

South Park

Episode 106

"DEATH"

by

Matt Stone & Trey Parker

ACT I

INT. STAN'S HOUSE - DINING ROOM - NIGHT

Stan's Family (Father, sister and Grandfather) are seated at a table. Mother walks up holding a birthday cake with a ridiculous number of number of candles.

STAN & FAMILY

Happy birthday to you! Happy birthday
to you! Happy birthday dear grandpa!

Grandpa drools a little from his wheelchair.

STAN & FAMILY

Happy birthday to you!

STAN'S MOTHER

Now blow out the candles grandpa!

Grandpa manages the smallest wheeze, which doesn't even make the flames of the candles flicker.

Stan's family members all applaud.

STAN'S FATHER

How does it feel to be a hundred and
two, paps?

GRANDPA

Shoot me.

STAN'S MOM

Make a wish grandpa!

GRANDPA

I wish I were dead.

FATHER

Ha, ha! That's our silly grandpa!

GRANDPA

I'm not being silly! Kill me! I'd do
it myself, but I'm too damn old!

STAN'S MOM

Oh, who wants ice cream with their
cake?

STAN

I will.

FATHER

Me.

Stan looks up and the clock and gasps.

STAN

It's eight o'clock! My favorite T.V.
show is on!

SHELLEY

That show's for babies, it's so
stupid!

STAN

Can I eat my cake in the living room,
mom? Please? Can I?

STAN'S MOM

Oh, alright. But take your grandpy
with you.

STAN

Aw, dammit.

STAN'S MOM

Language!

INT. LIVING ROOM - CONTINUOUS

Stan is sitting on the couch watching television and eating
cake.

NARRATOR

And now back to Terrance and Phillip!

ANGLE - TELEVISION

Two average looking teens (animated in a slightly different
style) are sitting on a couch.

PHILLIP

Hey Terrance, I think I have to fart.

Stan laughs.

TERRANCE

Wait! before you do, Pull my thumb.

Phillip pulls Terrance's thumb. Terrance FARTS loudly.

The laugh track laughs. Stan laughs.

PAN OVER to reveal grandpa, who is trying to point a shotgun at his head.

Grandpa pulls the trigger -- BLAM!! He misses, blowing a picture of the wall.

GRANDPA

Aw Dammit!!

Grandpa looks at Stan.

GRANDPA

How would you like to make a dollar, Billy?

STAN

My name's not Billy, grandpa, it's Stan.

GRANDPA

Dammit, Billy! Do you want a dollar or don't ya?!

STAN

Sure.

GRANDPA

Okay, you just have to do one thing for me...

STAN

I'm not going to kill you, grandpa.

GRANDPA

WHY NOT?!

STAN

'Cause! I'll get in trouble!

GRANDPA

I killed my grandpa when I was your age!

STAN

Leave me alone, grandpa.

GRANDPA

What has America's youth come to?! Kids won't even kill their own grandparents!!

INT. KYLE'S HOUSE - NIGHT

Kyle is sitting in front of the T.V. watching the same T.V. show.

ANGLE - TELEVISION

PHILLIP

Hey Terrance, now that you've farted,
I think I might fart too!

Phillip leans over and rips a big one. The laugh track laughs.

TERRANCE

Ooh! You farted!

The laugh track laughs again.

Kyle laughs painfully. He holds his stomach. Just then, Kyle's mother walks in.

KYLE'S MOTHER

Kyle boopie, What are you watching?

But Kyle is laughing too hard to speak. His mother looks at the television.

TERRANCE

Hey Phillip, would you like a flower?

PHILLIP

I sure would Terrance.

TERRANCE

Alrighty then, here's a Tulip PUUU!!
Terrance farts.

RESUME - KYLE AND MOTHER

Kyle is rolling around on the floor laughing wildly.

KYLE'S MOTHER

What is this? It's horrible!

KYLE

(Collecting himself)
Dude, it's 'Terrance and Phillip'.

ANGLE - TELEVISION

PHILLIP

Take that you stupid dick!

KYLE'S MOTHER

WHAT did he say?!

TERRANCE

You're an asshole, Phillip!

KYLE'S MOTHER

What-what-WHAAAATT?

Kyle's mom snaps the T.V. off.

KYLE'S MOTHER

Young man, you are not to watch that show anymore! It's immature toilet humor!

KYLE

But EVERYBODY watches Terrance & Phillip!

KYLE'S MOTHER

Oh, really, is that SO?!

INT. CARTMAN'S HOUSE

Cartman is on the couch eating cheesy poofs and watching television.

ANGLE - TELEVISION

Terrance and Phillip are floating out in space.

