1 SUMMER. POSY DRAWING 1

2 EXT. DAY. STONEFIELD - THE GROUNDS. 2

Andy Cobb, early thirties, is digging an English garden in the hot sun. He is lean, naked to the waist. It's hard to tell which century he inhabits. Only when he stops to drink from a plastic bottle do we realise he is of our time.

TESS (V.O.)

And love slipped the bonds of restraint...

At a table under a willow tree sits Tess - early fifties, funky specs - at a laptop. She pauses in her typing,

staring

at Andy.

TESS (V.O.) (CONT'D)

His touch was like a cosmic `yes'.

Underneath a converted barn, cross-legged on a bench in a bikini top, sits Eustacia. She is hunched over a note pad, writing at tremendous speed, oblivious to all but her work.

EUSTACIA (V.O.)

`Fuck you,' screamed Kelly, `Fuck you to hell!' Scott stepped back from the cell door as the gob of spit flew.'

1A INT. DAY. GLEN'S ROOM. 1A

Sitting at a barn window is American academic Glen McCreavy
;
a physically awkward man, more at home with his intellect
than his body. He is surrounded by foolscap, post-it notes,
books and markers - dominated by a poster of a dour
Victorian
- Thomas Hardy. He is writing.

GLEN (V.O.)

This complex contemporary matrix is
what Hardy meant by 'the ache of
modernism.'
He regards it.

GLEN

Crap.
He deletes it. He looks at his blank screen, breathing
deeply. The only words left say 'Chapter Six'.

NICHOLAS (V.O.)

Inchcombe had seen it all before.
He'd seasoned it: the metallic
smell of blood and gunshot;
forensics hunched like vultures.
The dreadful mundanity of murder,
he thought.

3 INT. DAY. STONEFIELD - NICHOLAS' SHED. 3

Nicholas Hardiment writes fluidly with pencil and paper. A
good-looking man of fifty. Dark hair, strong figure.

NICHOLAS (V.O.)

He approached Patel, who was
stricken. She was one for whom a
corpse was still an obscenity.
Inchcombe realised a disturbing
truth. His lack of feeling was
almost...
(He stops writing. Sighs)

NICHOLAS (CONT'D)

Pathological...

4 EXT. DAY. EWEDOWN - THE PLAYGROUND. 4

Jody
of
from

A playground on the edge of an idyllic English village.
Long - fourteen, skinny, restless - is lying at the bottom
the slide gazing at the clouds. Casey Shaw, her shy, placid
best friend, is sitting on a toddler toy, reading aloud
a magazine.

CASEY

'I've been wearing the wrong size
all my life,' said Katie. 'I was
always popping out. Turns out I'm a
30GG,' she says. 'Now my bras
finally fit - though Simon prefers
me without one.'
Jody checks to see if her breasts have grown. She sighs.

4A INT. DAY. KITCHEN. 4A

A woman in an upmarket apron is taking a tray of scones and
biscuits out of the aga. It's Beth Hardiment. Once pretty,
she's now mumsy and countrified.
She examines her baking, satisfied with its perfection.
Mary, the help, is doing the washing-up.

BETH

Do you think I should be reminding
them to drink enough? It's very hot
out there...

MARY

Beth - they're writers, not babies.
You run round after `em too much.

GOLDENROD REVISIONS 20.10.09 3.

5 EXT. DAY. STONEFIELD - THE GROUNDS. 5

Glen walks outside, breathing in the fresh air. Beth approaches with her tray of scones and biscuits.

BETH

Can I tempt you, Glen?

GLEN

Wow, thanks.
Glen picks up a scone.

BETH

I often take something snacky down to Nicholas at this time of day. I know how the brain needs feeding. How are you settling in?

GLEN

Great. The last writer's retreat I stayed at kind of froze my balls off, you know?

BETH

Oh.

GLEN

Screeching firedoors, curried lasagne and a needy poet - from whom I still bear the scars.

BETH

We try to keep it peaceful here; far from the madding crowd.

GLEN

Well, it's paradise.

6 EXT. DAY. EWEDOWN - VILLAGE STREET. TRIANGLE. 6

The blight on this rural paradise is a vandalised bus shelter near the only T-junction in the village. A twee shop, hanging baskets and Grade II listed buildings make up the view. It's shatteringly dull. Casey and Jody walk up towards the bus shelter. Their boredom is epic.

GOLDENROD REVISIONS 20.10.09 4.

An open-topped BMW goes past and halts briefly by the junction. The tones of Classic FM blare out, much to the enjoyment of the middle aged couple within.

CASEY

Frock horrors. This weeks top of the shocks goes to Katie Pound in an off the shoulder lime by Roberto.

JODY

She looks like a bug.
(Car hoots) Wankers!

CASEY

You wanna sack your stylist girl.

JODY

Bet they did that on purpose, dressed her up like an insect. Casey agrees. They zoom away.

7 EXT. DAY. STONEFIELD. THE GROUNDS. 7

full

Glen lowers himself into a comfy garden chair, his mouth of cream and jam. Behind him, Nicholas' shed.

GLEN

Perfect harmony.

8 INT. DAY. STONEFIELD - NICHOLAS' SHED. 8

Nicholas is panicking down the phone.

NICHOLAS

In Ewedown? Nadia, what the ffff are you doing there? I haven't told her yet.

8A EXT. EWEDOWN. THE STREET NEAR THE BUS STOP. 8A

Nadia is walking up the road from the station in her high heels, carrying an overnight bag. She is weeping into her phone.

NADIA

Why not? You keep saying you want to be with me.
Jody and Casey are all ears.

NICHOLAS

I can't tell her just like that.
It's twenty five years; a marriage.

GOLDENROD REVISIONS 20.10.09 4A.

NADIA

Come on Nicholas. Or I'm going to get in a taxi and find your farm.
Come up there and -

NICHOLAS

NO -

NADIA

Drag you out -

GOLDENROD REVISIONS 20.10.09 5.

NICHOLAS

NO, NO DON'T!

NADIA

I want to be with you. I thought you'd be pleased...

8B POV. EXT. DAY. STONEFIELD / INT. DAY. NICHOLAS' SHED 8B

Through the window Nicholas sees Beth leaving a scone by Diggory, a sleeping poet in a pretentious hat.

NICHOLAS

Of course I'm pleased... Nadia, go to the pub and stay there. I'll come when I can.

NADIA

Are you going to tell her?

NICHOLAS

Just give me a couple of hours -
He ends the call just as Beth is nearing the door -
panicking the phone back on to its holder.

NICHOLAS (CONT'D)

Cock pie.
Beth opens the door to see Nicholas apparently hard at it.

BETH

How's the worker?

NICHOLAS

Good actually. Just about to embark on forensics.

BETH

Well give me your pages and I'll get started.
Nicholas hands her several pages.

NICHOLAS

Reckon I might pack it in a bit early today. Need to think about my blood smears. Might take a drive; have a pint. Stir the old grey matter up.

BETH

Who were you talking to just then?

NICHOLAS

Judy. She says the Impala contracts should be through in a day or two.

GOLDENROD REVISIONS 20.10.09 5A.

Beth immediately knows he is lying. The lie pains her. She goes to the door.

GOLDENROD REVISIONS 20.10.09 6.

Beth decides to try and call his bluff.

BETH

I could come with you.

NICHOLAS

What?

BETH

For a drive. I don't know when we last went out.

Buying time by biting his scone:

NICHOLAS

This is absolutely yummy.

BETH

We could go into Hadditon, get a meal.

NICHOLAS

Yes but. What about the guests?

BETH

Mary's got Casey to help.

NICHOLAS

But I'm supposed to be thinking, you know about the -

BETH

You can run it by me. I'm good at forensics.

Nicholas has run out of excuses.

9 EXT. DAY. STONEFIELD - THE GROUNDS. 9

Beth approaches Andy with her scones and biscuits. Nearby, Glen is sitting back in a sun-lounger. Diggory sleeps on.

BETH

Can I tempt you, Andy?

Andy takes a scone with a wide smile.

BETH (CONT'D)

That's Glen, our new academic. Turns out he's working on Thomas Hardy. Said he might have some farming questions.

ANDY

Needs an expert yokel, does he?

GOLDENROD REVISIONS 20.10.09 6A.

BETH

Would you mind? And the writers are eating al fresco tonight; could you check there's no bird shit on the seats? Sorry.

Beth looks distant, troubled.

ANDY

You OK?

GOLDENROD REVISIONS 20.10.09 7.

BETH

Yes. Nicholas and I are going out to dinner.

As she walks away, Andy glances at the shed, a look of puzzled dislike on his face.

9A INT. DAY. STONEFIELD. 9A

Glen settles back in his chair.

GLEN

It's paradise...

10 INT. DAY. STONEFIELD - NICHOLAS' SHED. 10

cow's

Nicholas, dreading his predicament, is staring out at a
arse. The cow starts to piss. He shuts his eyes in
desperation.

10A I/E. DAY. TAMARA'S CAR. 10A

Shooting from inside the car, we pass the sign "Ewedown".

11

11 EXT. LATE AFTERNOON. EWEDOWN - HALFWAY DOWN THE STREET.

The same car drives through the village. Jody and Casey
appear from behind a wall and chuck eggs at it. They both
land on the windscreen.

JODY

Fucking bingo!
Jody and Casey run away, laughing.

11A EXT. DAY. EWEDOWN. OUTSIDE THE PUB. 11A

Drewe

The driver brakes, swerves and comes to a halt. Tamara
gets out. She's twenty eight, startlingly beautiful. She
looks around shocked, for the culprit.

takes

The immaculate, picturesque street is deserted. Tamara
it in, with an expression of such distaste that it might as
well be a landfill site.

TAMARA

What a dump.
As she drives away, we see Nadia sitting outside the pub in
her urban heels, anxiously smoking a cigarette.

GOLDENROD REVISIONS 20.10.09 7A.

12 EXT. LATE AFTERNOON. WINNARDS FARM. 12

car

Tamara drives up to an old farmhouse. She gets out of the

Tamara and stands at the gate. Air of neglect; dark windows.
looks at the place as if it stirs memories. She doesn't
move.

12A DELETED 12A

14 EXT. LATE AFTERNOON. WINNARDS FARM. 14

At the back of the house Tamara walks through an overgrown,
neglected garden. She peers through the back door into the
kitchen. A thin layer of dust on the surfaces; a sense of
recent abandonment.
Suddenly a pigeon flies out from the porch eaves - just
over her head. Tamara startles. It completely spooks her. She
backs away. She doesn't know what to do.

13 EXT. LATE AFTERNOON. EWEDOWN - BUS SHELTER. 13

Jody and Casey are slouched on the bench at the bus stop.
Three teenage boys are doing wheelies over the T-junction.
One of them almost lands in the shop. An old lady comes
out,
shoo-ing them away.

JODY

We could walk up the garage.

CASEY

I'm supposed to be helping my mum
up at Stonefield.

JODY

They keep you busy.

CASEY

Yeah.

JODY

You never stop, you!
Neither of them moves. The boys are yelling. Two try to put
the third head first into the bin outside the shop. Jody
and
Casey are not impressed.

15 DELETED. 15

GOLDENROD REVISIONS 20.10.09 8.

16 EXT. EVENING. STONEFIELD - THE GROUNDS (PATIO). 16

The writers are sitting round a table lit with tea-lights
in jars. Casey is helping her mum, Mary, an efficient local
woman in her late thirties. She wobbles the heavy serving
dishes dangerously.

GLEN

It was called 'From Hearth to Heath
- Doomsday and Revelation in
Victorian verse.'

TESS

What was it about?

GLEN

Oh you know. Pale poets on
laudanum, dark towers and sunless
seas - a little sturm and drang in
a teacup.

