JAWS 3-D

FADE IN:

1 AN UNDERWATER WONDERLAND 1

Crystal green. Beautiful fish of all colors and faces swarm happily by. A spectacular undersea garden blooms like plants touched by springtime. A quick-silver surface of color mirrors lush reef growth.

2 SURREALISTIC CREATURES 2

Swim, creep, crawl, stalk, hide in their endless quest to survive.

3 FISH 3

A beautiful aquarium of peace and tranquility.

4 TERROR 4

The fish suddenly explode in panic, darting in all different directions, swimming instinctively for their threatened lives.

5 GROUPER 5

300 pounds. Awesome and ugly, swimming away as fast as it can go.

6 ANOTHER ANGLE -
GROUPER

6

As we come closer on it.

Closer.

It glances back, eyes wide with fear of impending death. It reverses course, ATTACKING CAMERA, and the grouper gets

7 TORN IN HALF 7

Shredded by some unseen monster. There's a violent THRASHING SOUND and clouding of the ocean, then quiet again as chunks of tissue float in the bloody brine.

8 GROUPEL'S HEAD 8

Drifts along, torn from its body. Bug eyes open wide in death.

9 CAMERA 9

Swoops around, moving quickly again. On the surface, high above, something attracts its attention. It goes to investigate.

10 UNDERWATER SHOT OF WATER 10
SKIERS

Speeding over the surface.

11 CAMERA
11

Let's now refer to it as SHARK, even though we do not see it. It starts after the skiers.

CUT TO:

12 WATER SKIERS
12

Tanned, healthy, all-American boys and girls. They come SHOOTING across the water in formation.

13 SHARK POV
13

Follows after them, curious as to what's going on.

14 SKIERS
14

Start forming a PYRAMID, climbing up onto each other. One of the girls is KELLY. She's blonde and adorable and is climbing onto TOD's broad shoulders.

TOD
The space shuttle has landed!

KELLY
Hold still, damn it!

TOD
What're you doing later?

KELLY
Taking my boyfriend to the airport.

TOD
(smiling)
I thought I was your boyfriend.

15 SHARK POV
15

Following along, piqued.

16 SKIERS
16

The pyramid is formed. The COACH in one of the speed-boats speaks through his bullhorn.

COACH
Looking good, kids. Real good.
That's the way. Keep it nice
and tight.

TOD
Keep it nice and tight, Kelly.

KELLY
(giggling)
I don't talk that way.

TOD
Remember, skiers stay up longer.

KELLY
Shut up, Tod! Be serious!

TOD
I am serious.

17 SHARK POV
17

As it follows the skiers' wake...

CUT TO:

18 INT. PRESS TENT - ARNOLD
CALVIN

18

Slick corporate vice president. Sea Kingdom is his baby. He points to a large SCALE MODEL of the park as he talks to the crowd of press people and V.I.P.'s.

CALVIN

Two years in the making, at a cost of seven million dollars, our new Under the Sea Kingdom is an exploration of earth's inner space, capturing the excitement and adventure of man beneath the sea. No other amusement park offer exhibits like...

(points)

... Monsters of the Deep fun tunnel, with giant squids, manta rays, and moray eels.

(points)

We've added to the fantasy of lost underwater treasure ships for kiddies, sunk in...

(points)

... a reproduction of incredible coral reefs and caves where we've imported thousands of rare beautiful tropical fish...

(points)

And in this enclosed exhibit is Shark Encounter, where moving walkways take you safely through shark-infested waters.

A pretty woman REPORTER has a question.

REPORTER

What kind of sharks, Mister Calvin?

CALVIN

Doctor Allen is our Marine Biologist and Mammalogist, formerly in charge of the state's Conservation Marine Laboratory. I think she can answer better than I.

They all turn to

19 KATHRYN
19

Dark hair, mid-twenties. The brain matches the beauty. She is far more comfortable in the company of her dolphins.

KATHRYN
Domesticated sharks, mostly.
Mako. Tiger. Nurse. Sand.

REPORTER
Don't they attack each other?

KATHRYN
Contrary to popular belief, when sharks are well fed, they will not hunt.

CALVIN
(smiling)
And we keep them well fed, so be kind what you say about us, or...

They all chuckle. Except Kathryn.

REPORTER
You don't have a Great White.

KATHRYN
No... And I really do have to get back to my own mammals, so, if you'll excuse me, please.

CALVIN
Yes, of course. Thank you for stopping by, Doctor.

Kathryn gets out of there.

REPORTER
It seems what you've created here is a combination Art Nouveau and Jules Verne.

CALVIN
Exactly.

CUT TO:

20 WATER SKIERS
20

Up in their pyramid formation. The Coach gives them praise through his bullhorn.

COACH
Great, gang. Beautiful! Making me proud of you.

21 KELLY
21

Fighting for her balance, her legs are wobbly.

KELLY
Watch it, I'm gonna fall. I'm gonna go!

TOD
Balance, Kelly. Bal-lance!

JILL
No, Kelly. Not now!

TOD
Lean back!

KELLY
Ahhhhh!

BILL
You fall, I'll kill you. I swear I'll drown you.

KELLY
Oh, God. I can't...

The Coach doesn't know what's going on.

COACH (V.O.)
Now tomorrow, there's gonna be this great big banner that we break through here -- so now isn't the time to fall, Kelly.

That's all Kelly needed to hear.

KELLY
Ahh... ahhh... ohhhh...

SKIERS
NO!

TIMBER!

Kelly falls, sending the entire pyramid pitching into the water.

TOD

Aw... shit!

22 SHARK POV
22

Up ahead, shadows thrashing through the water. The shark rises to see what's going on.

23 SKIERS IN WATER
23

Start reassembling as the speedboat idles, Evinrude RUMBLING. The Coach barks at them through the bullhorn.

COACH

What the hell was that all about?
Kelly!

The skiers grab hold of their lines, looking at Kelly.

KELLY

(guiltily)
Sorry, guys.

STEVE

... She did it again.

COACH

Concentrate out there! We can't
have mistakes tomorrow!

They're about ready to go again. The boat starts to pull away.

24 SKIERS
24

In their starting positions. They come RISING out of the water as

25 SHARK
25

Comes trailing in their wake, just seconds behind. We see the tip of a giant triangular FIN cutting through the water, following them. The fin is like a monstrous gray sail. Up ahead, we see a giant set of

26 GATES
26

Start closing, coming down.

27 SHARK POV
27

It swims under the closing, heavy wire mesh gates.
Gonna be a tight squeeze.

WHAM-THUMP

There's a shuddering vibration as the gate hits on
something BIG. The shark swims away as the gate
CLANGS.

CUT TO:

28 DAISY AND BOBBY
DOLPHIN

28

Going through their "paces." Kathryn is in the water
with them. She blows a whistle and uses hand signals,
giving affectionate rewards.

KATHRYN
(to dolphins)
What, Daisy? What do you want?
Tell me.

The dolphin "talks" back to her.

KATHRYN
(to other dolphin)
Come here, Bobby. Come on, give
me a kiss.

The dolphin gives her (and audience) a big wet kiss.

KATHRYN
Thank you.

MIKE (O.S)
Want another one?

She turns to him and smiles.

KATHRYN
Sure do.
(to dolphin)
Kiss me again, Bobby.

29

MIKE AND KATHRYN
29

Laughing. Take each other in their arms. A soft, tender kiss, which the dolphins and penguin appreciate. MICHAEL BRODY is late twenties. Tan and fit. Head engineer.

KATHRYN
Well, not much longer to go.

MIKE
What is it, 97 days?

KATHRYN
(laughing)
Till this opens, not our wedding.

MIKE
Hope I make it through both.

KATHRYN
(kissing him)
You will. I'll see to it.

Mike points to the nervous, chattering dolphins.

MIKE
Look, Kathryn. They're jealous.

KATHRYN
They're acting very strange suddenly.

MIKE
Pre-opening jitters.

KATHRYN
I guess.

Mike's BEEPER goes off. He sighs and speaks into it.

MIKE
Brody here.

VOICE
Mike, we're having a problem with the gate.

CUT TO:

30

INT. CONTROL ROOM
30

This is Mission Control underwater. All the inner workings of Sea Kingdom are monitored down here. The

two OPERATORS watch the dials and gauges and 20 TV screens.

MIKE (V.O.)
What kind of trouble?

OPERATOR
It's not closing, Mike.

MIKE (V.O.)
That's impossible.

OPERATOR
I know. But we show it's not closing.

MIKE (V.O.)
Okay, okay... We'll get someone on it.

CUT BACK TO:

31 MIKE AND KATHRYN
31

MIKE
Damn it. I can't understand!
(to her)
I gotta go, hon.

KATHRYN
Don't forget you have your brother.

MIKE
Yeah.

KATHRYN
See you later.

They kiss and Mike turns at a RUMBLING SOUND.

32 CRANE
32

Comes lumbering towards the water's edge. Seated high on the boom with a camera is

33 PHILIP HUTTON
33

A very refined, well-educated, aristocratic Englishman, 30. IKE directs the crane and SHELLY drives. If you didn't know better, you might suspect there's something

between the three of them.

PHILIP

Bring the crane over. Come down.
Easy down.

MIKE

Hey.

Mike comes over to them.

MIKE

Hutton, how the hell did you get
my crane?

PHILIP

Calvin said it was all right.

MIKE

Yeah, well I didn't!

PHILIP

Well, we're not going to hurt it,
old boy.

(to Kathryn)

I say, love, is Flipper ready to
go?

KATHRYN

Go where?

PHILIP

On the telly. We're to film him
for the evening news.

KATHRYN

Nobody told me.

PHILIP

I just did. Can you make them
do tricks?

KATHRYN

They're not tricks. They're
behavior patterns.

PHILIP

Fine. Have them do some.

KATHRYN

I don't know. They're nervous
and skittish right now.

PHILIP

Yes, aren't we all.

Kathryn turns in disgust, looking at Michael.

KATHRYN

That macho pompous English --

MIKE

Don't let him get you. Just
continue your patterns and
pretend he's not around.

KATHRYN

My imagination isn't that good.