TERRANCE

Oh no, Phillip! looks like you're about to fart!

PHILLIP

You're exactly right, Terrance!!

A huge FART sound. Cartman laughs wildly.

CARTMAN

Sweet!

CARTMAN'S MOM

Eric dear, I just got a call from your friend Kyle's mother. She said that this show is naughty, and might make you a potty mouth.

CARTMAN

That's a bunch of crap. Kyle's mom is a dirty jew.

CARTMAN'S MOM

Oh, okay hon.

INT. STAN'S HOUSE

Stan walks up to his bedroom door and looks at his list of chores. 'Take Out Trash' followed by 'Feed Sparky' then 'clean up room' and then, sloppily scribbled in crayon, 'Kill Grandpa'.

Stan looks confused, then realizes that grandpa is down the

hall.

STAN

I'm not going to kill you, grandpa!

Grandpa appears in the background.

GRANDPA

Ingrate!

STAN

G'night grandpa.

Stan goes into his room.

GRANDPA

You pompous son of a whore!

INT. CLASSROOM - DAY

The kids are filing into their desks.

Kyle gets into his desk, and immediately gets slugged in the head by Cartman.

KYLE

OW! What the hell was that for?!

CARTMAN

That's for your stupid mother! She made me miss Terrance and Phillip last night!

CLYDE

Yeah, what's the big idea having your mom call all our moms last night?

KYLE

Well, I didn't have her do it, she did it on her own!

CARTMAN

Why does this happen every month? It seems like right about the same time every month Kyle's mom gets a hair up her ass about something -- and I always end up getting screwed by it!

Mr. Garrison steps in front of the class.

MR. GARRISON

Children, children, a certain student's mother called me last night...

CARTMAN

Oh gee, I wonder whose mother THAT

could have been!

MR. GARRISON

She informed me that some of you might be watching a naughty show called 'Terrance and Phillip'.

The whole class smiles and cheers.

CLASS

YEAH!

MR. HAT

Watching that show is bad, Mr. Garrison.

MR. GARRISON

That's right, Mr. Hat, shows like Terrance and Phillip are what we call 'toilet humor'. They don't expand your minds.

The kids blink.

MR. GARRISON

You see, children, these kind of shows are senseless, vile trash.

Kenny walks in.

MR. GARRISON

Kenny, why are you late to class?

Kenny says nothing, but just hands Mr. Garrison a note.

ANGLE - NOTE

'Please excuse me from being late. I have explosive diarrhea'.

RESUME - GARRISON

MR. GARRISON

Oh. Okay, Kenny. Be seated.

Kenny walks to his desk.

MR. GARRISON

Now, as I was saying, the reason that parents of South Park are so upset is because you -- yes Kenny, what is it?

Kenny has his hand raised.

KENNY

Mph rmph rm.

MR. GARRISON

I thought you just came from the bathroom.

KENNY

Mph rm rmpm rm mph mph rm rm mm.

MR. GARRISON

Oh okay, okay, go ahead.

Kenny walks into a little bathroom.

MR. GARRISON

As I was saying, you all seem to enjoy this show, even though it isn't based in reality. There is much more to life than two young men farting on each other.

Suddenly, we HEAR the sounds of splashing water and explosive diarrhea.

MR. GARRISON

And throughout history there have always been shows that have come and gone that have been very bad. Usually they get taken right off the air. You see you should be spending your time enlightening your mind with more intelligent entertainment.

Kenny walks out of the bathroom and takes his seat again.

STAN

Whew! Smells like you slaughtered a cow in there, Kenny!

MR. GARRISON

Pay attention, children! I'm going to join your parents in requesting that you don't watch Terrance and Phillip anymore, ever.

CARTMAN

WHAT?!

CLYDE

Not watch Terrance and Phillip EVER?

MR. GARRISON

That's right, children, are there any questions?

(Pause)

Yes, Stanly?

STAN

Is it okay to kill somebody if they

want you to?

Garrison is taken aback.

MR. GARRISON

What do you mean?

STAN

The whole class sits and thinks.

STAN

My grandpa keeps asking that I kill him all the time, and sometimes I wonder if I should.

KYLE

Well then you should. I think that a person has a right to die if they wanna.

STAN

Really?

KYLE

Yeah, there's this guy named Jack Laborkian that goes around and murders people that ask him to, and he doesn't get in trouble at all.

STAN

Wow.

CARTMAN

Hey! Maybe we could get him to kill Kyle's mom!

STAN

So IS it okay to assist somebody with suicide, Mr. Garrison?

Mr. Garrison thinks.

MR. GARRISON

Uh, Stan... I'm not touching that one with a twenty foot pole.