GOLDENROD REVISIONS 20.10.09 9.

At an upstairs window we can see Beth hold a dress up to
herself and then abandon the idea.

TESS

Did it sell?

GLEN

Well my kind of books aren't about
sales. I mean that's not why I
write. So... no.

TESS

What are you working on next?
Upstairs, through a window, we see Beth is putting on a blouse.

17 INT. EVENING. STONEFIELD. BETH'S BEDROOM. 17

of Beth is looking at herself in a cheval mirror. She's full
hope that Nicholas will take her out - and dread that he'll
find some excuse.

18 EXT. EVENING. STONEFIELD. THE GROUNDS (PATIO). 18

GLEN

Thomas Hardy.

DIGGORY

Is there anything left to say about
that maudlin bore?

GLEN

Excuse me but there is nothing dull
about Hardy. That is a
misconception.

TESS

At least you've been published. I'm
seething with envy; I'd love to be
published.

EUSTACIA

I publish myself on the internet.

TESS

Oh, do you earn money doing that?

EUSTACIA

No.

GLEN

So what do you write?

EUSTACIA

Lesbian crime.

GOLDENROD REVISIONS 20.10.09 9A.

Casey drops a potato in Glen's wine.

EUSTACIA (CONT'D)

I'm here picking up tips from the master.

GOLDENROD REVISIONS 20.10.09 10.

19 INT. EVENING. STONEFIELD - DOWNSTAIRS. 19

The door to the garden is open, letting in the evening air. Nicholas is waiting for Beth by the mirror. He is full of unease - but can't help finding himself handsome. His phone beeps; a text. He reads it anxiously.

NICHOLAS

(CALLING)

Beth, why don't I just pop out on my own?

Beth, determined to force things, comes downstairs.

BETH

But I'm ready. Come on.
She's on her way to join him.

NICHOLAS

Is that - I mean - are you wearing that?

BETH

Oh.

NICHOLAS

Just looks a bit... hot.
Now Beth knows she is right. She takes her jacket off, gutted.

NICHOLAS (CONT'D)

You know, Haddition's always packed with pissed Londonites on a Friday. I doubt we'll get a table anyway. Let's

do it properly next week; make an occasion. I'm always taking you for granted. I'm vile I know; you should kick me really, but -
He's about to leave. Beth speaks calmly.

BETH

Who is she?
The question hangs in the air. Nicholas' smile is frozen.

NICHOLAS

What?
For a moment, he tries to find a lie.

NICHOLAS (CONT'D)

Oh come on, Beth.

BETH

Tell me. Who?

GOLDENROD REVISIONS 20.10.09 11.

NICHOLAS

Look, it's nothing. It's been once or twice, that's all. Beth, it's not anything.
Beth is raw with pain.

BETH

(her voice raised)
Who is she?!

19A EXT. EVENING. STONEFIELD - THE GROUNDS (PATIO) 19A

Tess faintly hears. She stops mid chew, listening for more.

19B INT. EVENING. STONEFIELD - DOWNSTAIRS 19B

Nicholas coughs up.

NICHOLAS

Just a researcher with Radio 4.

BETH

What's her name?

NICHOLAS

Nadia, Nadia Patel.
This hits a nerve.

BETH

Patel? She's in your book.

NICHOLAS

No, no I met her when I was on
Desert Island Discs.

BETH

You put her in your book!

NICHOLAS

Just the name.

BETH

And Desert Island Discs was a year
ago.

NICHOLAS

Yes but -

BETH

Once or twice?

NICHOLAS

I was going to tell you but -
Beth utters an inchoate cry.

GOLDENROD REVISIONS 20.10.09 11A.

19C EXT. EVENING. STONEFIELD. THE GROUNDS (PATIO) 19C

Tess hears it.

TESS

Shhh!...
Beth's pained voice drifts out of the house.

BETH (O.S.)

You lying PIG!
A hush falls over the table.

19D INT. EVENING. STONEFIELD - DOWNSTAIRS. 19D

NICHOLAS (CONT'D)

Beth, I'm a ruin, I know - but I've
been in a real state about this... I
didn't want to hurt you.
Another wounded cry from Beth.

19E INT. EVENING. STONEFIELD. KITCHEN. 19E

In the kitchen, Andy picks up his plate and goes.

GOLDENROD REVISIONS 20.10.09 12.

19F INT. EVENING. STONEFIELD - DOWNSTAIRS. 19F

Beth is incandescent.

BETH

How can you lie to my face?

NICHOLAS

Can we talk calmly about this?
There are people out there -

BETH

You look me in the face and LIE!

NICHOLAS

For God's sake; we're surrounded by

NOVELISTS -

BETH

You BASTARD!

19G EXT. EVENING. STONEFIELD. THE GROUNDS (PATIO) 19G

writers

A thrilled intake of breath goes round the table. The
(with the exception of Glen, who is mortified) are poised
like scavengers, waiting for more.

19H INT. EVENING. STONEFIELD - DOWNSTAIRS. 19H

NICHOLAS

Beth, we're like a pair of
compasses...

BETH

Don't you dare -

NICHOLAS

Joined solidly at the top but with
the ends able to roam, in freedom -
His phone beeps.

BETH

That's from her isn't it? Are you
keeping her waiting?
Nicholas finally snaps.

NICHOLAS

We've talked a lot about the
creative mind and we agreed that it
needs freedom to explore!

GOLDENROD REVISIONS 20.10.09 12A.

BETH

(leaving the house)
Take your freedom. I can't live
like this any more. It makes me
feel WORTHLESS!

20 EXT. EVENING. STONEFIELD - THE GROUNDS (PATIO/PORCH). 20

Casey gawks, fascinated.
Nicholas is following Beth outside. Her agony travels
through the quiet evening air. The writers are open-mouthed.

NICHOLAS

Calm yourself down!

BETH (O.S.)

Go set up home with Patel. See if she does your tax return.

NICHOLAS (O.S.) (CONT'D)

Will you please -

BETH (O.S.)

Do you love her??
Diggory's fork stays in mid-air. Glen is horribly fascinated.

GOLDENROD REVISIONS 20.10.09 13.

NICHOLAS

(FIRMLY)

This is pointless.

BETH

Is she young?

NICHOLAS

For heaven's sake.

BETH

IS SHE?

NICHOLAS

YES!

The guests are hanging on every word. Beth retreats back into the house.

BETH (O.S.)

If you leave here tonight to be with her... Don't come back.

NICHOLAS

Beth...
For a moment, she hopes he'll apologise.

NICHOLAS

You're making fools of us both.
Beth, tears stinging, picks a plant out of the tub by the door and hurls it, roots and all. It's a direct hit.

BETH

Liar.
Glen cringes. Beth slams the door.
Nicholas wipes soil off his glasses; brushes it off his shirt. He realises with a sinking heart that he must pass
the
writers to get to his car.

DIGGORY

I didn't know they provided material
too.

20A INT. EVENING. STONEFIELD - DOWNSTAIRS. 20A

Beth, her back to the door, is regretting her gesture.

20B EXT. EVENING. STONEFIELD - THE GROUNDS (PATIO/PORCH).

20B

EUSTACIA

Beth does everything for him you

KNOW;

EUSTACIA (CONT'D)

types his manuscripts, deals with
his agent, makes his female
characters convincing.
Nicholas still at the door, listening.

EUSTACIA

She even came up with the name Dr
Inchcombe.

DIGGORY

No wonder he's bored.

EUSTACIA

I hope she takes him to the fucking
cleaners.

Nicholas walks to his car. Silence. He roars away.

20C INT. EVENING. STONEFIELD - THE KITCHEN. 20C

Beth comes into the kitchen. Her eyes flicker over pictures
of her daughter and Nicholas. She is in shock.

20D EXT. EVENING. STONEFIELD - THE GROUNDS (PATIO). 20D

Glen is mortified.

GLEN

At the end of the day, this is why
I'm glad to be single.

20E INT. EVENING. STONEFIELD - THE KITCHEN. 20E

Beth is going through agonies of self-criticism.

BETH (V.O.)

Nadia Patel. Gazelle eyes. Tantric
sex.

We see her thoughts: An exotic clinch. Nicholas in thrall

to

Nadia's confident passion.

BETH

(TO CAMERA)

Why would he choose me?!

20F EXT. EVENING. STONEFIELD - THE GROUNDS (PATIO). 20F

The gossip flutters round the table.

TESS

Will she take him back, that's the
question.

GOLDENROD REVISIONS 20.10.09 13B.

EUSTACIA

Would you?

TESS

I'd be torn.

EUSTACIA

He's far too up himself.

TESS

What about the farm though?
Splitting up all this? Must be
worth a fortune. I think she's
very rash, making him choose...

GOLDENROD REVISIONS 20.10.09 14.

21 EXT. EVENING. STONEFIELD - THE KITCHEN. 21

Alone, Beth weeps.

22 EXT. NIGHT. EWEDOWN - OUTSIDE THE PUB. 22

Nicholas is walking Nadia to his car.

NADIA

Thought you weren't going to come.

NICHOLAS

I was busy. Rowing with my wife.

NADIA

Where are we going?

NICHOLAS

Home.

NADIA

To your farm?
A look of frustration crosses his face. He turns to her.

NICHOLAS

We could have gone on just as we
were.

NADIA

But you said you wanted to be with
me...

NICHOLAS

Yes. In London. Now and then.
Nadia looks at him. The scales are beginning to fall. They
get in the car. As they drive away, Tamara's car pulls up.
She gets out of the car and takes in the pub before
entering.

23 INT. NIGHT. EWEDOWN - THE PUB. 23

Tamara enters. Zoe, a buxom Australian, is behind the bar.

GOLDENROD REVISIONS 20.10.09 15.

TAMARA

Big glass of rioja please. And I
need a room.

ZOE

Sure, how many nights?

TAMARA

Don't know. Just one.
Zoe pours the wine. She's disarmingly friendly.

ZOE

You here on business?

TAMARA

No. Business of a kind.

ZOE

I don't mean to pry; I'm just

really noseey.

TAMARA

I'm from here. Sort of.

ZOE

Nice place.
Tamara smiles her disagreement.

ZOE (CONT'D)

I keep meaning to leave but... Hard
to get away.

TAMARA

My mum's house is just up the road.

ZOE

You're not staying with her?

TAMARA

She's. She died.
Zoe finishes pouring the wine.

ZOE

Have that on me. And here's your
key. Up the stairs, right in front.
You can't miss it.
Tamara utters her thanks, surprised at Zoe's kindness. She
takes her drink and the key upstairs. Zoe remains, grinning.
We see why.
Andy Cobb has just walked in. Zoe pulls him a pint.

ZOE (CONT'D)

Didn't think I'd see you tonight.

GOLDENROD REVISIONS 20.10.09 16.

ANDY

Bit of an atmosphere at Stonefield.

ZOE

Tell me everything...
Andy shakes his head.

ANDY

Marriage. Remind me never to try it.

ZOE

Andy, you're just a sex object. No one'd have you.
He grins back at her.

24 INT. NIGHT. EWEDOWN - THE PUB. TAMARA'S BATHROOM 24

Tamara is in a deep bubble bath. She glances at herself in the mirror, scrutinising her beauty. She fingers her nose. Slowly a look of doubt steals over her - as if she's not quite comfortable in her own skin.

25 INT. DAY. STONEFIELD - THE KITCHEN. 25

Glen is eating his breakfast looking at all the Hardiment's family memorabilia in the kitchen. Andy is eating toast.

GLEN

So the Hardiments have lived here centuries, huh?

ANDY

No, `bout twenty years. Still strangers by local standards. Beth comes in, tense, anxious and haggard.

BETH

Andy, come and look at Ingrid. I think she's coming into heat. She goes out.