MIKE

Honey, I gotta go.

KATHRYN

Okay, bye.

Another soft kiss.

As Mike passes Philip, he slaps the crane and calls
up to Philip who's readying his camera.

MIKE

Make sure you put this back.

PHILIP

Aww, can't I keep it?

Mike stares at him. Takes an angry beat. Philip
still looking into the lens. Mike leaves.

Philip calls to Kathryn.

PHILIP

Okay now. Have Flipper flip or
something.

KATHRYN

Make this quick!

She turns to her dolphins.

CUT TO:

34 WATER SKIERS
34

They're up in the pyramid once again, riding smooth.
All but Kelly.

KELLY

Ahhh, ahhh...

TOD

Now what?

KELLY

Gotta sneeze.

TOD

Don't you dare.

KELLY

Can't help it... ahh...

JILL

No, Kelly! We're almost in!

KELLY

Ahhhh...

35 UNDERWATER - SHARK POV
35

Staying right below the skiers. It starts to rise.

36 EXT. PRESS TENT
36

The media munch on hors d'oeuvres and champagne. From their vantage point, Calvin points out the skiers for them.

CALVIN

In addition to the aerobatics that our skiers are performing, they'll be doing the comedy ski show "The Hatfields and McCoys," choreographed by world-famous skier Janet Turner.

CUT TO:

37 SKIERS
37

Coming onto shore now. The Coach speaks to them through the horn.

COACH

Beautiful. Hold it, hold it...

Kelly's hanging on, eyes tearing, mouth ready to explode in a sneeze.

COACH

Get ready. Here we go now...
Make me proud of you.

SKIER

Release.

They let go of their ropes and come out of the pyramid, gliding in to shore as Kelly lets out a huge SNEEZE and stumbles onto shore.

TOD

God bless you.

38 UNDERWATER - SHARK
38

Swoops in close, then turns and heads back out. No fun here.

CUT TO:

39 MIKE IN ZODIAC BOAT
39

Comes speeding up to a WORKBOAT deck. Mike does a hot dog 180-degree spin through the water and eases up to the workboat where SINGER holds a crackling walkie-talkie.

MIKE

What happened?

SINGER

I don't know. It's off the track.

MIKE

Give me the walkie.

Singer does. Mike talks into it.

MIKE

Overman!

OVERMAN'S VOICE

We get time and a half for this?

MIKE

No, Overman.

OVERMAN'S VOICE

Then we'll be done in a minute.

Singer leans into the walkie-talkie.

SINGER

Let's go, guys. I got a date tonight.

OVERMAN'S VOICE
She have a friend?

MIKE
Yeah, but you don't. Get to work.

CUT TO:

40 UNDERWATER - DIVERS
40

OVERMAN and HARRIS. They are arc-welding on the GATE. The sparks flash brilliantly through the water. They replace a pin, HAMMERING it in place.

CUT TO:

41 MIKE IN HIS BOAT
41

MIKE
Stay on top of it.

SINGER
Right.

CUT TO:

42 KATHRYN POPPING OUT OF WATER
42

She calls to Philip, who holds his camera but isn't filming the background. The dolphins dart about.

KATHRYN
It's no use. They won't come into the lagoon.

PHILIP
Well then, can you have them jump to the camera over here?

KATHRYN
Wait a minute. These aren't kangaroos, Mr. Hutton. They're dolphins.

PHILIP
I thought they were clever.

KATHRYN
I can have them walk backwards.

PHILIP

No, no. That won't do.

KATHRYN

I told you, something's upset them.

PHILIP

Well, I have to get this into the networks. If you can't do it, you can't do it, that's all.

KATHRYN

I'm sorry.

PHILIP

Well, we'll just try again, dear. Keep working on it. Maybe you'll get it one of these years.

(to his men)

Pack up, boys. Flipper's a flop.

43 KATHRYN
43

Watches with scorn as the start the crane up and leave. Kathryn goes into the water, a look of determination.

44 KATHRYN IN WATER
44

Stands to her knees, BLOWING a whistle and SLAPPING the water hard.

45 BOBBY and DAISY
45

Look at her and respond in a cute but frustrating way.

KATHRYN

No! That is wrong! What is the matter with you?

Again, she blows the whistle and slaps the water three times as

46 MIKE PULLS UP
46

In his Zodiac.

MIKE

(smiling)

You called, Doctor?

KATHRYN

Everything's going wrong. I'm having more trouble with Bobby than I ever have before. I can't get him to respond.

MIKE

How come?

KATHRYN

I don't know. I can't understand it. Something's bothering them.

MIKE

And what else is bothering you?

KATHRYN

... Hutton. He really pisses me off.

MIKE

Yeah, you really don't like him.

KATHRYN

I don't like what he does.

MIKE

It's his work.

KATHRYN

He doesn't need the money. He inherited a fortune. He kills for kicks. TV battles between non-predator fish and divers. The diver always wins.

MIKE

Okay, forget him now. I'm going to pick up Sean. Take a ride?

KATHRYN

I can't leave now. We taking Sean out?

MIKE

Sure. Want to try that new Italian place?

KATHRYN

No, you don't need all that starch. You're getting too fat.

MIKE

Not enough loving.

KATHRYN

Get out of here!

She playfully splashes water at him. He yells and heads to shore.

MIKE

We'll have sushi.

She smiles and shakes her head.

CUT TO:

47

WORKBOAT DECK

47

As Overman and Harris pull themselves out of the water. They hand Singer the equipment and start getting out of their tanks.

OVERMAN

It's Miller time!

HARRIS

You buying?

OVERMAN

Sure am.

HARRIS

(to Singer)

Coming with us? Overman's buying.

SINGER

No, I'll take the money instead.

Overman looks around the deck.

OVERMAN

You see the three-quarter socket?

HARRIS

Yeah. Down there.

OVERMAN

Shit.

SINGER

... Way to go, guys.

OVERMAN

You two go ahead. I'll meet you at Captain Kidd's.

SINGER

Okay.

Singer and Harris put the equipment into the boat as Overman puts his mask back on.

48 OVERMAN
48

Dives back into the water.

49 UNDERWATER - OVERMAN
49

The diver enjoys this freedom; not encumbered with weights and tanks, he swipes at passing fish as he descends into the deep. But suddenly, all the fish that were curiously inspecting him turn and scatter.

50 ANOTHER ANGLE -
OVERMAN

50

Looks about, apprehensive eyes peering through his mask. He looks again and continues diving.

51 SHARK'S POV - OVERMAN
51

As we come MOVING IN on him from behind. Overman turns. His face freezes in a horrifying SCREAM of terror.

52 OVERMAN
52

As a MONSTROUS unseen force plows into him, and there is a vicious thrashing and explosion of water.

CUT TO:

53 727 ON APPROACH
53

It comes in like a giant bird, flaps down out, gear down. It lands in our laps and continues past.

54 INT. AIRPORT
54

Arriving passenger SEAN BRODY moves with the others. Sean is a junior in college. Athletic, good looking, he looks around and sees his brother rushing up to him.

MIKE (O.S.)

Sean!

55 MIKE AND SEAN
55

A warm, macho, brotherly hugging and punching exchange.

MIKE

Hey, what's goin' on, little brother!

SEAN

Damn! You sonuvabitch! Look at you!

MIKE

Look great, don't I?

SEAN

Got a job for me?

MIKE

Yeah, we'll find something for you. Shoveling shark shit or something.

SEAN

(apprehensive)
Sharks???

MIKE

(reassuringly)
In a restaurant. You sit there and they swim around you.

SEAN

... I'll go to McDonalds.

56 WITH THEM ON THE TRAM
56

MIKE

How'd you do in school?

SEAN

Great. I got one B, two C's, and eight incompletes.

MIKE

Hey, I'm proud of you, kid.

SEAN

So was Dad.

SEAN
I want to see Kathryn.

MIKE
Just find your own. Like Dad
says, there's plenty of fish in
the sea.

They laugh.

CUT TO:

59 INT. AIRPORT - KELLY
59

Moving through the terminal, licking an ice cream
cone, she sees Mike and Sean and comes running over.

KELLY
Mike!

Mike and Sean stop.

KELLY
Give me a ride?

MIKE
Sure.

KELLY
'Preciate it.

Mike's BEEPER gives off a faint signal.

MIKE
(harassed)
What do they want now...?

He looks around for a phone.

MIKE
Kelly, this is my brother Sean.
Don't let him get lost.

Mike heads for the phones in the b.g. as Sean and
Kelly study each other, liking what they see.

KELLY
So, you just get here?

SEAN
Yeah, from Boston.

KELLY
I was seeing this guy off. He
flew in from Dallas. Wants to

marry me. He's okay, but Texans
are so possessive.

SEAN
Massachusettans aren't.

KELLY
'Course they're also so rich.

SEAN
... Massachusettans aren't.

KELLY
How long you staying?

SEAN
I don't know, it depends.

KELLY
You like Florida?

Sean looks at her, in her shorts and tank top.

SEAN
I haven't seen that much, but
so far it looks great.

KELLY
(suggestively)
Well, wait till you see the rest.

They smile at each other.

60 MIKE ON PHONE
60

Whatever he's hearing isn't good.

61 SEAN AND KELLY
61

The romance continues to build.

KELLY
You gonna work at The Kingdom?

SEAN
Depends on big brother.

KELLY
I'm a water-skier.

SEAN
Are you really?

KELLY

Sure am.

SEAN

That's too bad. I don't like water. I don't like being around in. I never go in it.

KELLY

How come?

SEAN

Goes back to when I was a kid. Mike's okay, he's gotten over his fears, but I haven't. I can't even drink it.

Mike comes over in a hurry.

MIKE

Come on, let's go.

SEAN

Something wrong?

MIKE

You know Overman?

KELLY

Musclehead?

MIKE

He's missing.

KELLY

Hope with none of my girl friends.

CUT TO:

62 EXT. AIRPORT - DAY
62

Mike and Sean and Kelly walk to the parking lot.

MIKE

Kelly, could you look after Sean for a while? Show him around for me?

KELLY

Sure. No problem.

MIKE

Thanks.

SEAN

Yeah, thanks.