Stan looks bummed.

KENNY

Mph mph mph!!!

Kenny dashes to the bathroom, slams the door, and let's go of horrible, explosive diarrhea.

COMMERCIAL BREAK #1

INT. CAFETERIA - DAY

The boys are in line for lunch.

CARTMAN

Man, I can't believe we're gonna miss Terrance and Phillip today! I think I'm already having withdrawal!

Cartman starts shaking and quivering uncontrollably.

STAN

Don't worry, dude. We can all go watch it at my house! My parents don't get home until late.

KYLE

But won't your grandpa be there?

STAN

Yeah...

CARTMAN

Just kill him, dude, maybe he'll give you some money.

CHEF

Hello there, children!

STAN

Hey Chef.

CHEF

How's it going?

STAN

Bad.

CHEF

Why bad?

STAN

Chef, Is it okay to kill your grandpa?

CHEF

You can't kill my grandpa, Stan, he's already passed on.

STAN

No I mean kill MY grandpa.

CHEF

No I don't think that's okay, Stan. In fact I think that's illegal.

STAN

See, I told you, dude.

KYLE

Well yeah, but what if the grandpa wants to die, 'cause he's really old, and he's just asking for help?

CARTMAN

Yeah, like assisted suicide, what about that?

Chef thinks again.

CHEF

I don't want to touch that with a forty-foot pole.

Chef runs away.

They boys just sit there and blink.

STAN

What's the big deal? Why won't anybody talk about this?

INT. PTA MEETING - DAY

A large group of parents have gathered in a small meeting hall. Kyle's mother is at the head of the group, speaking at a podium.

KYLE'S MOTHER

...and I myself was not aware of this outrageous, horrible show until recently. I have a clip of this show to demonstrate exactly what I mean.

Kyle's mom hits a button of a remote. A video image of Terrance and Phillip starts.

ANGLE - TELEVISION SCREEN

TERRANCE

Hey, Phillip, guess what?

PHILLIP

What?

FARRRRRRRT...

The clip ends.

KYLE'S MOTHER

Now, apparently that's supposed to be FUNNY.

Laughing is heard from the back of the room. CUT TO Stan's Father, who is giggling to himself.

STAN'S DAD

Ha, ha... He farted right on his head!

The other parents look at Stan's dad, disgusted.

Kyle's mom sighs.

KYLE'S MOTHER

Not allowing our kids to watch this show is not enough. We need to BOYCOTT THE ENTIRE NETWORK!! ALL THOSE IN FAVOR?!

Hands bolt up into the air.

Suddenly, violent poo sounds emerge from the toilet.

Mr. Garrison steps out.

MR. GARRISON

Ooh, I think I've caught a touch of flu from little Kenny this morning. I've got the green apple splatters.

Some of the men in the audience laugh.

INT. STAN'S HOUSE

Stan walks in the door followed by the other boys.

Grandpa is sitting in his wheelchair trying to stick a fork into a light socket.

STAN

Hi, Grandpa. I brought my friends over to watch T.V. if that's okay.

GRANDPA

Billy, help grandpa stick this fork in the outlet.

STAN

No Grandpa, I'll get in trouble!

GRANDPA

Kill me God damnit!

STAN

No! I can't even kill a deer!

GRANDPA

Well then have one of your little friends do it!!

(To Cartman)

You can kill me, can't you?

CARTMAN

I would never kill somebody -- not unless they pissed me off.

GRANDPA

Oh, is that a fact? Well, let me tell you something, Porky, your mom was over here earlier and I humped her like a little bitch.

CARTMAN

WHAT?!

GRANDPA

That's right.

STAN

GRANDPA!!

GRANDPA

And then I dug up your great grandma's skeleton and had my way with her too! Choice piece of ass, your great grandma!!

CARTMAN

HEY! YOU PIECE OF CRAP! I'LL KILL YOU!!

GRANDPA

That's the spirit, Tubby!!

STAN

Come on, Cartman, he's just trying to get to you!

Stan grabs Cartman and pulls him away.

CARTMAN

Don't talk about my mom like that!!

STAN

We can go watch Terrance and Phillip in the kitchen.

GRANDPA

(Calling after him)

I ever tell you 'bout the time I boofed your dad, fatso?

INT. STAN'S HOUSE - KITCHEN

The boys are standing next to a small T.V. set and a phone. Cartman is still fuming.

CARTMAN

I can't believe that son of a bitch!

STAN

Here, Cartman, have some snacky cakes.

CARTMAN

(Suddenly fine)

Ooh, snacky cakes? Good deal...

Cartman starts to gorge himself.

STAN

I don't know what to do, dude. My Grandpa really wants to die.

