Mark linger.

GINGER
(to her husband)
Are you going to say something or am I?
Ginger pushes past him.

GINGER
Brian?
Shepard stops. Whitacre has no choice--he finishes her sentence.

**WHITACRE (CONT'D)**

You gotta minute.
Whitacre walks past his wife toward the car. Ginger squeezes his hand as he passes her on the steps.

**WHITACRE (V.O.)**

Most of what we do is to impress girls--I bet there are guys--like circus guys who fall off the tight rope and on the way down all they think about are girls until they hit the ground--not even about growing wings real fast--just girls going by--They were going to find out anyway cuz' of Mick...Who knows what Mick and Dwayne have been telling them about me already.

**25 INTERIOR SHEPARD'S CAR- NIGHT 25**

The two men speak in the dome light of Shepard's Dode r Dynasty.

**SHEPARD**

You want to go back inside?

**WHITACRE**

I think they might have it bugged.
We're safer out here.
Shepard is confused.

**SHEPARD**

Bugged? What?
Whitacre takes a moment--but decides to go on.

**WHITACRE**

This used to be Dwayne Andreas' house, you know that?

**SHEPARD**

I'm aware of that.

**WHITACRE**

There are things I know, but if I decide to tell you what's going on, could I be prosecuted for it?
SHEPARD
I can't provide you with immunity, but any information you tell me about your involvement in criminal activity would be discussed with the US attorney's office in a favorable light.
Whitacre stares forward-- a beat. Shepard gets out his notebook.

WHITACRE
Everything I told you yesterday about Fujiwara was true-- except one thing. I never received a call from him on the office line.
Shepard looks at Whitacre-- he's confused.

SHEPARD
Why did you tell me that you did?

WHITACRE
Before I spoke with you, Mick Andreas and Mark Cheviron coached me on what to say. They told me to tell you that the calls came in on my business line, instead of my home line.

SHEPARD
Why?
Whitacre pauses again. It's too late to turn back.

WHITACRE
What I'm about to tell you involves something very large. This extortion attempt by Fujiwara is nothing compared to it.
Shepard says nothing.

WHITACRE (CONT'D)
It involves price fixing in the lysine business. I've been in
several meetings with our Japanese
and Korean competitors in the past
few months where the sole purpose
has been to fix prices. ADM made me
go to these meetings.
Shepard writes furiously, struggling to see in the dark.

Draft: 1/15/03 25.

WHITACRE
That's why they wanted me to lie.
Fujiwara's calling on my home line.
But, so are the people we fix
prices with. They didn't want you
to hear those conversations so they
told me to say the Fujiwara calls
came in on the ADM line. But, I
knew if you guys ever started
looking at the records you'd see
all these calls I have to Japan.
And that's what scared me. Nobody
has more calls than me. If you ever
figured out about the price fixing,
I'd be the fall guy.
Shepard considers the explanation.

SHEPARD
Who told you to participate in
these price fixing talks?
Whitacre pauses, summons his conviction.

WHITACRE
I'm operating under the direction
of Mick and Dwayne Andreas.

26

26 INTERIOR WHITACRE MANSION- ALEXANDER'S ROOM
Ginger checks on her son.

ALEXANDER
Who's Dad talking to?

GINGER
A friend who needs his help.
She walks down the hall pausing by a window. She can see the two men talking in the car. She turns off the light and gets into bed--staring at the ceiling.

27

27 INTERIOR SHEPARD'S CAR- LATER
Shepard writes down everything.

WHITACRE
Mick and Cheviron had me call Fujiwara today and tell him to stop calling until things cool off.

SHEPARD
They told you to tell him to stop calling?

Draft: 1/15/03 26.

R-

WHITACRE
They're afraid of what you guys might find out. Can you give me a tape recorder? I can prove this if you give me a tape recorder. I'll take a polygraph if that helps. Shepard is out of pages in his notebook.

SHEPARD
I want to thank you for being honest with me tonight.

WHITACRE
You're not going to ask questions at ADM about all this? It'd be my job for sure.

SHEPARD
No, what was said here was confidential. I'm going to speak to my superiors Mark, and then we'll be in touch.
Whitacre goes back inside his dark house and heads upstairs—
he seems unburdened.

**WHITACRE (V.O.)**
He seems like a real good guy...I mean just a straight shooter. I think we really got along-- I bet he wouldn't mind if I called him "Brian" instead of "Agent Shepard." "Bri." "Hey, Bri..." This must be very different for him. Talking to a guy like me instead of a bank robber or a drug dealer...

**ANGLE ON SHEPARD**
Struggling to read his notes in the car.

**WHITACRE (V.O.)**
I could see us fishing or whatever. What a good listener-- you don't meet one of those everyday.
Shepard takes out his cell phone. We hear ringing on the other end. A sleepy voice answers.

**PAISLEY (O.S.)**
Yeah, hello. Paisley.

---

*Draft: 1/15/03 27.*

**SHEPARD**
It's Brian. I just got done talking to Whitacre, there's something much bigger going on here.

**28 INTERIOR ADM - THE NEXT MORNING 28**
Whitacre tries to look natural as he walks to his office, his first day as a whistle blower. No sooner does he take his seat, than Cheviron appears baring down on him though his glass walled office. Cheviron enters.
CHEVIRON
What happened last night?

WHITACRE
They put a recorder on my line.

CHEVIRON
And that's it?

WHITACRE
Yeah, and I was instructed that when Fujiwara calls, I'm to record the conversation. Whitacre gets buzzed by his secretary.

LIZ TAYLOR
Your wife on two.

CHEVIRON
Well, make sure you do it because they have ways of checking to see if you're going to or not. Whitacre picks up the call and the big bully goes away. We hear Ginger very excited on the other end of the phone...

WHITACRE
OK...OK...slow down... tell me what happened...
Whitacre listens, leafs through his mail.

WHITACRE (V.O.)
Does anyone win that Publisher's Clearing House thing? Someone must, right? Otherwise it's against the law...Someone gets a million dollars or someone goes to jail...

Draft: 1/15/03 28.

29 INTERIOR FBI SPRINGFIELD, ILLINOIS- MORNING 29
A small conference room with bad green wallpaper and a view of the Illinois Capital Building. Shepard briefs AGENT DEAN PAISLEY and AGENT IN CHARGE KATE MEDFORD. He searches through his large pile of notes for the most shocking of last
night's revelations. Medford eats her morning yogurt.

WHITACRE (V.0.)
60 minutes or someone would come after Ed MacMahon. You can't use the US mail that way...And a guy like Ed MacMahon would never get involved...

SHEPARD
.a pound of bacon, a peanut butter sandwich, some vitamins—anything that ADM has a hand in—it's all fixed, that's what he's telling me. Basically, everyone in this country is the victim of corporate crime by the time they finish breakfast...
Medford studies the ingredients of her yogurt.

PAISLEY
So, what do we have? Anti-trust violations, providing false information...

30 INTERIOR ADM WHITACRE'S OFFICE—CONTINUOUS 30
Whitacre is still on the phone--pacing--the person at the other end of the line is doing most of the talking.

WHITACRE (V.0.)
Who can you trust? Your government? Your employer? Your wife? You trust your wife ...OK, but what's the divorce rate?

31 INTERIOR FBI SPRINGFIELD, ILLINOIS—CONTINUOUS 31
SHEPARD
He told me that the motto at ADM is..."The competitors are our friends, and the customers are our enemies."

Draft: 1/15/03 29.
 Did you discuss with him the notion of wearing a wire? Is he willing to...

32 INTERIOR ADM HALLWAY- CONTINUOUS 32
Whitacre is headed down the hall with a full head of steam.

WHITACRE (V.O.)
You think the automobile companies can't make a car tomorrow that gets a hundred miles to the gallon... You think the TV networks don't know who's going to win the World Series before the season starts...

33 INTERIOR FBI SPRINGFIELD, ILLINOIS- CONTINUOUS 33

SHEPARD
One potential problem I see going forward with ADM is this guy Cheviron. He wants to be kept in the loop on everything we're doing.

ANGLE ON WHITACRE
Pissed off. He storms down the corridors of ADM.

WHITACRE (V.O.)
"Paranoid" is what people who are trying to take advantage call you in an effort to get you to drop your guard-- I read that the other day in an in-flight magazine...

34 INTERIOR ADM- CHEVIRON'S OFFICE- DAY 34
About a third the size of Whitacre's office with a view of the loading dock. Whitacre BURSTS in.

WHITACRE
You told me they were only going to tap one line!

CHEVIRON
They are only monitoring one line.
WHITACRE
That's not true. Not true. I just talked to my wife and some woman named Regina from the phone company called saying both our lines are tapped. My home phone! Cheviron is sick of Whitacre's antics. He doesn't believe a word. It gets a bit heated.

CHEVIRON
Come on, the phone company doesn't call people and say, 'hello just thought we'd let you know, the FBI is tapping your phone lines.'

WHITACRE
Then why would Regina say that?

CHEVIRON
She didn't say it, you're saying it.

WHITACRE
Call my wife. Call Regina. Cheviron's tone becomes condescending-- like he's talking to a sick person.

CHEVIRON
Fine, Mark. I will. Whitacre storms out.

ANGLE ON WHITACRE
Walking away-- satisfied-- he passes A SECRETARY making copies. She tugs on her WOOL TURTLENECK.

WHITACRE (V.O.)
I don't like wool on skin. Not even that merino wool they have at Field's in Chicago. Ginger likes it, cuz it's form fitting, but she likes avocados and who wants that texture in their mouth?

ANGLE ON CHEVIRON
Cheviron stares at his phone-- and then relents. He picks up the phone, but not to call Regina.
WHITACRE (V.O.)
Who would make up someone named Regina?

35 INTERIOR FBI DECATUR- DAY 35
On the third floor of some mid-70's default architecture in the heart of downtown Decatur, Brian Shepard sits in an office big enough for himself, a small evidence safe, a picture of his family and the flag. Out the window the stacks of ADM send up great white plumes. Shepard is boning up on anti-trust law when the phone rings.

SHEPARD
FBI. Shepard.

CHEVIRON (O.S.)
Brian, it's Mark Cheviron at ADM.

SHEPARD
Yeah, Mark.

CHEVIRON (O.S.)
Hey, I asked you guys a couple of days ago which lines at Mark Whitacre's house you were going to be monitoring and we agreed it would just be the business line. So, that's all you did right? Beat.

SHEPARD
I really can't answer that.

36 INTERIOR ADM WHITACRE'S OFFICE- LATER 36
Whitacre stares out through the glass walls drinking a COKE. Mick Andreas and Cheviron are making a bee-line for him.

WHITACRE (V.O.)
(off the Coke Can)
It doesn't taste the same-- when Dwayne Andreas got the government to subsidize corn farmers-- it all
changed. Corn syrup got to be cheaper than sugar-- so they went with the high fructose corn syrup from ADM... .They said you couldn't tell the difference, but that's just a lie-Like when they replaced butter with topping at the movies... .and you know who was behind that...

Draft: 1/15/03 32.
Mick Andreas and Cheviron march into Whitacre's office on a mission.

ANDREAS
We've decided that we're not going to be cooperating with any further FBI requests. Whitacre puts it all together. He is outraged. He turns on Cheviron.

WHITACRE
I knew it! I knew it! I knew we should never have done this. I told you, but you wouldn't listen. They said just the office line... Cheviron has to eat shit here in front of Andreas.

CHEVIRON
Evidently, they were lying to us, too.

WHITACRE
Sounds to me like you can't keep track of what the FBI is doing. The phone buzzes.

LIZ TAYLOR

(ON INTERCOM)
The call you were expecting, Mark. Whitacre pauses-- then picks up.

WHITACRE
I'm working on this deal in Sweden,
I have to take this. Whitacre picks up the phone. Andreas and Cheviron continue.

CHEVIRON
I told Shepard we're done working with them as of now.

ANDREAS
Damn right. Whitacre picks up the phone. It's not Sweden.

SHEPARD (O.S.)
Mark, it's Brian can you talk? Whitacre shifts uncomfortably and tries to cover in front of Mick and Cheviron-- he puts on a phony cheerful voice.

Draft: 1/15/03 33.

WHITACRE
(over the phone)
Yeah, hey it's good to hear from you.

SHEPARD (O.S.)
I'd like to bring my Supervisor by later, around six.

WHITACRE
Great. Hey, I got Mr. Andreas in here right now. OK, I'll talk to you soon. He hangs up the phone and turns back to Mick and Terry. Whitacre smiles warmly, and then lies through his teeth.

WHITACRE (CONT'D)
So, what do I do if this Shepard guy calls?

ANDREAS
You let me know and I'll pass it on to my Dad. But, you're done talking to them...

37 INTERIOR WHITACRE'S BARN—EVENING 37
Whitacre sits with FBI agents Shepard and Paisley in the
converted barn. A large open room looking more like a theme restaurant than anything that might have once involved agriculture. Outside, RUSTY the gardener, fishes leaves from the pool. Shepard explains the misunderstanding with the phones.

PAISLEY
The only listening device was the recorder, Mark.

SHEPARD
We had a trap and trace device on the home line-- but we can't listen in with that.

PAISLEY
However, the phone company calling people and telling them about our Intel gathering is, well, our face is red on that one.

SHEPARD
Did you bring the expense reports we talked about? Whitacre gives them a folder of paperwork.

Draft: 1/15/03 34.

WHITACRE
It's all there-- Tokyo, Hong Kong, Paris and Mexico City. And under...Whitacre thinks about one thing while discussing another with the agents. He is a gifted man in this capacity. His thoughts take precedence here.

WHITACRE (V.O.)
Just last week Mick and Terry I read in the Geographic that were in Florida with the Corn the skin in ears grows from Refiner's Association. They the inside out-- conveyor would have their regular belt style. That's how they meetings during the day and stay clean. You could make a then at night they'd get dot with a felt tip inside together and work out the and watch it move down your price fixing... neck.
WHITACRE
.Six months later a liter of Pepsi costs five cents more.

SHEPARD
When's the next meeting?

WHITACRE
January-- somewhere in Asia.
Paisley takes it all in. He cozies up to Whitacre.

AGENT PAISLEY
Mark, I gotta ask you, why are you doing this? We know you lied to us about the phone line and you're afraid of that. But, now you're telling us all this other stuff out of the blue. I gotta ask you why?
The light disappears from Whitacre's eyes.

WHITACRE
Things are going on I don't approve of. I mean, I'm a biochemist-- But, they pulled me into the business side and they're doing things that are illegal. They said...

ANGLE ON RUSTY
He takes the net for cleaning the pool and walks around the barn to the attached six car garage filled with a Range Rover, Ferrari, Mercedes Coupe, BMW, and a Lincoln Town Car.

Draft: 1/15/03 35.

WHITACRE (V.O.) (CONT'D)
. if I was going to grow with ADM
I had to be a part of the business side of things.
Rusty pulls the garage down on the cars.

38

38 INTERIOR WHITACRE'S BARN- CONTINUOUS

WHITACRE
When they told me to lie, I had to lie. I lied to you guys and I feel real bad about it. This explains the bind Whitacre finds himself in.

SHEPARD

You look at yourself as wearing a white hat and they're wearing black hats.

WHITACRE

That's a good way to put it. You know, when I was a kid my folks died in an automobile accident. I was maybe six at the time and this wealthy man in Ohio adopted me. He owned amusement parks and he did real well for himself, real well. I got a big break-- went to a good school and all-- I adopted two kids of my own. I just want to do the right thing.

PAISLEY

Well, Mark, do you think you'd be willing to go a few steps further in helping us?

WHITACRE

What do you mean?

SHEPARD

Would you be willing to wear a wire? We don't have any other sources at this time. We need your help. Whitacre considers the request-- a chance to be a hero.

PAISLEY

Now you realize that by doing this, sometime down the line you could be the guy who has to testify against your fellow executives,
people you've worked with now for years. That won't be easy.
He looks around at the good life Whitacre has amassed.

SHEPARD
I'll use my beeper to signal you when it's time to set up a meeting.
Shepard gets out his beeper and hits a button- "BEEEEP."

SHEPARD
When you hear this-- you call me.
Then Shepard pulls a tape recorder out of his jacket-- a simple little Radio Shack Dictaphone model. He gives it to Whitacre.

PAISLEY
You'll be risking a lot.
Whitacre picks up the recorder. The idea of being a White Knight only becomes real when they hand you a sword.

39 EXTERIOR COORS BREWERY- GOLDEN, COLORADO 39
Whitacre, Wilson and Andreas get out of a Town Car in front of Coors Corporate headquarters. The Rockies loom in the background. The men walk toward the doors.

WHITACRE
I was up in Wisconsin last week-- and the guy who is running for Governor...

ANDREAS
Tommy Thompson.

WILSON
The Republican guy.

WHITACRE
I was told they want funds-- a campaign contribution, but I told them we're already at out limit.

ANDREAS
You can go over the limit-- it's just a small fine.
That's what I was saying. If they want a thousand dollars— you give a thousand. So what if it ends up costing us nine thousand after the fine.

Twelve thousand after taxes. The men laugh.

If the guy's asking you for money, try not giving it to him and see what happens. Just make sure Dad is behind it... Is Dad asking for them?

Yeah.

Okay then.

I'll let Howard know. He gets out his cell phone and begins dialing. A FEDEX EMPLOYEE walks by with a BUTTERFLY BANDAGE on his nose.

There are these butterflies in Central America— they have poison in their wings. Just enough poison to stop a bird heart. But, the birds know this somehow so they don't eat them... Through the phone we hear...

Hi, you've reached Mark Whitacre in ADM's Bioproducts division. Leave a message. Whitacre punches in his code...

They're like blue, orange and yellow... real pretty— But, poisonous to birds. Over the phone we hear a message.
MESSAGE VOICE (O.S.)
Mark, it's Marty Allison calling from London, we need to...
Whitacre hits a button.

COMPUTER VOICE
Message deleted.

WHITACRE (V.O.)
But, there are other ones—butterflies— they're orange, blue and yellow, too. But, no poison...
Over the phone we hear the next message.

CELL PHONE
Beeeeeep.
Whitacre deletes it and hangs up.

WHITACRE (V.O.)
They're just flying around looking dangerous— getting by on their looks.
Wilson and Andreas DISCUSS SOME FEMALE EMPLOYEE IN A MOST UNTOWARD WAY. They laugh and wait for Whitacre by the doors.