The brothers wink at each other.

CUT TO:

63 KATHRYN RIDING WHALE
63

She takes it through a series of moves, not noticing Mike and Sean and Kelly pull up in the Blazer.

SEAN
Hi-yo-Silver!

64 KATHRYN
64

Sees them and leaps off the whale.

KATHRYN
Sean!

She hops out of the tank and warmly embraces Sean.

KATHRYN
MMMM. It's good to see you again.

SEAN
(meaning Mike)
You really gonna marry this guy?

KATHRYN
Well, I can't wait for you
forever.

SEAN
Why not? Younger guys are in.

MIKE
Okay, you two, have a good life
without me. I gotta go.

SEAN
Don't hurry back.

Mike leaves. Kelly turns to Kathryn.

KELLY
Doctor Allen, you think I could
ride the whale sometime?

KATHRYN
Sure, Kelly.

KELLY

That'd be great. I was a seal
once, in another life, and
whales were always my closest
friends.

They look at her. Uh-huh.

CUT TO:

65 EXT. BREAKWATER -
LATER

65

Mike's there with Harris and Calvin.

MIKE

Why didn't you stay with him?
You never let a diver go down
alone!

HARRIS

We were done, Mike. He left a
piece of equipment down there and
went back for it.

CALVIN

And hasn't been seen since.

HARRIS

I waited for him. When he didn't
show, I went back. There's no
sign of him. His gear's still
on deck. I went in looking for
him. All I found was this.

We see the missing three-quarter socket wrench.

MIKE

I don't understand. Overman's
too good a diver to disappear.

CALVIN

Have you checked the bars? The
guy's irresponsible; he's done
this before.

HARRIS

Yes, Mr. Calvin. We've called
all over. Nobody's seen him
and his truck's still here.

CALVIN

I want him found. He could be
in the bars, he could be shacking
up. He could be out to sea

MIKE

I'll need more men to look.

CALVIN

Can't help you, Mike. Don't have the manpower.

MIKE

We're going to have to cover the entire lagoon.

CALVIN

I know, but you're just going to have to find another way. So you better start.

Calvin leaves.

CUT TO:

66 SUBMARINE AT DOCK
66

A small two-seater, bobbing on the surface near the dolphin pen. Kathryn turns to RUTH, one of her assistants.

KATHRYN

I think they'll come out now.

RUTH

They still seem nervous.

KATHRYN

I know.

Mike turns to Kathryn.

MIKE

They're coming with us?

KATHRYN

We play hide and seek all the time. They find a lot of things.

Mike looks at the tiny sub.

MIKE

(skeptically)
Where's the rubber band?

KATHRYN

Look, Michael... you don't have to come.

MIKE

I don't have a choice.

She understands.

KATHRYN

Well, let's go then.

They ease into the sub.

MIKE

How many coupons is this ride?

67 INT. SUB
67

He squeezes into the front seat. She's behind him.

MIKE

What do I do now?

KATHRYN

Take a deep breath and hold it.

MIKE

That's cute, Kathryn. Real cute.

KATHRYN

(smiling)

Just put your mask on.

He inserts his respirator while she starts the engine.
She puts her mask on.

KATHRYN

Control, we're preparing to leave
the dock now with the sub.

CUT TO:

68 INT. CONTROL ROOM
68

One of the CONTROLLERS responds.

CONTROLLER

Roger. We'll keep an eye out
for you.

CUT TO:

69 INT. SUB
69

Kathryn pulls the canopy CLOSED. It shuts with a

BANG. The sub starts filling with water.

70 MIKE
70

Watching through his mask as the water surrounds him.
The claustrophobia sets in.

CUT TO:

71 SUB
71

Eases away from the dock and starts its journey,
sinking from view.

72 UNDERWATER - SUB
72

Drifts down into the lagoon, spotlight on, scanning
the beautiful underwater garden.

73 CAMERA - POV
73

Something is FOLLOWING IT.

74 INT. SUB
74

Mike looks very apprehensive, and Kathryn knows it.
He holds on tight.

KATHRYN
Honey... you all right?

MIKE
No.

KATHRYN
Are you scared?

MIKE
Yes.

They settle into the water.

SUDDENLY, from NO PLACE

75 BOBBY AND DAISY
DOLPHIN

Come SWOOPING INTO IT, their faces at the sub's window, scaring the shit out of Mike.

MIKE
(reacting)
Damn it!

KATHRYN
(smiling up)
Hi, baby.

MIKE
Baby goddamn scared me to death!

KATHRYN
They just wanted to say hello.

MIKE
(low, to himself)
... Friggin' fish.

He takes a deep breath and holds on.

MIKE
Let's head to the gate and work our way back.

KATHRYN
That's a lot of ground to cover.

MIKE
I know, I built it. I've just never seen it this way.

CUT TO:

76 WALRUS EXHIBIT
76

Sean and Kelly are peering into the tank. A big old, whiskery WALRUS shoots up, SPITTING water on them. The kids get a bath.

77 SEAN AND KELLY
77

Dripping wet, laughing. So is the walrus.

SEAN
Well, I needed a cold shower.

KELLY
Come on! Check this out!

Kelly takes Sean's hand, and they skip away.

CUT TO:

78 EXT. SUB - SERIES OF SHOTS
78

Moves through an underwater coral forest with an unlit glass TUNNEL extending through it. The dolphins follow.

79 SUB - HEAD-ON
79

A slow-moving fish, sneaking past the fake cave openings. The spotlight searches, lighting the shades of pink, white, and lavender formations.

80 MIKE AND KATHRYN
80

Eyes searching as she turns the spotlight.

KATHRYN
It's romantic down here.

MIKE
Oh, yeah. Very.

KATHRYN
You know, on our honeymoon, we should go scuba diving.

MIKE
Let's not talk about that now, okay?

81 SPANISH GALLEON
81

Wrecked in 1982, it looks like it's been down here for centuries. Masts broken, cannons rusting, wood eaten away. The sub circles it.

82 PANNING GALLEON
82

The sub comes in low. Nothing there, other than "priceless gold and treasure." The sub moves in close as

83 DOLPHINS POP OUT
83

Frightening both of them.

KATHRYN
Now I'm getting paranoid!

CUT TO:

84 INT. CONTROL ROOM
84

Underwater, with enormous windows overlooking the lagoon. On one entire wall is a schematic showing the electrical system of Sea Kingdom, lights flickering on it. There are also banks of instrument panels and TV monitor screens. In the b.g. is a lock which connects the lagoon with the control room. A crew of men and a woman are working in the room. Outside, the submarine appears.

A man at one of the control panels throws a switch activating radio communication between the control room and the sub as a BUZZER sounds.

WOMAN
Any luck?

MIKE'S VOICE
Not yet.

WOMAN
We haven't seen anything either.
Not a sign of him.

MIKE'S VOICE
Let us know.

CUT TO:

85 STADIUM STANDS
85

Sean and Kelly sit in the top row now. They're the only ones there.

SEAN
This is where to be. High and dry.

KELLY
And alone.

They kiss.

CUT TO:

86 INT. SUB
86

Kathryn works the controls, but the sub starts SINKING!

MIKE
(apprehensive)
What's wrong?

KATHRYN
Nothing.

She's flicking all the switches. The sub hits the bottom hard. He watches her try the controls again.

MIKE
... If nothing's wrong, why are we stopping here?

KATHRYN
... Electrical connection malfunctioning.

MIKE
You sound like Houston Mission Control. What the hell does it mean?

KATHRYN
That we swim.

MIKE
(aghast)
Swim where? Out there? Oh, no, forget it, not me! You go, I'm staying.

KATHRYN
Michael, the sub's dead.

MIKE
Yeah, and so will I be if I start swimming in that blackass jungle.

KATHRYN
Okay, stay. We'll come back for you.

She gets ready to leave.

MIKE
Where are you going?

KATHRYN

Up.

MIKE

And leave me down here???

KATHRYN

(getting impatient)

Make up your mind.

MIKE

What mind? If I had a mind, I'd never have let you talk me into this.

KATHRYN

I talked you into this?

MIKE

I'd have fallen in love with a pilot or a mountain climber.

KATHRYN

Are you coming...?

MIKE

No, I don't want to leave now. I'm having too good a time... Of course I'm coming! You'd think you're gonna leave me?

They start to evacuate.

MIKE

(continuing)

You would, wouldn't you? I'd end up whale shit, you wouldn't care.

KATHRYN

Get your reserve bottle and let's go.

87 EXT. SUB
87

Mike and Kathryn emerge and start swimming but the

88 DOLPHINS
88

Won't let them go into the direction they want. Bobby and Daisy keep bumping them, refusing to let them go. Mike is getting pissed. He pushes Bobby; Kathryn PUNCHES Mike.

89 KATHRYN
89

Grabs Mike and points in the direction they were heading.

90 GREAT WHITE SHARK
90

Ten feet of killer, coming at them.

91 MIKE
91

Utter fear, his eyes terrified as he stares at the shark.

92 FLASH CUT - JAWS I
92

Young Michael Brody being yanked from the water an instant before the Great White can eat him up.

93 MIKE, KATHRYN AND DOLPHINS
93

Mike gaping at the o.s. shark as Kathryn grabs onto Daisy's fin and pulls her to Mike. She gestures for him to take the fin. He doesn't respond, looks at the shark.

94 THE WHITE
94

Coming closer, a chilling monster.

95 MIKE, KATHRYN AND DOLPHINS
95

Kathryn grabs Mike's hand and forcibly puts it on Daisy's dorsal fin, taps Daisy. The dolphin and Mike are gone in a flash. Looking at the shark, Kathryn feels for Bobby's fin, taps his head. As quickly as Mike went, she is gone from view.

96 RACE FOR SAFETY SEQUENCE
96

Shots alternating between the dolphins, their speed

reduced by the weight of pulling Mike and Kathryn, and the Great White in pursuit of them, getting closer and closer.

97 EXT. DOLPHIN PEN GATE
97

The dolphins carry Mike and Kathryn through the narrow opening. The instant they are inside, the Great White hurtles into FRAME and BANGS against the gate sides, too big to get through.