KYLE

I'm telling you, it's okay. Maybe you should ask the Lord for guidance.

STAN

Hey yeah, good idea.

Stan picks up the phone.

INT. JESUS AND PALS SET

NARRATOR

And now back to 'Jesus and Pals' on South Park Public Access.

JESUS

Yea, believe in me and ye shall find peace. ...First caller, you're on Jesus and Pals.

VOICE

Yeah, is this Jesus?

JESUS

Yes, caller, you need to turn your T.V. down, that's why you're getting that weird feedback.

VOICE

Oh sorry... Uh, this is Mar --

JESUS

Martin from Aspen Park, yes I know.

VOICE

...How the hell did you know that?

JESUS

Well, maybe because I'm the son of God, brainiac, now do you have a question?

VOICE

Oh yeah, uh, I have this cousin who
cheated on the SAT's to --

JESUS

Tell little Gregory that cheating is
lying and lying is wrong, no matter
what the circumstance.

VOICE

Oh, Okay, thanks for the advice,
Jesus.

JESUS

Next caller, you're on the air.

STAN

Jesus?

JESUS

Yes my son.

STAN

Jesus, is it okay to kill somebody
if they ask you to because they're
in a lot of pain? You know, like
assisted suicide. Is that okay?

JESUS

My son...

STAN

Yes?

JESUS

I'm not touching that with a sixty
foot pole.

Jesus QUICKLY reaches over and switches phone lines.

JESUS

Next caller --

INT. STAN'S HOUSE

STAN

GOD DAMMIT!!

JESUS

I heard that.

STAN

What the hell is wrong with
everybody?!

CARTMAN

Hey you guys! 'Terrance and Phillip'

is on!

STAN

Yeah!

Stan starts to change the channel.

KYLE

Hey, do you think we'll get in trouble
for watching it?

STAN

Kyle, don't be a butthole!

CARTMAN

Yeah, just 'cause your mom is a stupid
bitch doesn't mean the whole world
has to suffer.

KYLE

Don't call my mom a bitch, Cartman!

CARTMAN

Oh, Bitch... your mom is a Bitcha
Bitcha Bitch...

ANGLE - TELEVISION

ANNOUNCER

And now back to Terrance & Phillip.

The two very plain looking teens are sitting on a couch.

TERRANCE

Hey Philip, would you like to eat
some beans?

PHILLIP

Oh yeah! I love beans!

RESUME - KITCHEN

CARTMAN

(Laughing)

Oh oh... I bet I know what's coming!

Grandpa wheels himself in and nonchalantly hands Stan a piece
of rope.

GRANDPA

Billy, would you mind holding this
for grandpa, please?

Stan doesn't take his eyes off the T.V.

STAN

Okay, grandpa, okay. Just get out of

the way of the T.V.

Stan takes the rope. Grandpa heads to the background.

ANGLE - TELEVISION

TERRANCE

Hey Phillip, it looks like those
beans might make me fart!

PHILLIP

Well, don't fart on me, Terrance!

RESUME - LIVING ROOM

The boys all laugh merrily. Meanwhile, Grandpa is doing
something odd in the background.

He is throwing the other end of the rope around a crossbeam.

KYLE

Dude, he's gonna fart on his head
again!!

Suddenly, Kenny jumps up and rushes to the bathroom. We HEAR
a door SLAM and then the sounds of splashing water and
explosive diarrhea.

KENNY

Mmmf Mrph mamm Mrmmm!

CARTMAN

Hey, you're gonna miss it, Kenny!

A fart sound comes from the T.V. The boys all break out
laughing hysterically.

PHILLIP

You're such an ASSHOLE Terrance!!

TERRANCE

Ha Ha charade I am.

The boys laugh even harder.

CARTMAN

Hurry up, Kenny! You're gonna miss
the fart!!

Just then, Shelley walks in!

SHELLEY

JESUS CHRIST! WHAT THE HELL ARE YOU
DOING?!?!

Stan jumps up and stands in front of the T.V.

STAN
We're not watching Terrance and
Phillip, I swear! I mean... CARTMAN
was watching it.

SHELLEY
No, I mean what the HELL ARE YOU
DOING TO GRANDPA?!

Stan looks down at the rope in his hand, then follows it up
over a crossbeam, and finally sees grandpa at the other end,
hanging by the neck.

GRANDPA
(Choking)
Tug... a... little... harder...
Billy...

STAN
AGH!

Stan lets go of the rope and grandpa crashes to the ground.

SHELLEY
You little jerk, you were trying to
kill grandpa!! I'm telling mom!!

GRANDPA
(Coughing)
Dammit, I was so close!