TERRY WILSON
Jesus, Mark this is important bioproduct stuff were discussing. The men enter the building and head for a bank of elevators.

WHITACRE
I'm sorry guys I gotta return a call. The plant. I'll meet you.
Andreas and Wilson hit the elevator button. Whitacre paces across the lobby and talks on the phone.

SHEPARD (O.S.)

FBI.

WHITACRE

(INTO PHONE)
Hey, it's Mark. I told you I was
out on business this week.

**SHEPARD (O.S.)**
The case is getting some attention from the bureau, Mark. There's another agent working with me now. We need to meet.

---

*Draft: 1/15/03 39.*

**WHITACRE**
Yeah, but I'm away now.

**SHEPARD (O.S.)**
Any word from Fujiwara?

**WHITACRE**
I think he's out of the picture.

**SHEPARD (O . S . )**
Based on what? Is Andreas telling you to say that?

**WHITACRE**
I'll let you guys know if I hear anything. I can't talk now. I gotta meeting.

Whitacre hangs up. And jogs toward the elevators. Wilson and Andreas hold the door.

**40 INTERIOR FBI DECATUR ILLINOIS 40**
Shepard sits in the small office with his new partner-- BOB HERNDON, 33, and squeaky clean. If Shepard looks like he stepped out of Dragnet, then Herndon looks like he stepped out of GQ.

**SHEPARD**
The guy is on a plane half his life, and in meetings for the rest.

**HERNDON**
Any tapes of these meetings?

**SHEPARD**
Not yet, Mr. Whitacre believes his
life may be in danger...

41 EXTERIOR HIGHWAY- DAY 41
Whitacre's life is in danger. He's taking a new BMW for a ferocious test drive. A big shit-eating eighty-mile-an-hour spread across his face.

SHEPARD (V.O.)
He's closely watched at work and there's reason to believe that ADM has bugged his home. He's under a great deal of pressure. Whitacre looks at the CUP HOLDERS in the Beemer.

Draft: 1/15/03 40.

WHITACRE (V.O.)
The German word for "cup" is tasse, and saucer-- that's untertasse-- the "undercup." What do we have-- "cup" and "saucer." Where does that get you?
Whitacre pulls into the dealership and screeches to a halt in front of the BMW SALESMAN. Whitacre smiles and nods.

WHITACRE
We had a good day at work, Tom. A real good day...

42

42 INTERIOR FBI, DECATUR- CONTINUOUS
Shepard and Herndon.

SHEPARD
You should probably take your gun off when you meet him-- weapons make him pretty nervous.

43 EXTERIOR WHITACRE MANSION- EVENING 43
The Whitacre family checks out the new car.

SHEPARD (V.O.)
You gotta feel for the guy, he
tells us the truth one day and
wakes up the next with two lives
instead of one.

44 INTERIOR MEXICO CITY AIRPORT—DAY 44
Whitacre checks his messages from a pay phone in the
Admiral's Club in the International Terminal.

MARTY ALLISON (O.S.)
Hey, Mark it's Marty calling again
and...

COMPUTER VOICE
Message deleted. . .Next message.

BEEEEEP.
Whitacre punches a button.

COMPUTER VOICE (CONT'D)
Message deleted.
Whitacre punches the buttons on his cell phone angrily.

Draft: 1/15/03 41.

L

SHEPARD (O.S.)

FBI.

WHITACRE
It's Mark, Brian. It's been hard
for me to return a page. I'm out of
the country.

SHEPARD (O.S.)
We need to know if you had any
further contact from Fujiwara?

WHITACRE
I told you, the guy has stopped
calling.

SHEPARD (O.S.)
What about the price fixing? Have
you been able to make any tapes.

WHITACRE
I think you guys hanging around has really scared ADM straight, too--word is we're going to do things by the book. Mick said it's over. No more price fixing.
A pause. Shepard is confused.

SHEPARD (O.S.)
What? When did this happen? This conversation.

WHITACRE
Mick sat me down and said 'Mark, we're going to start doing things your way.'

SHEPARD (O.S.)
Mark, the FBI knows about these crimes-- we're gonna investigate either way. You told us yourself.

WHITACRE
Either way? What does "either way" mean?

SHEPARD (O.S.)
We really need to get together.
Both Shepard and Whitacre are losing their patience.

WHITACRE
I told you, it's a different attitude now, a different approach.

Draft: 1/15/03 42.
Whitacre hangs up-- frustrated. He walks over to a table in the club where a middle aged German man is waiting--

REINHART

RICHTER, 40. There are papers spread out in piles around the men-- stacks of loss, gain and opportunity.

RICHTER
Everything OK?
WHITACRE
Yeah, fine. Kids. Where we're we?
Whitacre reaches underneath his suit coat into his shirt pocket and pulls out his pen.

RICHTER
Uh, Mark...
Whitacre's FOUNTAIN PEN has exploded in his shirt—leaving a Rorschach across his chest. Richter gestures toward the stain. Whitacre stares at the STAIN.

WHITACRE (V.O.)
One of the Japanese guys told me a story—this lysine salesman is in a meeting with someone from Conagra or some other company, I don't know—and the client leans forward and says, 'I have the same tie as you... only the pattern is reversed.'—and then he drops dead. Face down on the TABLE—

TABLE—ALIVE AND
then... Dead... Brain aneurism...

45 INTERIOR HAMPTON INN, DECATUR—EVENING 45
Shepard and Herndon are waiting in the most generic of hotel rooms for Whitacre. They check their watches and peak out the drapes at a sparsely populated parking lot. They've been there awhile. Herndon eats a Granola bar and reads the side of the package.

WHITACRE (V.O.)
Maybe everyone has a sentence like that; a little time bomb..."I have the same tie as you... only the patterns reversed."

HERNDON
There it is, "High Fructose Corn Syrup."
Shepard isn't giving up on Whitacre, yet.
SHEPARD
He said Andreas called him into a marketing meeting.

HERNDON
The government ought to charge him for the room.
Shepard's cell phone rings. Herndon sighs--

HERNDON
Here it comes.

SHEPARD
FBI... Uh...huh. You're being honest with me, here... It's been months Mark-- we need some tapes.

46 INTERIOR WHITACRE BMW- NIGHT 46
Whitacre sits alone in the Hampton Hotel parking lot next to the mall, staring up at at a the lights of a room.

WHITACRE
I gotta go Bri, Andreas is coming.
Whitacre opens his brief case and takes out the micro cassette recorder. He looks at it like it's a murder weapon.

SHEPARD (O.S.)
(over the phone)
Mark, we could be tracing this phone call...

WHITACRE
I can't live two lives. They just gave me a hundred thousand dollar raise. I can't risk my job for you guys. I've got a family. I'm building stables across the road.

SHEPARD
But, you told us...

WHITACRE
The price fixing is over. - .the price of lysine is down to...
And then remembering his lie. Feebly.

WHITACRE
Just a minute, Mick...
The windows of the BMW are fogging up.
SHEPARD (O.S.)
Mark, listen to me, the only logical thing for you to do is cooperate.

WHITACRE
And what if I don't?

SHEPARD (O.S.)
Then somebody else will and you'll end up being a defendant.

WHITACRE
For how long, Brian? How long does this go on for? Whitacre pushes the buttons on the recorder. He hits eject. There's no tape in the cradle.

SHEPARD (O.S.)
I wish I could answer that. Sometimes years. We'll need a lot of tapes-- maybe hundreds.

WHITACRE
But, the tapes won't say anything. It's over. Mick said... New policy.

SHEPARD (O.S.)
Fine, if that's what he said, then I want to hear the tape. We need tapes, Mark. A beat-- he finally admits it. The windows are completely fogged.

WHITACRE
I didn't make any, OK? I didn't make any because it's over. How can I prove it to you?

47 INTERIOR HOLIDAY INN HOTEL ROOM- NIGHT
Whitacre sits shirtless on the bed with the straps of a
polygraph across his torso. Herndon fits him with a blood pressure cuff and puts electrical clips on his fingers.

WHITACRE (V.0.)
I like my hands. I think they're probably my favorite part of my body. I think that can be used to my advantage in social situations-- if I can get people focused on my hands then I can get a good result in the meeting.

(MORE)

Draft: 1/15/03 45.
WHITACRE (V.0.) (cont'd)
Eye contact is real important, too. I'll use the lotion in the hotel room on my hands-- the little bottles. Single serving portions... Bob has good hands, too.
Herndon takes out a list of questions and watches Whitacre closely. Shepard watches the needle on the polygraph.

SHEPARD WHITACRE (V.0.)
Now, Bob's going to ask you What do we lose-- a liter of questions, Mark. And you perspiration while we sleep? just need to answer them with That all goes into the a "yes" or "no." That's all mattress? Incredible. you have to say.

HERNDON
Are you married?

WHITACRE
Yes.

HERNDON
Have you ever lied to better your position?

WHITACRE
No.

HERNDON
We're you born in 1957?

    WHITACRE

Yes.

    HERNDON

Did Fujiwara ever telephone you at home and tell you there was a mole at ADM?

    WHITACRE

Yes.

    HERNDON

Before this year did you ever lie to someone you really trusted?

    WHITACRE

No.
Whitacre strains to see the read-out to see how he's doing.

    HERNDON

Did Fujiwara say he would tell you who the mole was for 10 million dollars?

Draft: 1/15/03 46.

    WHITACRE'S POV

The needle traces a reassuringly straight line across the grid.

    WHITACRE

Yes.
And under...

    HERNDON WHITACRE (V.0.)

Is there currently any price In Tokyo they sell little fixing activity in the girl underwear in the vending Bioproducts division of ADM? machines right on the main drag-the Ginza...or whatever. Guys in suits buying used girl panties, how is that OK?
WHITACRE

No.

HERNDON

Now, I'm going to ask you the same questions again to make sure the results are consistent. Whitacre nods and smiles. Watches the needle—rock steady.

WHITACRE (V.O.)

I wonder where Bob carries his gun. FBI agents have to wear them at all times—even when they're off duty.

HERNDON

Are you married?

WHITACRE

Yes.

WHITACRE (V.O.)

I'd like to see Dwayne Andreas hooked up to one of these.

HERNDON

Have you ever lied to better your position?

WHITACRE WHITACRE (V.O.)

No. Once I told the stewardess I was claustrophobic so I could get an aisle seat...

48 INTERIOR HOLIDAY INN- HALLWAY 48
Shepard and Herndon step out of the room. Herndon speaks to Whitacre over his shoulder.

HERNDON

You can get dressed, Mark.
The door closes and the agents look at each other.

49 INTERIOR HOLIDAY INN HOTEL ROOM- CONTINUOUS 49
Whitacre buttons his shirt and puts his tie back on. He looks out the hotel room window at the snow. In the parking lot a high school kid drinks a beer while trying to write his name in urine in the snowbank.

**WHITACRE (V.O.)**

They're all different. Every flake is its own one-of-a-kind version of itself. And some people still don't believe in God. I mean what more proof do you need than that—

Herndon and Shepard re-enter.

**WHITACRE**

Hey, how'd I do?

**SHEPARD**

Mark, we have some problems...

**WHITACRE**

Wait a minute, I watched the machine, I didn't see any changes...

**SHEPARD**

Mark, you don't know how to read a polygraph.

**WHITACRE**

I've heard these things, they're not always 100 per cent accurate. I've been telling the truth. Definitely.

Herndon plays the bad cop.

**HERNDON**

Mark, you splattered the walls with ink. Come on now, extortionists don't just leave their name and number then go away.
Whitacre nods-- his eyes water, He sighs.

**SHEPARD (CONT'D)**
I know it's tough keeping it all botted up inside, keeping it a secret. But, there's only one good choice for you. That's all there's ever been. There's something you're hiding, something you're keeping from us. But, the only way to protect yourself is to be completely honest.

**WHITACRE**
Okay.
Shepard gets another form out of his brief-case. Not a basic 302 this time-- it's A CONFESSION.

**SHEPARD**
You realize this document can be used against you in a court of law.
Whitacre nods grimly.

**HERNDON**
What happened with Fujiwara and the saboteur?
A beat.

**WHITACRE**
I made it up. I had to...
Shepard and Herndon cringe on his behalf. The floodgates open. Shepard transcribes the confession.

**WHITACRE (CONT'D)**
We've had problems at the plant with viruses, we're way behind projections. Dwayne was thinking about shutting us down and everyone was on me to fix it. 'Let's just blame it all on Whitacre.' That's how it is there. It was my job they were talking about. We just moved here from Europe--they made me VP.

**SHEPARD**
And the reason you agreed to help ADM purchase a new bug?
WHITACRE
I wanted to be part of the team. I thought it would help my relationship with Mick if he thought I would do something like that.

HERNDON
And what about the price fixing? It isn't over is it? There's no "new attitude."

WHITACRE
(DEFEATED)
There's been meetings all along-- in the past three weeks even. Nothing's changed...
Again, Whitacre's mind allows him to be two places at once...

WHITACRE
No, that's the full story.

**HERNDON**

We want tapes, mark.
He slides the confession across to Whitacre who nods and signs. He gives both agents Christmas cards and smiles.

Draft: 1/15/03 50.

**WHITACRE**

I'll give you all the tapes you want. Merry Christmas you guys.

50 INTERIOR PARKING GARAGE ADM- MORNING 50

Whitacre aims the FERRARI into his designated parking space and gets out of the car.

**STEADICAM FOLLOWING WHITACRE**

He walks toward the building. As the camera arcs around to lead him we see that he is actually speaking out loud-- NOT IN VO. To nobody...

**WHITACRE**

Seven thirty A.M., Wednesday, March seventeenth, 1994. I have just parked my car and am now entering the office...

Whitacre gets on the elevator with Terry Wilson. Whitacre's a little off this morning...

s-- WHITACRE (CONT'D)

Terrance Wilson, President of our corn businesses, did you speak with our friends in Japan?

**TERRY WILSON**

He wasn't in.

**WHITACRE**

I heard from Mimoto last night-- he is pissed. He said there's not going to be any peace in lysine until we bring production down like we promised.

The elevator doors open.
TERRY WILSON
In 92 we did exactly what we told them we would do in terms of volume. Exactly. Right now, there's no promise.

WHITACRE
He said he'd like to talk to you at some point...

L

TERRY WILSON
Be right there lookin' at him. Say, "listen here you little mousy motherfucker."
Wilson peels off into his office. Whitacre continues on across the open trading floor toward his office. He speaks under his breath to nobody-- smiling at the world.

WHITACRE
That was Terry Wilson talking about setting volume and price levels with our Japanese competitor-- Ajinomoto Corporation.
Whitacre enters his own office--- talking to himself.

WHITACRE (CONT'D)
By the way, there was no discussion with Mimoto last night. That was all for illustration purposes only. I wanna make that clear-- no discussion with Mimoto last night. He turns off the tape recorder.

51 INTERIOR HAMPTON INN- EVENING 51
Whitacre paces while Herndon and Shepard listen to a tape. He's got three more recordings in his briefcase.

SHEPARD
Hey, Mark you don't really need to narrate the tapes for us when you're making them.
WHITACRE

HERNDON
And you can talk less.

WHITACRE
I think I did on this one.
Whitacre gives Herndon another tape and a small box.

SHEPARD
Don't force the conversation.

WHITACRE
But, they're good right? I mean, you guys wouldn't believe what goes on at these meetings.

Draft: 1/15/03 52.

WHITACRE (V.0.)
I've got well over two million frequent flier miles... maybe more. The equivalent of two trips to the moon. I'm pretty much platinum across the board. Free upgrades... sometimes they'll move me from business to first just cuz the computer tells them I'm there...

52 EXTERIOR RITZ HOTEL- PARIS, FRANCE- DAY
Whitacre emerges from the hotel and gets in a cab.

WHITACRE (V.0.)
And you can redeem them for anything now...A Movado watch or a fly-fishing vacation in Montana... Whitacre tells the driver...

WHITACRE
American Embassy please.
WHITACRE (V.O.)
It's, like 5000 miles every time I
go to Zurich, Paris, Munich... I
don't even know how many miles are
in the Delta account...I just give
Ginger the statements...I'm
probably one of the youngest guys
ever to go over a million miles...I
get a letter from the CEO every
year thanking me...it's a form
letter, but it looks like he's
really signing it...They probably
walk in one day and he signs like a
hundred while he's on the phone...
Whitacre gets out of the car and walks into the embassy.
Shepard meets him and ushers him into a room where a phone is
hooked up to a recorder.

SHEPARD
You should probably use your ADM
credit card...
Whitacre dials the phone.

WHITACRE
Sure, great. You make it some
place good for dinner last night?

Draft: 1/15/03 53.

SHEPARD
I just ate in the hotel...

WHITACRE
The hotel...What'd you have?
The call rings through.

WHITACRE
Hey, it's Mark Whitacre calling
from Paris for Mick Andreas...Hey,
it's Mark. I just got out of the
lysine meeting...It went great...I
think we can keep it at around a
buck and a quarter no problem...
And under... Shepard sneezes.
WHITACRE'S POV

He follows Shepard's hands from Kleenex, to coffee cup, to pen, to a tug on his ear...

WHITACRE (V.O.)

Now what happens? Something you breathe in on an airplane. Some little bacteria and now it's on his hands, the cup, the phone... Probably got it from his kids and now I'll spend the weekend with it in bed... And I'll miss a few days next week, or Alexander'll run a fever and who pays for that? Where does the FBI weigh in on that-- as a cooperating witness-- what does it say about exposure to airborne contaminants... I3 ADM compensated for me missing work?

53

53 INTERIOR O'HARE AIRPORT- DAY

Whitacre walks down the concourse carrying a BLACK FOLDER with ADM emblazoned on it. He turns into the bathroom and stares at himself in the mirror. He checks his HAIR and then opens the FOLDER. He removes the legal pad to reveal a secret compartment holding a small TAPE RECORDER.

WHITACRE

(into tape recorder)

This is tape seven, side two... Chicago, O'hare airport...

He looks at himself in the mirror. And then down at his feet.

A BLACK CHUCKLE'S CANDY lies on the floor swarmed by ants.

Draft: 1/15/03 54.

WHITACRE POV

The black chuckle being carted away by ants inches from his wing tips.