98 MIKE AND KATHRYN SURFACE
98

Scramble for dear life out of the water, rolling onto the dock. They lie there, gasping, chests heaving. Mike slides over to Kathryn.

KATHRYN
You all right?

MIKE
I think so. I'm not sure...
Are you?

KATHRYN
I'm okay.

He holds her close. She's trembling.

KATHRYN
Michael...

MIKE
It's all right, baby. We're
safe...

99 DAISY AND BOBBY DOLPHIN
99

Break the surface, chatting away. Mike and Kathryn look at them and smile.

MIKE
Thanks, guys.

The dolphins almost answer "that's okay, but watch it next time." Mike helps Kathryn to her feet, and they walk away, arms around each other.

KATHRYN
How the hell did it get in here?

MIKE

God, they're horrible. I hate them. Did you see its eyes? How black they are? The look in them?

KATHRYN

Don't think about it. It's over.

MIKE

It's never over... Here comes another six years of bad dreams.

100 DOLPHINS
100

Watch them walk away, then DIVE back into the water.

CUT TO:

101 UNDERWATER
101

The shark is looking for something to eat. Finds it. Gulp.

CUT TO:

102 EXT. FLORIDA FESTIVAL TENT - SUNSET
102

Calvin's called an emergency meeting. Mike, Kathryn, Philip. Calvin's eating his dinner through SCENE. Ike and Shelly stand in b.g. There's a heated discussion.

CALVIN

What you're saying is we have a Great White shark in the lagoon.

MIKE

And a missing man.

PHILIP

Unhappy combination. Most likely one's inside the other.

KATHRYN

Sharks are man-biters, Mister Hutton. Not man-eaters --

PHILIP

(cutting her off)

That's a load of codswopple. A Great White doesn't fear man. It doesn't fear beast. It's an orgy

of food and blood.

KATHRYN

I think we can capture it. I'd like to try.

PHILIP

That's preposterous!

CALVIN

Go on, Doctor.

KATHRYN

No one's ever caught a Great White except indirectly in fishing nets. I want to dart it and keep it alive.

CALVIN

It would make a marvelous attraction; the only Great White in captivity.

KATHRYN

(confidently)

I can get it.

PHILIP

You can get killed!

KATHRYN

I've handled sharks before. Bigger than this one.

PHILIP

Calvin, let me go down there and kill the bastard.

KATHRYN

No!

PHILIP

(continuing to Calvin)

It'll chop up half a million dollars of your tropical fish in two minutes.

KATHRYN

Calvin, I insist I be allowed to capture it!

PHILIP

Three hundred million years of evolution have created the greatest butcher the world's ever known.

KATHRYN

It's one of the world's greatest creatures.

PHILIP

A shark could have a hundred embryos in its sack. You know how many are born? Maybe five. They eat each other before birth! They're born killers!

KATHRYN

The only Great White in captivity, Calvin. All those people standing in line...

CALVIN

All right, Kathryn. Go ahead and get it.

KATHRYN

I will.

PHILIP

Well, then I'm going to film it.

KATHRYN

Like hell!

PHILIP

(to Calvin)

Make a lovely item for "Good Morning, America"

CALVIN

Absolutely. Good idea.

KATHRYN

(to Calvin)

With those camera lights and...

CALVIN

(interrupting)

He's going with you, Doctor.

KATHRYN

No, it will be too much distraction. I don't want that many people in the water. I'll go in, give it a belly shot, and get out.

CALVIN

And Philip will be there to film it. Now that's the end of it!

Kathryn bites her lip, realizing. She turns to Calvin.

KATHRYN
I want that shark alive.

PHILIP
So do I, love.

CALVIN
Well, you'd better get started!

He walks away. Kathryn stares at Philip, who smiles and moves off with his men. Mike comes up to Kathryn.

MIKE
You're going down there again?

KATHRYN
Yes.

MIKE
After what happened to us?

KATHRYN
I know I can capture it.

MIKE
Kathryn, you're crazy. Really
crazy. A suicidal maniac.

CUT TO:

103 EXT. LAGOON
103

The WORKBOAT comes through the darkening fog. It's very moody. Back lit, all that stuff.

104 ON WORKBOAT
104

RUTH AND BRIAN

Are preparing a large syringe.

RUTH
Twelve cc's

BRIAN
That should do it.

105 OVER TO PHILIP AND SHELLY
105

Preparing their cameras.

PHILIP

We'll shoot this with an .18,
boys.

SHELLY

That bugger moves fast.

PHILIP

Give me a 400-foot magazine; we
may be down there for a while.

SHELLY

(smiling)

I wouldn't mind going down with
her.

PHILIP

She is a lovely bit of crumpet
at that.

106 OVER TO MIKE
106

Welding some kind of object. Ike comes up to him.
Ike's in his diving suit.

IKE

Aren't you suiting up, mate?

MIKE

No.

IKE

Well, don't worry about your
fiancee. We'll watch over her.

MIKE

She can take care of herself.
She doesn't need you.

IKE

Never know down there. Helps
to have a friend, sometimes.

MIKE

How many sharks have you killed?

IKE

Me? I don't know. Twenty,
thirty. I love them, think
they're the greatest.

He walks away. Mike looks out at the water, staring
at it.

107 FLASH - FROM JAWS I
107

Young Mike Brody sees the lifeguard taken by the shark.

108 BACK TO MIKE
108

He comes out of it in a gasping sweat.

KATHRYN (V.O.)
Well, how do I look?

He turns.

MIKE
What?

109 KATHRYN
109

Wears an iron CHAIN LINK SUIT over her diving suit.
She has a light-hearted nervousness.

KATHRYN
Do you like it?

She models it for him.

MIKE
Oh, yeah. Really nice. Who's
your designer? Sassoon Shark?

KATHRYN
I got it on sale.
(touches links)
A real steel.

MIKE
Here.

KATHRYN
What's that?

MIKE
Bracelets.

It's what he's been welding. Forearm protectors
which he places on her.

KATHRYN
Fine piece of engineering.

MIKE

Should protect you a little, from
the compression. If that thing
gets ahold of you.

KATHRYN

Thank you.

She kisses him. He takes her in his arms.

MIKE

Kathryn...

KATHRYN

Yes?

He looks at her. Wants to tell her to take that damn
suit off. To get off this boat and forget the fucking
shark. To go home with him, to bed.

MIKE

... I love you.

She smiles.

KATHRYN

Love you too.

Mike nods and takes his beeper.

MIKE

Okay, hit it.

CUT TO:

110 INT. CONTROL ROOM
110

The team of OPERATORS are at the instrument panel, all
the monitor screens are on. They flick some switches.

MIKE (V.O.)

Let us know as soon as you have
anything.

OPERATOR

Right, Mike.

CUT TO:

111 LAGOON
111

Like a flower of sunshine unfolding, lights pop on
from beneath the water, illuminating the lagoon.

CUT TO:

112 WORKBOAT
112

Mike and Kathryn watch the lights come on.

MIKE
Wouldn't this whole thing be a
little safer in the daytime?

KATHRYN
It's easier to lure sharks at
night.

MIKE
Why? 'Cause they're hungrier?

PHILIP (V.O.)
They're always hungry. They
eat anything.

Philip enters. He's wearing a bright orange diving
suit.

PHILIP
(continuing; touches
her suit)
... even steel.

Mike looks again at her protective suit. She looks
at Philip.

KATHRYN
You look like an orange worm.

PHILIP
Shark bait. Draws them over for
closeups.

KATHRYN
What in hell is that?

She points to a

HAND GRENADE

Strapped on his waist, right by his large knife.

PHILIP
Lunch for Whitey. Something to
munch on in case things get
dicey.

KATHRYN
We're taking that shark alive!

PHILIP

Let's hope he knows that.

KATHRYN

I know it and I will not go down
into this lagoon as long as you
carry that!

PHILIP

Why?

KATHRYN

Because I don't trust you, that's
why.

MIKE

You set that thing off down there,
you don't know what will happen.

PHILIP

Precisely.

KATHRYN

I insist you get rid of that bomb.

PHILIP

Afraid I can't do that.

KATHRYN

You're supposed to film it, not
turn it to hash!

PHILIP

Look, Doctor, this isn't one of
your pet porpoises we're after.
It's a torpedo of muscle.
Murderous expertise! I've seen
bleeding sharks try to eat
themselves! Don't be so
concerned about them. Worry
about yourself.

He turns to go.

MIKE

Hutton!

He stops. Turns.

MIKE

You heard the lady. Take it off.

Tense pause. Philip stares at Mike. At Kathryn.
Then his hand moves to the grenade. He unclips it,
holds it in his hand, and

FLINGS IT TO MIKE

Who catches it. Philip walks away, smirking. Mike makes a move after him, but Kathryn stops him.

CUT TO:

113 INT. CONTROL ROOM
113

One of the Operators sees something on a screen. He focuses in on it.

114 TV SCREEN
114

It's the shark.

OPERATOR

We see him, Mike. Between the stadium and the ski show island.

MIKE (V.O.)

All right, hit those lights too.

CUT TO:

115 MORE LIGHTS
115

Start popping on.

CUT TO:

116 WORKBOAT
116

Mike turns to Kathryn. Tightens her tank straps. She holds a large SPEAR GUN.

MIKE

Change your mind?

KATHRYN

No.

MIKE

You amaze me. I'm more scared than you.

KATHRYN

No, you're not.

Mike pulls her face mask down and "kisses" her over it. She goes over the side.

CUT TO:

117 PHILIP AND IKE
117

In their tanks and masks, ready to go. Mike comes over to Philip. Gives him back the grenade.

MIKE
Here. Don't let anything happen
to her.

Philip smiles and nods, clips the grenade to his waist and dives, taking us

118 UNDERWATER
118

Kathryn and Philip and Ike all start kicking down.

CUT TO:

119 MIKE ON WORKBOAT
119

Watches the bubbles break the surface. He turns to Shelly.

MIKE
This is ridiculous. We should
blow the mother's head off.

SHELLY
Couldn't agree more.