INT. NEWSROOM - DAY

REPORTER
Four third graders from South Park,
Colorado were found trying to
viciously murder an innocent,
grandfather.

INT. STUDIO - DAY

The boys are on some kind of talk show.

REPORTER
Boys, how did you get driven so far
to the edge? What changed you into
such demonic little bastards?

STAN
We didn't know what we were doing.
We were just sitting there watching
'Terrance and Phillip' and --

REPORTER
Terrance and Phillip!! Ah HA!!! SO
it IS that show that is to blame!

EXT. SOUTH PARK

Kyle's mother is standing in front of the town with yet another reporter.

KYLE'S MOTHER

These boys' minds have been tainted
by the garbage on television that
they see, and we are FED UP!

A random TOWNSPERSON holds his stomach and runs into a bathroom where thundering shit sounds emerge.

Garrison runs up to the bathroom door and pounds on it.

KYLE'S MOTHER

We have to stop this smut from going
on the air! We will march to the
network and PROTEST UNTIL OUR DEMANDS
ARE MET!! NEW YORK, HERE WE COME!!!

The parents all cheer.

COMMERCIAL BREAK #2

ACT II

EXT. NEW YORK

Establishing shot of the filthy, violent, rancid city that is New York.

EXT. CARTOON CENTRAL - DAY

Within the city, a mob is gathered out front of the towering skyscraper of Cartoon Central. Kyle's mother stands in front of the crowd with a bullhorn, addressing the crowd.

KYLE'S MOTHER

We are spreading the word to this
establishment -- That we DEMAND better
television for our children!

The people cheer.

KYLE'S MOTHER

We want more QUALITY television like
'Full House'!!

Several of the South Park residents, however, are waiting in line for one of the two port-o-pottys.

STAN'S FATHER

Ooh, I think you gave me the stomach
flu, Mr. Garrison.

MR. GARRISON

No, no, it was that little Kenny bastard that gave it to me.

Mayor McDaniels steps out.

STAN'S DAD

Whoa, Mayor, you making gravy in there?

MAYOR MCDANIELS

I just had a brown baby boy!

They all laugh, in spite of themselves.

INT. STAN'S HOUSE

The boys are running around the house like crazy. Garbage and food is everywhere.

KYLE

Dude! This is SWEET not having any parents around!

STAN

Yeah! I hope they protest T.V. shows forever!

The boys start jumping up and down on the sofa.

STAN

WHOOPEE!!!!

GRANDPA

Come here, Billy, I want to show you something...

STAN

Aw, do I have to?

GRANDPA

Yes you do you little pecker!

Stan sighs and follows his grandfather.

GRANDPA

I realized that the reason you won't kill me, is because you don't understand how I feel, Billy.

They walk to one of the bedroom doors.

GRANDPA

But I found out a way to show YOU what it feels like to be grandpa.

INT. STAN'S HOUSE - GUEST BEDROOM

Grandpa leads Stan into a little bedroom and closes the door, locking both himself and Stan inside.

STAN

Hey, what are you doing?

Grandpa hits a switch, and the lights in the room go out.

Stan tries to look around the dark room.

Grandpa reaches down and puts a tape into a tape player.

EXT. STAN'S HOUSE - HALLWAY

The other boys have their ears pinned against the door.

KYLE

What are they doing in there?

CARTMAN

I don't know...

INT. STAN'S HOUSE - GUEST BEDROOM

GRANDPA

Now, you're about to see what it's like to be as old as me. Are you ready Billy?

STAN

I guess.

Grandpa flips the switch on the tape player. A slow ENYA Song begins to play.

ENYA

(Singing)

Take a look, take a look...

As the song continues, Stan is forced to just sit in the dark room and listen to it.

Finally, Stan grabs the doorknob, but its locked.

STAN

Okay, you can let me out now.

GRANDPA

Not just yet.

Grandpa turns the song up louder. Stan pulls on the door.

STAN

LET ME OUT, GRANDPA!!

The song gets even louder still.

STAN

I can't take it anymore! This music is terrible!! It's cheesy but lame and eerily soothing at the same time!!

GRANDPA

THAT'S IT!!!! NOW YOU KNOW WHAT IT FEELS LIKE TO BE GRANDPA!!!!

EXT. STAN'S HOUSE - HALLWAY

Grandpa opens the door. Stan falls out, looking terrible and beaten.

Grandpa flips off the Enya music, and goes over to Stan.

STAN

Grandpa... I... I had no idea how bad it was for you... Now I understand...

GRANDPA

So now will you kill me, Billy?

STAN

Sure I will grandpa... I will.