WHITACRE (V.O.)
That's a big break, right there--
definitely. There's no choices to
be made. No debate. It's there--
you're an ant-- you eat it-- you
bring it back for the other
ants...They don't say they'd rather

54 INTERIOR GASLIGHT LOUNGE, O'HARE AIRPORT 54

Wilson sits at a table with two FRENCH EXECUTIVES-- ROLLIER
AND CROUY. Wilson wields the FOUNTAIN PEN. The lounge did
well in the 70's and has decided to stay there-- most
everything is covered in red velvet, except for the
waitresses-- they're covered in sequined body suits and
fishnets.
Whitacre returns from the bathroom. He puts the TAPE
RECORDER/FOLDER on the table. Wilson rests his cocktail ON
IT.

WILSON
We cannot have one section of the
world where it works and the rest
of the world where it doesn't. It
will not last...

WHITACRE (V.O.)
Debate and discussion. They just
keep the black one from making it
home...

ROLLIER
We would obviously play the game.
But, the Koreans and the
Japanese...

CROUY
.They'll cheat.

TERRY WILSON
It'll never work then.
A TRAY OF DRINKS attached to a WALKING CENTERFOLD goes by.
Wilson leers...
TERRY WILSON (CONT'D) WHITACRE (V.O.)
Look, everyone has to share Terry doesn't like me very numbers. It's so goddamn much ... He's got blotchy simple. How the hell else skin... What causes that would you do it? blotchiness?? CROUY
Let's not forget that if prices went up in Europe it's because we talked in Mexico first.

TERRY WILSON
That's right, you made it happen.

55 INTERIOR HAMPTON INN DECATUR- EVENING 55
Shepherd has headphones on-- he's excited by what he hears. Whitacre excitedly diagrams the world's Lysine market on a dry erase board for Herndon illustrating the relationships-- a primer in corporate greed.

SHEPARD
(loud because of the

HEADPHONES)
Mark, these are just the kind of tapes we need.

TERRY WILSON (O.S.)
(over the headphones)
It didn't just go up like that-- you made it happen.

WHITACRE
And we're getting our marching orders from Andreas--it goes all the way up.

SHEPARD
(loud because of the

HEADPHONES)
We need to improve the quality of the recordings...

WHITACRE
Why don't you guys just bug the
building?

SHEPARD
It's not that easy, Mark. There're a lot legal issues...

Draft: 1/15/03 56.
A beat. Herndon thinks. He has an idea.

HERNDON
Give me your pants.
Whitacre undoes the pants of his SAGE GREEN SUIT.

WHITACRE (V.0.)
Being able to do two things at once is a big part of success. I try and do abdominal exercises... isometrics... even when I'm at a meeting. Tensing. Holding. And then releasing. And there are leg ones I do in the car. I'll even floss in the shower while the conditioner is in my hair. During the part where you're just supposed to leave it in. Those things can really add up to a significant time savings.

56 EXTERIOR WHITACRE DRIVEWAY- MORNING 56
Rusty the Gardener blows leaves off the driveway. Whitacre pulls out of the six car garage in a Lincoln Town Car. He yells at Rusty over the leaf blower.

WHITACRE
Hey, Rusty, check this out.
Whitacre gets out of the car and places his briefcase on the hood.

WHITACRE (CONT'D)
What do you think?

RUSTY THE GARDENER
It's a nice briefcase.

WHITACRE
But, wait.
Whitacre opens the briefcase and pulls a secret panel to reveal a TAPE RECORDER. He couldn't be more proud.

WHITACRE (CONT'D)
That's a Nagra model number 34-A, right there. The bureau had that custom made for me-- Mark Whitacre secret agent double 0, fourteen.

RUSTY THE GARDENER
Why double 0 fourteen?

Draft: 1/15/03 57.

WHITACRE
Cuz I'm twice as smart as double 0 seven.

57 INTERIOR ADM CORPORATE JET- DAY 57
Whitacre, wearing the SAGE COLORED SUIT he gave Herndon, sits with Andreas and some ADM SUITS on the COMPANY PLANE. Andreas chats with one CO-WORKER and then turns to Whitacre.

ANDREAS
Whatever happened to that girl who was working for us-- didn't she move to California? What's her name, Tina?

WHITACRE
She's getting married.

ANDREAS
My Tina is getting married?

WHITACRE
Two or three weekends from now.

ANDREAS
That won't last for very long. She's kind of a do-do head, you know? She'll be back. I just hope
she doesn't get pregnant. Fuck up her body.

**WHITACRE**

Uh.

**ANDREAS**

Nice body. It'd ruin her tits. She's got the greatest tits in the world...

He leans in to Whitacre.

**ANDREAS**

In the world.

Whitacre looks out the window at white billowing clouds.

**WHITACRE (V.0.)**

When polar bears hunt, they crouch down by a hole in the ice and wait for a seal to pop up. They keep one paw over their nose so that they blend in. Cuz' they've got those black noses. They'd blend in perfectly if not for the nose...

---

Whitacre descends the steps of the jet followed by Andreas and some other SUITS. Whitacre peels off the group.

**WHITACRE**

I'm just gonna hit the head here.

**WHITACRE (V.0.)**

So the question is. How do they know their noses are black? From looking at other polar bears? Do they see their reflections in the water? And think, "I'd be invisible if not for that." That seems like a lot of thinking for a bear.

**59 INTERIOR AIRPORT MEN'S ROOM- CONTINUOUS 59**
An AFRICAN AMERICAN MAN, 30's, stands at the sink. Other than that the room is empty.

AFRICAN AMERICAN MAN
Mr. Whitacre, could you follow me?

? P -
The two men enter a stall.

AFRICAN AMERICAN MAN
Can I ask you to remove your shirt?
Whitacre obliges.

WHITACRE (V.O.)
There's something great about walking into a conference room when there's a pad of paper and a pencil in front of every chair. . . . Most guys with a science background don't get to see what goes on...

60 INTERIOR MARRIOTT HOTEL CONFERENCE ROOM 60
A UNIFORMED HOTEL WORKER arranges the orange juice, coffee, croissants, melon plate. A pen and pad of paper is put in front of every seat. A FLIP CHART stands ready in the corner.

The meticulous worker makes everything perfect, pausing for a moment to adjust A LAMP.

Draft: 1/15/03 59.

WHITACRE (V.O.)
Usually the hotel's name is embossed on the pencils and they have someone who sharpens them to perfect points like collie dog noses-- that's what they remind me of. Maybe they come from the factory that way. And there's always a plate of danish... danishes?-- an almond thing-- or a cheese danish with a big cherry blob in the middle...
The AFRICAN AMERICAN AGENT finishes shaving Whitacre's chest.

He takes out a roll of surgical tape and attaches a small NAGRA RECORDER to WHITACRE. Small wires attach to switches sewn into Whitacre's pants pockets.

WHITACRE (V.O.)
The almond thing makes a lot of crumbs and I usually use my pencil to sweep them away like one of those tools professional waiters use at the Decatur Club...

AFRICAN AMERICAN MAN
You want to try it?
Whitacre flips the pocket switch.

WHITACRE
Hey, neat.

Whitacre and Andreas duck into a limo. One of the ADM SUITS who flew in on the jet, slaps Andreas on the back.

ADM SUIT
Good luck with the Japs. And as your lawyer I'd advise you to pat 'em down for wires.
Andreas laughs at the suit, but Whitacre's not laughing. The limo pulls away.

WHITACRE
Uh, should we really pat them down?

ANDREAS
They don't have the balls to mess with ADM.
directors at ADM is gonna understand. They're gonna see the position I was in and that I acted in everyone's best interest, I think that's the only conclusion they can reach...

63 INTERIOR MARRIOTT HOTEL LOBBY - MOMENTS LATER 63

Whitacre, Andreas, Yamada and Ikeda get on the elevator. A sign says, "THE MARRIOTT WELCOMES AJINOMOTO CORPORATION AND ADM."

WHITACRE (V.O.)
I mean I'm the youngest division President they've ever had and I speak a number of languages fluently...

64 VIDEO IMAGE OF CONFERENCE ROOM 64

The same room we saw being prepared, now from the POV of a hidden camera. The four executives enter the room and move toward the table. Everything is perfect. Whitacre notices the LAMP and walks right toward it-- curious. The LAMP is the CAMERA.

SHEPARD (V.O.)
Look away, Mark, look away...
Whitacre's face fills the wide angle lens. Shepard and Herndon huddle around the video monitor. HERNDON IS DRESSED LIKE A UNIFORMED HOTEL WORKER. SHEPARD is still dressed like a G-man from the 50's.

HERNDON
I told him it was in the lamp.

65 INTERIOR CONFERENCE ROOM- A LITTLE LATER 65

Whitacre turns from the lamp. The EXECs sit around the table eating the BAKED GOODS and discussing business.

YAMADA
We already spent more than one year, uh, to get better market situation in lysine.
WHITACRE
We talked a little bit about it in Paris, but we need to have an understanding on volume.

VIDEO IMAGE OF ANDREAS
It's off center-- just the top of his head and then tilts down and zooms into his TIE.

66 INTERIOR SURVEILLANCE ROOM- CONTINUOUS 66
Shepard struggles with the joystick that controls the lipstick camera in the lamp-- his framing is way off.

HERNDON
Widen out, Bri, we need a wide shot of these guys working together.
Still struggling with the joystick.

67 INTERIOR CONFERENCE ROOM- MARRIOTT HOTEL- CONTINUOUS 67

ANDREAS
We have a big board of directors. We have public shareholders. Like you, we've suffered. Prices are nowhere near where we hoped they would be. Now the question is, if the market grows, who gets it? Ikeda goes over to the easel and makes a PIE CHART as a visual aid for Andreas' proposal.

I ANDREAS
If Kyowa Hakko, Miwon and Cheil Corporation each get two thousand tons, then we can divide up the rest. If we're going to have any stability at all... And under...

WHITACRE (V.O.)
I think some of these ADM guys lie about their golf scores. It doesn't even matter and they still lie about it and that says something about character.

(MORE)
WHITACRE (V.O.) (cont'd)
I mean I've seen guys putt three times and say they got a par... Or they'll go off into the woods to find their ball and they'll move it from behind a tree or from under a leaf. I admit I've done it a couple of times—but I don't tell people I'm a really good golfer when I'm not...I'm sure if I worked at it... took lessons...

Whitacre is distracted by a CLICKING SOUND. He shifts uncomfortably. Andreas notices the sound and pauses.

WHITACRE'S POV
His briefcase seems to be the source of the clicking. Ikeda gets Andreas' attention.

IKEDA
We need some specific number.

AN DREAS
What would you be willing to accept? Isn't that the question?
More CLICKING. Whitacre nudges his briefcase.

68 INTERIOR SURVEILLANCE ROOM-CONTINUED 68
Shepard and Herndon.

SHEPARD
What's Mark doing?
They pan over to Whitacre. He's OPENING the briefcase with the hidden tape recorder.

HERNDON
What an idiot!

69 INTERIOR CONFERENCE ROOM- MARRIOTT HOTEL- CONTINUOUS 69
As YAMADA approaches the easel with Andreas, Whitacre has opened his brief case. The clicking is coming from INSIDE.

YAMADA
The others will say that ADM has already eaten all the growth.
ANGLE ON WHITACRE
He removes the panel concealing the tape recorder, fiddles with a pieces of the lining caught in the apparatus.

ANDREAS (V.O.)
You gotta remember we have a lot more capacity than we're using. We could be growing twenty thousand tons, isn't that right, Mark? Whitacre is still fiddling with the case.

ANDREAS
Mark? What're you doing?
Andreas crosses the room and, without looking inside at the recorder that is ruining his life, shuts the case.

ANDREAS
I need your input here.

VIDEO TAPE OF THE MEETING
Ikeda is standing at the easel making calculations next to the pie chart.

IKEDA
(on the tape)
ADM will be allocated it's recent production plus a number we will call alpha.

70

70 INTERIOR DEPT. OF JUSTICE CONFERENCE ROOM- CHICAGO
Pull back to reveal Herndon and Shepard presenting their prized tape to ROBIN MANN ESQ, early 40's-- humorless and contrary. The tape plays...

ROBIN MANN
What did he say-- I can't understand him.

ANDREAS
(on the tape)
I don't care what you call it, just
as long as we get what we want.
The men on the tape all laugh. Andreas walks away. Whitacre and Ikeda shake hands. And then Whitacre ripsoff the sheet of paper from the easel with the PIE CHART on it.

Draft: 1/15/03 64.

WHITACRE
(on the tape)
I guess I should probably keep this, huh?
Shepard freezes the tape triumphantly.

ROBIN MANN
Where's the agreement? There's just a discussion.

HERNDON
If this isn't an agreement, then what are they doing there?

SHEPARD
Don't get bogged down in the words, look at the actions.

ROBIN MANN
I've looked. I see a chart with a bunch of numbers. But, I can't pinpoint any agreement per se.

HERN DON
What do you want? The guy is standing there dividing up the market plain as day.
Herndon opens up the evidence bag and shows her the flip-chart page that Whitacre took at the end of the meeting-- a smoking gun.

ROBIN MANN
It could just be a proposal. All the other companies weren't there. Nobody used the word "agreement."
I'm just telling you-- as a lawyer-- what their lawyers are going to say.
Herndon and Shepard look at Whitacre FROZEN ON THE MONITOR. They are discouraged.

**HERNDON**

I don't know how much more we can ask of the guy.

**ROBIN MANN**

I'm not going to move for indictments with this. I need more.

---

**71 INTERIOR DECATUR CLUB– DAY 71**

Whitacre sits with MARTY ALLISON, 35, who's voice we've heard on Whitacre's voice mail many times. The two are old friends and co-workers—Marty's been trying to get Mark's ear for some time now. They've got some business together.

**MARTY ALLISON**

I feel like a real jerk here, but I need the dough.

**WHITACRE**

Nah, we'll figure something out.

**MARTY ALLISON**

I hope it's not a big deal, but I've been looking at a house and I need the cash back.

**WHITACRE**

Marty, when I hired you, what did you want?

**MARTY ALLISON**

Fifty grand.

**WHITACRE**

But, I went to Wilson and told him you wouldn't work here for less than seventy-five--and I got it. You were the first guy I hired.
MARTY ALLISON
Mark, you've always been real generous with me and...
Whitacre waves off the flattery.

WHITACRE
I gotta leave town for a couple of days, but when I get back, here's what I want you to do...
And under...

WHITACRE (V.O.)
I like to think of myself as a good gift-giver. It shows that you're thinking about the other person even when they're not right in front of you.

I know that Ginger likes jewelry and that the kids like stuff from other countries... Even if you just pick it up at the duty free at the airport with whatever money you have left over.

72 INTERIOR HAMPTON INN HOTEL- NIGHT 72
Whitacre drops off more tapes for Shepard and Herndon.

SHEPARD
We got a problem, Mark. You can't take our equipment to Japan. We have no jurisdiction.

WHITACRE
So I'll take notes like in Vancouver.
Whitacre takes out his Dictaphone and puts it on the bed.

SHEPARD
Well, sure, but there's something
else I'd like you to think about.

WHITACRE
Okay.

SHEPARD
Like I said, we can't give you any recording equipment.

HERNDON
But, if you taped the meeting on your own and than gave us the tapes...

WHITACRE
So you want me to make a tape.

HERNDON
We're not allowed to say that. But, the sooner we get enough evidence, the sooner you can stop the taping.

WHITACRE
What if I get caught there?

SHEPARD
I don't know anything about Japanese laws, but if you're arrested, we may not be able to provide much help.

Draft: 1/15/03 67.

HERNDON
That's why we need these lysine association meetings on US soil... .Make it easier to wrap this up. Shepard picks up the recorder.

SHEPARD
You can't use any of our equipment.

73 INTERIOR HICKORY POINT MALL- LATER 73
Whitacre walks out of the RADIO SHACK with a small bag.
WHITACRE (V.O.)
I wonder if Brian and Bob are really allowed to do that— it seems kind of shady...I probably should've gotten them to sign something just in case. Turned the tables on them seeing how I'm the one going above and beyond the call of duty...
He heads out of the mall.

74 INTERIOR CONFERENCE ROOM IMPERIAL PALACE HOTEL- JAPAN 74
Whitacre, Wilson and a collection of ASIAN LYSINE EXECs discuss prices and customers.

WILSON WHITACRE (V.O.)
Do we want to talk about Guys tape meetings all the Latin America? time— let's say a guy is dyslexic and he needs to take notes... What's he gonna do? Mimoto and Ikeda enter.

IKEDA
Good morning, we are late.

WHITACRE
No problem, no problem, you lost twenty-thousand tons, but, hey...
The group laughs at the WACKY PRICE FIXING JOKE. Whitacre checks his watch.

WHITACRE
Excuse me... I gotta take a moment.

Draft: 1/15/03 68.
Whitacre walks down the hall toward the rest room.

WHITACRE (V.O.)
I read this thing about moustaches on the flight back from Zurich... What facial hair says to women about a man's level of honesty. I think maybe it was in Esquire Magazine... Some
psychological theory...

**75 INTERIOR BATHROOM- CONTINUOUS 75**
Whitacre reaches into his suit jacket and takes out the recorder. He studies himself in the bathroom mirror and then flips the tape.

**WHITACRE (V.O.)**
I should ask Brian and Bob about it-- get the FBI's point of view...

**WHITACRE**
Imperial Palace Hotel, side two tape one...
Just as he is putting the tape back into his jacket-- the door opens. ONE OF THE LYSINE EXECs enters.

**LYSINE EXEC**
Things are going well.
Whitacre conceals the recorder.

**WHITACRE**
Want to get back in there.

**76 INTERIOR MOVIE THEATER- NIGHT 76**
Whitacre sits alone fully engrossed by the movie.

**ANGLE ON THE MOVIE SCREEN**
"The Firm." TOM CRUISE, as Mitch McDeere talks with FBI agent Wayne Tarrance, played by ED HARRIS at a DOGTRACK.

**MCDEERE**
Doesn't the dog ever get the bone?

**TARRANCE**
Yeah, I hear it happens every once in awhile. It's a disaster, they can never get that dog to run again.

(MORE)
Listen, Mitch, Mr. Boyles wants me to tell you how much the bureau appreciates...