GLEN

She's a nice lady.

ANDY

Yeah, I owe her a lot.

GLEN

Husband's a sleazebag, huh?

GOLDENROD REVISIONS 20.10.09 17.

ANDY

We'd say prick here actually. Or wanker.

GLEN

That's good. We might even call him
a Fuck.

ANDY

That's good too.

26 EXT. DAY. STONEFIELD - THE CHICKEN RUN. 26

Andy approaches Beth. She is cleaning out the hen coop with
all the frenetic energy of an abandoned wife.

BETH

This is going rotten underneath.

ANDY

Shall we look at Ingrid?

BETH

It's falling apart.

ANDY

I can do that. Beth...
Andy takes the shovel. Beth bites back tears.

ANDY (CONT'D)

He won't last five minutes.
Beth looks down embarrassed by (but grateful for) his
support.

26A INT. DAY. STONEFIELD. 26A

Glen wanders into Beth's office. The wall in front of him
is dominated by a framed newspaper profile of Nicholas,
surrounded by framed covers of Inchcombe books. The whole
room is a shrine to Nicholas' career.
Glen is in the hall looking at Beth's prints and pictures;
old maps, wildlife and framed letters from grateful writers
who have stayed at the retreat. He stares at a print of
farm workers in the nineteenth century. Glen sighs.

GLEN (V.O.)

I know why I'm drawn to Thomas
Hardy. He writes about failure
better than anyone else. I need

this book to go well. I need a tiny
reward for my endeavours...
His stomach gurgles ominously.

Nadia, I'm devastated.

Through the frosted window Glen sees Nicholas.

NICHOLAS (O.S.)

But if that's your decision, I'll

have to learn to live with it.

Beth comes in from the garden. Glen sees Nicholas quickly

end

the call. For Beth's benefit:

NICHOLAS

(Into his phone)
I told you. I love my wife. Don't
ever phone me again.
Glen is shocked by this duplicity.

NICHOLAS

Beth...

BETH (CONT'D)

No don't touch me, don't you dare.
Glen panics, realising their reunion is going to be right
the door. He puts his hand on the flush, hoping to warn
- too late.

NICHOLAS

I'm sorry.

GOLDENROD REVISIONS 20.10.09 18A.

NICHOLAS (O.S.)

I hate myself. I hate myself.
Glen opens the door a chink. They are feet away from him.
Nicholas looks unshaven, shagged and guilty.

BETH

Where were you?

NICHOLAS

Drove her back to London. Took all
night.

BETH

You drove her home?

NICHOLAS

She was in a state.

GOLDENROD REVISIONS 20.10.09 19.

BETH

Do you think she'll get over it?...

Nicholas shrugs. To Glen's horror, he starts to cry.

NICHOLAS

I'm sorry.

Then Beth is sobbing too. They are in each other's arms, holding each other.

NICHOLAS (CONT'D)

I don't know why I'm like this. I couldn't do without you.

Glen looks away from the clinch, horribly embarrassed. He opens the toilet window, puts the soap dish straight. Looks again - still hugging, sobbing, kissing - puts his hand on the flush - too awful to reveal himself - takes it off

again.

Straightens his hair, examines his teeth, sweating. He looks again. At last the emotion is abating. Nicholas releases Beth. She wipes her eyes.

BETH

I've got to go to the bottle bank.

NICHOLAS

OK... Let's talk later.

BETH

Yes. The goat's come into heat.

NICHOLAS

Has it?

BETH

I love you so much.

NICHOLAS

Me too.

Beth goes. Nicholas is watching her; his expression strange.

He walks away. At last Glen emerges, incredulous at Nicholas' lies.

30 DELETED 30

GOLDENROD REVISIONS 20.10.09 20.

31 INT. DAY. STONEFIELD - THE GROUNDS. 31

Glen flops into a sun-lounger near Diggory.

GLEN

I've just seen the Hardiments kiss
and make up.

DIGGORY

(IRRITATED)

The hat is on.

GLEN

Looks like she's taking him back.

DIGGORY

When the hat is on, it means don't
speak.

GLEN

(WITH IRONY)

So... Peace is restored.
The sound of a burglar alarm suddenly blares over the
garden.
Diggory sits up, infuriated.

32 EXT. DAY. THE FIELDS (LIMBURY). 32

Glen is following Andy down the hill from Stonefield. The
cows are too close for Glen's comfort. He hurries through.

GLEN

I don't like cows. I mean really.
They exude bovine malice.

ANDY

Yeah, these girls are killing machines. They don't like Americans either.

GLEN

Very funny.

32A EXT. DAY. FIELD AND COPSE. (LARKHAM) 32A

Glen and Andy are in the valley between the two farms.

GOLDENROD REVISIONS 20.10.09 21.

ANDY

It's Winnards Farm. Lady there died a while back. Place is empty.

GLEN

You think it's being robbed?

ANDY

Prob'ly just kids. Nothing to do round here except make trouble.

GLEN

What if it's bad guys? Don't you have a blunderbuss or a fowling piece or something?
They climb up through a copse.

CUT TO:

32B EXT. DAY. FIELDS (WINNARDS). 32B

Glen and Andy are going up the hill towards Winnards.

ANDY

Used to belong to my dad, this place.

GLEN

Really?

ANDY

But it all went tits-up. Land was flogged to a consortium and the house was sold to Londoners; the Drewes.

GLEN

So this is your ancestral pile?

ANDY

Was. Born in that room up there. He points up at the back bedroom window.

GLEN

You must have been pretty resentful.

33 1995. EXT. DAY. WINNARDS FARM - THE LANE. 33

An eighteen year old Andy jumps off a stile into the lane behind a slim, fifteen year old girl on a horse.

ANDY

Hey.

GOLDENROD REVISIONS 20.10.09 21A.

The girl turns. She has a huge nose.

ANDY

This farm's mine, big nose.

GOLDENROD REVISIONS 20.10.09 22.

The girl kicks the horse into a trot, her nose in the air.

34 EXT. DAY. WINNARDS FARM. 34

Andy and Glen turn the corner to the back of the house. Tamara is up a ladder wielding a hammer at the alarm box.

ANDY

Hey, what're you doing?
Tamara gives the alarm box a great whack.

ANDY (CONT'D)

Who are you??

TAMARA

Andy, you moron; it's me.
Andy looks more closely. A disturbing spark of recognition.

ANDY

Tam?... Hardly recognise you.
Another whack. The noise becomes a high-pitched squeal.

ANDY (CONT'D)

You won't do it that way.

TAMARA

Then help me!

35 INT. DAY. WINNARDS FARM - THE KITCHEN. 35

Andy turns the alarm off. Tamara enters the dusty kitchen.

ANDY

Used to do bits of work for your mum.
Been keeping an eye on the place
since she died.

TAMARA

What sort of work, graphics?

ANDY

I do horticulture now.

TAMARA

You're a gardener?
Andy says nothing. He stares at her nose. Glen has come in.

GOLDENROD REVISIONS 20.10.09 23.

GLEN

This is a great old house.

TAMARA

Would you like to buy it?

GLEN

I'm not really the property-owning kind. Prefer my life to fit into hand luggage.

ANDY

That's why you're back, to flog it?

TAMARA

Yes.

ANDY

Make a nice second home for some banker wankers.

TAMARA

Andy if you want it, why don't you make me an offer?

ANDY

Because sadly I'm still prey to the economic forces that threw the peasant classes off the land.

TAMARA

Unlucky.
Tamara opens a cupboard. It's full of empty wine bottles.

ANDY

Tam.
Their eyes meet.

ANDY (CONT'D)

What the fuck have you done to yourself?
Tamara's face falls.

36 EXT. DAY. THE FIELDS (LARKHAM). 36

Glen and Andy are walking back. Andy is brooding.

ANDY

She's completely different.

GLEN

How was she before? What's the story?...

GOLDENROD REVISIONS 20.10.09 24.

ANDY

There isn't one.

GLEN

Come on.

ANDY

Was nothing. Decade ago. Just a teenage thing.

37 1996. INT. DAY. WINNARDS FARM - A SHED. 37

out
Tamara pulling down her pants; Andy unbuttoning his jeans. She jumps up on the worktable, pushing a stack of turnips of the way. They kiss passionately.

ANDY

You should find someone you're in love with.

TAMARA

You stupid prick.
Andy looks at her. She is sincere.

ANDY

You saying you love me, frosty tits?

TAMARA

You first.

ANDY

You say it; You're the girl.

TAMARA

Fuck off.
She kisses him. As they start to make love:

TAMARA (CONT'D)

I love you. Fuck off. I love you.

37A EXT. DAY. A FIELD. 37A

Glen looks over at Andy, interrupting his thoughts.

GLEN

Romeo and Juliet, huh?

Andy carries on down the hill, shaking his head.

38 INT. DAY. WINNARDS FARM - THE KITCHEN. 38

follow Tamara is watching Andy walk away with Glen. Her eyes
him curiously - then she firmly turns her back.

GOLDENROD REVISIONS 20.10.09 24A.

to Tamara rips a bin liner off the roll and shakes it out.
She takes a deep breath. She opens the cupboard and begins
bin the distressing mountain of empty wine bottles.

39 EXT. NIGHT. STONEFIELD - THE GROUNDS. 39

with Beth is standing at the hedge looking down at the valley
Nicholas at her side.

BETH

Thinking of the first time we saw
this place...

NICHOLAS

You've made it a wonderful home
Beth.

GOLDENROD REVISIONS 20.10.09 25.

BETH

Not wonderful enough.
She starts to walk away. Nicholas holds her back.

NICHOLAS

If you can't put this behind you,

then we're stuck.

BETH

Well I'd better sort myself out then.

NICHOLAS

What has to happen? I am sorry -

it; Beth brings her arm up to push him away. Nicholas catches
the draws her to him. He kisses her insistently. Beth's
resistance diminishes. Soon it has gone. We begin to see

depth of Beth's physical love for him.

At that moment, Glen walks round the corner. He tries to
backtrack, mortified by his intrusion on their passion. Too
late. They part. Nicholas turns away in frustration.

GLEN

Just taking the air.

Flustered, he knocks into a tub of lobelias. Beth and
Nicholas remain. The moment between them is gone. Round the
corner, Glen is cringing.

40 CUT 40

41 EXT. DAY. EWEDOWN - BUS SHELTER. 41

Jody and Casey are reading a celebrity magazine.

JODY

Would you do him?

CASEY

No.

JODY

What about him?

CASEY

He's gay, you dobbin.

JODY

So?

They turn to a big spread on a band called Swipe.

CASEY

Swipe.

GOLDENROD REVISIONS 20.10.09 26.

JODY

Ben Sergeant...
I'd walk through fire to do him.

CASEY

The drummer?

JODY

He's not just the drummer. He writes
the lyrics; it's his band. He's the
fucking genius, not Steve Culley or
any of these wankers. It's Ben.

CASEY

OK. I'd do Ben.

JODY

I wanna be her, in that dress with
him licking my teapot lids.

CASEY

Yeah... me too.

42 EXT. LATE AFTERNOON. STONEFIELD - THE GROUNDS. 42

Casey is still carrying this image as she serves a tray of
nibbles on the patio. She stands among the writers,
watching
a fly get caught in one of the vol-au-vents.

DIGGORY

People talk about the muscularity in
prose. I want a similar muscularity
in my verse. I don't want a poetry
that's flabby or obese - that's why I
adhere to the tightest rhyme schemes:
Diggory picks the vol-au-vent up and without looking, puts
it
in his mouth. Casey moves over to Nicholas and Glen.

DIGGORY

ABB ACC DEE D. They give you the
armature, the beating heart, the
nerve ends...