CUT TO:

120 UNDERWATER
120

As the three kick downward. Philip and Ike prepare to film. Kathryn notices Philip checking his powerhead and reacts sharply. He notices and gives her a mocking salute, making her angrier yet. Turning, she starts toward the circling shark.

121 THE SHARK SEQUENCE
121

Intercutting between Kathryn, Philip and Ike and, on the deck of the workboat, Mike and Shelly. Kathryn moves toward the shark until it starts to circle her, Philip and Ike beginning to film.

Her expert maneuvering is not lost on Philip, and he watches with interest -- Mike, on the boat deck, watches what he can with apprehension -- as Kathryn slowly lures the shark toward her.

Suddenly, it darts in at her and she jabs the spear at it (into the audience), causing it to veer away. Kathryn seems surprised by this. The shark begins to circle her again, CAMERA PANNING with her as she keeps an eye on it. Philip and Ike keep filming, Mike keeps watching tensely on the deck as Kathryn positions herself, holding the spear extended, moving it back and forth.

Abruptly, the shark darts in, moving so precipitously that it goes all the way to Kathryn. She ducks and the shark's jaws clamp shut on her air tanks. Philip reacts to this and starts forward to help her as the shark begins to shake her violently from side to side.

Letting go of the spear, she tries to hit the shark in the eye but has no success. Philip shows up, and she waves him off. He cannot believe her reaction but doesn't draw his powerhead, only hitting the shark on the head with the camera. This makes it let go of Kathryn's tanks and back off fast. Philip shoving it aside as it passes him, drawing his powerhead just to be safe. The shark does not attack him though, but retreats. Philip looks at Kathryn. She is shaken up, but the chain-mail suit has protected her from injury. She waves him back irritably. Shaking his head either at her or her stupidity, he backs off to Ike, keeping a wary eye on the shark as Kathryn kicks up to the surface to get another spear. On deck, Mike tries to speak to her as she grabs the spear, but she is under again before he can say a word. Kathryn grimly sets herself again. Seeing this, Philip casts his eyes heavenward, as though thinking, "Dear God, the woman's suicidal." She jabs the spear toward the still lingering shark. Finally, after making a few nervous passes, it goes for her. This time, she is able to shoot the sedating spearhead into its stomach, then kicks up toward the surface as fast as she can, the shark starting after her.

122 SURFACE
122

As she breaks through.

KATHRYN

Michael!

Mike and Shelly rush there, reach down, and grab her hands to haul her up. As they do, the shark comes after her. They yank her over the railing an instant before it lunges out of the water and almost bites her feet off, jaws slamming shut in close shot as it misses, its body crashing back into the water. Kathryn looks at Mike, her face decidedly pale. She attempts to smile.

KATHRYN

(meekly)

... I told you I'd get it.

The shark bellies up.

MIKE

I can use a shot of what he's got.

KATHRYN

... Me, too.

Her legs go watery, and she leans against the railing. Mike embraces her.

CUT TO:

123 INT. TANK ROOM - UP ANGLE ON CEILING
123

The roof has been opened, and the shark is being lowered into the room on the litter. CAMERA DOWNPANS with it to reveal Brian and Ruth preparing to get the shark into the tank, Philip, Shelly, and Ike filming it.

124 MIKE AND KATHRYN
124

He is drying her off with a large towel, rubbing her down good. She is cold and shivering.

MIKE

After this has opened, when everything's settled down, you and I are going away. Just the two of us. No dolphins, no sharks, no whales, no penguins. Just you and me.

KATHRYN

Sounds wonderful.

MIKE

We'll go to Palm Springs, Death

Valley, Arizona desert, anyplace
where there's no water.

She kisses him and turns at a familiar SOUND.

125 DOLPHINS
125

In an adjoining tank, curiously watch the shark being
lowered. The dolphins chatter away. Kathryn tells
them:

KATHRYN (V.O.)
Don't be afraid, it's okay now.

The dolphins don't believe her. They dive for safety.

126 BACK TO MIKE AND KATHRYN
126

Smiling. She shrugs off the towel as Brian calls her.

BRIAN
We're ready for you.

KATHRYN
I have to walk him till the drug
wears off.

MIKE
You want me to stay?

KATHRYN
(kissing)
Get some sleep. And tell Sean
I'm sorry.

MIKE
(remembering)
Sean, that's right...

Mike turns to leave, accidentally crossing in front
of Philip's shot.

PHILIP
Watch it, Brody. You're ruining
the shot.

MIKE
Kind of dull in there for you,
isn't it? Why don't you throw
in another shark?

He walks out.

Kathryn hurries into the tank with Brian and Ruth.
They unfasten the shark from the litter and start to
walk it. The litter is raised back up.

RUTH
He's a young one.

KATHRYN
And big for his age.

They walk on.

CUT TO:

127 GRASSY KNOLL
127

Sean and Kelly are lying on the ground making out as
Mike's voice comes over the park P.A. system.

MIKE (V.O.)
Sean. Sean, where are you?

KELLY
Someone's looking for you.

SEAN
That's Mike. Let him look.

He kisses her some more.

MIKE (V.O.)
Sean? You there?

Kelly gets to her feet, pulling Sean up too.

KELLY
Come on, it's getting late, and
I have an early call.

They walk off, arms around each other.

CUT TO:

128 INT. TANK ROOM - LATER
128

Ruth sleeps on a floor mat. Kathryn and Brian are
still walking the shark. Both look very tired.

KATHRYN
Why don't you take a rest, Brian?

BRIAN
I'm only walking him. You caught

him. You have to be exhausted.

KATHRYN
Go on, you're tired.

BRIAN
No, I'm fine, thanks.

They stop talking, keep walking.

PHILIP

Comes in, wearing his jogging suit.

PHILIP
How's sleeping beauty?

KATHRYN
Still sleeping.

PHILIP
Kiss him, maybe he'll turn into
a frog.

KATHRYN
(smiling)
Should be coming out of it soon.

PHILIP
Just watch it when he does.

Philip lowers himself into the water and moves to
Brian. Taps him on the shoulder.

PHILIP
May I cut in?

Brian looks over at Kathryn, who's about to say no,
then nods it's okay.

BRIAN
He's all yours.

Philip takes his place alongside the shark. He smiles
at Kathryn.

PHILIP
Could be a new dance... Walking
the Shark.

KATHRYN
(smiling back)
Thanks for helping.

PHILIP
Not at all.

KATHRYN

Why are you?

PHILIP

I like it when they wake up.

KATHRYN

So do I. But for different reasons.

PHILIP

And I like you.

They keep walking it.

PHILIP

You were quite daring in capturing him. Very skillful indeed.

KATHRYN

Skillful? I missed my first shot.

PHILIP

Some miss all their shots.

KATHRYN

Somebody could have gotten hurt.

PHILIP

That's what life is, Doctor. Full of chances to hurt yourself, or somebody else.

KATHRYN

You're a strange man, Mr. Hutton.

PHILIP

Philip.

KATHRYN

Before, you were ready to feed this shark a hand grenade. Now you're helping to nurse it back to life.

PHILIP

That's because I am the shark.

KATHRYN

We're all from the sea, Mr. Hutton. Our destiny is linked to the fate of the oceans. By continuing to destroy fish, man destroys himself.

PHILIP

The grenade's just to intimidate

Whitey. He knows I have it, so
he watches out. Same is true when
I film lions, tigers, rhinos...

She studies his smile.

KATHRYN
I think that you and I are
natural enemies.

PHILIP
And here I thought I was
charming you.

The shark quivers, showing signs of waking.

PHILIP
Hello. I think his nap's over.

KATHRYN
Get ready to go.

PHILIP
Believe me, I am.

KATHRYN
(calls)
Brian, he's coming around!

They walk it a little more and

129 THE SHARK AWAKENS
129

Comes INSTANTLY back to life with an EXPLOSIVE recovery.
Kathryn and Philip leap aside to get out of there, but
the shark SLAMS Kathryn against the side of the tank,
knocking the breath out of her.

130 PHILIP INTERVENES
130

So does Brian, who comes jumping into the tank. Philip
uses his feet to keep the shark away from Kathryn, but
they both almost get CRUSHED by the body. Philip flips
her out of the tank as the shark comes lunging around
at him.

131 ANOTHER ANGLE - PHILIP
131

Gets out of there just in time, as the shark just
misses chomping his evacuating ass. Brian's out of
there safe.

132 KATHRYN AND PHILIP
132

Look down as the shark swims in rapid circles.

PHILIP
Well, Doctor. You've got your
shark.

KATHRYN
Thanks to you.

There's a near moment of tender contact between them.
Philip smiles and nods at her and leaves, doing his
best Bobby Darin.

PHILIP
(singing "Mack the
Knife")
Oh when the shark bites,
With his teeth, dear,
Scarlet billows start to spread...

She watches him with an intrigued smile.

CUT TO:

133 INT. BEDROOM - NIGHT
133

Kathryn comes quietly in. Starts undressing in the
dark. Mike softly speaks to her from the bed.

MIKE
All well in the Kingdom of the
Sea?

She smiles and sits on the bed.

KATHRYN
Finally.

MIKE
How's your patient?

KATHRYN
Recovering nicely.

MIKE
Me, too.

She falls into his arms, and they kiss.

KATHRYN

Mmmm... you smell good.

MIKE

(smiling)

You don't.

KATHRYN

It's my new perfume. Great White,
the Man-Eater.

She nibbles his ear, neck. He pulls her down to him,
they kiss passionately.

CUT TO:

134 LAGOON - NIGHT
134

All is still and quiet. A NOISE is heard from beneath
the water. A faint almost ROAR, and the water is
shaken by a giant form that sends a wave rolling to
the CAMERA. Then, whatever it was turns and returns
to the deep. The surface of the water rocks and
trembles.

CUT TO:

135 SHARK ATTACK
135

They're in a feeding frenzy. They rip, tear, chewing
on tuna, each other. Anything in the water.

PHILIP (O.S.)

Playful bastards, wouldn't you
say?

136 REVEALING
136

Philip and Ike and Shelly watching the footage on a
Moviola screen. They drink beer and watch.

IKE

Brings back such pleasant
memories.

PHILIP

Was a rather enjoyable afternoon,
wasn't it?