A million dollars.

What?

A million dollars in a numbered account in Switzerland. IBG Bank International in Zurich.

You sure as hell turned greedy overnight.

And my brother out now.

Your brother is a convicted felon, Mitch.

Then get yourself another snitch. Tarrance responds with a string of expletives and threats to knock McDeere's teeth down his throat. His verbal assault is put to a halt when his phone rings. It's Holly Hunter calling from the nearby parking lot. She plays Tarrance an incriminating tape of what he has just said. McDeere is wearing a wire. McDeere has him now.

You want to reconsider?

Most of the guys the government gets to do the tough stuff are probably drug dealers and mafia guys. I'm probably the only guy like me they've ever met--

Whitacre drives his new RANGE ROVER through the darkness.
WHITACRE (V.0.)
Maybe there's some guy who spied on the Russians and they had to put him in that witness protection unit... It's just me and some Russian guy who's now a girl's soccer coach in New Mexico or something...

78 INTERIOR WHITACRE MANSION BEDROOM- NIGHT 78
Whitacre tries to creep into the dark room without waking his wife. He starts to get undressed. Her voice in the darkness surprises him.

GINGER
Were you with Brian and Bob all this time?

WHITACRE
Yeah, we had to go over some tapes and...

GINGER
Mark, Brian called-- I know you weren't with him.
Busted.

GINGER
Did you go again?

WHITACRE
I needed to unwind.

GINGER
You've seen that picture like five times now...
She turns on the light to discuss her concerns. Mark is standing there without his shirt on-- A LARGE PATCH OF HAIR is missing from the middle of his chest.

WHITACRE
What's wrong with that?

GINGER
What's wrong? Why is your chest
shaved, Mark? Why are there holes cut in your suit clothes? Why aren't you a part of this family anymore?
Whitacre tries to laugh off her concern. He sits down on the bed and puts her hand on his smooth chest.

Draft: 1/15/03 71.

WHITACRE
You know they needed to shave me for the tape recorder. They needed to... I'm a part...

GINGER
I need you at home, the kids need you to be their father.

WHITACRE
I'm doing all this for you and the kids. I didn't ask for this-- but I want to give this family everything. That's why I'm working so much.

GINGER
I don't know who you work for anymore, Mark. Do you?
A beat. He smiles warmly at her.

79 INTERIOR FBI DECATUR- DAY 79
Warm summer day-- out the window the smoke stacks of ADM send plumes of white smoke into the blue sky. Shepard and Herndon sit in their SHIRTSLEEVES transcribing tapes in the tiny office. There's a knock on the door. Shepard checks to see who it is through the eye-hole. Whitacre enters wearing the SAGE COLORED SUIT- full of confidence.

WHITACRE
Hey guys, I was in the neighborhood. I got some more tapes.

SHEPARD
Thanks, Mark. Come on in.

**WHITACRE**

And I've learned some important things recently. I've been told I'm probably going to be the next President of ADM. He glows.

**HERNDON**

Really?

**SHEPARD**

Who told you that?

---

Draft: 1/15/03 72.

R

**WHITACRE**

And that's not all. I'd say that ten of the products produced by ADM are price fixed.

**SHEPARD**

Ten?

**WHITACRE**

I would estimate that for all the companies involved, the total extra profit is in the range of 800 million to one billion dollars. That's just from the price-fixing.

**SHEPARD**

Can you tell us what products? Whitacre smiles-- he's got something else on his mind.

**WHITACRE**

You know, Brian, if all these companies are charged, they're going to be paying an awful lot in fines. Don't you think?

**SHEPARD**
I don't know, they might end up paying. But, nobody knows for sure how this will turn out.

HERNDON
We still need to get everyone together making an actual agreement before we have a case.

WHITACRE
Sure, sure I know that. But, I've taken a lot of risks and I need to think about my family.

SHEPARD
What do you mean?

WHITACRE
Well, I'd like it if, in their fine, ADM was ordered to pay me ten year's salary.

SHEPARD
Well, Mark...

WHITACRE
It's only fair. Also, one other thing.

Draft: 1/15/03 73.

WHITACRE (CONT'D)
I never expected this investigation would go on as long as it has. It's been almost two years and I think I should get total immunity if I agree to cooperate through the end.

SHEPARD
I can't grant you immunity Mark, you know that. Whitacre smiles wishfully like a big kid. Herndon senses that
something's up.

HERNDON
Hey, Mark, it's kind of warm in here-- why don't you take off your jacket, sit down and we can talk about this.

WHITACRE
Oh, no, Bob, that's okay. Let me know if you want to reconsider.
Whitacre leaves. Herndon looks at Shepard.

SHEPARD
What was that about?

80 INTERIOR WHITACRE MANSION- MARK'S OFFICE- EVENING 80
Whitacre labels the tape of the FBI agents and tosses it in a box-- with other tapes.

WHITACRE (V.O.)
These floods out on the Mississippi, you have to think about these. It just looks like some boy scouts and sand bags on the news-right until you have your stock plummet because of crop losses... Then it looks like someone's knee deep in your kids college education looking for their photo albums... Brian doesn't understand stock options. He doesn't see what can happen if they take those away from me.

$1 INTERIOR WHITACRE MANSION- MASTER BEDROOM- NIGHT 81
Ginger alone in bed at 3 AM during a rain storm. The regular patter of rain is punctuated by the sound of a SMALL ENGINE. She gets out of bed and goes to the window.
going anywhere. Three deer stand like statues in the yard, oblivious to the rain.

WHITACRE (V.O.)
We got a deer problem here. They're in the corn, they're eating the small trees, they charge into the road. Too many deer. Take away all the predators and that's going to happen... No bears, no coyotes... So now you have all these deer-- weak and desperate.

ANGLE ON THE DEER
Close enough to hear the rain on their METAL BODIES. They are YARD STATUES.

WHITACRE (V.O.)
And then one gets sick and they all get sick. Because they're broke and hungry and they make mistakes. Who's fault is that? You can't blame the deer for not having predators...

82 EXTERIOR WHITACRE MANSION DRIVEWAY- NIGHT/RAIN 82
Ginger approaches in her night gown under an umbrella.

GINGER
Mark, what are you doing? Whitacre can't tear himself away from the lone leaf.

GINGER
Come inside Mark, what's happening to you? She takes his arm and tries to lead him toward the house, but he turns on her. His eyes are filled with terror. She turns off the blower.

WHITACRE
You want to be someone living in some small house? You want to be like those people who can't afford cars for their kids?
GINGER
You're not better than somebody else because you have more cars or a bigger salary. Or some stables across the road. You used to know that, you used to know what mattered. You need to find that out again-- you need to turn to God. Whitacre stares at the leaf, trying to move it with his will.

WHITACRE
(softly so God won't hear)
I don't need God.

83 INTERIOR ADM WHITACRE'S OFFICE- DAY 83
Whitacre flags down KIRK SCHMIDT, 40, a co-worker and a friend who is passing by.

WHITACRE
Hey, Kirk, I'm gonna be heading off to Europe and I was thinking I'd deliver the check for the ABP deal in person.

SCHMIDT
Remind me, ABP deal?

WHITACRE
Threonine microbe, they've made some substantial improvements and we need to get it into the market. I got the invoice somewhere... He fishes it out of a pile of papers and slides it across the desk.

SCHMIDT
We can overnight it.

WHITACRE
Nah, I'm gonna see this Thorstensson guy. I'll just hand it to him.

SCHMIDT
Then I'll get it over. Lysine's going great guns Mark, price is up to one-twenty.
Out the window of the office Andreas looks at the tote board and smiles broadly-- he gives Whitacre a big thumbs up. Whitacre smiles and flashes a thumbs up back.

Draft: 1/15/03 76.

84 EXTERIOR SAVOY BAUR EN VILLE, ZURICH- DAY 84
Whitacre emerges from the elegant hotel and heads down the crowded Bahnhofstrasse.

WHITACRE (V.O.)
ADM: Supermarket to the world... We'll have to change that. When it all comes out-- maybe the board'll want to change the name of the company altogether. Like when all those companies became Beatrice in the 80's. There was that woman, 'We're Beatrice...' They made light bulbs and corn and everything...
Whitacre enters the SWISS BANK CORPORATION. He approaches A UNIFORMED PORTER.

WHITACRE
Guten Morgen, Ich mochte Herr Brief finden, bitte?
The porter points toward a desk.

WHITACRE
Danke schon.
Whitacre approaches a SECRETARY. Behind him another woman shrieks and falls down. The heel has broken on her shoe. Her papers scatter everywhere-- the secretary smirks at the

FALLEN WOMAN.

WHITACRE WHITACRE (V.O.)
Guten Tag... Wie geht es Ihnen? Ich suche Herr Briel, at the misfortune of others. bitte. A word for that. Schadenfreude ... We don't have any words for that kind of
thing. In a way, it's not really funny. The secretary buzzes and moments later a wooden door opens. DANIEL BRIEL emerges smiling.

BRIEL
Mr. Whitacre ...Wie gehts? Gut dass wir uns eben getroffen haben. The two men vanish behind a door.

WHITACRE (V.O.)
Brian and Bob always ask me if I do much sightseeing on business trips—They don't understand.

WHITACRE (V.O.) (cont'd)
You fly in, go to the meeting, go to the hotel, go to another meeting and get back on the plane. It's not that glamorous.

85

85 INTERIOR HAMPTON INN—AFTERNOON
Whitacre hands another small stack of tapes to Shepard and Herndon—The agents are very excited, Whitacre has good news.

WHITACRE
We're having another association meeting to work out some issues in lysine—dividing up volume, setting prices for some markets.

SHEPARD
Europe again?

WHITACRE
There's a price fixing investigation into cement manufacturing there—It has everybody spooked. Europe's out.
Y`HERNDON
We can't video tape in Japan--
that's not gonna help us.

WHITACRE
Hawaii.

SHEPARD
Hawaii?

HERNDON
What's his name, Mimoto, we have
him saying on tape-- last fall
that...
He checks a three ring note-book full of transcriptions.

HERNDON
.they were "concerned about
severe penalties for anti-trust in
the US."
Whitacre smiles, very impressed with himself.

SHEPARD
So, why are they coming to the US?

WHITACRE
I got the association past their
fears.

ANGLE ON A GOLF BALL
Crushed by a driver-- the grass and tee fly.

WHITACRE (V.0.)
The state bird of Hawaii is the Nay
Nay-- it's a kind of land based
goose and the state motto is va mau
ke ea o ka aina i ka pono-- the
customer is the enemy and the
competitor is your friend.
Mimoto, Ikeda, Whitacre, Wilson and ANOTHER FOURSOME OF ASIAN LYSINE EXECS crowd around a tee box in their golf clothes. Mimoto watches his drive split the palm lined fairway and head toward the Pacific. Wilson tees up his ball.

TERRY WILSON
What should we play for?

MIMOTO
If we win, we get Tyson Foods.
All the execs laugh at the thought of dividing up the world's lysine market through golf. An EXEC IN A VISOR chimes in.

VISOR
Or, we could play a thousand tons a stroke.

IKEDA
We already know Whitacre's score--sixty seven plus alpha.
More laughter.

WHITACRE (V.O.)
I got a hole-in-one once--back in Ohio when I was about eighteen. There was a little blurb in the paper and I won a windbreaker from the country club...I still have the news clipping somewhere stashed away for safe keeping...

THE T-BOX THROUGH A CROSS-HAIRS
A series of photographs are snapped of the golfers.

87 A NEARBY HILLSIDE
Herndon and Shepard snap photographs with a very long lens
from a golf cart parked on hillside.

WHITACRE (V.O.)
But, mainly I was active in the local 4-H Club. I think 4-H is a real good thing for kids...I got a lot of recognition from them and it's not just some local thing. It's a federal program-- part of the Department of Agriculture.

OTHER FBI AGENTS dressed for the links shadow the lysine execs using LONG RANGE RECORDING EQUIPMENT.

88 INTERIOR SHERATON MAKAHA- ANOTHER HOTEL ROOM 88
Herndon and Whitacre-- like a boxer and his corner man.

HERNDON
Just remember-- I want you to poll the room and get them to use the word "agreement."

WHITACRE
Okay, Bob. It's gonna be a great meeting.

HERNDON
Let the action come to you.

WHITACRE
I gotta talk, Bob.

HERNDON
I know that...

WHITACRE
I mean, I'm representing ADM. Otherwise, everybody would be suspicious.

HERNDON
You can talk. Just don't dominate. We want to see others involvement.

OK?

WHITACRE
Definitely.

HERNDON
It's that time again.
WHITACRE

Oh, sure no problem. Whitacre takes off his shirt as the two men face each other in the hotel room-- an uncomfortable moment. Herndon starts spreading shave cream across Whitacre's chest.

WHITACRE (V.O.)

When it's over I think we'll be friends, all of us. Good friends. I'll have Bob over and Brian and we'll bar-b-que. Maybe not so much with some of the guys over at ADM-- probably not Mick and Terry... But guys like Sid and Marty and Rheinhard we've been through a lot together...

89 EXTERIOR POOL SIDE- SHERATON RESORT 89

Wilson, Mimoto, Ikeda and Visor sip umbrella drinks

TERRY WILSON

We can't be manipulated by these Goddamn buyers. Thank God we have them, but they are not my friends. The men all nod. Whitacre appears pool side and begins to unbutton his Hawaiian shirt. Wilson turns to Ikeda.

TERRY WILSON

You're my friend. I want to be closer to you than I am to any customer, cause you can make it so I can make money or I can't make money. And all I want... Nobody is listening to him. They all stare at Whitacre. A LARGE PATCH OF HIS CHEST HAIR IS SHAVED.

WHITACRE

What?
Whitacre looks down at his chest-- so does everyone else. Whitacre's got some explaining to do.

WHITACRE

Oh, that. Nah, I had to take this
physical for some life insurance
the wife wanted. They shaved me
for the heart thing. Itches...
Whitacre smiles shyly and settles into the pool.

Draft: 1/15/03 81.

WHITACRE (V.0.)
It's not really lying when you're
doing it to serve some greater
purpose...I think that's what God
would say-- it's not all cut and
dry-- like that and you can't
really send a lie out into the
world on its own, you wouldn't do
that with a child per se...A lie
needs the company of other lies--
and so it may look like a lot of
lies in the end, but it's really
just the first one that counts...

90 INTERIOR SHERATON MAKABA- MEETING SUITE 90
A medium sized room overlooking the grounds. Orange Juice
and
fruit trays and an easel in the corner. The room seems a
little cramped for the number of men assembling-- Whitacre,
Wilson, Mimoto, Ikeda and a number of others from Asia and
Europe. Whitacre searches for SOMETHING.

TERRY WILSON
Damn Mark, can't you call and get
us a bigger room. This is crazy.

WHITACRE
Anyone seen my briefcase?

MIMOTO
We move to bigger room.
They start to pack up their stuff. Whitacre panics.

WHITACRE
No, no. I don't think they have
one... Is my brief case behind the
flip-chart?
91 INTERIOR SURVEILLANCE ROOM- TWO ROOMS AWAY 91
Herndon enters with the BRIEF CASE-- Shepard is watching Whitacre on a monitor with other JUNIOR AGENTS.

HERNDON
He left it in his room.

92 INTERIOR SHERATON MAKAHA- MEETING SUITE 92
Iâ€™d Whitacre on the phone.

Draft: 1/15/03 62.

WHITACRE
Yeah, it's just there's more of us than we expected. Nothing larger? Really? Can you check again...

CU ON THE PHONE BASE
Whitacre's finger holds down the receiver switch. He's talking to no one. Mimoto picks up his chair and moves it right in front of THE LAMP/CAMERA. Another problem.

WHITACRE
Call us if anything opens up. It's Whitacre, Mark Whitacre. He hangs up and crosses toward Mimoto.

WHITACRE
Uh, Mr. Mimoto, I think you might be able to see the easel better...

WHITACRE (V.O.)
You think Mimoto would be any different in my position? They have guys filing expense reports for sex trips to Bangkok at Ajinomoto Corporation...Any of these guys who have kids and found themselves in a bind with the authorities...

93 INTERIOR SHERATON MAKAHA- SURVEILLANCE ROOM 93
A suite down the hall. Shepard stares at the back of Mimoto's chair on the monitor. Helpless. They've come a long way to
go back empty handed.
Suddenly the room comes into view as Whitacre moves the chair from in front of THE LAMP/CAMERA.

WHITACRE
(on the monitor)
What if we just move your chair over here.

SHEPARD
Thatta boy, Mark.

94 INTERIOR SHERATON MAKAHA- MEETING SUITE 94
Terry Wilson starts the meeting.

Draft; 1/15/03 83.

I

TERRY WILSON
I'd like to welcome everybody here, glad everyone could make it and sorry for those who can't play golf tomorrow-- we're gonna have a good time.
Whitacre's POV-- he scans the room.

TERRY WILSON WHITACRE (V.O.)
We have an old saying at ADM It's like that game on TV that applies here. It's where one guy knows a word better to have the elephants and tries to make the other inside the tent pissin' out, one say it... another word for than outside pissin' in. "deal"...how about "consensus," or "understanding." Maybe they'd take "deal"-- that's like "agreement."..

MIMOTO
Outside piss?
Language problem again.

TERRY WILSON
It's better to be part of the
WHITACRE
Competitors are our friends, remember? Customers the enemy.
The group nods in agreement with Whitacre's translation. JM SUH of Cheil Corporation takes issue with this. The two argue... Whitacre looks at SUH, who is LOSING HIS HAIR...

SUH WHITACRE (V.0.)
I want to know why Cheil Male pattern hair loss can be Corporation has been excluded a real set back...I mean a from association in the past. lot of women, their father's are bald so they're kind of used to it...But, still seeing it in the drain every morning in your thirties, that's not fair at all and this Minoxidil thing-- it's not really, a cure...

MIMOTO
I explain it to you on the phone many times...
Suh is kind of a baby-- Mimoto doesn't like him. Wilson steps in.

Draft: 1/15/03 84.

J--

TERRY WILSON
If the market is what we think it is...
There's a KNOCK ON THE DOOR. Conversation ceases.

WHITACRE
We have a couple other people joining us I think?
MR. CHAUDRET from EUROLYSINE is making himself a fruit plate.