NICHOLAS

So has the muse shone on you, Greg?

GLEN

I've been pretty distracted. Most recently by those delicious cookie things that Beth brought round this afternoon.

NICHOLAS

Oh yes. Of course we call them biscuits here.

GOLDENROD REVISIONS 20.10.09 26A.

GLEN

And by the place itself, the people.

NICHOLAS

Sometimes wish I could get distracted. Ten page a day man, rain or shine.

GOLDENROD REVISIONS 20.10.09 27.

GLEN

Wow, that's scary. Ten pages; how do you do that?

NICHOLAS

Well, Greg -

GLEN

GLEN -

NICHOLAS

I wouldn't presume to give an academic tips.

GLEN

Matter of fact I read one of your books. Another distraction but I thought it was decent stuff.

NICHOLAS

Well.
He's offended.

NICHOLAS (CONT'D)

How do I do it? I just get on with
it, Greg.
Nicholas walks away leaving Glen smarting. The female
writers surround Nicholas. He tops them up, full of charm. Under his
breath, Glen impersonates:

GLEN

'We call them biscuits, here.'
Nicholas raises his glass for a toast.

NICHOLAS

To the muse, however you find her.
He is looking at Beth. She is gratified. Then his eye
shifts,
his glass still in the air.

NICHOLAS (CONT'D)

Who's that?
Tamara Drewe is climbing the stile at the bottom of the
garden in a low cut T-shirt, tiny pair of denim shorts and
bare feet. The evening light bathes her in a golden sheen.

GOLDENROD REVISIONS 20.10.09 28.

GLEN

That's Tamara Drewe.

NICHOLAS

No it isn't.

GLEN

I met her with Andy.

NICHOLAS

Good God. What's happened to her?

POPPY

She's had a nose job, Dad.

NICHOLAS

She's completely different.

GLEN

That's what Andy said.

BETH

Poor Tamara. Such a sad girl. She used to come and help you wash the car, didn't she Nicholas? I think she liked a bit of family after her dad left.

TESS

Is that Tamara Drewe who writes the column in one of the Sundays?

BETH

Used to. Writes for the Independent now.

TESS

She spent weeks going on about her nose job. Smart way to pay for it I suppose. Was her old one an awful conk?

NICHOLAS

Yes.

BETH

She's poured herself into those shorts. I hope they don't give her thrush.

TESS

What's the etiquette with nose jobs? Do we mention it, or...
Tamara has arrived in earshot. Absolutely everyone, including
a very curious Casey, is staring at her nose.

GOLDENROD REVISIONS 20.10.09 28A.

TAMARA

Hello. Sorry to intrude.
Her hand defensively brushes her nose. Poppy walks towards her, full of warmth.

POPPY

Hey, Tamara.

TAMARA

Poppy, how are you?

POPPY

Love your new hooter.

TAMARA

Thanks. It isn't actually new; just smaller...

GOLDENROD REVISIONS 20.10.09 29.

At last Beth remembers her manners.

BETH

Tamara, so sorry about your mum.

TAMARA

Thank you...

BETH

Are you staying down for a while?

TAMARA

I'll have to. There's so much to be done.

BETH

You must let us know if we can help.

TAMARA

Actually, I was going to ask if you could spare a pair of strong arms. I've got a skip coming tomorrow and -

BETH

Nicholas? -

Nicholas is opening another bottle of prosecco. It pops its cork over his trousers. He mutters a swear word.

GLEN

I'm available. I do skips.

DIGGORY

I... No.

TAMARA

Well thank you. You're very kind...

Is Andy around at all?
Beth is helping Nicholas wipe his trousers.

BETH

Oh, I can't spare Andy. He's making
a new coop for my Buff Orpingtons.

43 EXT. NEXT DAY. WINNARDS FARM. 43

in Tamara and Glen are carrying junk out to a skip. Tamara is
big boots and a slightly more practical pair of shorts.

GOLDENROD REVISIONS 20.10.09 30.

44 INT. DAY. STONEFIELD - THE KITCHEN. 44

going Beth is preparing lunch, talking to Poppy. Nicholas is
through his typed-up manuscript; not really listening.

BETH

She's had the writers down there
helping her all day. I hope she
realises they're here to work...

POPPY

Can't believe what a difference
her nose makes.

BETH

Well I think it's a mistake; taken
away all her character.

POPPY

Come on; she looks ten times
better.

NICHOLAS

Huh.

BETH

And she knows it. I found those
shorts really irritating. Going

around with half her bum hanging
out. I mean, why?

POPPY

To annoy people like you. Might get a
pair myself.

NICHOLAS

Of course you won't.

POPPY

Why not?

NICHOLAS

Because you're not desperate, are
you? Always something a bit
desperate about Tamara Drewe.
Beth looks at him puzzled as he works on.

45 EXT. DAY. WINNARDS FARM. 45

Tamara and Glen are having a rest.

GLEN

So why did you change your face?

GOLDENROD REVISIONS 20.10.09 30A.

TAMARA

Changing my face is the best thing I
ever did. And I don't care what
anyone thinks.

GOLDENROD REVISIONS 20.10.09 31.

GLEN

Would it work for me?

TAMARA

Maybe; if you did the wrinkles too.

GLEN

Oh, you're just coming on to me...
Tamara laughs. She starts work again.

GLEN

In your column, you write about
yourself... Does that come easily?

TAMARA

No... But it feels right. My first
novel's definitely going to be
autobiographical.

GLEN

Your first novel? You're going to
dash one off just like that?

TAMARA

Ideally, I'd like to make it into
fiction before I'm thirty.

GLEN

And then maybe a swimwear collection,
a chat show, a pasta sauce range?

TAMARA

What?

GLEN

Life sure is easy for the beautiful.

TAMARA

You know before I got the nose job
I had no trouble getting taken
seriously. Maybe, when they removed
that bit of cartilage, they pulled
my brain out by mistake - what do
you think?
Glen smiles, won over.

46 INT. LATE AFTERNOON. EWEDOWN - THE PUB. 46

Glen is coming from the bar with a pint for Andy and a half
for himself. He has just been served by Zoe.

GLEN

She's single, man.
Andy looks over at Zoe.

GOLDENROD REVISIONS 20.10.09 31A.

ANDY

Well it's not exactly a relationship; we just have an occasional thing. Zoe doesn't want to be tied down and -

GLEN

Not Zoe! Tamara... You should get in there. Marry the girl. Then you get to live back in your ancestral home.

ANDY

No way. Not her type.

GLEN

The trouble is Andy, you think like a loser. And I know that because I'm the loser that losers turn to for tips. I'm the losers loser.

GOLDENROD REVISIONS 20.10.09 32.

ANDY

I'm a pedigree loser. I had a graphics business; went bust. And then with my great business acumen I invested in a polytunnel full of ganja.

GLEN

Wow. How'd that go?

ANDY

Made a tit of myself. Spent about six years stoned out of my box and I'm only just getting it back together. Besides, even if I was the last man in the world, Tamara Drewe wouldn't have me.

GLEN

Why not?

ANDY

I dumped her.

GLEN

Oh, you are a loser.

ANDY

I was twenty. My mates thought I was cradle snatching... And they used to call her Beaky.

47 1996. EXT. DAY. OUTSIDE THE PUB. 47

Tamara in her school uniform, is gutted.

TAMARA

Beaky?...

We see her stricken face as she turns away. Then she turns back and hits Andy. His nose streams blood.

48 INT. LATE AFTERNOON. EWEDOWN - THE PUB. 48

Glen is preparing to leave.

GLEN

You told her the truth... The time might come when she respects that. Andy, as your love guru, I suggest you ask Tamara for a date. But take a shower first, OK?

ANDY

(SMILING)

Piss off, Glen.

GOLDENROD REVISIONS 20.10.09 33.

49 EXT. EVENING. WINNARDS FARM. 49

Tamara is in her shorts and boots, chucking empty bottles

and

old saucepans into the skip, like an Amazon.

50 EXT. EVENING. STONEFIELD - THE GROUNDS. 50

Nicholas is at the hedge, looking down the valley towards Winnards Farm. He is watching Tamara like a hawk - as if he can't quite believe what he is seeing.

51 1996. EXT. DAY. STONEFIELD - THE GROUNDS. 51

Nicholas and Tamara are polishing Nicholas' car.

TAMARA

Boys know nothing.
Nicholas looks up at her, smiles indulgently. Tamara stops work.

TAMARA (CONT'D)

I've been reading `Inchcombe's Dose.'

NICHOLAS

Have you?

TAMARA

The bit where Doctor Inchcombe finds himself having thoughts about the dead guy's daughter.
Tamara walks around the car, bringing her polishing cloth closer to his.

TAMARA (CONT'D)

You describe her light smattering of freckles and her striking profile. So...
She turns her head.

TAMARA (CONT'D)

Who did you base her on?

NICHOLAS

What?

TAMARA

Have you noticed me?
Nicholas looks at her in surprise.

TAMARA (CONT'D)

Because I've noticed you...

GOLDENROD REVISIONS 20.10.09 33A.

a She waits, hoping for a kiss, a hug, anything. She puts out
hand - almost touches him. He steps back.

NICHOLAS

Think it's time you went.
Tamara is mortified.

NICHOLAS (CONT'D)

and You're making yourself ridiculous.
This really hurts. Tamara takes the bucket of soapy water
throws it over the car - and Nicholas.

TAMARA

Nicholarse.

NICHOLAS (CONT'D)

Oh, grow up.

GOLDENROD REVISIONS 20.10.09 34.

52 EXT. EVENING. STONEFIELD - THE GROUNDS. 52

Nicholas is still staring at Tamara, who is jumping on the
stuff in the skip. Glen is strolling up the hill from the
pub. He follows Nicholas' gaze.

GLEN

what A man can dream, huh?
Nicholas looks at him affronted - as if he doesn't know
he's talking about.

53 INT. EVENING. WINNARDS FARM. 53

Tamara, hot and dirty, runs up the stairs with her roll of bin liners. She opens the door to her mother's bedroom. She is completely unprepared for it. A neat, womanly room covered in photographs of Tamara as a child, teen and young woman. On the dressing table is a lipstick; the lid lying next to it as if it has just been used. Tamara picks it up. She sits, suddenly exhausted. For the first time, she looks lost.

54 EXT. DAY. ANOTHER FARM - THE GOAT PEN. 54

Tamara still looks slightly shaken as she walks up to Andy. He is watching Ingrid meet Darcy, a billy goat.

ANDY

Go on Ingrid; have some kids.

TAMARA

Pretty direct isn't he? He's not even bought her a coke.
Andy turns. Sees her.

TAMARA (CONT'D)

And he stinks.

ANDY

She doesn't mind; it's like Lynx to her. If she's ready she'll stand for him, if not she won't.

TAMARA

That's disturbing human.

ANDY

Refreshing basic.
Darcy is up and at it.

GOLDENROD REVISIONS 20.10.09 35.

ANDY (CONT'D)

Thought you'd have gone back to London by now.

TAMARA

I wish. Looks like I'm stuck here for a while. Actually, I've got a proposition for you.
Andy glances at the goats; bad idea.

ANDY

We should go for a drink sometime, Tam. You know, for old times sake.

TAMARA

So we can reminisce about how I smashed your nose?

ANDY

You didn't smash it.

TAMARA

Yes I did.

ANDY

It just bled.
The memory is between them.

TAMARA

I've got to do the house up before I sell it. It looks like an eighties timewarp. Would you like the job?
He just looks at her.

TAMARA

Painting it and tidying the garden? Good hourly rate.

ANDY

It can't be easy down there, Tam.

TAMARA

What d'you mean?

ANDY

All the memories and stuff. Your mum...

TAMARA

I'm fine.