EXT. TOON CENTRAL

The people of South Park are still gathered around South Park, only now, they have chained themselves to the building.

STAN'S MOM

It doesn't look like our protest is working.

KYLE'S MOM

It'll work... It has to...

Suddenly, a well dressed businessman emerges from the doors of the building.

KYLE'S MOM (CONT'D)

Look! It's the president of the network!!

JOHN WARSOG

Ladies and gentlemen, my name is John Warsog. I have prepared a statement for you on behalf of the network...

The people all stand up. Warsog puts on glasses and pulls a piece of paper out of his pocket.

He clears his throat, and unfolds the piece of paper.

Finally he begins to read.

JOHN WARSOG

'Fuck you.'

John folds the piece of paper and puts it back into his pocket. He takes off his glasses.

JOHN WARSOG

Thank you, ladies and gentlemen. If there are any questions, you may direct them to that brick wall over there.

John walks back into the building. Kyle's mother is furious.

KYLE'S MOTHER

HEY, YOU WILL NOT GET AWAY WITH THIS!!!

John pauses to pull down his pants and moon the crowd, then continues on into the building.

KYLE'S MOTHER

THAT DOES IT! NO MORE MR. NICE PROTESTERS! It's time for PLAN B!

CARTMAN'S MOM

Oh Carol, where are the port-o-potties?

KYLE'S MOTHER

Over there hon. What, you need to drop some friends off at the pool?

CARTMAN'S MOM

Oh yes indeedy!

The two women laugh, in spite of themselves.

Cartman's mom runs to the toilet, slams the door, and shits up a storm.

EXT. FOREST CLEARING - NIGHT

Grandpa is sitting below a large tree.

STAN

Okay, grandpa, all you have to do is sit there. We'll do the rest. You got the cow all tied up?

Kyle finishes putting a rope around a scared cow's waist.

KYLE

Yep, all done.

STAN

Kay, come on, guys.

The boys all grab the rope, and start to hoist the cow up, using a branch above grandpa's head as a pully.

CARTMAN

Why don't we just shoot him?

STAN

You dumbass, Cartman! It has to look natural, or else we'll all get busted.

KYLE

Yeah, stupid.

The boys pull on the rope and the cow gets hoisted up over grandpa.

GRANDPA

That's good, Billy... A little higher now...

The cow dangles in the air. The boys wrap their end of the rope around the base of another tree.

EXT. TOON CENTRAL - NIGHT

Kyle's mother walks up to the news cameras and the microphones.

KYLE'S MOTHER

The network isn't taking us seriously. In the past, people have had to die for what they believed in, and we are prepared to do the same. Ready?

The people near the sling shot all nod.

KYLE'S MOTHER

Mr. McKormick, you shall be a martyr to us all. God speed.

KYLE'S MOTHER

WE WILL NOT LET THESE CORPORATE HALFWITS RUIN OUR CHILDREN'S MINDS!!
LAUNCH!!!

The sling shot is cut, Mr. McKormick goes flying into the air and hits SPLAT!! into the side of the Toon Central building, dying instantly.

The news people all gasp.

KYLE'S MOTHER

We will all follow suit! One by one if that's what it takes!!

The line to the port-o-potties is getting longer. People moan with stomach aches.

EXT. FOREST CLEARING - NIGHT

The cow dangles dangerously above grandpa. The other end of the rope is tied around a tree.

Stan holds a knife in his hand, ready to cut the rope, and send the cow on top of his grandfather.

STAN

Are you ready grandpa?

GRANDPA

Does the Pope crap in the woods?

Stan is about to cut the rope when suddenly, a light flashes!

The boys all look over at the road, where Officer Barbrady has pulled up in his patrol car.

Barbrady studies the scene from his car, he looks at the cow, the grandpa below it, Stan with the knife in his hand...

The boys' eyes all grow wide.

A long time passes.

BARBRADY

...Carry on.

Barbrady drives away. The boys all sigh.

STAN

Okay, here we go... Bye Grandpa, it was nice knowing you.

GRANDPA

Cut the damn rope already!

But now another FLASH!! This one is HUGE. The boys all reel back from its glow.

KYLE

Whoa, what is that?!

When the smoke clears, the boys see a tall figure, dressed in black and carrying a sythe.

STAN

Whoa... It looks like... death!

GRANDPA

It's about time you late ass lazy son of a whore!

Death looks down at Grandpa.

GRANDPA
Come on! Let's go!

But death walks past grandpa and heads towards the boys.

GRANDPA
What the --

STAN
Hey, he's coming towards US!

CARTMAN
Why is Death coming after us?

But death relentlessly heads for the boys. The boys all scream and run.