MR. CHAUDRET
From Sewon in Korea.
MIMOTO
And one from the FBI?
Whitacre freezes. He's caught. He looks at the business men... DO THEY ALL KNOW?

WHITACRE (V.O.)
That's why there can't be any leaves on the walk. They give it away—like the ants— they can see a trail of ants...
Mimoto smiles right at Whitacre— the walls close in, and then, the room bursts into laughter. Whitacre gets it. He smiles back.

WHITACRE
And seven from the Federal Trade Commission.
IT'S ALL A JOKE. More laughter and more knocks. Whitacre goes to the door. Mimoto calls out.

MIMOTO
Yes? FTC?
Whitacre opens the door to find HERDON DRESSED LIKE A HOTEL EMPLOYEE— he hands Whitacre the brief case.

HERNDON
This was left in the lobby. The concierge thought it might belong to one of you gentleman.

WHITACRE
Okay. Hey, thanks.
Herndon closes the door.

Draft: 1/15/03 85.

MR. CHAUDRET
You forgot your briefcase in the lobby?

WHITACRE
When I was signing for the food— I must've left it.

MR. CHAUDRET
In Paris it would have already been sold.
More laughter.

**VIDEO MONITOR**

**SUH**
How can we know ADM will stay at agreed upon levels?

**TERRY WILSON**
Our preference is to trust each other. If we find someone lyin’—then we hire some mafia figure and rub you out.
The group laughs.

**TERRY WILSON**
If we can't trust each other in the end, it ain't gonna work.

**MIMOTO**
You are okay for that?
A beat.

**SUH**
Yeah, I'm all right.

**WHITACRE**
So what are we saying then?
Wilson looks at Whitacre like he's an idiot.

**TERRY WILSON**
What, is there a language problem here?

**WHITACRE**
So, everyone is, uh...
They just said so. It's like Whitacre is playing Password.

Draft: 1/15/03 86.

**MIMOTO**
Agreed. Uh, five companies agree on quantity for the first time.
The men all smile at each other—hand shakes and high fives.

95 INTERIOR DEPT OF JUSTICE CONFERENCE ROOM—CHICAGO 95
Shepard and Herndon have been playing the new tape for Robin Mann and US ANTITRUST ATTORNEY JAMES MUTCHNIK. Shepard and Herndon beam with pride.

SHEPARD
Agreement... you heard it.
He hits rewind and plays it again.

MUTCHNIK ROBIN MANN
A jury's gonna love that. Congratulations.

MUTCHNIK
Christ, how about this guy Whitacre? What's his story?

SHEPARD
What do you mean?

MUTCHNIK
What's his agenda? The guy's making 350 grand a year, he's moving up the ladder and he turns informer. When does that happen? Is the money going up his nose? Some woman somewhere with a kid that he's seeing on one of these business trips? What's his story?
Shepard and Herndon are offended on behalf of Mark. Herndon reaches into his briefcase and pulls out a GREETING CARD.

HERNDON
I wanted everyone to see this.
This is Mark Whitacre and his family.
The group passes it around. A photo of Whitacre Family smiling in front of their Christmas Tree.

HERNDON
I carry this picture with me all the time as a constant reminder that he is a real person with a real family depending on him.
The only reason we have these tapes is because of this man.

(MORE)
HERNDON (CONT'D)
We want to know that when the time comes, if he loses his job, the government is going to stand behind him.

ROBIN MANN
What's he looking for?

SHEPARD
About eighteen grand a month.
He hands her a folder of Whitacre's expenses.

96 EXTERIOR WHITACRE MANSION- NIGHT 96
Whitacre rides down the shoulder of the two lane, past the towers of the grain elevators-- to a railroad crossing and rumbling out of the darkness, comes another 100 box cars of what America needs for tomorrow and each one of those cars says: ADM.

WHITACRE (V.O.)
We took the kids one year to the Renaissance festival in Indiana... .You get to be the White Knight... .The kids get to ride in the joust against the forces of darkness with a helmet on. And the White Knight always wins, the forces of darkness fall onto an old mattress... .It was maybe ninety degrees out and the heat and humidity index-- I can't even remember what the radio said.

97 INTERIOR WHITACRE MANSION- MASTER BEDROOM- NIGHT 97
Ginger lies alone in bed, eyes open, train whistles in the night. It's 4 a.m.

WHITACRE (V.O.)
We were next in line and the mare collapsed-- went down in a heap. Ginger was eating ye olde drumstick and she dropped it in the dirt. The kids were crying and I remember
this farmer saying he had a gun in
his truck... Just like that. From
the White Knight to a gun in the
truck-How do you get that back?
How does that get to be fair?

Draft: 1/15/03 88.

98 EXTERIOR ST. MARY'S HOSPITAL- DECATUR 98
Whitacre pulls into the parking lot in a brand new PORSCHE
911. Shepard gets out of a black sedan and crosses the lot.
He climbs into the shiny red car.

WHITACRE
(off the Porsche)
Hey, Brian, how do you like it?
Shepard takes in the car.

SHEPARD
It's a beauty. How was Hong Kong?

WHITACRE
Real good-- we're going to be
taking the lysine prices up again.
He hands Shepard an envelope.

SHEPARD
We're gonna wanna hear how the
company responds when we move in.
Shepard hands him some tapes and batteries. He grabs the
BRIEF CASE off the backseat.

SHEPARD
You want me to load you up right
now?

WHITACRE
That's okay, Brian. It's kind of
packed with work anyway.
Whitacre stops Shepard from opening the case-- he takes the
tapes and puts them in his lap.

WHITACRE (CONT'D)
I'll see you at the briefing.
Whitacre watches Shepard walk away then opens the briefcase.
ANGLE ON THE BRIEFCASE
It's filled with TENS OF THOUSANDS IN CASH.

WHITACRE (V.O.)
Marty Allison, Sid Hulse, and the other guys will understand-- they've worked with me.

WHITACRE (V.O.) (cont'd)
They saw what I was trying to do for everyone... Those guys know me--They'd back me up all the way-- family and friends are the most important thing. That's the lesson.

99 INTERIOR WHITACRE MANSION- MASTER BEDROOM- MORNING 99
Whitacre picks a tie to go with his TAPE RECORDER SUIT. He sees good things on the horizon. But, Ginger's got another point of view.

GINGER
Mark, are you an idiot?

WHITACRE
I'm gonna be the only one left. Dwayne will be gone. Mick will be gone. Terry will be gone. I'm going to be the only one who can run ADM.

GINGER
That's totally illogical. How can you possibly stay there when you've dust taken down the company? You think they're going to pat you on the back?

WHITACRE
I'm next in line.
GINGER
It's the FBI, right? They're brainwashing you. Brian Shepard put these ideas in your head to keep you working for him. She storms out-- Whitacre checks his hair in the mirror.

WHITACRE
I'm telling you, they're gonna make me president.

SHEPARD

(PRE-LEAP)
How's your family doing?

100 INTERIOR HAMPTON INN- EVENING 100
Shepard, Herndon, Whitacre, Mann, Mutchnik and A HOST OF OTHER AGENTS prepare for the raid. The cheap hotel room has been transformed into a COMMAND CENTER.

Draft: 1/15/03 90.
There's a MAP OF DECATUR on the wall with push-pins at various locations and A CHART of which agent will contact which ADM executive.

WHITACRE
They're good. They'll be at an amusement park when you guys make your move.

ROBIN MANN
Whatever happens tomorrow, it may be in your best interest to get an attorney who represents your interests alone. Whitacre is confused.

WHITACRE
You want me to go and hire an attorney now?

HERNDON
No, not now...
MUTCHNIK
The first thing that's going to happen is the company lawyers are going to come to all the executives with a list of attorneys for you to pick from. You gotta understand, these attorneys are being paid by ADM. They don't represent you. Do not take one of these attorneys, that's when you say to them that you have your own attorney.

SHEPARD
Tell them you've decided to cooperate with the government.

MUTCHNIK
It's perfectly reasonable for you to cooperate. It happens all the time.

WHITACRE
Well, I know a lawyer in Decatur...

SHEPARD
No, Mark. The town's too small.

MUTCHNIK
I'm sure you've met lawyers in your business dealings who can handle this.

Draft: 1/15/03 91.

WHITACRE
Oh, definitely.
He searches his mind for who that might be.

SHEPARD
Now, Mark once this thing starts it's going to be intense.
They're going to know that somebody was on the inside working with us. They're going to do almost anything to find out who it is.
WHITACRE
You guys still think everything will work out okay for me at the company? They'll take out the bad guys, but I'll be okay?

101 INTERIOR DECATUR CLUB DINING ROOM–CONTINUOUS 101

TERRY WILSON
Come on Mark, you're making that up.

WHITACRE

TERRY WILSON
There you have it from Mark Whitacre, Ph.D. You know what the Ph.D. is for? Piled Higher and Deeper.

VISITING CLIENT
And let me guess, Daniels was killed by a pig and the cows got Midland? Booze soaked laughter all around.

ANGLE ON HERNDON AND SHEPARD
At the hostess stand whispering-- the hostess drops her menus.

Draft: 1/15/03 92.

TERRY WILSON
So, a chicken got Archer-- but
fifty years later when you look at
our deals with Tyson, Foster Farms--
what's the body count?
More laughter. The agents walk up to the table.

HERNDON
Excuse me. Mr. Wilson, Mr.
Whitacre-- I'm Bob Herndon and I'm
an FBI agent. This is Special
Agent Shepherd.

WHITACRE TERRY WILSON
Jesus, what is it? What's What's this about?

SHEPARD
Why don't we step over there.
Wilson is baffled. Whitacre feigns surprise-- they both look
to their client.

TERRY WILSON
I have no idea what this is.
Wilson gets up from the table. Whitacre is shaken.

TERRY WILSON (CONT'D)
Do I need an attorney.

WHITACRE
Attorney? Christ.

HERNDON
Mr. Whitacre, if I can ask you to
step outside with Agent Shepard and
Mr. Wilson, if you could have a
seat.
The men move away from the table leaving the Visiting Client
baffled and all alone-- a STUNNED WAITRESS approaches him.

STUNNED WAITRESS
Would you like to see the dessert
menu?

102 EXTERIOR DECATUR CLUB-- EVENING 102
Shepard and Whitacre descend the steps of the club and head
for the FBI cruiser.
WHITACRE (V.O.)
I saved a guy once at a restaurant in Hong Kong. He was choking on a bone and I got him to throw himself over the back of his chair. He sends me cards on holidays... Just to say thanks...tells me what his kids are studying. He remembers me.

103 INTERIOR DECATUR CLUB VESTIBULE- CONTINUOUS 103

Herndon and Wilson.

TERRY WILSON
You have a reason for embarrassing my colleague and I in front of a business prospect?

HERNDON
Mr. Wilson you're president over at Archer Daniels Midland Corporation, correct?

TERRY WILSON
I run the corn business.

HERNDON
This is a serious matter. It involves an international investigation into price fixing...

104 EXTERIOR DECATUR CLUB- SIMULTANEOUSLY
Shepard and Whitacre.

SHEPARD
Why don't we talk in the car.

105

105 INTERIOR DECATUR CLUB-CONTINUOUS
Herndon and Wilson.

HERNDON
We've seen you and your boss, Mick Andreas, conspire with your competitors to fix prices. We've seen you tell others to do it.
106 INTERIOR ARCHER, DANIELS HEADQUARTERS- NIGHT
FBI agents flash badges and warrants to a night security guard and fan out down the corridors—entering offices, seizing documents.

HERNDON (V.O.)
There are going to be indictments. Search warrants have been issued...

107 EXTERIOR NICE NEIGHBORHOOD DECATUR, ILLINOIS- NIGHT
FBI agents roll up the drive way and approach a middle aged man watering his plants.

HERNDON (V.O.)
and some people, people you know and work with will be going to jail.
The middle aged man drops the hose and goes inside with the FBI agent. Pull back to reveal two other houses on the street have FBI CRUISERS parked in their driveways.

HERNDON (V.O.) (CONT'D)
We're giving you a chance...

108 INTERIOR DECATUR CLUB-CONTINUOUS
Wilson sits motionless cradling his high ball. Out the window, Whitacre and Shepard are just shapes in the Dodge.

HERNDON
A chance to be able to look your grandchildren in the eye someday and tell them you did the right thing...

WILSON'S POV
Wilson looks out the window and sees Whitacre in the FBI cruiser.

109 INTERIOR SHEPARD'S CAR- NIGHT
Whitacre and Shepard watch Herndon and Wilson in the foyer. Whitacre is in the middle of an adrenaline rush two-and-a-
half years in the making.

Draft: 1/15/03 95.

WHITACRE
Look at that, look at Bob and Terry. Man, I'd love to be a fly on the wall for that one. I was good wasn't I? I seemed scared. Shepard tries to calm him down, get him to focus.

SHEPARD
Remember what we told you, Mark: tell them that you're cooperating first thing and whatever you do, do not take one of their lawyers.

110

110 INTERIOR WHITACRE'S MERCEDES BENZ COUPE- NIGHT
Whitacre and Wilson. Whitacre is in a feigned panic.

WHITACRE
What did you say to your guy?

TERRY WILSON
Nothing. I told him nothing. Slow down.

WHITACRE
Me, too.

TERRY WILSON
He said he had tapes-- that he'd heard price fixing tapes. . .What the fuck is that? I can't believe they would pull this shit on Dwayne Andreas...
The car skids into a turn up a very long drive toward the kind of mansion that comes from price fixing.

WHITACRE
I bet they tapped the phones-- I always said that about them. I bet it's phone calls.
TERRY WILSON
Maybe, but what's that?

WHITACRE
You know, I get phone calls from time to time, Terry.

TERRY WILSON
I know, I know.

Draft: 1/15/03 96.

WHITACRE (V.0.)
Terry never liked me...He's a dinosaur. A fossil. The Andreas' bully, is all he ever was. He was never going to run the place. Those guys never do, they just use them to find the land mines...
MICK ANDREAS, Mid 40's appears in the headlights-- shirt untucked, holding a drink.

111

111 EXTERIOR ANDREAS MANSION DRIVEWAY-- CONTINUOUS
Gnats swarm around the yard lights-- crickets chirp out the temperature.

ANDREAS
We're going to the lawyers-- I don't want to use the phones.

WHITACRE
See, the phones.

ANDREAS
They hit everyone-- my Dad, Schmidt, Randall...

WILSON
Fuck me.

ANDREAS
They played me a tape-- of me--
some meeting with the fucking japs.
I called the lawyers... They want us
to go there.

TERRY WILSON
They played a fucking tape!

ANDREAS
I really don't think they've got
that much and when you factor in
everything we've ever done for them
.It'll be a ten year thing for
the lawyers then there'll be some
deal, maybe a fine... That's all
it'll ever be.
Wilson and Andreas get in one car-- Whitacre gets in
another.

WHITACRE (V.O.)
Mick should've been more of a
friend to me.

(MORE)

Draft: 1/15/03 97.
WHITACRE (V.O.) (cont'd)
Taken me into his confidence more
just about different kinds of
things...I could've kept some of
the tapes out of it...The ones
about girls or whatever-- those are
gonna be tough to hear on the
nightly news...

112 INTERIOR FBI OFFICE, DECATUR- LATER 112
The small room is abuzz with agents reporting in. A
successful raid.

WHITACRE (V.O.)
.I could've turned the tape
recorder off and told Brian and Bob
I ran out of batteries...

SHEPARD
Do you think it went well?
I don't think I would change a thing.
A phone rings somewhere-- an agent answers.

I got Agent Temples for Attorney Mutchnik.
Mutchnik-- sharing in the joy of the success takes the phone.

They would've believed me. Brian and Bob really trusted me...

AGENT TEMPLES sits in his car outside the house on his cell phone.

I just interviewed an ADM employee, Kirk Schmidt...

Yeah...

Schmidt knew we were coming. He said Whitacre told him about the raid days ago.

Mutchnik hangs up the phone. One unhappy guy in the midst of a lot of law enforcement back-patting. He turns to Shepard and Herndon.

Bob, Brian-- can I talk to you guys for a second...
Whitacre listens to the farm report on WSOY as he heads down Highway 36. He turns into the HOLIDAY INN and parks next to the tennis courts behind the hotel--A LITER BOTTLE OF COKE rolls around in the wind.

WHITACRE (V.O.)
The metric system never panned out. We all had rulers with inches on one edge and centimeters on the other--I pronounced it centimeters instead of centimeeters--and nobody ever corrected me. They just let me walk around stupid so I'm not really upset we never crossed over, although it's helpful in Europe. The liter bottle is the only thing that ever caught on, because it's a nicer word--liter--than quart.

A sedan pulls up next to him. Herndon and Shepard climb in.

WHITACRE
You guys were great. I mean you scared the hell out of Terry and you should've seen Mick and the lawyers.

SHEPARD
That's super, Mark.

WHITACRE
And the best part is, they think you gave me the once over.

HERNDON
Did you make a tape?
Whitacre again reaches into his pocket and pulls out a small tape recorder.
WHITACRE
Yeah, and it's good stuff. It's real good.
He hands the agents the tape.

WHITACRE (CONT'D)
So, it's pretty much over now.
Whitacre nods— a moment to savor, until...

SHEPARD
Mark, who did you tell?

WHITACRE
What? What do you mean?

SHEPARD
Who did you tell about the raid.
Shepard is furious, he glares at Whitacre.

WHITACRE
Hey, I had to tell my secretary. I told her a long time ago. I just said, "look I'm working with the FBI on some things, I may be out of touch for a while. That's all... Shepard still glares.

WHITACRE
And, uh, I've probably mentioned Kathy Dougherty, in my division. She's a dear friend and a trusted ally. I didn't want her to be scared.

SHEPARD
Why did you do that, Mark? Why did you tell Dougherty?

WHITACRE
Like I said, I didn't want her to be scared. And I can trust her. Guys, I can trust her. Shepard glares in harder, his voice cracking.

SHEPARD
Who else?
Mmm...Kirk Schmidt. I wanted to let him know it was okay to talk with you `cuz he might not on account of he's loyal to me.

Shepard explodes.

You could have ruined this entire operation. Two and a half years...

Time out. Mark, you know what you did was wrong in our eyes...

Don't...Don't. Look, we can get past this. But is there anything else we need to know? Anything? A beat. Whitacre regains his composure.