GOLDENROD REVISIONS 20.10.09 35A.

ANDY

Is it that you want someone around?
Like when you look up I'd be there
too?

GOLDENROD REVISIONS 20.10.09 36.

TAMARA

Jesus Christ, the goats are giving

YOU IDEAS

ANDY

OK it's bollocks -

TAMARA

That's very sweet of you Andy -

ANDY

Of course you wouldn't want to
fraternise with your gardener.

TAMARA

So... is that a yes?
Andy doesn't reply.

TAMARA (CONT'D)

Come on, goat whisperer - I thought
I'd be doing you a favour. I thought
you needed the work.
It's all over with Ingrid and Darcy.

TAMARA (CONT'D)

She's had a shit time but she'll
still call him. He'll lose her
number. He won't ring her back...
Andy's face cracks into a smile. He is won over.

54A INT. DAY. STONEFIELD. GLEN'S ROOM. 54A

Glen types a sentence. He reads it. He deletes. He stares
at
the blank page. It stares back at him.

GLEN

No.
He stands. He paces. He sits.

GLEN

Just write, you numbskull. You
moron, you dumb fuck - write!

55 EXT./INT. DAY. STONEFIELD - BETH'S OFFICE. 55

stack
Glen is passing Beth's office. She's working through a
of fan mail. She smiles when she sees him.

BETH

How's Thomas Hardy?
Glen unburdens himself.

GOLDENROD REVISIONS 20.10.09 36A.

GLEN

I'm wasting my sabbatical.

BETH

Oh dear.

GLEN

I've been working on this book
forever; why can't I finish it? I'm
two years past my delivery date and
Fantail could ask for their
chickenshit advance back. I can't
write. I'm fucking constipated.
It's a disaster.

BETH

Crikey.
He notices the In-Tray.

GOLDENROD REVISIONS 20.10.09 37.

GLEN (CONT'D)

Is this all his fan mail?

BETH

I do a couple of sessions a week,
to keep on top of it. Pretty good
at forging Nick's signature.
Glen looks awed - and defeated.

BETH

Would you like me to read it?

GLEN

You'd do that?

BETH

Be glad to. If you think it would
help.
Beth suddenly sees Andy out of the window. He's leaving.

BETH (CONT'D)

Sorry Glen. Just need Andy -

GLEN

Barging in on you; What an idiot.

56 EXT. DAY. STONEFIELD - THE GROUNDS. 56

Beth catches up with Andy.

BETH

If you're going into Hadditon -
we're really low on chicken feed.

ANDY

I'll get it tomorrow. I'm on my way
down to Winnards. Doing one or two
jobs for Tamara.

BETH

She's got you helping her too?

ANDY

Just painting, decorating, sorting
the garden.
Beth is quite put out.

BETH

Andy, that sounds like a lot. I
need you here.

ANDY

I can easily do both.

GOLDENROD REVISIONS 20.10.09 37A.

BETH

As long as you're not working for her in the hours that I pay you. Without thinking, she has made Andy feel like a servant.

ANDY

Sure, Beth. I won't rip you off.

GOLDENROD REVISIONS 20.10.09 38.

He walks on, leaving Beth feeling very uncomfortable - and somehow slightly bereft.

57 INT. DAY. WINNARDS FARM - THE GROUNDS / KITCHEN. 57

Andy comes in. He shouts into the house.

ANDY

Tam? Got some colour charts for you to see. He sets out all the colours charts and plans he has been working on. Tamara appears. She is dressed to kill.

TAMARA

What would you choose for in here?

ANDY

Well... I'd have this one. And then upstairs in the bedroom -

TAMARA

OK.

She starts gathering her things.

ANDY

So what d'you have to do to get a cup of tea round here?

TAMARA

Make it.

(SHE POINTS)

Tea bags. Sugar. Fridge.

(SHE GRINS)

I'm off to work.

Andy stares. Suddenly Tamara is no longer just a blast from the past. He sees a future - a future that he wants. He slowly smiles back - but she's already striding away.

58 EXT. DAY. A ROCK FESTIVAL - THE PERIMETER FENCE. 58

and Pounding rock music, slightly distorted by distance. Jody Casey are trying to get in over the boundary fence. A security guard is already running towards them.

JODY

This is our village. Our fucking field.

GUARD

OUT!

GOLDENROD REVISIONS 20.10.09 39.

JODY

COME ON YOU BASTARD LET US IN!

Jody is ready for a fight but Casey pulls her back.

59 CUT. 59

60 EXT. DAY. STONEFIELD - THE GROUNDS 60

Over Beth is tending to Ingrid - making sure she's not scared by the noise. Ingrid looks as if she couldn't give a damn.

by the barn she sees Glen, unaware that he's being watched, breaking out of a mournful walk to groove to the music. She

smiles.

At the other end of the farm, Nicholas is staring over the hedge with tissue paper ear-plugs. He pretends his arm is a rifle, like a little boy. He aims at the cows. He fires.

61 EXT. DAY. A ROCK FESTIVAL - THE MAIN STAGE. 61

Swipe are playing; bit like The Libertines in their prime. There is one girl in the band, bass guitarist Fran Redford. The drummer, Ben Sergeant, is also vocals. The lead singer, Steve Culley, is mixed-race; confident and charismatic. He is getting very up-close and personal with Fran. Ben is getting more and more furious.

to In the wings, we see Tamara talking to a publicist, trying

make herself heard above the roar of the music. She is pointing at Steve and Fran. The publicist nods. Suddenly Ben leaps up and takes hold of Steve, pulling him away from Fran. There is a scuffle, Fran trying to separate the boys. Ben takes a microphone.

BEN

Sorry people. I resign. Swipe is no more. Steve Culley is a cunt. Ben storms off the stage. The audience are in uproar.

PUBLICIST

Ben! Ben! What's happening?

GOLDENROD REVISIONS 20.10.09 40.

BEN

He's seeing Fran. I won't work with that tosser again.

FRAN

Steve! Don't!
Steve is coming into the wings. He punches Ben.

STEVE

You fucking baby.
Ben falls. He virtually lands on Tamara. They both hit the ground. Steve storms off - Fran following, calling his
name.

Ben is dazed. He looks up at Tamara.

TAMARA

Hello. I'm Tamara Drewe.

BEN

What?

TAMARA

I'm supposed to be interviewing you
- for the Independent.
She smiles sweetly, smoothing his hair.

TAMARA (CONT'D)

It was scheduled for later but
maybe now's a better time...

62 EXT. LATE AFTERNOON. EWEDOWN - BUS SHELTER. 62

Jody, Casey and the boys are sharing a bottle of cider.

JODY

They should let us in free.

RYAN

Too right. They come here, drink our
water, use our fields, they leave
all their crap in our drains -
Tamara's car sweeps past with the roof down. It is closely
followed by a bright yellow Porsche. Ben is driving and his
boxer dog, Boss, is in the passenger seat. Jody clocks him.

JODY

Ben! Ben!
She jumps up and down in the road with both arms waving.

CASEY

What are you doing?

GOLDENROD REVISIONS 20.10.09 40A.

JODY

That was Ben from Swipe! Ben!!

GOLDENROD REVISIONS 20.10.09 41.

Jody and Casey scream with delight, chasing the car.

63 EXT. LATE AFTERNOON. WINNARDS FARM. 63

Ben skids his Porsche to a halt right next to Tamara's car. He jumps out. Boss follows. Tamara is walking towards the door. The distant festival is still audible. Tamara backs towards the door, with Ben inches away.

BEN

That's Boss.

TAMARA

Hi Boss.

BEN

You're not allergic are you?

TAMARA

To indie drummers? Maybe. Who are your influences, Ben?

BEN

Everyone asks that. This your place?

TAMARA

I'm selling. D'you want it?

BEN

No, I want something else.
Tamara grins. Jody and Casey arrive at the brow of the
hill,
breathless. They see Ben pin Tamara against the door.

JODY

Who the fuck's she?

CASEY

I seen her up at Stonefield. She's got a nose made of plastic.

JODY

How come she gets Ben? I've loved him since March.
Just as Ben's about to kiss her, Tamara coolly opens the
door
and draws him into the house.

CASEY

Wow...

Jody is gutted; feeling the full injustice of her life.

GOLDENROD REVISIONS 20.10.09 42.

64 INT. LATE AFTERNOON. WINNARDS FARM - KITCHEN 64

Tamara leads Ben to the kitchen. The hall has been stripped.

TAMARA

Would you like a beer?

BEN

Yep. Maureen Tucker.

TAMARA

Who?

Tamara opens the fridge. Ben is inches away. He still hasn't kissed her and he's just about to.

BEN

Moe Tucker, with the Velvets. Five foot nothing. Used to stand up to play. Put the snare drum on its side and hit it with mallets. Mentalist.

TAMARA

You write all the songs; that's pretty rare for a drummer.

BEN

Everything you've ever heard about drummers is total shit.

TAMARA

You mean you don't spontaneously combust?

BEN

Only sometimes.

She goes in to kiss him. But Ben grabs a pair of chopsticks from a utensils jar. He starts to play around Tamara, hitting

brilliant the surfaces, the shelves and everything on them; a
rhythm. He gets closer and closer. Tamara is utterly
mesmerised. Ben stops. He still doesn't kiss her.

BEN (CONT'D)

Any more questions?
Tamara is speechless. He kisses her.

**65 EXT. DAY. THE FIELD AND THE COPSE - NEXT MORNING
(LARKHAM) .**

65

Andy is walking in the copse up to Tamara's. He spots a
couple of wild mushrooms and picks them. In the distance he
sees Glen bending and stretching. A cow is looking at him
over the fence. Glen sees it and startles.

GOLDENROD REVISIONS 20.10.09 43.

The sight makes Andy smile. He carries on towards Winnards
Farm in high spirits.

66 EXT. DAY. WINNARDS FARM. 66

then Andy comes up to the house. He sees the yellow Porsche;
a large boxer dog sitting by the front garden. It starts
barking at him. Andy calms him right down.

ANDY

Hey, hey - who are you, mate -
lost, are you?
Andy strokes Boss.

66A EXT. DAY. BACK OF WINNARDS. 66A

Andy takes a key from under a flower pot.

66B INT. DAY. WINNARDS FARM. KITCHEN / HALL. 66B

Andy opens the kitchen door.

ANDY

Tam? You want breakfast?
Boss bounds inside and disappears.

ANDY

WOAH -

Andy is puzzled. He steps into the hall.

ANDY

Do you know about this dog, Tam -
He notices two half-drunk beers. He wanders into the hall.

He

sees Ben's boots and most of Tamara's clothes, abandoned.

The

unmistakable moans of lovemaking are coming from Tamara's room.

He turns on his heels, pained.

67 EXT. DAY. THE FIELD. (WINNARDS). 67

Andy strides back across the field, chucking the mushrooms
the mud on his way.

68A EXT. DAY. WINNARD'S FARM. 68A

Postcard of Winnards Farm. The exterior is half-decorated.
Two cars parked - Tamara's and the yellow Porsche, which
looks more like a permanent fixture. The garden has been
cleared and dug, ready to plant.

Andy is stoking a bonfire. He is smouldering like the
embers.

He gives the yellow Porsche an angry look.

68AA EXT. DAY. STONEFIELD. THE FIELD. 68AA

Nicholas and Glen are both walking in the field. They pass
each other, each managing a painful smile.

NICHOLAS

How goes the opus?

GLEN

Fine Nicholas, just fine...
Their smiles fade. Nicholas descending into deep gloom,
into deep anxiety.

Glen

GOLDENROD REVISIONS 20.10.09 44.

69 EXT. DAY. STONEFIELD. 69

Beth is mending the engine of her huge mower. Glen, now
wearing a scarf, is sitting on the seat watching her work.