INT. STAN'S HOUSE

The boys run inside. Death is just behind them. It makes a horrible sound.

DEATH
Mrrrrr...

The boys all run up into Stan's room and slam the door shut. Death is just on the other side, pounding on the door.

THE BOYS
Help, run run run!

CARTMAN
What are we gonna do?!

Stan looks over at his telephone.

EXT. TOON CENTRAL - DAY

REPORTER
As the day progresses, more and more South Park residents continue to sling shot their bodies into the side of the Toon Central building.

Behind him, an OLD LADY flies through the air and splats into the building.

REPORTER
Toon Central is under incredible pressure to cancel the show, and has already lost over 20 percent of their sponsors...

Kyle's mother walks up to Stan's mother and hands her a cell

phone.

KYLE'S MOTHER

Here, Carol, I think it's your boy.

STAN'S MOTHER

Oh, thanks.

(Into the phone)

What is it, Stanly hon? Did you break something?

INT. STAN'S HOUSE

STAN

Mom, death is here and he's trying to take all of us away with him.

The boys all look worriedly at the door which is still pounding and shaking.

EXT. TOON CENTRAL

STAN'S MOTHER

Stanly honey, you need to leave Mommy alone, I'm doing something very very important for your little well-being there.

STAN

Yeah, but mom --

STAN'S MOTHER

Here honey, talk to your father.

Stan's dad gets on the phone.

STAN'S FATHER

Did you turn the heat down?

STAN

Dad, death is coming --

STAN'S FATHER

Keep the thermostat under 70. Take care of your grandfather.

Click.

INT. STAN'S HOUSE

Stan hangs up the phone. Death starts carving away at the door with his sicle.

STAN

Dammit! You know, I think that if parents would spend less time worrying about what their kids watch on T.V.

and more time worrying about what's going on in their kids' lives, this world would be a much better place.

KYLE

Yes, I think that parents get only get so offended by television because they rely on it as a babysitter and the sole educator of their kids.

KENNY

Mph rmph rm rmph rm rmph mmm rmph
mph mph rmp mm.

KYLE

Totally dude.

STAN

Good point man.

Suddenly death BURSTS THROUGH THE DOOR!!!

STAN

AAGH!!

KYLE

Quick! Jump out the window!!

Just before Death can reach them, the boys jump out the window.

COMMERCIAL BREAK 2

ACT III

EXT. SOUTH PARK AVENUE - NIGHT

The boys run screaming down South Park avenue. Death pursues them on a tricycle.

Grandpa is pursuing Death in his wheelchair.

GRANDPA

Come back here you pompass son of a panzy!

Slowly, Death catches up to the boys, he stretches out his bony hand...

STAN

AAGH!!

KYLE

Don't let him touch you! You die if he touches you!!

GRANDPA

I'm over here you son of a whore!

Death chases the boys past a TV shop, where dozens of TVs are on in the window.

They are all playing Terrance and Phillip.

ANGLE - TELEVISION

Terrance and Phillip are floating through space with little space suits on.

PHILLIP

Oh Terrance... What color is the wind?

Death looks intrigued.

TERRANCE

I don't know why don't you check --

Terrance turns his ass towards Phillip and farts.

PHILLIP

OH! YOU FARTED!!

Death laughs loudly. He has to lay down his scythe to hold his stomach.

TERRANCE

Hey Phillip, you know what my space suit smells like?

PHILLIP

No, Terrance, why don't you tell me.

TERRANCE

Well, it smells like... A dirty fart!

They laugh. Death laughs even harder.

STAN

Hey look!

The boys stop running and notice that death is watching the show.

Everybody gathers around the TV and watches. Laughing happily together.

EXT. TOON CENTRAL

The reporter is standing out front of the Toon Central building.

REPORTER

Hours have passed and still the die

hard South Park parents are killing themselves in front of the Toon Central building one by one.

Another person splats into the side of the building.

REPORTER (CONT'D)

Worse yet, the stomach flu that seems to be going around is... Wait, wait... I'm getting word that John Warsog, the president of the network is going to make a statement!

Warsog again takes the stand, just as another MAN is about to be released from the sling shot. A look of relief crosses the man's face.

JOHN WARSOG

Ladies and Gentlemen, your Nazi-esque tactics of trying to stink us out with your rancid feces... has worked.

The people look confused. The port-o-potties are indeed backed up.

JOHN WARSOG

Therefore, today we will officially be taking 'Terrance and Phillip' off the network, and replacing it with reruns of 'She's The Sheriff.' Starring Suzanne Summers.

The people all rejoice and cheer.

JOHN WARSOG

Now get away from here and take your diarrhea with you!