No, I can't think of anything, Bob.

Whitacre strolls through the lobby amazed at the mayhem he's created. Documents are being carted away by the arm load. Secretary's make frantic phone calls to lawyers.

Selenium deficiency in chicks causes reduced growth and pancreatic atrophy and increased mortality. But, does anyone here know that? It's in my Ph. D. Thesis...You can solve it with vitamin E. Mick and Terry-most of the people-- they don't even have Ph. D.'s. They wouldn't have the slightest idea about what selenium deficiency can do to a chick. But, I know it, I did the research.
A small smile of accomplishment.

Draft: 1/15/03 101.

Whitacre sits in his office. From his POV he can see the GREAT AND POWERFUL Dwayne Andreas, 70, Mick and Terry cross the chaotic trading area toward his office— with them are two STARCHED AND SUITED OLDER MEN who can only be a LAWYERS—

AUBREY DANIEL and JOHN DOWD.

WHITACRE (V.O.)
Dwayne Andreas, hey, how ya doin'? Sorry about the FBI arresting your son and investigating your company... Maybe you all should've listened to me.
The smile vanishes. Is he found out?

DWAYNE ANDREAS
Mark Whitacre, this is Aubrey Daniel.

AUBREY DANIEL
Pleasure meeting you. I'm representing ADM in this matter. And this is a colleague of mine John Dowd. Dwayne's told me about your responsibilities here...

They shake hands.

DWAYNE ANDREAS
Aubrey defended Lt. Calley after the My Lai massacre in Viet Nam... So this ought to be a cake walk for him.

AUBREY DANIEL
We thought you might take some time and talk to John here.

MICK ANDREAS
ADM's going to stand behind you on this, Mark. Dad and I want the key people to know we'll be paying their legal fees.

WHITACRE
Great, that's great.

DWAYNE ANDREAS
Then we'll let you fellas get acquainted.
Everyone leaves except for Dowd and Whitacre. Dowd gives Whitacre a warm, knowing look.

JOHN DOWD
How you holding up, Mark?

Whitacre
Uh, can I ask you something?

JOHN DOWD
Sure. Anything.

WHITACRE
If I tell you something are you allowed to say anything to Mick or Dwayne?

ANGLE ON WHITACRE'S OFFICE
From the trading floor. Dowd gets up and pulls the curtains shut. Through a crack in the drapes we see Whitacre and Dowd talk.

WHITACRE (V.O.)
It feels good to talk, to clear the air-- you get to be like a balloon after a while. A balloon looking for a pin to bump into and relieve the pressure. You could get sick from keeping it inside and get a tumor or something. I didn't ask for that. Why should I pay for my own legal fees when I'm not the one
who started the price fixing.

117 INTERIOR FBI OFFICE DECATUR- EVENING 117
Herndon and Shepard stand over a similar sea of documents--exhausted.

WHITACRE (V.O.)
People get their live's earnings wiped out by these legal entanglements ... I'm gonna pay for that? That's not right, I have kids and Ginger and horses...

118 EXTERIOR ADM- LATER 118
Twilight. From the parking lot you can see two men still talking in the fluorescent light of Whitacre's office.

Draft: 1/15/03 103.

WHITACRE (V.O.)
I have a friend from school who has a law practice and he's always telling me how they can't talk about their cases- Like in The Firm... You can tell them anything and they have to keep to themselves or they get in a lot of trouble- They're boxed. That's what they say, "boxed."

119 INTERIOR ADM TRADING FLOOR- LATER 119
A GROUP OF LAWYERS sit among boxes of pizza and beer. The drapes finally open in Whitacre's office. Dowd and Whitacre emerge. Dowd looks stunned, Whitacre solemn. Wilson, Daniel, Mick and the other lawyers stop what their doing and look up.

WHITACRE
I need to tell you that I'm cooperating with the government. The FBI has hundreds of tapes. They know all about lysine. John here agrees I should be getting another lawyer.
JOHN DOWD
No question about it.
Dowd and Daniel share a knowing look. An uncomfortable silence follows.

WHITACRE
I'm sorry for what's happened.

ANDREAS
Sorry? What's that?
Whitacre shakes Mick Andreas' hand and walks away. The men are all stunned, they watch him leave.

AUBREY DANIEL
John, I bet that SOB was wearing a wire on you tonight, too.

120 INTERIOR ADM- THE NEXT MORNING 120
Whitacre crosses the room; the object of cold stares and hard silence.

WHITACRE
Hey. . .Good morning.

Draft: 1/15/03 104.
To nobody in particular and nobody responds. He enters his office and closes the drapes.

WHITACRE (V.O.)
(NERVOUS)
There are perfectly good ties on sale and nobody is buying them. Paisleys and yellow and red Rep ones with little crests and what have you. Two for one. You just have to take the time and look, there are plenty of good ones...
But, when he looks up AUBREY DANIEL is standing there--- all arrogance and anger concentrated into a very intense beam of language.

AUBREY DANIEL
Mark, we'd like you off the
premises.

WHITACRE
Uh, Mr. Daniel, can't we...

AUBREY DANIEL
Management wants you out...

WHITACRE
But, I'm a VP here...
And with that MARK CHEVIRON picks up his briefcase and car keys.

CHEVIRON
Let's go.

ANGLE ON BRIAN SHEPARD AND HIS ADOPTED SON
Seen through the front window of a car baring down on them as they work on an OLD FORD MUSTANG MACH ONE. Shepard reacts to the camera-- he can't believe what he sees.

WHITACRE (V.O.)
(bitter little boy rant)
How would Brian Shepard like it if he was thrown out of his job? If he was humiliated in front of his secretary? If he even had a secretary. Not very much I'm willing to wager.

(MORE)
brings his TOWN CAR to a screeching halt in front of Shepard.

    SHEPARD
    Mark, you can't be here.

    WHITACRE
    They threw me out, Brian.

    SHEPARD
    You're jeopardizing everything.

    WHITACRE
    Tossed me out of ADM. I'm out.
    Shepard backs away from Whitacre like he's a leper.

    SHEPARD
    Not here, Mark-- on the phone we can set something up.

    WHITACRE
    You gotta help me.
    Whitacre looks around-- all the houses have eyes. A LITTLE NEIGHBOR BOY has stopped playing catch with his MOTHER and both are now staring at Whitacre and Shepard-- as are a group of CITY WORKERS fixing a telephone wire.

    SHEPARD
    If you need to talk, call me.
    Whitacre gets back in his car. Shepard watches him drive away-- over his shoulder we hear the phone ringing.
    Whitacre parks at the far end of the street.

122

122 INTERIOR WHITACRE'S TOWN CAR- CONTINUOUS
Whitacre is freaked out.

    SHEPARD (O.S.)
    Mark, you can't show up at my house. How can you know me if this is a secret investigation?
WHITACRE
They know. They know it's me, my lawyer told them.

SHEPARD (O.S.)
What? What lawyer?

WHITACRE
I fired him right away, but he told Mick and Dwayne.

123 INTERIOR SHEPARD'S HOUSE- CONTINUOUS 123
Shepard paces the kitchen, staring out the window at Whitacre who is parked down the street.

SHEPARD
A lawyer can't do that, Mark.

WHITACRE (O.S.)
I thought that, I did. Mick and Dwayne introduced me to this guy and I told him...

SHEPARD
Who introduced you?

WHITACRE (O.S.)
Mick and Dwayne said they were going to take care of me. Shepard can't believe Whitacre gave himself away.

SHEPARD
Mark, we told you not to talk to an ADM lawyer. We went over that more than once. I think we made it very clear.

124 INTERIOR WHITACRE'S PARKED CAR- CONTINUOUS 124

WHITACRE
I know, I know I do. I just don't know one. No ideas.

SHEPARD (O.S.)
Let me make a call.

WHITACRE
You're not mad at me for coming over are you, Bri?
125 INTERIOR LAW OFFICES OF EPSTEIN, ZAIDEMAN- DAY 125

JIM EPSTEIN, 43, and BOB ZAIDEMAN, 50, sit with Mark Whitacre in their offices in the Loop. Whitacre recounts his life as a mole in a rambling fashion—leaping tangent to tangent.

EPSTEIN
So, there wasn't a saboteur in the beginning at all? You made that up?

WHITACRE
Maybe there was, there could've been—ADM steals technology from the Japanese—so I wouldn't put it past the Japanese to do the same thing. But after I told them that I made it up the FBI said I didn't have much of a choice.

EPSTEIN
And you began making tapes...How many tapes did you make?

WHITACRE
There are over 200 tapes. I there are so many really nice carried a tape recorder people in the world. People almost everyday to work once who want to help out. Good I signed a cooperating neighbors. Good listeners. witness agreement, and then Like when they have these they gave me a special brief floods out on the Mississippi case that I took to meetings and people lose everything that had a hidden recorder in and are sleeping in a school it—-they even sewed a small gym, someone always shows up one they just developed into with a warm coat for the old my suit and I'd ride around people and a home made pot on the plane and tape Mick roast. That's why Ginger and the guys talking about I bought that girl in town a price fixing or stealing special computer after she
technology and illegal had the spine injury. That campaign contributions, just kind of thing really makes a whatever we'd talk about. We difference. Jim here strikes made over a hundred tapes--me as that kind of guy, you and Brian and Bob and I would can tell he's the one-in-a-get together a couple times a hundred guy who when you come week and work on the into the emergency room, you investigation until we thank your lucky stars that briefed the lawyers at the it's his watch. Department of Justice and they raided the place.

Draft: 1/15/03 108.
Epstein can't believe it.

**EPSTEIN**
For how long did you do this? Work as an informant?

**WHITACRE**
Uh, two and a half years. I was a VP and a cooperating witness.
A moment of reflection and then...

**WHITACRE**
I've always thought when this was over there'd still be a place for me at ADM. I still got a lot of friends there.
The lawyers look at each other.

**EPSTEIN**
Mark, it's very important to your case that you not discuss it with anyone else. These people you work with, your friends, they could end up being witnesses. So Bob and I are the only people I want you to talk to about this from now on and I want you to know you can tell us anything.

**WHITACRE**
Hey, thanks for taking the time. I really appreciate it. I feel a
whole lot better.
Whitacre leaves. Epstein and Zaideman try and absorb what they've just heard.
Then they burst into hysterical laughter.

KILMAN
I know this is a difficult time for your family. But, I've seen how these things go before-- these companies really go after the whistle blowers.
Kilman lays out what he knows for Ginger. She listens briefly and then walks Kilman back to his car.

Ginger watches Kilman drive away and then turns and walks toward the stables.

**GINGER**
Mark? He left. You can come back.
Whitacre emerges from among the tall stalks of corn where he's been watching.

I'm sorry you got dragged into this.

**LIZ TAYLOR**
And then they started asking me for the access code to your voice mail. Whitacre panics.

**WHITACRE**
Did you tell them? I don't think
you have to tell them that.

LIZ TAYLOR
well, according to them I do-- but I didn't. And about two hours later Peterson told me to clean out my desk. He said I've been transferred out of Bioproducts.

WHITACRE
But, you didn't tell them?

128 EXTERIOR ADM PLANT- DAY 128
Whitacre is parked in his MERCEDES across the road staring through the chain link fence. Trucks rumble by.

WHITACRE (V.O.)
Abe Lincoln was born 45 minutes from here and I've never been to his log cabin. I've seen post cards and I sent the kids there on a field trip. But, I've never gone. I'm sure it's very well preserved. Original beds and dining room tables and the doorways are probably smaller from when people were shorter...It's only 45 minutes away...

129 EXTERIOR WHITACRE MANSION- DAY 129
Whitacre stands with the leaf blower-- but the driveway is spotless. He shuts it off. Behind him is SCOTT KILMAN.
I'd like to talk to you about what's been going on at ADM.
A beat. He hands Whitacre a card.

I'm interested in hearing your side of things.
Whitacre takes a paranoid look around.

We better go inside. We can't talk out here.

Whitacre makes himself a bowl of cereal and talks on the phone. He's fully caffeinated and ready to go.

They kept coming back Brian, and they only had ADM's side of things.

Did you talk to them, Mark?
What did you say? It's real important that you not talk to the press.

Me? I told him I had no comment.
But, they already had the story.
A beat. On the counter is a NEWSPAPER. Whitacre hangs up the phone.

Headline: SEEDS OF DOUBT: AN EXECUTIVE BECOMES INFORMANT FOR THE FBI, STUNNING GIANT ADM.

SHEPARD
We told Mark that he had to expect
the unexpected-- that he might be
attacked-- that he wasn't going to
win any popularity contests for
this.

GINGER
He just mopes around here watching
the news looking for a glimpse of
himself. Or, he calls someone from
ADM looking for the latest gossip.

135 EXTERIOR ROADSIDE MOTEL BLOOMINGTON, ILLINOIS- DAY 135
Whitacre gets out of the car with a brief case and heads
into
the hotel.

136 INTERIOR WHITACRE LIVING ROOM- CONTINUOUS 136

SHEPARD
Maybe you guys should get out of
town until the hearings start.

HERNDON
He's got to stop talking to people
that can really come back to bite
him...

GINGER
He's very proud, you know...

137 INTERIOR ROADSIDE MOTEL ROOM- DAY 137
Whitacre fixes his hair and smiles. A CAMERA FLASHES.

GINGER (V.0.)
.I just feel that after
everything he's done he should be
taken better care of...
Where is he now?
Beat.

He said he was going to see you.

A camera flash punctuates his words as Whitacre's story pours itself into RONALD HENKOFF'S, 38, tape recorder.

They had warned me that I would need an attorney and told me not to get one tied to ADM, but they didn't stress it...I spent from six to ten that night talking to John Dowd the attorney from ADM. Dowd promised me he wouldn't tell anyone my role. But, the next day someone at ADM called me and said, "Hey, Dwayne told me you're the mole. You're the one who caused all this..."

And then what happened?
Whitacre's story comes out-- in both directions.

It's been pure hell ever since. I really believed I believe I'd ever go to an Ivy was doing a good deed. I league school-- but I did. still think that. I won't They didn't believe I'd get a ever regret that part. I Ph. D.-- but I did that, too. still think I did a good Maybe Cornell isn't Harvard, thing...Just a few weeks ago but they play each other in
I was potentially the next sports. When I was twenty-president of the company. I eight I wanted to be making have that on tape, and now twice my age-- and I did. it's pure character Then the goal was three times assasination. Here's what's my age by the time I was being said about me at ADM: 30... I'm 38 and I'm making that I wasn't a good manager, well over ten times my age, that I wasn't good with and I'll be on the cover of people. That the feds caught Fortune Magazine for cleaning me at price-fixing. up one of the biggest companies in America...And I was just an average student in high school.

WHITACRE (CONT'D)
I never dreamed of being a whistle blower. And I would tell other people in this kind of situation to take a stand. Try to solve the problem internally. Go to the top.

(MORE)

Draft: 1/15/03 116.

WHITACRE (CONT'D)
If that doesn't work go to the authorities...

140 INTERIOR ADM BOOKEEPING DEPT 140
SCOTT ROBERTS, an ADM attorney, thumbs through records. He's examining a file entitled: ABP INTERNATIONAL.

WHITACRE (V.0.)
The bottom line is that I know my story will eventually be confirmed by the FBI. There's no reason for me to put out a story they're not going to confirm... It would be crazy.

ANGLE ON THE PAPERWORK
Contracts citing various sums of money and photo-copies of checks.
ROBERTS HOLDS TWO PAGES UP TO THE LIGHT. AND THEN RUNS DOWN
THE HALL WITH THE PAGES.

WHITACRE (V.0.)
It's all on tape, everything that happened.

141 INTERIOR ADM- MICK ANDREAS OFFICE- EVENING 141
Mick, Dwayne, Roberts and Aubrey Daniel stand before the
window. The pages are taped to the window.

ANGLE ON THE PAGES
The two signatures eclipse each other perfectly.

ROBERTS
You can see where he pasted it.
Aubrey Daniel picks up the phone barely able to contain his
glee.

142 INTERIOR WHITACRE'S CAR- SIMULTANEOUSLY 142
Whitacre races the Ferrari down a two-lane in the middle of
the farm fields of South Central Illinois. The phone rings
and he answers cheerfully.

WHITACRE
Mark Whitacre.

Draft: 1/15/03 117.

I

AUBREY DANIEL (O.S.)
Hello, Mark? It's Aubrey Daniel.
I think you forgot something?
Whitacre pulls over onto the shoulder. He looks at the cell
phone in dismay and stares at a Polaroid of himself from the
Fortune Magazine photo shoot-- he's smiling in the picture.

WHITACRE (V.0.)
One of the things I've learned in
business is that you should always
use a person's name in conversation
if you want them to feel
important... Sid Hulse and Marty
Allison think that and they're very successful salesman...

143 EXTERIOR CHINESE RESTAURANT, TAYLORVILLE- DAY 143
Whitacre gets out of an FBI cruiser with Herndon and Shepard and the three men walk toward the restaurant in rural Illinois.

WHITACRE (V.O.)
It makes people feel like they're definitely being told something they can use...
They enter and the HOSTESS gives them a table up front.

WHITACRE
You got anything open in the back?

WHITACRE (V.O.)
Just by putting their name in there at the beginning or the end.
The men sit at a table in the back. A beat.

WHITACRE
Brian, Bob, my attorney's telling me not to say anything, but there's something I've wanted to talk about for awhile.

HERNDON
Don't tell us anything. You have an attorney now. This isn't like before. Let's just talk.
Shepard tries to change the subject.

Draft: 1/15/03 118.

SHEPARD
You been playing any golf?
Whitacre doesn't want to "just talk."

WHITACRE
They want to talk to me at ADM.

HERNDON
Mark, you understand your lawyer has advised you not to discuss this matter?

SHEPARD
We're not asking you.

WHITACRE
Let me throw out some "hypotheticals." I'll talk about some financial situations and you tell me if they're wrong or how serious they might be, OK? For instance, suppose a company gave an executive a car, you know, a corporate car. But instead of driving it to work he drove his personal car and gave the company car to his daughter. Would that be a problem?

HERNDON
That's it? That's the hypothetical? The agents try not to laugh. After what Whitacre has given the government-- a little undeclared perk is nothing.

SHEPARD
That shouldn't be a problem.