GLEN

It's his most obscure novel 'The Well-
Beloved'. Most people have never even
heard of it. About this guy of twenty
who falls in love with a beautiful
young woman. Then when he's forty, he
meets the woman's daughter and he
falls in love with her. And finally,
when he's sixty he meets the

GRANDDAUGHTER -

BETH

Oh he doesn't.

GLEN

Yeah. Falls in mystical love. Hardy

was like that in his life, too. Even as he aged, he only had eyes for young women. Like, in one essential way he never grew up.

BETH

In his trousers.

GLEN

He was still at it in his eighties. You know? Snow on the rooftop but fire in the cellar...

BETH

Why won't it come for you Glen? The way you talk about it's so engaging.

GLEN

Yeah but there's an academic style, you know?

BETH

Who are you writing for? Who's your ideal reader?

GOLDENROD REVISIONS 20.10.09 45.

Glen can't answer.

BETH

Because if you wrote the way you spoke... it would make me want to read Hardy.

GLEN

Really?

BETH

Yes. If you wrote like you were talking to a friend... Pass me that thing.

Glen passes it, looking at Beth as she tightens a bolt.

BETH

Try it now.

Glen turns the key. The engine starts. Glen starts to drive the mower, delighted. Beth watches him, amused.

69A CUT 69A

70 INT. NIGHT. STONEFIELD - THE DINING ROOM. 70

A cosy dinner for all the writers - more ladies in their forties and fifties. Nicholas is topping up his glass.

NICHOLAS

I simply pander to popular taste.

CAITLIN

Oh your books are far more than that.

NICHOLAS

Just airport fodder...
Glen at the foot of the table, finds this modesty rich.

CAITLIN

Your prose is so vivid. And Inchcombe
- for all his flaws - is a man with
total integrity.

GLEN

Who did you base him on, Nicholas?

GOLDENROD REVISIONS 20.10.09 46.

NICHOLAS

(IGNORING GLEN)

My books don't say anything
profound. I can't pretend to be an
intellectual - not like Glen here,
illuminating our ignorance with his
critical glow - but I do love prose.
And I think I can turn a reasonable
story.
Glen peers into the kitchen. Beth is serving desserts.

GLEN

Excuse me.
He goes to help her, leaving the ladies around Nicholas like
cups around a teapot.

GLEN

Let me help.

BETH

They need dusting with this.

GLEN

I went to my room and I wrote for three hours. The time just vanished.

BETH

That's great, that's brilliant.

GLEN

I feel like a man who's just passed a gargantuan stool.

BETH

Super. Sprig of mint on the top.
Glen returns to the dining room with two desserts. He
listens to Nicholas as he serves them.

NICHOLAS

The real secret of being a writer is learning how to lie.
A frisson of shock goes round the lady writers.

NICHOLAS (CONT'D)

Because that's what storytellers are. Thieves and liars...

GLEN

(as he serves Nicholas)
'The basis of all excellence is truth.' Samuel Johnson.
Glen's intellect wins the day. Nicholas smarts.

GOLDENROD REVISIONS 20.10.09 46A.

71 INT. NIGHT. WINNARDS FARM - TAMARA'S BEDROOM. 71

The room - her mother's - is empty except for a mattress on the floor, clothes rail, designer bean bag and desk.

GOLDENROD REVISIONS 20.10.09 47.

Tamara is sitting at it, tapping away on her PC, almost pained with concentration. Ben is bored.

BEN

Are you done yet?

TAMARA

I'm just starting something.

BEN

That poxy column? Can't it wait?

TAMARA

Not the column. Just stuff coming out. Don't want to stop it.

BEN

Do it later. Play with me.
Ben strums his guitar, determined to get her attention.

BEN (CONT'D)

She is such fun she's sexy
And she lives on an old farm
But something gnaws away at me
It's causing me real harm.
Tamara, what can you do with it?
What can you do with her name?
Its stands there lonely and
rhymeless It's driving me nearly
insane.
Tamara the lovely, the ultimate,
dazzling girl,
Make me pasta carbonara,
Cos I'm ravenous Tamara,
Then shag me wearing your tiara...
Tamara is delighted. She leaps on him.

72 EXT. DAY. WINNARDS FARM - THE GARDEN. 72

Andy is planting a bed. Ben's boxer dog is digging up work he's just done. Andy swears at him under his breath.

BEN (O.S.)

Hey - Andy?
Andy looks up. Ben is at the bedroom window, naked.

BEN (CONT'D)

Can you let my dog in? Thanks mate.
Jody and Casey watch from behind the hedge as Andy angrily goes to let the dog in.

GOLDENROD REVISIONS 20.10.09 48.

CASEY

He must like kissing plastic.

JODY

He doesn't love her. He's just on the rebound from losing Fran; numbing his pain with loads of empty, rampant sex. What he really needs...

CASEY

Is a fifteen year old from Ewedown.

JODY

So? Stranger things happen. He's only ten years older and that's nothing. If he met me, if he just met me...

CASEY

It'd be love, right?

JODY

Yeah.

(SHE GRINS)

But I'd settle for sex.

73 INT. DAY. STONEFIELD. THE BARN 73

Beth is feeding the hens.

BETH

Coo-er... In your parents' bedroom? Still I suppose being an exhibitionist is part of his job - strutting about on stage.

ANDY

He doesn't strut; he's a drummer.
He sits on his arse.

BETH

Very good-looking, isn't he? Poppy
You-Tubed him and we both got quite
hot and bothered. Is that his car -
the yellow Porsche?

ANDY

Yep.

BETH

Bit brash, vrooming through the
village... But fancy our Tamara
bagging a bone fide rock star. She
was such an ugly duckling. She must
be thrilled to bits.

GOLDENROD REVISIONS 20.10.09 48A.

Andy can't listen to any more.

74 INT. DAY. EWEDOWN - THE PUB. 74

Andy peers through the door. Zoe is setting tables. He
knocks. Zoe let's him in.

ZOE

We're not open for another hour.

ANDY

Good.

75 INT. DAY. EWEDOWN - THE PUB STORE ROOM. 75

Andy and Zoe are in the near-darkness, making love against
the wall.

76 INT. DAY. EWEDOWN - THE PUB. 76

Andy is lying on one of the seats, his head on Zoe's lap.

ZOE

I'm going to move on soon, Andy.

ANDY

No way...

GOLDENROD REVISIONS 20.10.09 49.

ZOE

Don't know if I can stick a winter here. The way the light disappears; it's doing me in. I'm a blue sky girl. Got to have some warmth. Andy just looks up at her, smiling his understanding.

ANDY

We all need a bit of that, don't we.

TAMARA

What's this?

BEN

What's it look like?

TAMARA

Ben... For which finger?

BEN

Whatever one you like. That's a
nice one. Why not put it on that?
He's pointing to her ring finger. Tamara is moved.

GOLDENROD REVISIONS 20.10.09 49A.

79 EXT. DAY. STONEFIELD - THE GROUNDS (LIMBURY). 79

Penny Upminister has managed to get Boss on a bit of rope.
She is handing him over to Beth at the top of the field.

PENNY

Those girls could have aborted!

GOLDENROD REVISIONS 20.10.09 50.

BETH

Calm down, Penny. I'll sort him out.
Nicholas is approaching.

PENNY

It beats me why you people want to
live in the country. You've got no
sense of responsibility.

BETH

It's not our dog!

NICHOLAS

Hello, Penny. How's tricks?
Penny is suddenly all coy.

PENNY

Oh - Nicholas...

NICHOLAS

You're looking great. Terrific coat.

PENNY

What, this old thing?

NICHOLAS

You look like royalty.

PENNY

(laughs, delighted)

Well, I try... Can't wait for your
next book. Inchcombe's such a sauce-
pot. Giles is always says 'What are
you reading Penny? You've got steam
coming out of your ears...'

She laughs like a drain. Nicholas joins in. Beth is
striding
away with the dog, infuriated.

80 INT. DAY. WINNARDS FARM - TAMARA'S BEDROOM 80

Ben has put a ring on Tamara's finger.

TAMARA

So what's the ring saying, Ben?

BEN

It's saying hello I'm a ring. Will

you marry me?
Tamara looks at him, searchingly.

BEN (CONT'D)

What's up?

GOLDENROD REVISIONS 20.10.09 50A.

TAMARA

I didn't know.

BEN

Didn't know what?

GOLDENROD REVISIONS 20.10.09 51.

TAMARA

That you were in love with me.

BEN

The ring says I'm platinum with a
long guarantee. So give me a reply.
Tamara is grinning from ear to ear.

TAMARA

You're the best fun in the world.
I'd love to marry you.
She throws her arms around his neck.

TAMARA (CONT'D)

Can I say it then?

BEN

Say what?

TAMARA

I love you.
Tamara holds him, profoundly affected. Something akin to
flickers across Ben's eyes. The phone rings.

BEN

(ANSWERING IT)

What? She's being proposed to.

81 EXT. DAY. TEN MINUTES LATER. STONEFIELD - THE GROUNDS. 81

Ben's Porsche skids to a halt, music blaring. Diggory is looking on in irate astonishment. The hat is on.

BETH

Shhh! There are writers here, trying to write.
Beth is in the hen enclosure, a hen in her arms.

BETH

This is a Buff Orpington. She's looking a bit peaky today. Not a great layer but she's very decorative.
Beth puts down the hen.

BETH

We're fully organic - but I like to think that our champion product is the written word.
Nicholas approaches, his hand held out, heartily.

GOLDENROD REVISIONS 20.10.09 52.

NICHOLAS

The famous Ben - Swipe, eh?
Ben just about manages to shake it.

BEN

Swipe's over. Thought the whole world knew that.

NICHOLAS

It wasn't on Newsnight, no.

BETH

Ben is engaged to Tamara. Isn't that lovely? He'd just popped the question when I rang.

NICHOLAS

She said yes?
Nicholas can't hide his disbelief. Ben is insulted.

BETH

We're delighted for you both.
Boss leaps up, straining against a chain.

BEN

Why's he on a chain?

BETH

He was out of control.

BEN

How'd you like to be chained up?

BETH

He was chasing livestock. He
could've got shot.

BEN

They shoot him; I'll fucking shoot
them.
He takes Boss. Beth and Nicholas are left alone.

NICHOLAS

I think the word is gobshite.

BETH

I hope he makes her happy. It's hard
for girls when their dads walk out.
Gives them bad taste in men.

NICHOLAS

What's that supposed to mean?

GOLDENROD REVISIONS 20.10.09 53.

BETH

Just saying her father left when she
was a girl and -

NICHOLAS

That is ten pence psychology! You
don't know what you're talking
about, do you?
He walks away. Beth is completely taken aback.

82 INT. DAY. STONEFIELD - NICHOLAS' SHED/ EXT. WINNARDS 82

Nicholas, wearing a woolly hat and scarf, is writing.

NICHOLAS (V.O.)

Patel's eyes were open, eloquent in death...

He looks up. In the distance, he can just see Tamara talking

to Andy in the garden at Winnards Farm.

Nicholas opens his desk. He finds a pair of old binoculars. He focuses them on Tamara. She holds out her hand with the ring on it. Andy has his arms wrapped around himself, his shoulders hunched. He nods, affecting congratulations. Nicholas tries to close in on Tamara. But she turns and

goes

indoors. Also the yellow Porsche arrives. Nicholas puts the binoculars down.

NICHOLAS (V.O.) (CONT'D)

He knelt down - forensics be damned - and closed her eyes, forever.

83 INT. DAY. 10 MINUTES LATER. WINNARDS FARM - KITCHEN. 83

Tamara is turning the ring around her finger.