The townspeople all cheer and rejoice. The two guys at the sling shot accidentally let it go, and the man goes flying into the air and splats against the building.

KYLE'S MOTHER

Now at last we can return to normality!

EXT. SOUTH PARK TV SHOP - NIGHT

The boys and death are still happily watching Terrance and Phillip.

TERRANCE

Hey Phillip.

PHILLIP

Yes Terrance.

TERRANCE

Is there a penny stuck in my butt?

PHILLIP

I don't know Terrance, let me check...

CARTMAN

Oh, oh. Don't look there Phillip,
you're going to get farted on!!

Phillip moves his head towards Terrance's ass when suddenly
FWOOP! A second of static and then the Toon Central logo.

The boys and death look confused.

NARRATOR

We interrupt this program to bring
you some loud static.

Loud static fills the screen.

Death goes absolutely ballistic. It lets out a horrible cry.

DEATH

MARRRR!!!!!!

And turns back on the boys.

KYLE

AAGH!!

Death stretches out its skeleton hand and touches Kenny.

Kenny immediately falls to the ground.

KYLE

Oh my God! They killed Kenny!!

The boys stop and look at Kenny's motionless body.

KYLE

(To Death)

You bastard!!

STAN

Wow, I guess Death was just coming
after Kenny the whole time.

Grandpa wheels himself up, panting.

GRANDPA

HEY! You were supposed to kill ME!!

Death shakes its head.

GRANDPA

That's not fair, God Dammit! My

grandpa asked me to kill him and I
did it!

Death says nothing, but points his boney finger to a glowing
fog.

STAN

Whoa...

In the glowing fog, another EXTREMELY OLDER man appears,
floating above the ground.

OLD OLD MAN

Billy...

GRANDPA

Grandpa?

OLD OLD MAN

That's right, Billy.

GRANDPA

My name's not Billy, Grandpa! And
what's wrong with you? Why do you
look all haggard?

OLD OLD MAN

I asked you to kill me, Billy, but I
was wrong... And now I am forced to
spend eternity in limbo.

GRANDPA

Limbo?

OLD OLD MAN

I was wrong to put you in that
position, Billy. Just like you're
wrong to put little Billy in it now.
You're so obsessed with ending your
life, you're not thinking about what
you're doing to his.

Grandpa thinks.

OLD OLD MAN

You must wait to die of natural
causes.

GRANDPA

But I've been waiting for twenty-
five years! Let nature run its course,
or else end up in limbo...

The old old man starts to fade away. He, death and Kenny all
float up to the sky.

OLD OLD MAN

Natural causes, Billy... Natural causes...

STAN

C'mon you guys, let's go home.

Rats come and pull Kenny away.

INT. STAN'S HOUSE - NIGHT

Stan's mom and dad walk in the door. Kyle's mom is with them.

KYLE'S MOTHER

Here they are!

STAN'S DAD

Well, we did it son! We have fought a battle for your well-being and won!

STAN

What do you mean?

STAN'S MOM

We got Terrance and Phillip taken off the air!

The boys all look terribly disappointed.

CARTMAN

(To Kyle)

You son of a bitch! Your mom sucks!

KYLE'S MOTHER

But look what they put on!

Kyle's mother flips on the television.

TELEVISION

And now back to 'She's the Sheriff!!!'

The boys look horribly disappointed.

CARTMAN

NOOOOO!!!! GOD NOOOOOO!!!!!!

ANGLE - TELEVISION

SUZANNE SUMMERS

You were the one behind all these shenanigans!

MALE ACTOR

Yeah, well, you're the stupid ho that started it.

KYLE'S MOTHER

What did he say?

SUZANNE SUMMERS

Up yours, buttmunch!

RESUME - LIVING ROOM

The parents are all staring at the T.V. Kyle's mom is furious.

KYLE'S MOTHER

WHAT-WHAT-WHAAAT?!?!

Kyle's mother picks her sign back up.

KYLE'S MOTHER

Come on everybody! Back to New York!!

The parents all dash out the door.

KYLE

Hey Stan, now that Terrance and Phillip has been taken off the air, what are we going to do for entertainment?

STAN

I dunno... We could start breathing gas fumes...

CARTMAN

My uncle says that smoking crack is kinda cool...

KYLE

Hey! Why don't we go watch some of those porno movie thingies?

STAN

Cool!

CARTMAN

Yeah!

Grandpa wheels out wearing tourist garb and holding pamphlets.

STAN

What are you doing grandpa?

GRANDPA

I'm planning a trip to Africa. Did you know over 400 people are eaten naturally by lions in Africa every year?

STAN

That's my silly grandpa!

The boys all laugh and fart.

THE END