WHITACRE
What about if an executive used a corporate plane for personal use?

HERNDON
Basically, it's the same thing.

SHEPARD
There may be some IRS issues but...

WHITACRE
What if, hypothetically, the activity involved kickbacks by corporate executives?
There are plenty of ways companies try and attract business. Dinners for clients, tickets for sporting events...

It's not ethical but it's done. A beat. Then Whitacre goes on.

Uh, is this conversation on or off the record?

What if the company regularly accepted kickbacks to executives in the form of cash? Shepard drops his fork. Hold on Shepard.

How much money are we talking about Mark? Whitacre pauses, clears his throat.

Five hundred thousand.

How much???

Whitacre shrinks from the admission like a puppy who just crapped on the rug.

It's how things were done there.

When did this start, Mark?

December of 1991. Shepard can't believe it.

You, You... And how were you paid?
E

WHITACRE
By check. They we're deposited in various accounts. And always under 10,000 dollars.

SHEPARD
And did any of these checks come in after we met?
Whitacre pauses.

WHITACRE
Maybe a couple.
The agents try and control their anger.

SHEPARD
Who else knows about this?

WHITACRE
Nobody.
Herndon loses it.

HERNDON
Come on, Mark-- you just said it's how things were done at ADM. Now, is there anything else you're involved in? Anything else you need to tell us?

WHITACRE
Just what I told you.

HERNDON
I'm asking you one more time.

WHITACRE
The 500 and that's it. Definitely.
Whitacre nods. He asks hopefully...

WHITACRE
This isn't going to affect the
price-fixing case, is it?
The three men get up to leave.

WHITACRE (V.O.)
I feel good about that. Hey, I
don't see what the big deal is.
They said help us with the price
fixing and I did-- the two things
are totally unrelated...

Draft: 1/15/03 121.

144 EXTERIOR DEPT OF JUSTICE, WASHINGTON, DC- DAY 144
Aubrey Daniel and a PHALANX OF A LAWYERS ascend the steps of
DOJ.

WHITACRE (V.O.)
Besides, Mick knew about it,
definitely... He's the one who
taught me to do it in the first
place.

145 INTERIOR DEPARTMENT OF JUSTICE, WASHINGTON DC- DAY 145
Aubrey Daniel and a cadre of CORPORATE ATTORNEYS sit at a
conference table with Mann, Mutchnik and U.S. ASST. ATTORNEY
GENERAL GARY SPRATLING. An overhead projector displays the
forged contracts on the wall.

WHITACRE (V.O.)
When you look at what went on with
all the price fixing they did or
the Federal Building being bombed
in Oklahoma City, why are we
focusing on me getting a half-
million in kick-backs along with
everyone else?

AUBREY DANIEL
Two point five million dollars.
Deposited in a bank in Switzerland
while Mark Whitacre was on ADM
business. We have sworn testimony
from Mr. Lennart Thorstensson of
the ABP Corporation that he's never
seen this contract before and that his signature has been forged. He and his company never received this check...

As Daniel speaks one of the younger lawyers passes out a folder of affidavits and other documents supporting his claims.

**AUBREY DANIEL**

It is clear to us that Mark Whitacre, driven by his own boundless ambition to take over ADM, has attempted to frame his superiors in a price fixing conspiracy of his own invention so that he could seize control of the company...

Draft: 1/15/03 122.

Mann and Mutchnik can't believe what they're seeing in the black folders.

**AUBREY DANIEL**

His cooperation with the government is merely a smokescreen for his lying and stealing. We have additional information that we are prepared to share with Attorney General Reno that the money has been moved to an account in Grand Cayman with the full knowledge and complicity of Whitacre's FBI partners...

And under...

The DOJ lawyers stare at the table--searching for the rest of their careers.

**WHITACRE (PRE-LAP)**

The moon and the sun are up at the same time...

**146 EXTERIOR WHITACRE MANSION- MORNING 146**

Whitacre is out with the leaf blower--the driveway is spotless. The MOON is up during the day.
WHITACRE (V.O.)
I wonder if there's a name for that. We don't have very many moons compared to other planets. What does Jupiter have? Eleven. They aren't scientists—Mick and Dwayne—they don't have Ph. D.'s., but I'm the one having to pull my kids out of school for doing the right thing...

147 INTERIOR FBI SPRINGFIELD—DAY 147
Shepard and Herndon appear before their bosses—Paisley and Medford. Shepard is irate, Herndon is a little more circumspect.

WHITACRE (V.O.)
They need to dig deep, then they'll find out how high it goes—it's there they just need to look and they'll see...

Draft: 1/15/03 123.

SHEPARD
What are they accusing me of? I want the specifics? Are they saying I'm in cahoots with the guy? Medford and Paisley don't want to answer this.

MEDFORD
Paragraph eight in our agreement with Whitacre states that his actions are directly attributable to the FBI and the US...

SHEPARD
But, how could we know what he was doing? He came to us...

PAISLEY
The question they're asking isn't 'how could we know?' It's 'why didn't we know?'
HERNDON
The question is 'were they fixing prices?'
Medford and Paisley share a look.

MEDFORD
The investigation has shifted from ADM to Whitacre.

SHEPARD
Of course, ADM decides Whitacre's a thief as soon as they find out he's working for us.

HERNDON
Who's counting the money over there if they can just lose 2.5 Million dollars for a few years and then find it in a few hours?

SHEPARD
We gotta call Mark.

PAISLEY
I don't want you doing that. Shepard and Herndon are confused.

MEDFORD
We're taking you off.

Draft: 1/15/03 124.

SHEPARD
That's it. We're done? I thought the FBI never hung a witness out to dry.

MEDFORD
He's not a witness anymore--- he's a target.

148 INTERIOR LAW OFFICES OF EPSTEIN, ZAIDEMAN- DAY 148
A Sunday afternoon. Epstein and Zaideman try and get a hand on the scope of Whitacre's fraud. Whitacre has shoe boxes of receipts and bank statements.
WHITACRE
I only kept a million and a half--
and Mick knew about it, he knew
these things went on. They taught
me how to do it.
Zaideman and Epstein shake their heads.

EPSTEIN
You can't bullshit these people
tomorrow. Who knows what they know?
If we're going in there we got to
go in with the whole story. Because
the way it gets bad for you is if
you tell them you're confessing and
you don't. Then you are sorely
screwed.
Whitacre looks at his shoe box. He nods.

WHITACRE
This is everything Jim, what I'm
telling you here. I looked
everywhere for the bank statements
and the records. This is every
penny-- I'm not gonna hide anything
from you guys.

149 EXTERIOR DEPT. OF JUSTICE- CHICAGO 149
Whitacre enters the building with Epstein and Zaideman.

WHITACRE (V.O.)
I was never really that good at
chemistry in high school. So I
kept taking it-- just to get good
and wound up with so many chemistry
credits I ended up going into Bio-
Chem.

150 INTERIOR DEPT. OF JUSTICE ELEVATOR- CHICAGO 150
Whitacre, Epstein and Zaideman- on the way into battle.
Whitacre is strangely placid.

WHITACRE (V.O.)
That's really the truth about that--
I wanted to be a veterinarian when
I was kid-- I raised chickens and
rabbits ...Biochem was my advisor's
idea...

WHITACRE
Listen, I haven't been telling you
the whole truth. I'll clear it up
in there today.

ZAIDEMAN
What?
OH, SHIT. Epstein starts desperately hitting elevator
buttons
to stop the approaching doom.

EPSTEIN
We got to get you out of here.
But, it's too late the doors open. Whitacre steps out.

WHITACRE
No. I want to tell them.
Hold on Epstein.

151 INTERIOR DEPT. OF JUSTICE CONFERENCE ROOM- CHICAGO 151
Whitacre surrounded by Epstein and Zaideman who can only
imagine which way their loose cannon will roll. Across from
the DOJ lawyers as far as the eye can see.

ROBIN MANN
Mr. Whitacre's conduct constitutes
a breach of his agreement with the
US government. He is no longer a
cooperating witness.

EPSTEIN
My client has given you years of
his life, clearly he made mistakes,
but he made your case.

ROBIN MANN
We're not here to discuss the case
against ADM.
ED HERBST, early 50's, and MARY SPEARING, 40's, take over--they take no prisoners.

HERBST
Mr. Whitacre, my name is Ed Herbst and I'm with the FBI Economic Crimes Unit. I'd like you to tell me when your criminal conduct at ADM began.

WHITACRE
In early 1992. I learned how things were done there from Mick Andreas. He's the one who taught me how to use embezzlement and kickbacks to make money tax free. Epstein tries to do some damage control.

EPSTEIN
My client is...

WHITACRE
I know the frauds I committed are wrong, and I accept responsibility for them.

HERBST
How did you receive the money?

WHITACRE
Primarily by check. I deposited them in my bank account in Decatur. This seems unlikely. Spearing gets angry--

MARY SPEARING
They paid kickbacks in checks? What company would pay kickbacks in checks? Come on... No one from the government has ever been aggressive toward Whitacre before-- he's thrown.

WHITACRE
I don't really remember the exact name... something like AgriConsulting and Trading, something like that...
MARY SPEARING
You don't remember the name of the company that paid you checks?

Draft: 1/15/03 127.

WHITACRE
I. I've got a lot going on in my life. It's hard to remember.

EPSTEIN
Hey, we're coming to you guys. We're cooperating here and we're going to get the money back. Epstein looks at Whitacre-- this last part might be hard.

HERBST
This might help your memory. He slides the forged ABP documents toward Whitacre.

WHITACRE
Where did you get that?

HERBST
These are ADM records showing the forging of signatures. Whitacre smiles and shakes his head. He sees the conspiracy plainly.

WHITACRE WHITACRE (V.O.)
See, that's how they keep Didn't these people see The people in the fold-- they Firm-- or read the book. tell you to take the money It's all there. Everything and then they use it against they did to me they did to you if you talk. It's how Tom Cruise... I'm not the one they control us. You gotta they should be mad at... realize who these people are...

MARY SPEARING
Is there anything else you have a hard time remembering? Whitacre looks at Epstein. Epstein shakes his head "no" but Whitacre has other plans.
WHITACRE

Umm...I have a few other things to tell you about.
Epstein sighs.

WHITACRE

There were some things I did in Mexico...

Draft: 1/15/03 128.

PULL BACK FROM CONFERENCE ROOM

As Whitacre spills his guts the lawyers look on in bewilderment ... The man is unhinged.

WHITACRE (V.O.)

I raised white mice, too. Chickens and goats and white mice in little cages. They couldn't come in the house. I took care of them-- that was my job outside. One got in one time, I don't know how, and he was found dead by my Mother. This had nothing to do with anything I had done-- he just had died and it was up to me to bring him back to life. I wanted to do the right thing and wear the white hat and that's why I tried to make it all right so he wouldn't have to be dead. All the things I did were for that-- but I couldn't.

152 INTERIOR WHITACRE MANSION LIVING ROOM- NIGHT 152

Shepard, Herndon, Ginger and Whitacre. Mark looks used up-- his hair seems to be graying around the edges. In front of him are a pile of newspapers-- Washington Post, WSJ, Chicago Tribune, etc. Each with a banner announcement of his sins.

HERNDON

We can't see you anymore and if you call us and start to talk about it, we'll have to hang up...

SHEPARD
You can talk to us about your feelings, but that's it. Shepard puts his coffee cup down near the newspapers.

**ANGLE ON WSJ**

7/13/95 Headline reads: YOU DIRTY RAT, SAYS DECATUR ILLINOIS-

**PEOPLE THINK MARK WHITACRE BETRAYED THEM AND ASK WHY HE TURNED TO THE FBI.**

Whitacre nods-- he can't play with his friends any more.

**SHEPARD**

Mark, please understand. This isn't what we want. We've got no choice here.

Draft: 1/15/03 129.

**WHITACRE**

I'll tell you what, my frustration and anger is all coming from my work with you guys. I mean, this stuff in the papers, my kids read that. It's all, "Dump on Mark Whitacre." It's not right. I'm harassed by the media and Mick and Terry are still going to work in the morning.

**SHEPARD**

Remember, Mark, we told you it was impossible to predict what would happen when the case went overt.

**HERNDON**

And you never told us about the Five Million Dollars you took... Ginger has heard this before and can't hear it again.

**GINGER**

He worked for you for two and a half years, he risked his career, his home... And now you turn your
back on him and leave us out here.

WHITACRE
Ginger...
But the damn has burst. She sobs.

SHEPARD
The reason we came today is because we are concerned about your and Mark's well being.

HERNDON
It's important that you tell the people in Washington everything tomorrow-- one hundred per cent.
Whitacre nods. Ginger seethes.

GINGER
You'd have nothing without him and you know it. He's just been used by the government and then thrown away cuz' it's a lot easier to go after Mark Whitacre than anyone named Andreas.
Whitacre stares at the newspapers.

Draft: 1/15/03 130.

WHITACRE (V.0.)
I think a lot of people would come-- a lot of friends... and people would be surprised by just how many there are. Even folks from ADM... The news media would be there for sure...

153 INTERIOR WHITACRE MANSION- MASTER BEDROOM- DAWN 153
Whitacre is sitting on the bed up and dressed when the alarm goes off. He lies across his wife on the bed-- more like a child than a husband.

WHITACRE (V.0.)
Everything would come out.
Brian and Bob would come and I bet one of them would say something about me. Rheinhard would come up
from Mexico. Sid or Marty would
tell people what kind of boss I was
and how I always brought back
presents...

WHITACRE
You'll be OK here with your mom?
Ginger nods groggily. Whitacre leaves the room-- grabbing a
PICTURE OF HIS FAMILY from a bedside table.

154 EXTERIOR WHITACRE MANSION GARAGE- MORNING 154
Whitacre opens the garage door and we see the entire fleet
of
cars he has amassed-- 5 Million dollars buys a lot of
steering wheels. Ferrari, Range Rover, Jeep, etc. Whitacre
selects the BMW convertible. He gets in the car and puts his
brief case in the seat next to him. He opens it and we see
the contents: HUNDREDS OF ARTICLES ABOUT WHITACRE. A
scrapbook from a roller coaster ride. He starts the car and
guns the engine.

ANGLE ON THE GARAGE
The Beemer does not back up-- THE GARAGE DOOR COMES DOWN.

WHITACRE (V.O.)
Jesus died on a cross to save
others from their sins. Jesus was
a hero. I know selfish suicide is
forbidden in the bible.

155 MONTAGE- THE PEOPLE WAITING FOR WHITACRE ARE TOLD HE'S

NOT COMING...

Draft: 1/15/03 131.

DEPT. OF JUSTICE WASHINGTON, DC- DAY
A group of lawyers sit at a table _._A note is passed to

ROBIN MAN. She reads it...

ROBIN MANN
Mr. Whitacre will not be appearing
today...
O'HARE AIRPORT - DAY
Agent D'Angelo gets a call on his cell phone at a departure gate. He turns to his partner, Agent Basset.

D' ANGELO
Whitacre's not coming.

INTERIOR BRIAN SHEPARD'S HOUSE- MORNING
The phone rings-- Shepard answers.

SHEPARD
This morning?

WHITACRE (V.0.)
However, the bible makes it clear that you sacrifice yourself...

156 EXTERIOR WHITACRE MANSION- A FEW MINUTES LATER 156
RUSTY the gardener shows up for work. He gets out of his Pick-Up and kicks a few leaves off the driveway, he adds some chemicals to the pool and then Walks toward the garage-- as he's fishing some keys out of his pocket he notices the sound of a car engine.

WHITACRE (V.0.)
If it's the only way to save your loved ones.

157 INTERIOR WHITACRE MANSION GARAGE- CONTINUOUS 157
The air is thick with smoke. Whitacre is motionless sprawled in the backseat-- drenched in sweat clutching the PICTURE OF HIS FAMILY.

RUSTY
Jesus, no. Somebody help.
Rusty throws the car in reverse and pulls out.

Draft: 1/15/03 132.

ANGLE ON WHITACRE
He opens an eye, but as Rusty looks down at him again he
closes it-- plays dead. 
The car is outside now. Rusty turns off the engine. 
Whitacre sighs heavily.

WHITACRE
Bud, pull the car back into the garage. Pull back in before somebody sees me. 
Rusty pulls the car back in and turns it off. The smoke is still clearing.

RUSTY
Jesus, Mark, what are you doing? 
Whitacre still stretched out in the backseat stares up at the ceiling-- explodes.

WHITACRE
You...You fucking God. You owe me. 
You fucking God. After everything I did. 
Rusty is shocked by the outburst-- this is not the guy he knows at all. He backs away from the car and picks up the garage phone.

RUSTY
Ginger, can you come to the garage?

GINGER (O.S.)
Why? Rusty, what's wrong?

RUSTY
I just need to talk to you.

GINGER
I'm not coming down there unless you tell me what's wrong.

RUSTY
Mark just tried to kill himself and... 
Ginger's piercing scream comes down the phone line. Whitacre is fetal in the backseat-- moaning. 
Ginger and HER MOTHER come flying out of the house screaming. 
They pull Mark out of the car toward the open air as he stumbles, coughing, the family picture clatters across the garage floor. Whitacre jumps on it like a grenade.
Whitacre's kids come out of the house and stand clustered at a distance confused and terrified. Helpless in the face of a fallen parent.

ALEXANDER

Dad?
Ginger turns to her MOTHER.

GINGER

That Goddam Dwayne Andreas did this to him, Mom. He ought to be killed.

WHITACRE (V.O.)

(PRE-LAP)
Sometimes I'd leave the country with a big suitcase full of cash. Walk right through customs...

158 INTERIOR PSYCHIATRISTS OFFICE, CHICAGO- THE NEXT DAY 158
Whitacre lies on the couch talking to DOCTOR MILLER, 60's, genial, soft-spoken. This is not internal, it's therapy.

WHITACRE

.Walk back in with a bag full of jewelry.

MILLER

You never thought you'd get caught?

WHITACRE

That never occurred to me. I mean, I look respectable. Why would they search me? And now they're saying I stole 5 Million dollars. That's what I've been accused of.

MILLER

Did you?

WHITACRE

Yeah. They were paying me 500 grand, but it wasn't enough, I was spending more like eight. So, I took kickbacks. Like I said, it's just what you did if you wanted to
be part of the gang at ADM.