BEN

`Mai Buff Orpingtons. Oh, the written word. That's what the country does to you; turns you into one. What's up?

TAMARA

It's a shame it doesn't fit. Perhaps you should have taken one of mine with you when you went to buy it.

BEN

Yeah but I didn't know you then.

TAMARA

So... when did you buy it?

GOLDENROD REVISIONS 20.10.09 54.

Ben realises his mistake. Tamara laughs, shocked.

TAMARA (CONT'D)

Was this for someone else?
Ben shrugs, not wanting to admit. The truth dawns.

TAMARA (CONT'D)

You gave it to Fran didn't you?

BEN

So? It's yours now. She never wore it. She didn't want it.

TAMARA

You asked her to marry you...?

BEN

It was a gesture, OK, when she started seeing Steve. Backfired, anyway. Look, I love you now. Tamara doesn't believe him. She is devastated.

BEN (CONT'D)

It's not the ring that matters. I mean fuck the ring. It's just a consumerist piece of zinc. What matters is I want to marry you.

TAMARA

Do you?

BEN

Yeah. With my whole heart. And all the other stuff. Like my brain and my entrails and my whatever, pancreas. It all wants to marry you.
He hugs her, starts kissing her but Tamara hardly responds.

84 INT. NIGHT. STONEFIELD - NICHOLAS' SHED./ EXT. WINNARDS

84

Nicholas is staring out at the darkness. Beth is organising things around him.

BETH

She wondered if you had a delivery date in mind. I told her Easterish. Mind that cocoa, it's hot.
Across at Winnards, Tamara's bedroom light comes on. For a moment, she gazes out. Nicholas gazes back.

GOLDENROD REVISIONS 20.10.09 55.

BETH (CONT'D)

There's a few invites; I'll pop them there. Just tick the ones you want to go to.

Ben wraps his arms lovingly around Tamara. She draws the curtains as he pulls her away.

BETH (CONT'D)

And Tim wants to know if you'll do your Christmas signing in Hadditon. I know he's always ungrateful but I think it's so important to keep these little bookshops open, don't you?

NICHOLAS

Uh huh.

Beth is on her way out. She turns and kisses him.

BETH

Come in soon, my love.

Nicholas stares out into the darkness. He isn't working. He isn't doing anything.

84A EXT. NIGHT. NICHOLAS' SHED. 84A

From the field, Nicholas is an ageing, isolated figure in a tiny pool of light.

85 WINTER. POSY DRAWING. 85

86 EXT. DAY. EWEDOWN - THE BUS SHELTER. 86

Mud, frost and gloom add to the sense of neglect. Jody is smoking. Casey is eating Pringles. They share a magazine.

CASEY

Look at that cellulite...

JODY

She been sitting on a bead car-seat
or what?
Casey turns a page.

CASEY

`Her latest tattoo count was nine,

JODY

She'll be getting a barcode done

GOLDENROD REVISIONS 20.10.09 55A.

GOLDENROD REVISIONS 20.10.09 56.

Jody chucks her fag-end into the bin.

87 EXT. DAY. EWEDOWN - THE BUS SHELTER - FIVE MINUTES LATER.

87

The bin is on fire. Casey chucks in the Pringles box. They
warm their hands, watching one of the boys wheelie his bike
and fall off right into a freezing puddle. Casey giggles.

CASEY

That Ryan...

JODY

What a dick.

CASEY

I think he's cute.

JODY

No you don't. Would you snog him?

CASEY

Maybe.

JODY

Be like having a slug in your mouth.
Ben's yellow Porsche speeds right through the puddle,
further shades soaking Ryan. Ben and Tamara are both wearing designer
shades despite the gloom; Boss in the back.
Jody and Casey are both on their feet in a second.

JODY (CONT'D)

Ben! Ben!

RYAN

Ben gives them a grin and a wave. Jody's heart soars.

JODY

If you're too chicken, go home.
The girls wander in, awed. Jody turns and grins, her eyes like a cat's.

90 INT. NIGHT. HADDITON - A BOOK SHOP. 90

Nicholas is doing a book signing. There's a good crowd.

NICHOLAS

Is that Claire with an `i`?
Beth has a tray of mince pies. Glen is at her side.

BETH

What about you, Glen? Where will you be?

GLEN

In London with a collection of spare academics. I guess we'll be decking the halls in our own erudite way.

BETH

I'll miss our chats.

GLEN

I've been in a state of writerly bliss these last weeks. I hope I get to come back.

BETH

Me too. We'd love to have you.
Glen doesn't want Beth to move away.

GLEN (CONT'D)

You know, this is the best mince pie I've ever had.

BETH

Oh?

GLEN

If it was possible to have an orgasm from mere food, this mince pie would do it.

BETH

(EMBARRASSED)

Golly.

She moves away. Glen heads for the wine, kicking himself.

GOLDENROD REVISIONS 20.10.09 58.

Tamara and Ben walk in. Ben looks at the country casuals in undisguised horror.

BEN

What the fuck are we doing here?

TAMARA

It's kind of research; I want to write about them. They're funny, Ben - come on.

They move through the crowd.

BEN

What am I - arm candy?

TAMARA

More like arm fungus with that face on. Ben, meet Glen. Glen, meet Ben, my fiance.

GLEN

You're getting married?

TAMARA

Uh huh.

GLEN

OK. Beautiful dress, magazine photoshoot - everything the aspiring novelist needs.

TAMARA

I knew you'd be pleased.

GLEN

Have a mince pie.

BEN

Can we get out of here?

TAMARA

Wait.

GOLDENROD REVISIONS 20.10.09 58A.

She abandons him. Glen has turned away. Ben stands amid the nice chat, like a man being tortured. Meanwhile, Tamara is jumping the queue at Nicholas' desk.

In Field of Tares, you made Fred a corporal. But there's no such thing in the Royal Artillery. They call them bombardiers.

NICHOLAS

Oh, thank you for that...

TAMARA

Sorry.
She flashes a smile at the Army Geek and puts her copy down in front of Nicholas.

TAMARA

Could you do it for Ben? He's my fiance. We're getting married in the summer.

GOLDENROD REVISIONS 20.10.09 59.

He hands her the book dismissively. Tamara is smarting.

TAMARA

Well merry Christmas. Nicholarse.
She turns away.

Why don't you sell it like you keep
saying?

TAMARA

Because... I've started writing.

BEN

You can write anywhere.

TAMARA

But this is proper. Not just stuff
for the paper. 'It's about my teens -
and is working for me here.

BEN

Well it might be memory lane for you
but it's doing my fucking head in. I
want London. I want some Urban, OK?
Are you with me or what? Cos I've had
it with this place.
Tamara is hurt - and deeply disappointed.

TAMARA

Of course I'm with you...

BEN

It's drab. It's depressing. And every
time I look out of the window I see
Andy's arse - what's that about?

a goose, putting all his frustration into it.

BEN

We're leaving. Thank God.
Andy looks at him.

GOLDENROD REVISIONS 20.10.09 61.

BEN

Tamara says you sell Christmas geese.

ANDY

Yep.

BEN

Can I have one?

ANDY

Right now?

BEN

Yeah.
Andy smirks, pointing at a big white duck.

ANDY

That one's spare.

BEN

Is that a goose?

ANDY

You can take it now if you like.

BEN

(DISGUSTED)

Oh come off it.

ANDY

What?

BEN

It's fucking alive.

ANDY

Oh, you want it from Tesco, all plucked and headless sitting on a bandage.

Ben's curiosity gets the better of him.

BEN

How d'you do it then?

Andy points towards an upturned traffic cone, held in place by a metal frame.

ANDY

Gently put it's head down there; then quick in the skull with an air rifle. Pluck it while it's warm, little pot to catch all the blood -

BEN

Do you enjoy doing that?

GOLDENROD REVISIONS 20.10.09 61A.

ANDY

No, but in my low wage economy, this flock's worth a lot.

BEN

You're a sick fuck, Andy.
Andy has had enough.

GOLDENROD REVISIONS 20.10.09 62.

ANDY

Grow up.

BEN

(SQUARING UP)

What did you say?
Andy stands. He's at least two inches taller than Ben.

ANDY

I said grow up, little drummer boy.
Ben thinks about it. He walks away. Glen appears with his

suitcase on wheels containing most of his worldly goods.

ANDY

Tamara rang me this morning. Said to finish the house. It goes on the market in the spring and that's it; over.

GLEN

Why does the asshole always get the girl?
He stands with Andy; comrades. Andy slaps him on the back.

Come on. Or you'll miss that train.

JODY (CONT'D)

CASEY

I like this.

JODY

What?

CASEY

There's this bit right, where her dad
takes her for dinner and she thinks
it's some big treat but what he's
doing, right, is telling her he's
leaving them. And she, right, she's
gutted and she yaks all her food into
a napkin and puts it on his plate.

JODY

So?

CASEY

It's painful. But funny. It's about
her; Plastic Fantastic. She's sad,
Jode.

JODY

Just messing. I got one from Mum, one from that peanut Ryan, and a mystery one from Ben.

CASEY

POPPY

It's her sense of humour; she likes
causing trouble. At school she used

BETH

POPPY

Mum, she's marrying Ben Sergeant.

Don't cry. Am I really that bad?

Tamara shakes her head, glad of him.

TAMARA

GOLDENROD REVISIONS 20.10.09 76.

NICHOLAS

Yes you are.
She looks up at him.

NICHOLAS (CONT'D)

You're relentlessly, rudely,
uncompromisingly yourself.
A smile appears on Tamara's face.

TAMARA

I used to watch you out of my window
helping your daughter learn to
skateboard up the lane. Bit of an
obvious crush, wasn't it.

NICHOLAS

Is that why you're crying?

TAMARA

No.

NICHOLAS

Am I here as revenge on your ex?

TAMARA

I don't know why you're here. Why are

NICHOLAS

Because... since you climbed over

She doesn't believe him.

TAMARA

Nicholas is putting his coat on. Tamara is uneasy.

He hands her a package.

BETH

All my favourite teas - Oh!
He embraces her. He is affectionate, magnanimous in his

BETH

My goodness. You feel like my buzzy

NICHOLAS

Maybe I will...
Nicholas goes to the table. The writers greet him as he

NICHOLAS

Sorry everybody; traffic was a pig.
Do carry on...

LUCETTA

LUCETTA

thinking of as a nest shape...

GOLDENROD REVISIONS 20.10.09 78.

TAMARA

I'm well-known for it.

NICHOLAS

Seriously. It's very moving. Tamara knows this is praise indeed. She is deeply gratified.

TAMARA

Thank you.

NICHOLAS

So... have I done my duty?

TAMARA

Admirably.

NICHOLAS

Now do I get my treat?
Tamara, almost in his arms, is crestfallen.

TAMARA

You are so cheesy.
Tamara is staring at him with something akin to distaste.

125 EXT. DAY. EWEDOWN. BUS SHELTER. 125

Jody and Casey share a magazine and a spliff in the bus stop.

JODY

Zero Ben sightings in two whole months.

CASEY

Last time I saw Plastic she looked like a minger; all red-eyed and gutted. Ben's a Love Rat.

JODY

She's probably topped herself. I would if Ben dumped me.

CASEY

Jode. Don't say that. What if she's done something?

JODY

Like got in the bath with her heated tongs?

CASEY

Like taken a stack of pills?
We see Jody's thought bubble of Tamara luridly dead, her mouth coated with dried froth and vomit.

JODY

D'you think she might be lying there all choked in vomit and drug froth?

CASEY

That'd be dire.

JODY

If we find her we'll get in the papers.

CASEY

Oh my God.

she sees Andy on the threshold, looking spruced up and
handsome. The contrast with Nicholas couldn't be more
apparent. She finds herself genuinely pleased to see him.