SHELLY

You want to show this?

PHILIP
Absolutely. The audience will
stain their drawers.
(smiles)
I did.

He walks for the door. Opens it.

137 PHILIP
137

Stands outside his EXHIBIT BOOTH, taking in the start
of a new day. There's photos and signs: PHILIP HUTTON
PRESENTS KILLERS OF THE DEEP. There's books and T-
shirts and toys too. Ike joins him outside.

IKE
Gonna be a beautiful day.

PHILIP
And a profitable one.

They smile at each other.

PHILIP
Come on, I'll buy you breakfast.

CUT TO:

138 OPENING DAY SHOTS
138

As final last-minute preparations are made.

- A. Mini-buses being washed and decorated.
- B. Sea shows in final rehearsal.
- C. The Skiers getting dressed.
- D. The mini-sub being worked on at the dock.
- E. Food trucks delivering.
- F. The ushers and usherettes, looking good.
- G. Divers reaching the lagoon.
- H. Control Room Underwater -- all is ready for lift-off.
- I. Maintenance crews washing, scrubbing, polishing.

139 TWO DIVERS
139

Come up. They shake their heads "nothing." They
dive again.

CUT TO:

140 INT. TANK - DOLPHINS
140

Activating one of the symbol controls again and again.

141 INT. CONTROL ROOM
141

Mike and BOB talk.

BOB

We've been looking all night,
Mike. I don't think he's out
there. If he drowned, I think he
went down on the bay side of the
gate and the current pulled him
out. It was pretty strong when
the men were working there.

MIKE

Did you look in the intake passage?

BOB

You can't even get in there, the
incoming flow is so strong. It
would wash the body out anyway.

MIKE

Well, I don't know. Maybe he
isn't down there. Keep checking
with everyone who knows him.
I'll be at my office.

He leaves.

CUT TO:

142 ENTRANCE TO SHARK ENCOUNTER TUNNEL
142

Mike's walking as Kathryn comes from the other side.

KATHRYN

Mike!

He turns and she skips up to him.

KATHRYN
(continuing)
They said you'd be here.

MIKE
What's up?

KATHRYN
I need more pressure in the
shark tank.

MIKE
Okay.

KATHRYN
I want to make sure the White is
getting enough flow. Would you
do that for me?

MIKE
Sure. Let's go.

She stops him.

KATHRYN
No, we'll go through here.

MIKE
... Mean through the tubes?

KATHRYN
Yes. It's faster.

MIKE
No, I'm not going through there.

KATHRYN
Michael, come on, don't be silly.
This is the quickest way. You're
not going to walk all the way
around?

MIKE
I'm not going to walk through
that shark arcade.

KATHRYN
They're not going to hurt you.
They're encased in plastic.

MIKE
I don't want to see them, Kathryn.

KATHRYN
Michael, I don't have time.
Please! It's time you dealt with

this and got over it. Now come on!

She takes his hand and leads him into the tunnel.

143 SHARK TUNNEL
143

Mike is very apprehensive as the SHARKS encroach upon them from all angles. He can't look at them.

KATHRYN
Calvin wants me to move the White
for tomorrow.

MIKE
... He ought to put him in here.

KATHRYN
It's too soon to move him.

MIKE
So tell Calvin.

KATHRYN
I did. He wants it on exhibit.

MIKE
Well, that's why you got it.

They walk on a bit, then Mike leans against the tunnel wall, eyes closed.

KATHRYN
Mike... you okay?

He's taking deep breaths. He's very pale and perspiring.

MIKE
It's back...

She goes to him.

KATHRYN
What's back?

He's fighting some inner demon, and losing. The sharks come swimming by him. He stares them in the eye. There seems to be thousands of them.

KATHRYN
Honey, what is it?

MIKE
Hydrophobia...

KATHRYN

Michael, take deep breaths.

MIKE

I have to get out of here.

KATHRYN

Come on.

MIKE

I can't take water, Kathryn.

KATHRYN

Yes, you can.

MIKE

I can't! My dad had it, and I don't know if you can inherit it or what, but I got it, and I hate it. I can't stand it!

He RUNS out of there, running for his life, leaving her behind. She watches him go.

144 MOVE FROM THEM THROUGH THE WINDOW
144

Out into the water. A shark. We move in on its black eye, till the eye fills the SCREEN.

SHOCK CUT TO:

CAMERA PULLS BACK to reveal the cannon on the deck of a motorized pirate vessel which is carrying on its deck a gathering of politicians, press representatives, TV newsmen, and celebrities. It sails across the lagoon, flags whipping in the wind, cannons THUNDERING. CAMERA PANS UP and we see the words THE NEW SEA KINGDOM WELCOMES YOU moving across the sky, towed by a single-engine plane.

146 CROWD ARRIVING
146

The great American Tourist invasion. They come in cut-offs and sandals, Kodaks and sunglasses. They come in every size, shape, and colored getup. Old and young, they CHARGE.

P.A. VOICE

Welcome to Sea Kingdom, and the

excitement and discovery of
earth's inner space. For the

IKE
Hardly like the Falklands.

Philip calls over the bullhorn to the gaping tourists
below:

PHILIP
If you'll all squeeze a bit
closer, everybody, you can
see yourself tonight on the
evening news.

150 FAT WOMAN TOURIST
150

A 200-pounder in shorts, hat, and sunglasses squeezes
into the shot. She looks up, smiling and waving at
the hot air balloon. She shoves in closer, loses her
balance, and falls into the lagoon.

151 PHILIP
151

Watches woman splashing about.

PHILIP
Well, seems a new whale show has

been added.

They laugh.

CUT TO:

154 WATER SKIERS
154

Come BURSTING through the sign like John Madden in the Lite Beer commercial. The skiers are in their pyramid formation.

155 KELLY
155

As usual, is fighting for balance. Teetering on the edge, she lets out a desperate warning cry.

KELLY

I'm gonna fall, I'm gonna fall!

SKIERS

No, Kelly! Jesus, you can't!

KELLY

Ahh--- Ohhh----

TOD

Back, Kelly. Lean back!

KELLY

Ohhhhh shhhhiit.

There she goes.

No, she doesn't.

Yes, she does.

Nope, still up there.

Hang on, Kel.

156 CROWD
156

Applauding the skiers as they come zooming by in formation.

157 SKIERS
157

Make their sweeping turn and head in to shore. They come neatly out of the pyramid.

158 KELLY
158

Makes a graceful 3-point landing, gliding onto the dock. She EXPLODES in joy, all bubbly and happy, thrilled at her accomplishment.

KELLY
I did it, I did it!

She leaps on Tod, hugging him exuberantly.

SKIERS
Way to go, Kelly!
You were great!

KELLY
I knew I could do it!

They all slap palms and give high-fives and hugs. Kelly is the center of the adulation.

CUT TO:

159 MONSTERS OF THE DEEP FUN
TUNNEL

CUT TO:

160 THREE TEENAGE GIRLS
160

Screaming, yelling, giggling as they react to the ravenous "monster." The girls are LINDA, BECKY, and ALI. They love it.

161 TOURISTS
161

Moving happily along. They eat, take pictures, push strollers. Everybody's having fun.

CUT TO:

162 DAISY AND BOBBY

CUT TO:

165 KATHRYN RUNNING THROUGH THE CROWD
165

She forces her way through those in line to see the live "Great White Shark."

KATHRYN

Excuse me, sorry. Let me through, please. I have to get through!

CUT TO:

166 INT. EXHIBIT
166

Brian and Ruth are walking the shark. The exhibit is PACKED with tourists, gaping down, watching.

167 KATHRYN
167

Bursts through onto the floor, kicking her shoes off on the run. She jumps into the tank.

KATHRYN
When did this happen?

RUTH
Ten minutes ago.

BRIAN
It hasn't adjusted.

KATHRYN
Get the hose! We've got to force more water through the gills and oxygenate him!

Brian scampers out of the tank for the hose.

KATHRYN
I knew it; it's my fault. We moved it too soon.

RUTH
Don't blame yourself.

KATHRYN
I should have never listened to Calvin.

They walk the shark.

RUTH
Kathryn...

KATHRYN
... Goddamn it.

The shark is dead. It floats over, belly up.

KATHRYN

Takes a painful moment, looking at the shark.

RUTH
No one's ever done it before.
It was a good try...

KATHRYN
Not good enough.

RUTH

We got it to live for ten hours.
That's some kind of record.

She turns from the shark and looks up at all the

168 TOURISTS
168

Gaping down, taking pictures, grumbling.

TOURISTS

Big deal.
Let's get our money back.

LITTLE GIRL

Look, Mommy, the shark's dead.

MOM

Yes, dear. Come on.

They start to leave with the others. Some still stare
and wait.

169 KATHRYN
169

The disappointment and disgust is evident. Brian puts
a comforting arm around her.

BRIAN

Don't feel bad.

KATHRYN

(resigned)

Okay... Have them get it out of
the tank.

She climbs out of the tank.

The tourists going from one show to the next.

CUT TO:

173 BACKSTAGE SKI SHOW
173

Mike and Sean stand to the side as the girls hurry past them, changing costumes.

SEAN

Mike, this is fantastic. I mean, you're responsible for building all this. What a job you've done! Maybe I'll quit school and come down here and work with you. Brody Brothers Construction. We've always wanted to do that together. Boat building.

MIKE

It's not that easy. Worked construction every summer to get through school. Three years apprentice in the park's engineering department, and two years to build all this. Finish school first, Sean. Then make up your mind. If you still want to work with me, we'll have plenty of time.

SEAN

You and Kathryn gonna stay here?

MIKE

This company's expanding. They got parks in Texas, Ohio, California. I think I'm gonna be going to Waco.

SEAN

Well, Dad asked me to ask you this, about the wedding. Is there any chance you and Kathryn will get married in Amity?

MIKE

Tell Dad we're getting married
in Las Vegas. In one of those
chapels. He can meet us there.

SEAN

(laughing)

Yeah, he'll really go for that.

MIKE

It's all up to Kathryn. Amity's
fine with me if it's fine with
her.

KELLY (V.O.)

Sean!