MILLER
Is that how it was when you were a kid; you wanted to be part of the gang?

WHITACRE
One time I got a brand new, top of the line bicycle. And I bragged to everyone about it. I told everybody how much it cost. A beat. Then proudly.

WHITACRE
It cost ninety dollars.

MILLER
How did you come to work for the FBI?

WHITACRE
They approached me. This doesn't make much sense to Miller.

MILLER
How is it that they came to you? Did they know about the price fixing?

WHITACRE
This agent, Brian Shepard came to a number of junior executives at ADM... That's why they approached me. The price fixing hadn't even started yet... Miller is confused by this.

MILLER
But, uh, if no crime was, then-Mark, I'd like to have you
checked into the hospital.
Whitacre looks over at a file cabinet.

**WHITACRE**
Is that where you keep your files?
Is that safe? I'm the main witness against these people. You don't know who you're dealing with—
they'll do anything to win.

159 INTERIOR CAT SCAN FACILITY 159
Whitacre—in his hospital gown—vanishes slowly, head first into the MRI tube.

Draft: 1/15/03 135.

**GINGER (V.0.)**
Over the last few years he's really changed.

**MILLER (V.0.)**
How's that?

160

160 INTERIOR HOSPITAL CAFETERIA— DAY
Ginger and Miller have a cup of coffee.

**GINGER**
He just kept buying things. We have eight cars—three of them we never even use.

**MILLER**
Anything else?

**GINGER**
I was always the one with the temper and Corky was the happy one—but that's changed too. Since he said he'd cooperate with the FBI—
his become so intolerant of everyone...
MILLER
Why do you call him Corky?

GINGER
He's had that name since high school. He was like a champagne cork always flying off somewhere.

161

161 INTERIOR DOCTOR MILLER'S OFFICE—ANOTHER DAY
Whitacre looks beaten. His voice is cracking— he's distracted. Not very "Corky" right now.

WHITACRE
There's one in Hong Kong. And then there's the bank accounts in Switzerland and Grand Cayman... Other things—There's a lawyer in New York who has a million dollars of mine.

MILLER
And have you told your attorney the truth about all of these accounts?

Draft: 1/15/03 136.

WHITACRE
No, but I don't need to. The other assets are legal— definitely.

MILLER
You need to tell your attorney...

WHITACRE
I don't know if I can trust him.

MILLER
Mark, has anybody in your family ever been diagnosed as bipolar or manic-depressive? Whitacre nods and leans in.

WHITACRE

I had an Aunt who they said that about, my real parents died when I was pretty young and I was adopted...

162

162 INTERIOR LAWYER'S OFFICE- DAY
A woman we've NEVER SEEN BEFORE is giving a deposition to a ROOM FULL OF LAWYERS.

LAWYER
Have you ever heard that Mark told people he was adopted?

NEVER SEEN BEFORE
It was in the paper that he was adopted.

LAWYER
Mark is your natural born son; isn't that correct? MRS. EVELYN WHITACRE isn't dead after all-- she's being deposed.

WHITACRE'S MOM
Right.

LAWYER
According to the adoption story Mark told, his parents we're killed in a car accident. Is there any truth in that?

WHITACRE'S MOM
No. Mark knows he's not adopted. He grew up in our house.

Draft: 1/15/03 137.

LAWYER
Another aspect of the story is that his parents are wealthy. Do you consider yourself wealthy?
No.

And when did Mark first send you a check from the account in Switzerland?

Whitacre appears again with Epstein before another herd of LAWYERS.

My client is here to cooperate fully, so Agent D'Angelo, if you have any questions.

AGENT TONY D'ANGELO, 35, relaxed-- more like Herndon than Shepard.

This is your chance to put everything on the table. This is the chance to redeem yourself, but if you're not going to be completely honest you should stop talking now.

I understand that. And I want to tell you I feel bad. I'm so sorry, and I feel worst about letting down Brian Shepard and Bob Herndon. Last time we talked I was under a great deal of stress and I said some things that weren't true. I'd like to clear that up. Whitacre is more earnest than ever before-- he begins.

The first kickback was in 1992, Mick knew all about it, he told me there'd be plenty of opportunities to take kick backs on Asian and European contracts at ADM.

Was anyone else involved?
WHITACRE
Uh, Sid Hulse...

164 INTERIOR DOJ, WASHINGTON- CONFERENCE ROOM 164
SID HULSE testifies with his lawyer, SHELDON ZENNER and FBI AGENT GRANT and a bunch of DOJ lawyers.

ZENNER
Before Sid says anything, you know about these schemes with the Nigerian letters?

AGENT GRANT
The 419 Fraud? We see it every day.

ZENNER
You ever wonder who was dumb enough to fall for something like that?
Hulse is flushed.

HULSE
This is really embarrassing. But, that's how Mark and I first got involved financially...

165 INTERIOR EPSTEIN, ZAIDEAMAN CONFERENCE ROOM- CONTINUOUS

WHITACRE
Then there was Rheinhard Richter who I worked with in Mexico. We had some deal that involved...

166 INTERIOR AMERICAN EMBASSY- MEXICO CITY- DAY 166
RICHTER, the guy from the Admiral's Club in Mexico city, is questioned by FBI AGENT BASSET. Richter's entire financial history is spread out on the table in front of them.

AGENT BASSET
So we have money leaving your account here and here and here and it's going to Whitacre's account...His wife Ginger's account. This one is going to
Whitacre's parents account.

RICHTER
Like I said, those are loans.  
Agent Basset isn't buying it.

Draft: 1/15/03 139.

AGENT BASSET
Look we know you're sticking up for 
Mark here, but your story doesn't 
seem true. Mark is cooperating 
now.  
Richter folds.

RICHTER
You're right. It's not true.  
All the money went to Mark.

AGENT BASSET
When did it start?

RICHTER
Mark told me about this Nigerian 
things he got in the mail.

167 INTERIOR EPSTEIN, ZAIDEMAN CONFERENCE ROOM- CONTINUOUS

WHITACRE
And then there was Marty Allison. 
Marty's a good friend.

168 INTERIOR US ATTORNEY'S OFFICE CHICAGO- DAY 168
MARTY ALLISON, 40 and his lawyer, MICHAEL MONICO, appear 
before a host of FBI AGENTS and LAWYERS.

MARTY ALLISON
Mark told you guys about Nigeria, 
right? 
Nobody says anything.

MARTY ALLISON
When I started at ADM, uh in 1990, 
Mark got a letter from Nigeria.
The office as we've seen it-- bustling with business.

Allison walks down the hall and is stopped by Whitacre.

**WHITACRE**

Hey, Marty, got a minute.

He takes a seat across the desk from Whitacre. Whitacre shows him THE NIGERIAN LETTER.

---

ALLISON (V.O.)

He told me he'd been in touch with certain parties in Nigeria. Businessmen who had overbilled the government there for millions-- but now needed bogus invoices from legitimate US business men to make it all look above board. You put in ten grand you get a hundred back.

**WHITACRE**

I know people who have made millions on this. My step-father cleaned up.

---

AGENT BASSET

He'd never heard of the Nigerian scam?

**MARTY ALLISON**

Not until a couple years later when sixty minutes ran a piece on it showing how people had lost a fortune on the con.

**AGENT BASSET**

And the kickbacks?

**MARTY ALLISON**
He had me set up a company in Germany and send fake invoices. I'd get a check for like 200 grand and most of it would go back to Mark.

**AGENT BASSET**

You kept the rest.

**MARTY ALLISON**

He told me management knew about it. But, it seemed to me that he was doing the same thing to ADM, that the Nigerians had done to us.

171 INTERIOR EPSTEIN, ZAIDEMAN CONFERENCE ROOM- LATER 171

Whitacre has laid out an amazing litany of theft and deception.

Draft: 1/15/03 141.

**D' ANGELO**

How much money did you receive through all your illegal activities? Whitacre takes a moment-- does the math in his head, mouthing to himself the various sources of his massive fraud.

**WHITACRE**

Uh...7.7 Million dollars. But, Mick knew. Like I said, he endorsed these things.

**D' ANGELO**

He endorsed you stealing 7.7 Million dollars?

**WHITACRE**

He might have though that was a bit much.

**D' ANGELO**

Is there anything else you want to tell us?
WHITACRE
Well, I think you did a real good job today-- I do know that ADM has been stealing microbes from the Japanese for years and that they use prostitutes to get information from the competition's facility in Iowa. I know that Mick Andreas uses cocaine and I have that on tape-- and there are illegal campaign contributions to both American and foreign politicians...
And under...

174 EXTERIOR GRANT PARK- CONTINUOUS
Whitacre gets up and walks toward a black sedan. He looks around, paranoid. He wouldn't make a good spy.

EPSTEIN (V.O.)
But, you guys shove him in there, you tell him 'go for it,' without
anything to make sure he doesn't crack under pressure. You have to ask yourself, was the US government taken in by Mark Whitacre, or did it help create him? Whitacre leans into the car and hands off the envelope. He speaks to some HOODLUM we can't see.

WHITACRE
Tomorrow, 3 O'clock... where we talked about.

175

175 INTERIOR DOJ CHAMBERS– CONTINUOUS
Epstein's plea is moving-- he's reaching these people.

EPSTEIN
Mark committed a crime. He stole nine million dollars. It's indefensible. But these guys from ADM stole hundreds of millions of dollars from innocent people all over the world. Mark showed you that four white guys in suits getting together in the middle of the day, isn't a business meeting. It's a crime scene. And not only did he tell you about it, he got you the evidence to prove it. Now, we're not looking for the moon and stars. We're looking for something in the area of three years... Or we can take it to trial. And in that trial I'll lay out everything Mark Whitacre did-- good and bad...

176 EXTERIOR SHOPPING MALL– DECATUR 176
Whitacre stands in the parking lot reading the paper on a cool autumn day. No black sedan. The big clock outside the bank in the mall says: 4:25. Whitacre walks over to a trash can and removes a BOTTLE OF MEDICATION from his pocket. He empties it into the trash.
EPSTEIN (V.O.)
And somewhere a future whistle blower is going to pick up the New York Times and the Wall Street Journal and read what Mark's life has become because he decided to cooperate.
Whitacre gives up, gets in his car and drives away.

178 INTERIOR WHITACRE MANSION- A LITTLE LATER 178
Whitacre comes flying through the door-- his jacket is now ripped, his glasses are bent, he's holding his arm. He looks like he's been through hell ...he's frantic.

WHITACRE
Baby. . .Ginger. They grabbed me.
There were two of them.
Ginger rushes through the house to the aid of her husband.

GINGER
Oh my God...

WHITACRE
They wouldn't let me out of the car.

179 INTERIOR WAND-TV STUDIOS, DECATUR- DAY 179
Whitacre and Ginger are interviewed by the LOCAL NEWS ANCHOR
against the "WAND" backdrop. Whitacre is calm-- convincing.

**WHITACRE**
I was abducted. They took me for a twenty-minute joy ride and told me that I basically better forget everything that's not on tape.

**LOCAL NEWS ANCHOR**
Did the men identify themselves?
Whitacre smiles.

**WHITACRE**
I think we know who sent them.

**GINGER**
And they sawed the locks off the door like, like mafia thugs.

**LOCAL NEWS ANCHOR**
And where is the FBI in all this?

**180 INTERIOR BLUE BIRD DINER- AFTERNOON 180**
Shepard watches the interview on the TV in the corner in the crowded diner.

**GINGER**

*(on TV)*
What people have to realize is-- the FBI did the same thing. They locked my husband in an investigation and drove our family around for three years threatening him. You tell me, where are they now?
He is stung by her words.

**WHITACRE**

*(on TV)*
I had a lot of faith in the guys at the FBI-- they always said they'd take care of me.
Shepard throws some money down on the lunch counter and leaves.
Epstein brings a deal to Mark and Ginger. He believes he has saved his client, but the Whitacre's feel differently.

**WHITACRE**

Three to five years? But, ADM's the bad guys.

**EPSTEIN**

You've got to focus here. You stole nine million dollars. And then you lied about it. Maybe in your head you're one of the good guys but to them you're a guy who stole a lot of money and lied about it.

**WHITACRE**

Ginger and I have been talking and we'd like to file a law suit against Brian Shepard and the IJS government.

**EPSTEIN**

Jesus Christ, for what, Mark?

**WHITACRE**

He hit me with a brief case. This is news to Ginger, but she believes it. Epstein doesn't.

**EPSTEIN**

Mark. . .Come on.

**WHITACRE**

And he told me to destroy certain tapes that didn't help the case. Epstein throws up his hands.

**EPSTEIN**

Mark, I'm telling you--- take the plea. Whitacre smiles and looks at Ginger.

**WHITACRE**

Thanks, Jim. But, we're going to go a different way.
Mark sits in his office staring at a letter from Doctor Miller.

**WHITACRE (V.O.)**
I read this study in Time magazine when I was at Cornell-- which is an Ivy league school-- and there were a lot of people who never believed, including my mother, that I would make it to an Ivy league school maybe just Ginger who I met in Marching Band in the 8th grade...

**ANGLER ON THE LETTER**
Fragments of the contents "This is to inform you of your lithium levels"..."Exacerbated by stress"..."A strict drug regimen..."  

**WHITACRE (V.O.)**
.and the study said that people had nice, sympathetic feelings about people who were adopted and treated them better. So I made up this adoption story-- and people did treat me better-- and when I got a job one of my professors told the people at Ralston Purina that I was this amazing guy that had accomplished all of this in spite of being adopted-- Whitacre takes out a pair of SCISSORS and goes to work on the letter.  

**WHITACRE (V.O.)**
.and so it was really other people who spread the story not me-- although I admit it was wrong to start it and everything, it was other people who kept it going. Even the people at ADM. My new lawyer sees that.
BILL WALKER, 50, fat and ruled by fantasy is Whitacre's new lawyer. He sits in a golf shirt and tennis shoes facing a squad of amazed DOJ PROSECUTORS.

WALKER
This all goes back many years, before most of us were born... It's bigger than any of us, and it's ongoing. I know you're skeptical, but I've seen it. My client Mark Whitacre has shown it to me. Maybe I'm just a personal injury lawyer from Taylorville-nowhere-Illinois, but I tell you I know the identity of the master puppeteer. The DOJ lawyers try not to laugh.

MARY SPEARING
The who?

WALKER
Master puppeteer, and it's not who you're thinking.

184 INTERIOR WHITACRE MANSION- EVENING 184
Mark sits splicing tapes of Brian Shepard from one tape recorder to another—trying to piece together an incriminating tape to frame Shepard.

WHITACRE (V.O.)
Grandiosity and embellishment—what they call it when you embellish things—those are the major symptoms of bipolar disorder. And the other, the second major symptom is poor judgement. And that's something Brian Shepard should have known; The bipolar disorder is what made me believe I'd be President when it was
over... Although there was a time when Mick told me, on a trip to Nebraska, that I could be headed for the top.

Mark has tapes—tapes the government doesn't want us to hear.

He puts the letter in the middle of the table.

SHEPARD (CONT'D)

187 INTERIOR FEDERAL COURT, URBANA ILLINOIS 187
Whitacre looks like shit. He sits with Walker in JUDGE HAROLD BAKER'S courtroom.
You have the right to make a statement if you wish? Whitacre nods and stands.

I appreciate the opportunity to say a few words, it's been a long five years. I apologize to a lot of people in this room...

They sit together in the back row.

And to a lot of them who are not in this room for my actions. I realize I hurt a lot of people and I apologize greatly...I am here to accept my punishment. That's all.

To observe that Mr. Whitacre is the usual felon is a gross understatement. He is well educated, has a loving wife and family, is respected in the community. It is not inconceivable that in due course he may have become CEO of Archer Daniels Midland...

He smiles. He knew he could be CEO someday...We hear Whitacre in a calmer time.
I like jail. I think it's been good for me...
But, the judge isn't done with him.

**JUDGE BAKER**
However, the court can find no clear connection between Mr. Whitacre's bipolar disorder and the 45 counts of criminal misconduct he has been charged with-- just garden variety greed. It is very difficult to tell when Mr. Whitacre is telling the truth...

A larger courtroom. Mick and Terry stand for sentencing, surrounded by Aubrey Daniel and others.

**PARDON APPEAL.**
I'd also like to take this opportunity to apologize to Special Agent Brian Shepard on behalf of myself and my wife Ginger, he never hit me with a brief case or told me to destroy tapes. The idea to sue him wasn't mine— it came from someone at ADM and I shouldn't have listened. I can't remember who.

When I was at ADM, I lived so many lives, I wasn't sure who I was. Today, I know more who I am and what I really want out of life. I've completed three post-graduate degrees while in detention. A J.D. which is, of course, a law degree and another advanced degree in the psychology of jury selection. I sleep better in prison than I have in years. My wife has forgiven me and believes that the ordeal with ADM has brought us closer together in a marriage of over 20 years. I hope you will allow me to leave here, so that I can re-join my life with my family and three kids... Two of whom are adopted... Especially when you consider that thanks in large part to my testimony the US government has been able to collect over a billion dollars in price-fixing fines from big business. That's it. Thanks.

He smiles. The light goes out. The Cameraman starts packing up the equipment. Out of the shadows steps Bob Herndon.

HERNDON
Good luck with the appeal, Mark.

WHITACRE
Thanks for helping me remember everything Bob. I sure appreciate it. I wish Brian could've come.
HERNDON
He still pretty angry.

WHITACRE
You tell him, I'm real sorry. Can you do that for me? The funny part is if I'd never gone undercover I would have never stolen 11 million. It was my way out. My severance. What else could I do-- I wrote my own severance.

CORRECTIONAL OFFICER

WHITACRE
I gotta go, Bob.
Herndon does some math.

HERNDON
11 million? I thought it came out to nine.

WHITACRE
Did I say eleven? Boy, it was only nine. Definitely. The eleven is with interest.

HERNDON
Mark, are you still taking your medication?

WHITACRE
The doctor here says I don't need it anymore. I can manage without it now that there's less stress. It was just the stress of the FBI. Herndon turns to leave-- and then he pauses.

HERNDON
Mark, was it eleven? I mean there isn't something else we need to...

WHITACRE
I don't know Bob, you tell me. He smiles and turns his back on the agent and walks down the hall toward work detail.