TAMARA

Andy...

Behind the railings, the girls can't help their look of
disappointment at seeing her alive.

JODY

Bollocks.

ANDY

Haven't seen you for a while. Thought
you might be ill or something. Or

ANDY

Shake off the winter blues. Come

TAMARA

I can't... I'm kind of on one with
my writing.

Over her shoulder, Andy sees Nicholas' red scarf and coat
hanging on the coat hook. He hides his shock. Tamara is
unaware that he has seen.

TAMARA (CONT'D)

Can we do it soon though? I'd
really like to; just not right now.
He nods at her in disbelief.

ANDY

Sure.

He turns on his heels and goes. Tamara closes the door.
Outside, Andy is leaning over his land-rover, sickened.

JODY

D'you think he's in with a chance?

CASEY

No way.

JODY

Why not? He's fit. I'd do him.

He kisses her and prepares to leave. She is suspicious.

BETH

I could come with you.

GOLDENROD REVISIONS 20.10.09 89A.

NICHOLAS

Oh, don't. You hate festivals.

BETH

But it's only Hadditon. I'll come.

NICHOLAS

It's completely boring. You'll hate

Her suspicion will stay silent no longer.

BETH

Have you got anything to tell me,

NICHOLAS

Nicholas attacks; the best form of defence.

NICHOLAS

She had no choice.
Beth's mobile beeps. She picks it up.

GLEN

Beth drops the mixing bowl. She cannot speak.

GLEN (CONT'D)

BETH

(Looking to Andy)
How do I find out who sent this?
Andy takes the phone, sees the photo.

ANDY

Andy nods guiltily. Beth acknowledges what this means.

GLEN

If there is anything I can do...

BETH

(MOVING AWAY)

I have to do it myself.
Beth's face cracks into distress.

GLEN

GOLDENROD REVISIONS 20.10.09 92.

drop so low? You could have anyone.
All you have to do is bat your eyes.

TAMARA

ANDY -

ANDY

TAMARA

I'm not going to split them up. It's

ANDY

A bit of fun?
Tamara is covered with shame.

TAMARA

It's none of your bloody business.

MUM

No dogs, no way and that's final.
Jody is devastated.

JODY

NICHOLAS

Cock pie. Has he told Beth?

TAMARA

I don't know. But he might. And I wouldn't blame him.

GOLDENROD REVISIONS 20.10.09 94.

NICHOLAS

Well, I suppose it has to come out sometime.

TAMARA

Does it?

NICHOLAS

It's a good thing. Feels like a relief. Means you and I can start to think about our plans. For the future...

TAMARA

Nicholas?...

NICHOLAS

I know it's been hard, sharing me with Beth. But I'm yours now. I'm going to leave her. I want a new life - and I want it now. With you. Tamara is appalled. A minder interrupts.

MINDER

Mr Hardiment? It's time.

154 CUT 154

155 INT. DAY. HADDITON - THE MARQUEE. 155

During the interview, Tamara takes a seat at the end of the front row. The audience listens attentively.

NICHOLAS

It all runs very smoothly. I start a book in the summer, publish it the following spring. Bit of a factory, really.

INTERVIEWER

So you've just finished 'Like The Night', Inchcombe's seventeenth adventure. Are you already planning the next?

NICHOLAS

There won't be a next one. Frankly I'm sick to death of Inchcombe. In fact, I'm about to kill him off. There's a gust of dismay in the crowd, as though a real death has been announced.

GOLDENROD REVISIONS 20.10.09 95.

INTERVIEWER

That's a bombshell for your fans.

NICHOLAS

(all for Tamara)
Yes, but I'm moving on to fresh pastures.

LADY IN THE CROWD

No!

NICHOLAS

Inchcombe will be meeting a very sticky end. And it's one murder I'm really looking forward to.

LADY IN THE CROWD

How could you?

INTERVIEWER

This might be a good moment to take a few questions. Yes, the lady in the apron...

BETH

You write a lot about adultery. Is that from personal experience? Tamara turns round. Nicholas' colour drains. Beth is with Glen, close by - glaring at him. He tries to make a joke.

NICHOLAS

Madam, what a saucy question!

BETH

Why do you cheat persistently on your wife? Nicholas considers whether he wants to be publicly humiliated. He decides not.

NICHOLAS

Because she lets me. Beth takes this like a blow. Even Tamara is shocked by it.

156 EXT. DAY. HADDITON - THE GROUNDS BY THE MARQUEE. 156

Tamara is striding away from the Marquee, red with shame. Nicholas is at her side almost jogging to keep up.

TAMARA

It's got to stop, Nicholas.

GOLDENROD REVISIONS 20.10.09 96.

NICHOLAS

You're right. I can't go on using her, lying to her. Won't be fun but I've got to do it.

TAMARA

LISTEN -

NICHOLAS

I don't feel alive with Beth! I haven't been living for years. She's had me smothered in a comfy blanket -

TAMARA

Nicholas, listen to me. She makes him look at her.

TAMARA (CONT'D)

We had fun. But it's wrong. And it's over.

NICHOLAS

But... I'm in love with you.

TAMARA

I'm sorry. Nicholas looks as if he's just been punched.

NICHOLAS

No. You can't end it. Tamara - Fuck supper!

TAMARA

Will you keep it down?

NICHOLAS

My God, you're cold hearted.

TAMARA

Please don't shout.

NICHOLAS

You don't feel a thing, do you?

TAMARA

I do feel. I feel like I'm blazing away inside all the time. Why do I do these things? What am I doing with you?

The question hangs between them.

GOLDENROD REVISIONS 20.10.09 97.

NICHOLAS

There's someone else isn't there...

TAMARA

Oh for God's sake.

NICHOLAS

Not that narcissist drummer?

TAMARA

NICHOLAS

It's that ignorant lunk isn't it?
That muscle-bound wastrel Andy Cobb.

TAMARA

Andy Cobb is a far better man than

In saying it, Tamara realises it's true. She walks away.
Nicholas bends almost double in pain, letting out a great
moan from the soul. A fan has been waiting at a respectful

Hello Jody...
Jody spins round.
The door closes. Ben is standing behind it. He is wearing a
tight black T-shirt; the man of her dreams.

BEN

Dog minder? I guessed you might be
the somebody who's been getting in

and fucking people up. D'you know
what I'm saying? You've been breaking
in.

JODY

I didn't break in. Used the key.

BEN

What key?

JODY

Found it under a pot.

BEN

Well for fuck's sake. Did you nick
my T-shirt?

JODY

Took it as a souvenir. I'm sorry!
Jody is very scared. She is crying.

BEN

Creeping about in our stuff? What
gives you the right?

JODY

I just... like I always wanted to
meet you...just once...just to tell
you stuff...

BEN

What stuff?

JODY

Like... I love you.

BEN

So that's nice. Least someone does.

JODY

I used to lie awake thinking about you being here... in Ewedown, the bumhole of nowhere. It was the best thing to happen ever. I've been so in love with you. And when you left I couldn't bear it. I thought the valentine would make you come back...

BEN (CONT'D)

D'you still love me, Jody? Even though I wanna lock you up in a young offenders institution?
Jody nods, unsure.

BEN (CONT'D)

What would you do for me then?
Would you do anything, like a proper fan?

Jody looks at him, scared. She manages a nod. Ben approaches her.

BEN (CONT'D)

Let's see then shall we?
We see Jody's phone flashing on the bed.

CASEY (V.O.)

Jody! What are you doing not fucking answering?

158 EXT. DAY. EWEDOWN. 158

Casey is at the triangle leaving a message on Jody's phone. Boss is running round and round it.

BETH

Breeding goats? Baking fucking biscuits? It's meaningless!
Beth bawls. Glen holds her.

GLEN

Beth... When I was lost with my book you helped me more than you know. You asked who I was writing it for...
He starts to really hold her. The sobbing subsides.

GLEN

You.
He kisses her. Beth looks at Glen; a revelation. The future opens up. She kisses him back.

NICHOLAS

Excuse me.
Nicholas is standing in the doorway, looking grey.

I will.

(TO BOSS)

And you - Go home! Bugger Off!! She throws a handful of chicken feed at him. Boss runs

away.

Beth storms off.

Nicholas looks profoundly shocked; like a man who has just realised he's in danger of drowning.

160A EXT. DAY. WINNARDS FARM. 160A

Tamara's car pulls up outside. She gets out, looking at the yellow Porsche in complete disbelief.

TAMARA

Jody is shakily pouring a pot of tea.

BEN

Right. Now put two sugars in and stir it. OK. That's a decent cup. Which is lucky Jody cos if it had been shit, I'd be on the phone to the extremely scary local cops right now.

JODY

Please don't tell my mum.

BEN

I knew it was boring round here but for fuck's sake...

JODY

I'm gonna get out as soon as I can. Going to work in Vegas - as a croupier. Vegas, or a cruise liner.

BEN

Aim high, that's what I say.

163 EXT. DAY. THE FIELDS. 163

Nicholas sees Glen sitting on the edge of an old rusting
trough. Fury overwhelms him.

NICHOLAS

Oy! Greg! I want a a word with you.

GLEN

It's Glen, asshole.

Nicholas is stomping through the mud and cowshit.

NICHOLAS

You fucking devious bastard.

GLEN

I'm devious? I'm a bastard?

NICHOLAS

You think I haven't noticed how

NICHOLAS

You cunt.

GLEN

Fuck you.
Glen grabs him round the middle. They struggle like
overgrown schoolboys.

NICHOLAS (CONT'D)

Beth'll come to her senses. You
need an income to run Stonefield.
And mine's bigger than yours!
Glen nuts him. Nicholas slips backwards in the mud. He
whacks his skull on the sharp, rusting corner of the trough. He
falls to the ground. Glen is astonished at his own prowess.

GLEN

Now... get up, Nicholas. Let's talk
about this like grown men.
Blood trickles from the wound on Nicholas' head. He moans.

GLEN (CONT'D)

Oh my God. Nicholas...
Glen becomes aware of a sound like a drumbeat, the drumming
of hooves. The herd of cows come over the brow of the hill
and down towards them. Boss is chasing them, barking. The
beasts are terrified, stampeding.

Glen puts out a hand to help him. But before Nicholas
notices, he instinctively retrieves it.
Glen turns on his heels and runs, terrified. He throws
himself into the hedge as the cows thunder past. They
disappear down the hill, Boss still behind them.
Glen looks back towards the water trough. Nicholas is lying
on his front, his face pressed into the mud, unmoving.
Glen walks over. He gingerly peers at him. The back of
Nicholas' skull is broken open. Blood is pooling in the mud
and shit. Glen panics. He looks all around. Has the
been seen?
No human is visible. Has his part in it been noticed? He
bends down as if to turn the body over, in case by some
miracle Nicholas still lives. He cannot bring himself to
touch him. Fear overwhelms him. He runs away.

164 EXT. DAY. WINNARDS FARM - THE KITCHEN / HALL. 164

Tamara is looking at Jody, stunned.

TAMARA

It was you?
Jody can't look her in the eye.

BEN

Jody has explained that she did it
out of deep love for me.
To Ben's astonishment, Tamara smiles. He grabs his moment.

BEN (CONT'D)

Tamara...
It's an apology. Tamara takes Ben's hand and leads him
through to a dresser in the hall. She opens it.

TAMARA (CONT'D)

Ben.
She takes the ring out of the jar and puts it in his hand.

TAMARA (CONT'D)

I'm in love with someone else.

Tamara steps back. Her nose is broken, pouring blood.

I'm not running away! I just finished my book; my time here is up. Destiny calls.

GLEN

BETH

But Beth is only grateful.

BETH

Glen. Stay with me.

Glen nods. He will stay. He wants it all.