Sean looks over as he hears his name called. Kelly's
running over to them.

MIKE

She still talking to you?

SEAN

We're in love.

MIKE

Sure.

SEAN

No, really. I've never met
anyone like her before. This
is it.

MIKE

Yeah, right. That's what you
said about Janet, and Beth, and
Barbara --

SEAN

Puppy love. This time it's real!
We can have a double wedding.

Kelly is upon them. She's in her warm-up suit and
looks adorable. Sean greets her with a hug and a
kiss.

SEAN

You were great out there!

KELLY

Did you see me?! Wasn't I
terrific?

SEAN

As always.

They kiss again. Kelly sees Mike.

KELLY
Hi, Mike.

MIKE
How you doing, Kelly?

KELLY
(sniffing)
I'm Neo-Senephrened out. Think
I'm catching a cold.

MIKE
Better than catching Sean's
herpes.

An astounded glare.

KELLY
Herpes?

SEAN
Why you sonuvabitch...

MIKE
(leaving)
See you tonight.

Mike smirks away as Kelly grabs Sean.

KELLY
Sean, do you have herpes?

SEAN
No. Of course not. Don't listen
to him. He's - he's...
(laughing)
... my brother.

They kiss.

KELLY
I'm not in the next show. What
do you want to do?

He looks at her and grins.

KELLY
Besides that.

SEAN
I don't know, what else is there?

KELLY
(excitedly)
I know! We can take the gondola

ride!

SEAN

The one that goes underwater?

KELLY

Yes, it's great!

SEAN

No, Kelly, I don't want to...

KELLY

Come on, it's fun!

SEAN

Not for me. I don't go in the water, remember?

KELLY

You're not in the water. You're in a gondola.

SEAN

No, think of something else.

KELLY

Sean, this is ridiculous. You're acting very immature.

SEAN

I'm not acting! I don't want to go in it, okay?

She's dragging him by the hand.

KELLY

Well, I do! Time you got over this wet dream. Nothing's gonna hurt you. Now c'mon, we're going on it!

He very reluctantly goes with her.

CUT TO:

174 INT. TUNNEL
174

Kids and adults laughing and jumping at the creatures from the deep.

175 OUR THREE TEENAGE
GIRLS

175

Linda, Becky, and Ali ask the ATTENDANT at the

entrance.

ALI
Is this one scary?

ATTENDANT
No. This one's fun. You'll
like it.

BECKY
Oh, good. Because the last one
really scared us.

They head into the tunnel.

CUT TO:

176 INT. CONTROL ROOM
176

The Woman Controller sees something on one of the
monitors.

WOMAN
Did you see that?

MAN
What?

WOMAN
On monitor three. Was a glimpse
of something.

MAN
That?

WOMAN
Yes, there is goes.

MAN
It's disappeared.

They wait and watch.

WOMAN
I'll have the guard look.

She picks up the phone.

CUT TO:

177 ATTENDANT AT TUNNEL
177

He's on the phone to Control.

ATTENDANT

I'll go check on it.

He hangs up and starts down the tunnel.

CUT TO:

178 OUR THREE TEENAGE
GIRLS

178

Having a good time as a giant, mad-eyed squid appears with all its tentacles reaching.

BECKY

Wow, look at that!

LINDA

Yeah. Reminds me of my date last night.

ALI

Hey, look at that thing over there. What's that supposed to be?

They press to the glass for a closer look. We see some kind of FORM, floating.

BECKY

I don't know. Some kind of crab?

ALI

It looks like a man.

LINDA

It is!

179 THE FORM
179

Rolls over as the girls SCREAM in horror. We see it is

OVERMAN

What's left of him.

CUT TO:

180 DAVEY JONES LOCKER
180

Mike sits at the bar, on a stool. He's had a few, and it shows. There's a good crowd in the restaurant.

181 PHILIP, IKE, AND SHELLY ENTER
181

Move for a spot. Philip spots Mike.

PHILIP
See you later, mates.

Philip moves over to Mike.

182 MIKE AND PHILIP AT BAR
182

Philip puts an arm around Mike.

PHILIP
Your friend Overman picked a hell of a time to come back.

MIKE
Yeah, poor bastard.

PHILIP
I lost a good cameraman in Australia last year. A Great White chopped him in half with one bite.

MIKE
Hey, I don't want to hear.

PHILIP
That's how they do it, you know. Seizes its prey and shakes its body savagely. Teeth gnaw through a man like a buzz saw.

MIKE
Buzz off.

PHILIP
I will, old boy, tomorrow. Our work is done here. Just came to say goodbye, and good luck.

MIKE
Yeah? Well, in that case, have a drink.

PHILIP
Thanks.
(to girl bartender)

Bullshot.

MIKE

So where you go off to, Hutton?
Some expedition in New Guinea or
Outer Mongolia?

PHILIP

No, South Georgia.

MIKE

What the hell's there?

PHILIP

Polar bears.

MIKE

Polar bears in Georgia???

PHILIP

South Georgia, Antarctica.

MIKE

Oh...

PHILIP

The world's southern most reaches.

MIKE

How come you're so brave with all
this stuff?

PHILIP

Tradition. Royal sense of
adventure that's been in my family
for centuries. Dates back to the
Crusades and King Richard. What
I was born to do.

MIKE

Yeah, tradition's a bitch, ain't
it?

PHILIP

Reach for the limit I always say.

MIKE

I'll remember that, my Lordship.

183 KATHRYN ENTERS
183

She takes a beat, looks around, and moves quickly to
the bar.

KATHRYN

Michael.

They both look at her as she comes up to them.

KATHRYN

Michael, look at this.

She shows us what's in her hand.

A VERY BIG SHARP TOOTH

Mike looks at it.

MIKE

Put it under your pillow and
sleep on it and the tooth
fairy will --

KATHRYN

It's a shark's tooth!

MIKE

So?

KATHRYN

It was removed from Charlie
Overman's body.

PHILIP

May I?

He takes the tooth. One look and he knows.

PHILIP

... The bigger to eat you with.

He and Kathryn exchange an understanding that Mike
doesn't.

MIKE

(confused)

What's the big deal? A shark got
Overman, and we got the shark.

KATHRYN

That's just it, Michael. We
don't!

MIKE

What do you mean, we don't?

KATHRYN

This tooth is from another shark.
A shark that could be 30 feet long!

MIKE

Thirty feet???

PHILIP

Actually, thirty-five is probably more accurate.

MIKE

That's impossible. If it's that big, why hasn't anybody seen it? Huh? Tell me that. It's like not seeing the Goodyear blimp in a swimming pool.

KATHRYN

That's what I've come to ask you. Is there any large place that has a strong current of water flowing?

MIKE

I don't understand.

His BEEPER starts signaling. He ignores it.

KATHRYN

Sharks have to keep moving. They can never stop or they'll suffocate. If water isn't always flowing through them, they'll die.

PHILIP

Is there such a place? A cave or something with such a flow?

MIKE

I don't know... I can't think offhand of one.

He reaches for his signaling beeper.

MIKE

Yeah, what is it?

184 INT. CONTROL ROOM
184

The Woman Controller is watching one of the rising gauges.

WOMAN

Mike, we got a heat build-up in filter system number four. We're running high temperature.

CUT TO:

it there.

WOMAN (V.O.)
Right, Mike.

stop. Through the grate, we SEE the GRAY FORM begin
to move.

CUT TO:

187 INT. BAR
187

MIKE
What did you just say before?
About water flowing through them?

KATHRYN
That's why they're always moving.
They have to have it.

MIKE
(to Philip)
You wanted to know about a cave?

PHILIP
Filter system number four. Is
it large enough?

MIKE
(solemnly)
It's large enough...

CUT TO:

188 INT. VIEWING TUNNEL - PEOPLE
188

A dark cloud passing overhead, covering them in
shadows. We see the underside of a massive white
shark.

CUT TO:

189 INT. BAR - MIKE, KATHRYN, AND PHILIP
189

PHILIP
How far away is filter number four?

MIKE
Five hundred yards.

PHILIP
You have a man near it?

KATHRYN
Somebody better get down there!

MIKE
It's all controlled from the
Control Room.

PHILIP
I've heard of a White that big,
in Australia...

KATHRYN
How'd it get in here?!

MIKE

Slumps on his stool, head in his hands, half-bagged,
mumbling low.

MIKE
Oh, no... not again. A thirty-
five-foot fuckin' shark...
Goddamn... what's wrong with my
family? First my father... now
me...

MIKE

Sees something REFLECTED in his glass. He leans
forward, curiously, watching whatever it is growing
larger and larger.

MIKE
What the hell...

He turns and SEES

190 JAWS!
190

In all it's full, awesome, HORRIFYING form. Mouth
open, it tries to eat the viewing glass, then turns.
Its body thunders against the window, shaking it as
people SCREAM and panic for the door.

KATHRYN (V.O.)

Oh, my God!

191 KATHRYN AND PHILIP
191

Can't believe it themselves. They stare in awe.

PHILIP

He's big as a bloody bus!

KATHRYN

The water ski show! We have to
get them out!

MIKE

Come on!

KATHRYN

You two go! I'll call Calvin!

CUT TO:

192 EXT. RESTAURANT
192

Mike and Philip come jumping into Mike's golf cart.

MIKE

Watch it! Out of the way!

The tourists look at them. Who are these rude men?

MIKE

Coming through, please!

Philip is standing and screaming.

PHILIP

Move your bloody asses!

Mike tries to drive through-around the crowd. They
yell back at him. Mike grabs his beeper and calls in.

MIKE

This is Brody, get the skiers
out of the water! We got a
shark loose! A Great White!

CUT TO:

193 THE SHARK

CUT TO:

195 SKI SHOW AUDIENCE
195

Stomping and clapping and cheering for their side.

AUDIENCE

Hatfields!

AUDIENCE

CUT TO:

196 KATHRYN ON PHONE
196

She's finally gotten Calvin.

KATHRYN

Yes, Calvin, yes! It's the biggest shark I've ever seen. A female. I think the other one was hers. You have to get the skiers out.

CUT TO:

197 SHARK POV
197

Up ahead, the skiers' wake. The shark rises.

CUT TO:

198 MIKE AND PHILIP
198

Now there are so many tourists in front of them, the cart is useless. They jump out of it and RUN for the ski show stadium. Those in their way get knocked aside.

TOURISTS

Hey, where the hell you going?!
Why don'tcha watch it?! Asshole.

CUT TO:

199 EXT. LAGOON - DORSAL FIN
199

Slicing through the water, CAMERA draws around, revealing that the shark is heading for the lighted stadium, the ROAR of the crowd.

200 SHOT OF THE SKI SHOW

Looking toward the lagoon, sees something.

PHILIP

Oh, Christ.

203 WHAT HE SEES - THE FIN
203

Heading toward the skiers.

204 MIKE AND PHILIP
204

Keep running, pointing, and yelling.

MIKE

Shark! Shark!

But his warning is drowned out by the participating audience caught up in the show.

AUDIENCE

Hatfields!
McCoys!

Mike grabs one of the show's MANAGERS.

MIKE

Get them in! There's a shark out there!

MANAGER

You're kidding, aren't you?

MIKE

Get them out of the water!

MANAGER

Jesus...

He runs off, while Mike sprints for the Master of Ceremonies.

CUT TO:

205 WATER SKIERS

206 SKIER - TOD
206

Does a fancy turnabout. Skiing backwards, he looks aghast as he spots something in the water coming after them.

TOD

Holy shit!

He completes his turn-around and skis on, looking back over his shoulder. One of the GIRL SKIERS notices him looking.

GIRL

Hey, what'd you lose?

TOD

Huh... nothing... just don't fall. Just don't fall!

He glances back again. The fin follows, then dives beneath the surface.

CUT TO:

207 SKI SHOW - MASTER OF
CEREMONIES

207

The M.C. is giving the audience a running play-by-play commentary as Mike comes bursting upon him, grabbing the microphone. The M.C. keeps pushing Mike back.

M.C.

What are you doing? I'm doing a show. Give me that.

MIKE

(into microphone)

All skiers in! There's a shark out there! Get out of the water! There's a shark!

208 AUDIENCE
208

Almost in unison, EVERYBODY in the entire stadium rises to their feet, looking.

CUT TO:

209 WATER SKIERS
209

Having heard Mike's announcement, they're all looking about with great concern.

210 SKIER
210

Does a JUMP, coming off a ramp. Airborne, he glances down in disbelief as he FLIES over the monstrous form swimming beneath him.

SKIER

Holy shit!

He lands and keeps going.

211 SKIERS
211

As the boat comes roaring in at top speed. The skiers

make their sliding breakaway and clamber up onto the pad and safety.

212 MIKE AND PHILIP
212

Are amongst those helping them out. The skiers collapse thankfully.

SKIER
God, that was close!

213 GIRL SKIERS
213

All out of breath, looking out at the lagoon.

GIRL SKIERS
I don't see it.
Where is it?

CUT TO:

KELLY
Isn't this fun!

SEAN
(low, sarcastic)
Can hardly wait to do it again.

She laughs and kisses him.

KELLY
Told you you'd like it.

SEAN
(apprehensively)
Now what's this do?

KELLY
Goes up.

Sean looks out at the water and sees

219 THE FIN
219

Knifing through the water.

SEAN
(aghast)
No... It can't be.

KELLY
What, hon?

Unable to speak, he can only point at the rapidly

KELLY
It's okay, Sean.

SEAN
Take it up.

KELLY
He's diving!

222 THE FIN
222

Disappears.

223 THE GONDOLA
223

Slowly rises. Now ten feet above the water.

KELLY
(big sigh)
We made it. It can't get us.

Sean still stares through the glass bottom at the water.

SEAN
Take it up!

KELLY
SEAN!

Kelly has reason to scream, for

224 THE SHARK
224

Comes BURSTING out of the water at them.

SEAN
NO!

225 SHARK
225

Lunges high into the air, giant jaws open wide, rows of teeth bared. It clamps down on the rising gondola.

KATHRYN
How is he?

MIKE
Couple of fractures, lacerations.
They say he's gonna be all right.

KATHRYN
... I have to go, honey. Phillip
and I are going down together to
kill the shark.

MIKE
... Okay.

She kisses his cheek and leaves. Mike just keeps

Kathryn, Calvin, Philip, and staff execs seated around the table-top model of the Kingdom.

PHILIP

We can assume he's back in the water intake passage.

KATHRYN

She, Mister Hutton.

PHILIP

He. She. Let's blow the bitch up!

CALVIN

You can't do that. We're talking millions of dollars of filtering system.

PHILIP

We're talking a bloody dinosaur's down there!

CALVIN

You're not going to blow that equipment away.

PHILIP

Well, what else do you propose?

MIKE (V.O.)

We net it...

They all look to see

235 MIKE
235

Coming through the door, joining them.

MIKE

(continuing)

After all, that's how you catch fish, isn't it?

PHILIP

You could also try a bamboo pole and a worm.

CALVIN

What's your plan, Brody?

MIKE

It's easy. Put a net on the derrick. Put the net in the water by the intake passage. Turn off the intake passage. Shark comes out into the net and is hauled up.

PHILIP

A piece of pie on Sunday.

KATHRYN

The net would have to be secured by the intake passage.

MIKE

That's right.

KATHRYN

Who's going to do it?

MIKE

Me.

KATHRYN

Michael, you're not going down there.

MIKE

I am. You're not.

KATHRYN

But you --

MIKE

(cutting her off)

It's a construction job. I'm the only one that can do it.

PHILIP

I'll go with you.

MIKE

No way.

PHILIP

I'll stay out of your way. I won't interfere.

MIKE

I'm sure you won't. But you're going to have to wait till we come up. Then you can film all you want.

He starts for the door as Kathryn grabs him.

KATHRYN
Michael, you don't have to go
down there.

MIKE
I want that shark, Kathryn.

KATHRYN
You don't have to prove anything.

MIKE
Only to myself.

She watches as he leaves.

264 PHILIP
264

It's his turn now. He grabs Ike.

PHILIP

Let's go.

418 FULL SHOT - MIKE AND KATHRYN AND THE MEN
418

Swept across the Control Room by the giant wave of water flung around. One man is smashed against a wall and killed. Several others make it to the door, getting out just before the water slams it shut.

419 MIKE AND KATHRYN
419

Putting their mouthpieces in again as the Control Room fills with water. They look toward

420 THE SHARK
420

With one of the technicians in its JAWS and is subdividing him.

421 CONTROL ROOM
421

Starts flooding. A tape bank topples , crushing female technician.

422 IMPALED SHARK
422

Thrashes violently, working its way in. It's caught on a huge section of thick glass piercing its side.

423 MIKE AND KATHRYN
423

Staring at the shark. Suddenly, the air in Mike's tank runs out and, reacting, he taps Kathryn's arm. She sees his problem, takes a deep breath, and gives him her mouthpiece. They look toward the window at a loud SOUND.

424 THEIR POV - THE SHARK
424

Still very much alive, throwing its gigantic weight forward, getting closer and closer to CAMERA, each violent lurch cutting its side open more, blood pouring from the jagged rent.

425 ANGLE PAST SHARK ON MIKE AND KATHRYN
425

As it gets closer and closer to them. They back away, are blocked by a console.

426 ANGLE PAST MIKE AND KATHRYN
426

Showing the shark closer yet. Despite the impaling blade of glass, despite the internal injuries, the shark -- in seconds -- will have them.

427 CLOSE ON MIKE AND KATHRYN
427

Sharing the mouthpiece, huddled together, helpless now. Then Kathryn's eyes widen, both react.

428 THE SHARK
428

Shaking its head as it inches forward, jaws open wide.

429 MIKE AND KATHRYN
429

Drawing back. Kathryn SCREAMS.

430 THE SHARK
430

Emerging from its maw is Philip's body.

431 PHILIP'S BODY
431

We see the GRENADE locked in his fist.

432 MIKE
432

Quickly grasps a metal strip from the tape bank and fashions a crude hook.

433 MIKE
433

Times his move perfectly and KNOCKS the grenade out of Philip's locked fist. The grenade comes to rest between the shark's TEETH. Kathryn gives Mike some air, then

434 MIKE
434

Leaps forward and SNATCHES the grenade out of the shark's mouth.

435 MIKE
435

Hurriedly wraps a metal strip around the grenade.

436 KATHRYN
436

Acts as a decoy and lures the shark's attention as

437 MIKE
437

PULLS the grenade pin and
SHOVES GRENADE
Into the distracted shark's mouth.

438 MIKE GRABS KATHRYN
438

And they roll behind a Control Room desk and computer terminal console.

439 FULL SHOT SHARK
439

As the shark is BLOWN OUT backward through the window opening, torn in half by the explosion, its massive remains starting to slide toward the lagoon bottom, turning the water crimson.

440 MIKE AND KATHRYN
440

Grabbing the stunned Kathryn, Mike pulls her to the window and out, starting upward through the bloody water.

441 UNDERWATER - MIKE AND KATHRYN
441

Sharing the air, they slowly float to the surface, buddy-buddy breathing.

442 SURFACE
442

Mike and Kathryn break through. Helping each other, they make their way over to a camera pylon.

443 MIKE AND KATHRYN
443

Cling to the pylon and each other.

444 KATHRYN
444

Suddenly looks alarmed as she remembers:

KATHRYN
Bobby and Daisy.

Mike looks about, no sign of the dolphins.

445 KATHRYN
445

Slaps the water hard three times.
No dolphins.
She does it again.
And again.

446 KATHRYN
446

And now, in total ANGER AND FRUSTRATION, she pounds the water like Rocky on the punching bag until she is drained, and Kathryn breaks down sobbing as Mike holds her, trying to comfort her.

447 DOLPHINS
447

Come shooting to the surface! They're banged and bruised, but are chirping excitedly and as HAPPY to see Kathryn and Mike as they are to see them.

448 DOLPHINS
448

Slowly swim around the hugging Mike and Kathryn as CAMERA PULLS UP to show the Sea Kingdom, in all its entirety, safe at last.

FADE OUT.
